## The 1960 Foreword

Focus on the future with 20/20 vision, perception, aims, ideals, and goals! For a person to continue to succeed as the years go by, he must constantly adjust his vision to the changing needs of the times!

How appropriate is this paraphrase of an oil company's advertisement as a byword and a watchword for every school, every faculty member, and every student.

Glancing backwards, it becomes apparent that Augusta has been able to continue to succeed through the years only because of the vision of the men who have shaped the policies of the school. A corps of five hundred boys was just a fond hope when a new barracks was constructed in 1914.

# A. M. A. Recall

Who, but men with foresight, could have perceived in 1926 the need in 1960 for the largest prep school gymnasium in Virginia? Who, except men with faith in the future, could have decided to enlarge science facilities, and yet to continue to stress the humanities?

As world-wide events change the destiny of men, each year the heads of the departments re-evaluate course content, ever alert to the need to alter courses, according to the demands of the colleges which will claim Augusta's graduates in the following September. Entering AMA with vision somewhat narrow, they learn to focus their sights on

broader goals as they pass from course to course, from class to class. The result of this necessary adjustment is that intangible quality which Augusta attempts to instill in all of its students.

And herein, the 1960 RECALL presents the picture of a school, ever awake to the need of adjusting its vision, but never its ideals . . . a portrait of the faculty members who direct the increased focus needed by each cadet . . . a close-up of the boys who are becoming young men, with their vision unobscured by false ideologies, with their eyes focused on a positive goal, obtained only by hard work, faith, and devotion . . . all on a 20/20 basis!

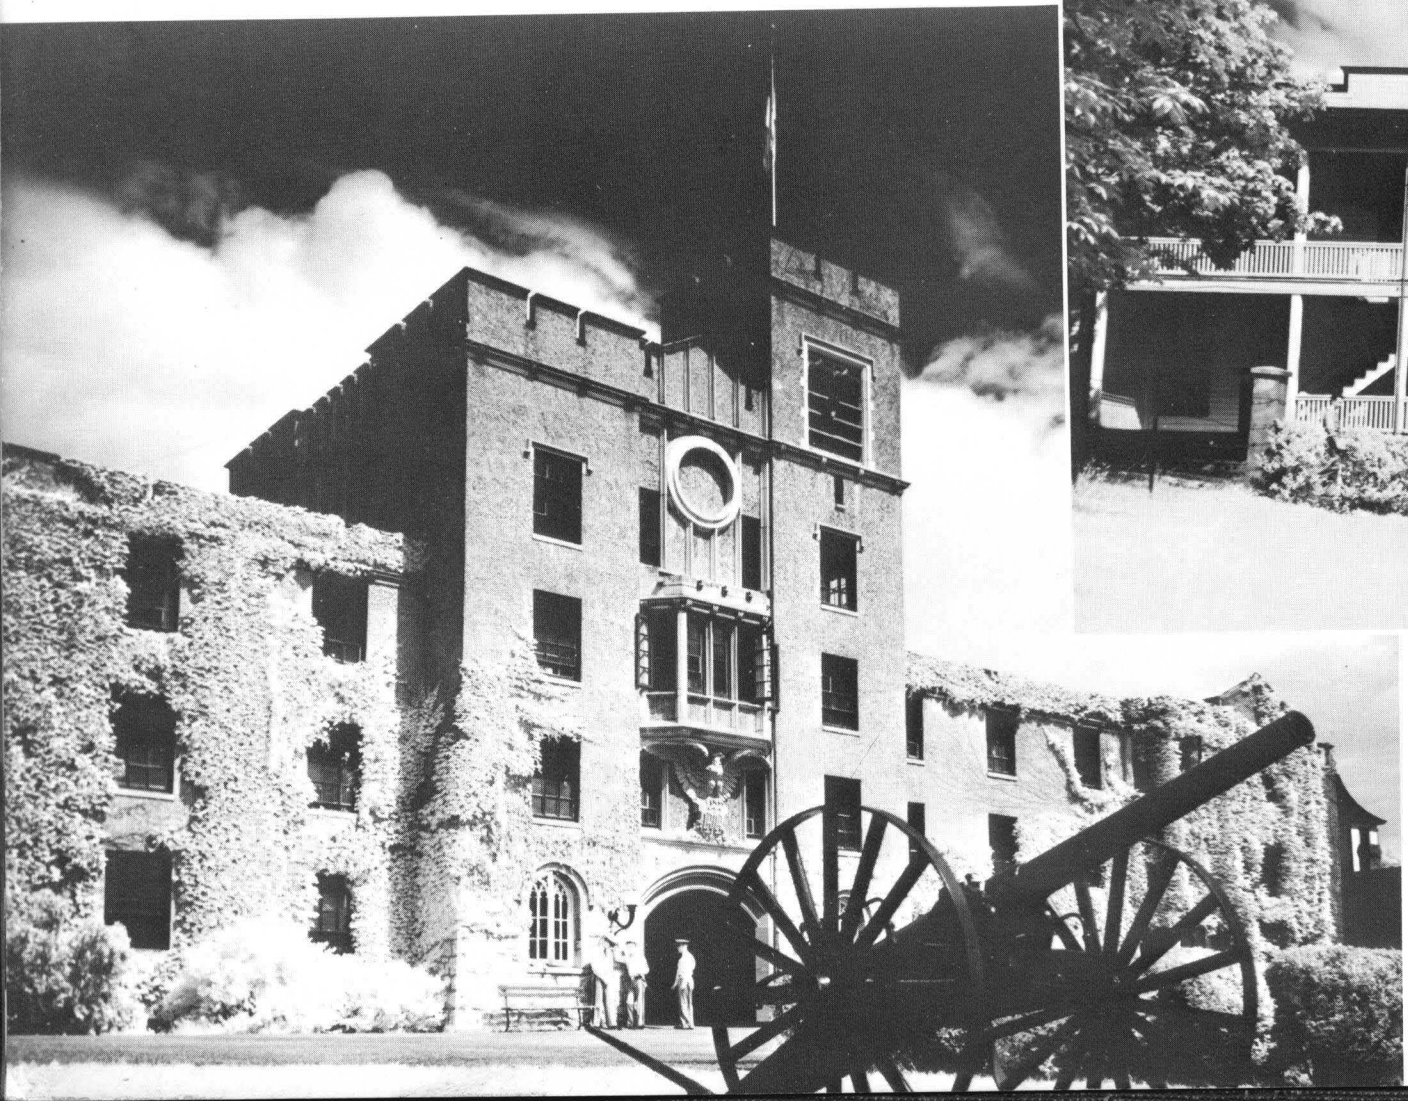

... And here are the buildings of Augusta

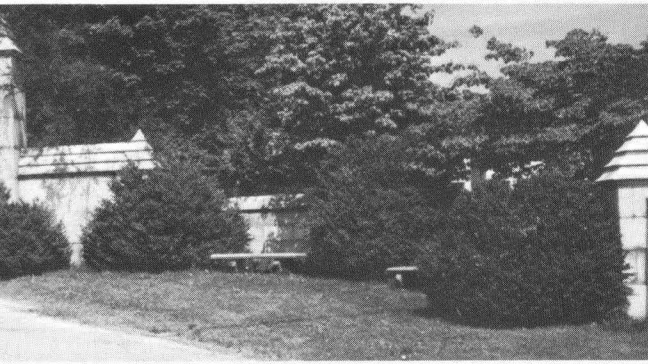

THROUGH THESE PORTALS . . . pass boys who come from every part of the United States, from many Latin American countries, and occasionally, from Europe. Starting in early September, as

HORIZONS ENLARGED HERE? . . . Even the smallest room in Main Barracks comes alive with the noise which only teen-age cadets can make! . . . And here, each one learns to live with, to get along with, and to respect the rights and opinions of others.

. . . where we broadened our horizons . . .

raw, untrained civilians, rapidly each one displays the results of hard work, discipline, and self-improvement. Every building will have been the scene of a revelation by June!

Buildings give a good indication of the foresight of the men who had them built . . . and at AMA, with a school of ten day students in the post-Civil War days, only men who could foresee the importance of education many years later would have believed that in 1960, over 500 students would be a part of the proud heritage which is AMA.

Closely knit, unified, every building at Augusta serves a need . . . in total, a community which has every facility necessary for the development of top students, who will become top citizens.

DEANE'S CASTLE . . . "J" Barracks, and the steps to the Academic Building furnish quite a panorama to each new cadet. Many are the battles fought in Deane's Castle in English, French, history, and some Junior School subjects. But each boy comes out with more perception and greater respect for the important commodity called education.

VARIED DEGREES OF FOCUS . . . are required by every boy who used the gymnasium . . . for here there are classes, athletic events, dances, plays, and GRADUATION! From the beginning, every cadet has his sight focused on that important event!

PRINCIPAL OF AMA  
Brig. Gen. Chas. S. Roller, Jr.  
B.S., M.S., Virginia Military Institute

FIFTY GOLDEN YEARS . . . General and Mrs. Chas. S. Roller, Jr. take time out from duties which they love to go over a scrap book of memories. Having celebrated fifty years of marriage and sixty years of teaching, Gen. Roller states, "It's the future that is important. Look backwards to learn, but forward for hope." Mrs. Roller echoes the General's sentiments!

## . . . With insight and foresight, they lead!

"I'll always take tomorrow as my best day!" exclaims General Roller, and for sixty years as Principal of Augusta, he has maintained this rule as his watchword.

"Boys, you must always look to the future for your goal. Only those who fail look backwards and say 'those were the good old days.'" With gusto, Mrs. Roller, as much a part of AMA as her husband, shows in every way that she always has a goal also.

After celebrating their 50th wedding anniversary, General and Mrs. Roller didn't stop; they kept right on with plans to improve their school . . . ways in which they may have their boys even more successful while at AMA and then, in later life.

"We're in a space age now, and AMA is going to

have astronomy," proclaimed General Roller. Having taught science for fifty years, General Roller has maintained an interest in the development of the sciences at AMA. Biology, geology, and astronomy have been added to the curriculum because General foresaw the importance of these courses.

And Mrs. Roller is just as interested in "her boys" . . . now, the Mess Hall is air-conditioned, for Mrs. Roller wanted the cadets to be comfortable during meals.

During '60, the corps has had visiting lecturers, a magician, and educational films, because the Principal wanted his boys to improve their scope — to enlarge their field of vision.

Augusta has, indeed, a Principal of foresight!

# ... To our teacher of the year ...

## ... a man of discernment

A teacher of tremendous personal magnetism, force and ability . . . one who influences the lives of each of his students without his knowledge . . . a man respected by every cadet at AMA . . . looked up to by the people of the community . . . sought after by his fellow church members . . . admired by his fellow teachers.

Constantly does he have his eye on the future, focused on the true values of life, yet tuned to the times.

The RECALL happily dedicates its 1960 edition to Colonel John Cyrus McCue, Jr., alumnus of AMA, member of Ad Astra Per Aspera, graduate of the University of Virginia, head of the mathematics department . . . a real teacher . . . a true scholar . . . a gentleman of honor, wisdom, and 20/20 foresight!

DISCERNMENT . . . DISCRIMINATION  
COL. J. CYRUS McCUE, JR.

LOOKING to '66! . . . Cadet John C. McCue, III, third generation of McCues to attend AMA, registers of classes in the sixth grade. Col. McCue has his eye on Cadet McCue's future, as he does for

Cadet Linton and Cadet Harris. Every boy knows he can depend on Col. McCue.

## ... Glances at the many moods of barracks.

**CLEAN CUT MOOD . . .** When snow fell, which was seldom in '60, barracks had a clean, crisp look, and all of the corps stepped more lively. There's nothing like a good snow to clean the cobwebs out of the system!

### a portrait of Big Barracks in cycle.

From September to June, the Main Barracks is home to over 400 boys. Here, indeed, is their center of activity.

From season to season, the building presents a varied picture. In early September the campus is alive with green. As October rushes in, color takes over. Then comes the brown of winter, softened only when an infrequent snow cleans the atmosphere.

Imperceptibly, light greens begin to appear in late March, and by June the campus has returned to the same picture it presented nine months earlier.

**AUTUMN LEAVES . . .** Barracks "catches fire" when the Virginia creeper turns a brilliant red. Then the whole campus comes to life in fall raiment. "Soupy" is the call which means FOOD! But here, the formation is for drill, drill, drill!

**SHADOWS CREEP . . .** and lights come on all over barracks. Showers have to be taken; studying has to be done, and the Dick Clark Show finds favor with the boys who get away from it all for a while.

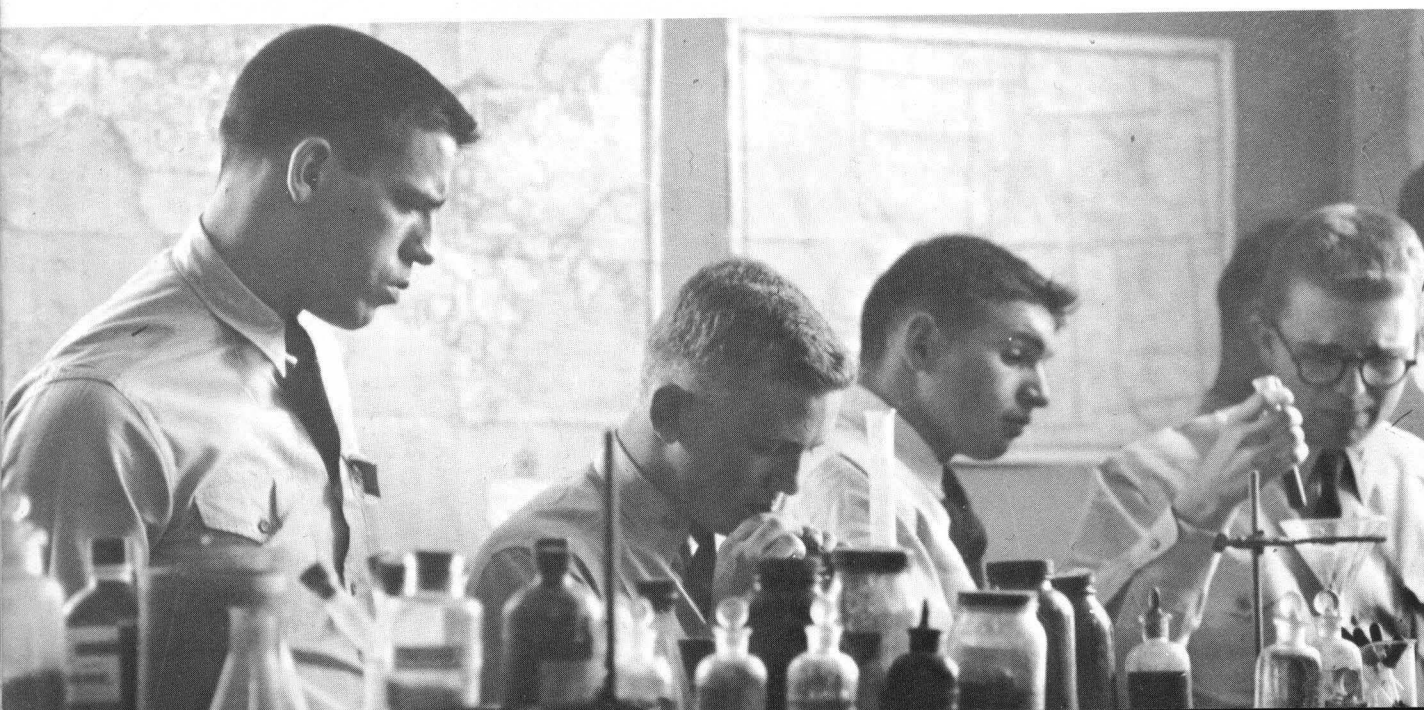

# A glimpse at Augusta

ACADEMIC ENDEAVOR . . . Lab work in chemistry (or in any of the sciences) is necessary for putting into practice what is learned in lecture section. Clough, Timberlake, Zinkhan and Blakely are oblivious to the telephoto shot of them during qualitative analysis experiments.

# *Academically*

Only by constantly adjusting his vision to the changing requirements of his courses from year to year can a cadet continue to succeed. Therefore, take a glimpse at Augusta academically. Look into the classrooms where a cadet must learn to absorb new ideas; where he must learn to think for himself if he is to successfully store all of the different ideas which he hears presented, and then to formulate his own.

Scrutinize carefully throughout the RECALL the photographs of the faculty who are with the boys daily, guiding them not only in the classroom in aca-

demic endeavor, but also on the athletic field, at social affairs, and in church. These are the men who increase the cadet's storehouse of knowledge week by week, broadening his horizon, shaping his destiny.

Check thoroughly the courses offered at Augusta. Each year finds subtle changes in each one . . . new texts in mathematics . . . an additional science course . . . a return of German to the Foreign Language Department.

Here are the men and the women and their courses which help each cadet to maintain his vision and perception at 20/20.

# Administrative might . . . men of insight

**GENERAL CHAS. S. ROLLER, JR.**  
B.S., M.S.

Virginia Military Institute; Principal; Mathematics, Science.

Understanding and communication between faculty members and students is an absolute necessity in modern education. With General Roller as Principal, every part of the administration maintains close faculty-student relationships.

Every Sunday night, the captains have a meeting specifically to recommend policy changes, tightening of regulations, or methods to keep up morale.

Important meetings of the Academic Board and the Commandant with the officers of the Student Body have dealt with senior permits and Honor Court trials. Instilling democratic traits in all of its students marks Augusta as a school which fulfills a basic function of education.

**COL. H. D. DEANE**  
B.S.

University of Virginia; Headmaster;  
Chairman, Academic Board, English.

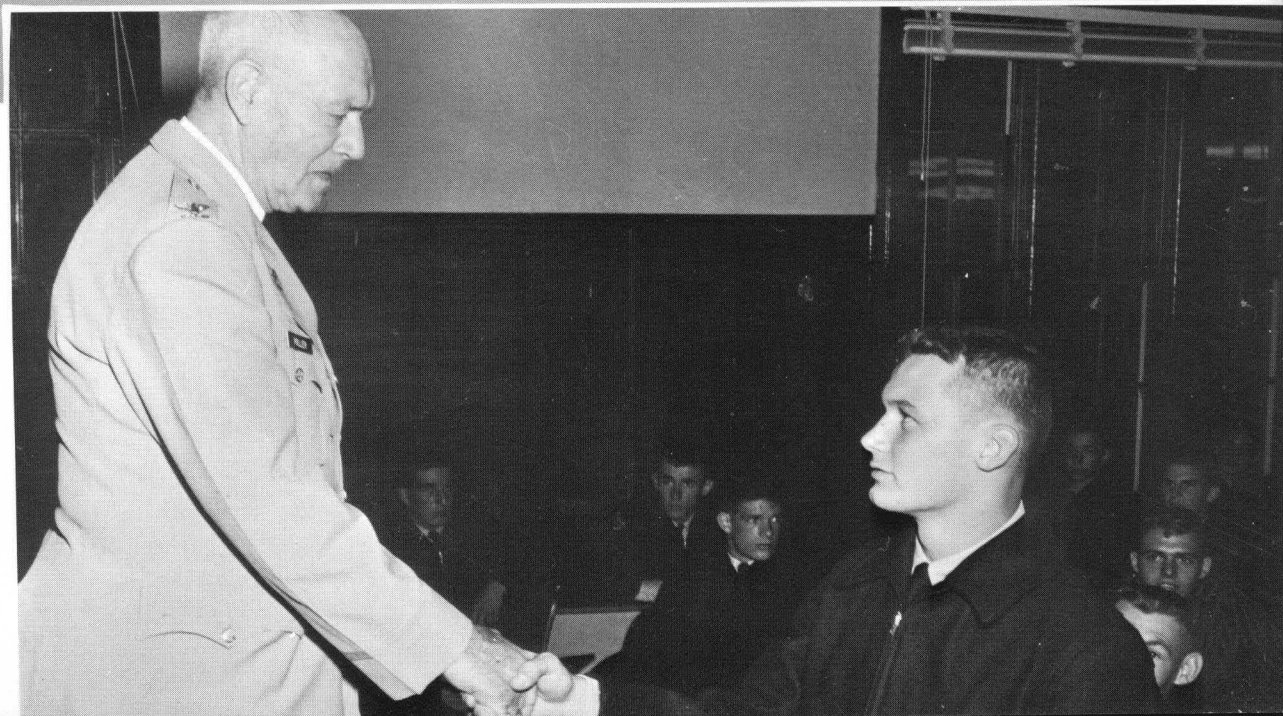

**MAJOR SAMUEL S. WALES**

Augusta Military Academy; Commandant; Academic Board.

OFF TO A GREAT START . . . Gen. Roller greets Bob Gardill at the New Cadet assembly and wishes him success for the year.

No duty can prevent General from listening to any boy's problem, whether it is relative to school work or personal difficulties.

# Developing logical thought . . .

PERPLEXION! . . . But not for long with Col. McCue to explain the relationships between formulae in the text and the models used to develop the logical thoughts of students in solid geom-

etry. Bob Moore, Bob Morefield and John Urbina listen to Col. McCue in February, and by June, they'll be able to think for themselves.

PATH TO SUCCESS . . . Mike Stratton obtains valuable help from General Roller in college algebra. Evidently, Mike learned a great deal, for he was one of AMA's N.R.O.T.C. scholarship winners.

COL. J. C. McCUE, JR.

**LT. COL. PAUL V. HOOVER**  
B.A., M.A., M.Ed.

Franklin and Marshall College,  
University of Maryland, Uni-  
versity of Virginia; Academic  
Board, Athletics, Mathematics,  
Remedial Reading.

**INDIVIDUAL ATTENTION . . .** Bob Gardill finds that trigonometric functions become clearer when Major Kramer offers him special help. Never a day passes in Major Kramer's classes without board work, an important phase of individual attention.

**GRAPHICALLY DESCRIBED . . .** Col. McCrum finds that Kit Groves can explain graphs to the class in second year algebra. Stressed more each year, however, is logical thinking, giving each course a plane geometry flavor.

**PROBLEMS EVERYWHERE . . .** Lt. Parrish checks the work of each of his students in Algebra 1. T. C. Quatmann checks his answers, while Craig Roberts and John Prewett analyze their work.

## . . . augments a cadet's basic concepts.

Looking to the future, Augusta's mathematics teachers were taking courses in graduate study during the 1959-60 year. New to high school mathematics, abstract reasoning was introduced in trigonometry. Since no texts exist, pamphlets from College Entrance Examinations were purchased in order to keep the students right up to date in present trends.

In addition to teaching other courses, Col. Duff, Col. Gardner, Capt. Bradford, and Capt. Hanson rounded out the strong AMA Math Department.

MAJOR. J. D. KRAMER  
B.A.

Bridgewater College; Academic Board, Athletic Director, Mathematics.

COL. H. D. McCrum  
LL.B.

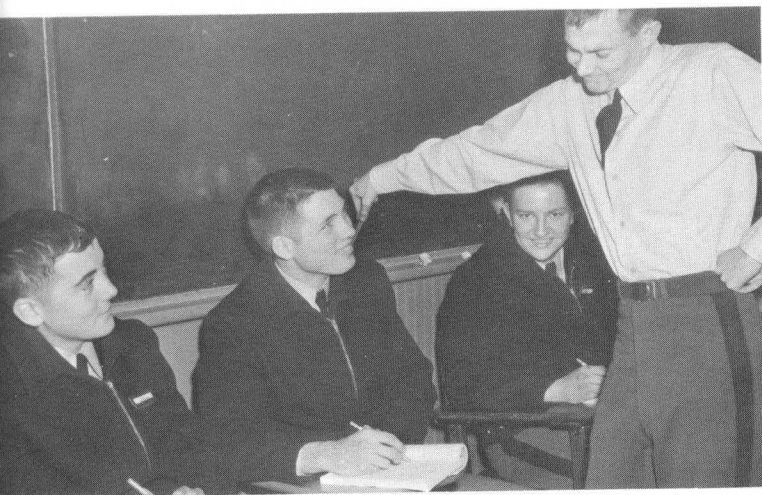

West Virginia University; Academic Board, Mathematics, Business Law.

**PRACTICAL USE . . .** Col. Hoover, who specializes in graduate study in mathematics, has John Gracia point out to the plane geometry class that theorems can be put to practical use. Ab-

stract theorems also became an integral part in plane classes this year.

# English enhances each cadet's insight

"THAT'S COMMUNICATIONS?" . . . Capt. Saunders finds Eddie Trott's answers a bit on the wry side. Annesley Jackson and Harry Rowe find the situation amusing also. Capt. Saunders has quite a reputation with his students for his facial expressions . . . quite lucid, quite effective!

**CAPT. ROBERT T. SAUNDERS**  
B.A.

Virginia Military Institute;  
English.

**MAJOR GLENN W. KOOGLER**  
B.A.

Bridgewater College; Athletic Director; Academic Board, English.

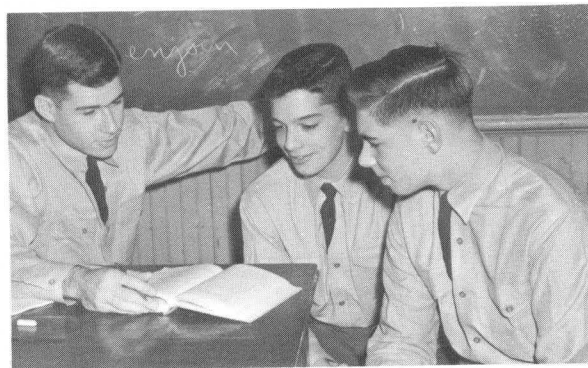

**LT. MOWBRY ALLAN**  
B.A., B.S.

Hampden-Sydney College; Swimming, Laundry Room; English, Latin, French.

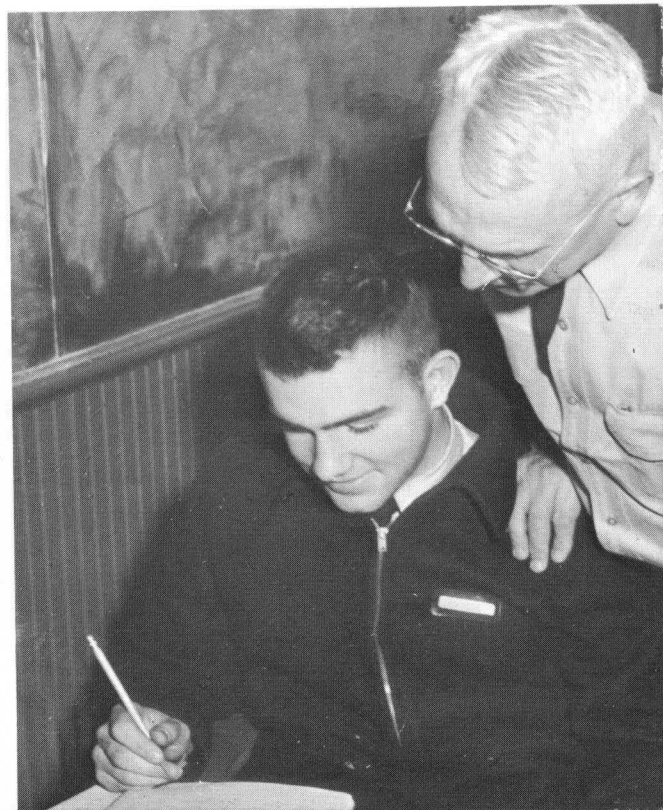

As speech is the common method of communications, basic English must be well learned in order to increase one's ability to express his ideas to others. Certainly this is also a means of selling one's self in every walk of life.

Every cadet at AMA has an English course every year. Intensified as the course progresses, English in the junior and senior years stresses vocabulary, theme writing, oral work, and artificial language training.

READING RITES . . . Lt. Allan stresses to Dick Jennings and Dave Popovich the necessity to have oral and silent reading as a part of their total education. Versatile Lt. Allan teaches a variety of subjects and is proficient in all of them.

RAGTOP TOPOL MAGRUP . . . Col. Deane stresses artificial language training to his classes as a means towards reasoning improvement, aid in learning foreign languages, and in preparation for College Boards. Tom Brothers discovers that

RIGID WORKOUT . . . Major Koogler gives Dave Savers a rugged session with quatrains and couplets. Dave, tops athleti-

cally and academically, finds that Major Koogler puts a great deal of emphasis on college entrance material.

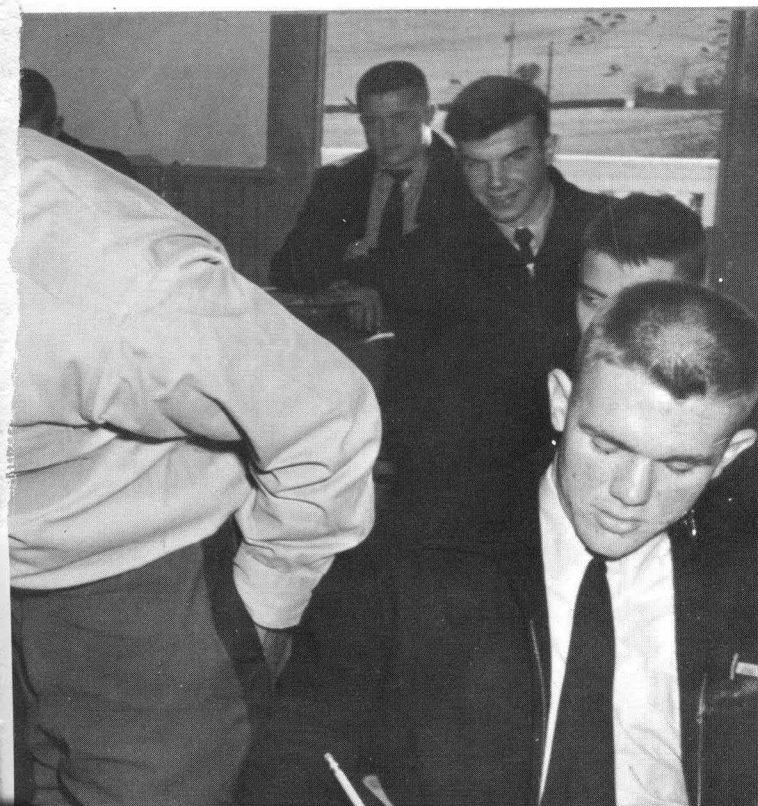

## . . . developing his abilities of self expression.

artificial English does have its uses as Col. Deane closely supervises him. Jack Steele does some drill work also. Every one of Col. Deane's students gets a thorough session in vocabulary building.

COL. H. D. DEANE

B.S.

University of Virginia; Headmaster; Chairman, English Department; Academic Board, English.

# Emphasis on science subjects continues

Practically every cadet at AMA is taking a science course. This will definitely give each one of them a firmer foundation for life in the outer space era, even though only a small number will eventually pursue science as a vocation.

Added to Augusta's science curriculum in 1959-60 was astronomy, a science which will become increasingly important during the coming decade. Freshman students have a choice between astronomy and geology, a subject which has interested so many ca-

dets that AMA now has at least one alumnus who graduates in that field from college each June.

Biology, a sophomore subject, has produced winners in the first and second place category every year in which AMA has entered the state contest.

Chemistry and physics, junior and senior sciences emphasize theory and problem work, with laboratory work in qualitative, nuclear studies, and electronics. With such a varied science program, AMA cadets have a sound foundation for college work.

INTENSE INTEREST . . . Ionization of gases experiment produces genuine attention from the entire physics class. Steve Durst, Bob Morefield, J. H. Morris, Tom Cotton, Pete Vallone, Sonny Crockett and Herb Widener wait for Col. McCue to dem-

onstrate the effect of a magnet on a stream of electrons. Tubes with various gases produce different colors, each typical of the element used. Physics stresses classroom demonstrations.

B.A.  
Washington and Lee Univer-  
sity; Chairman, Science De-  
partment; Academic Board,  
Dances, Final Ball, Catalog,  
RECALL, Chemistry.

OXIDATION-REDUCTION REACTIONS . . . Randy Preston dis-  
covers that chemistry is a large part of photography. Using the  
stockroom as a dark room, Randy checks the O-R difference in  
development time.

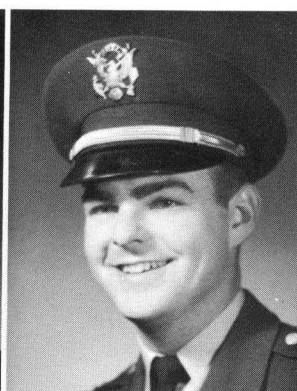

COMPARATIVE ANATOMY . . . Dick Juby points out to Capt. Kivlighan and the members of his biology class the similarity of bones in the skull of a cow as compared to those in the human skull.

**CAPT. MICHAEL KIVLIGHAN**  
B.S., LL.B.

Georgetown University, University of Virginia; Bayonet, Book Room, Biology, English.

**CAPT. HOWARD HANSON**  
B.A.

Hampden-Sydney College; Bayonet, Junior Activities, English, Geology, Mathematics.

## . . . State Geological Surveys contribute

CLICK, CLICK, CLICK . . . A sound which has become increasingly important! Major Savedge checks the radioactivity of uranium specimens. Jim Crawford, Al Cook, Herb Widener, Mike

Vecellio, and Mike Lobalzo find this one of the most interesting and vital parts of chemistry today.

FASCINATED GEOLOGISTS . . . Jim Reichard and Randy Gibbs check minerals of Virginia. Capt. Hanson points to the mineral locale on the map

of Virginia. Each of Capt. Hanson's students contacted the State Geological Agencies.

## specimens to A. M. A.'s mineral exhibit.

B.S., M.S.

Virginia Military Institute, American University; Athletics, English, Geology, Mathematics.

CAPT. JOHN BRADFORD  
B.A.

Randolph-Macon College; Astronomy, English, Mathematics.

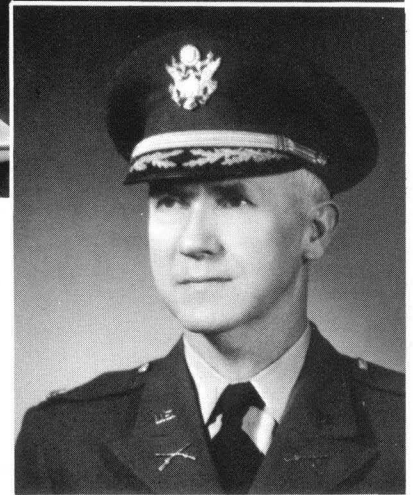

PALEONTOLOGISTS AGREE . . . Col. Duff points out to budding paleontology students, Bernie McAleese and Bob Bernert, the impressions of trilobites left in ordovician rock from the Massanutten Range.

# Cultural barriers disappear with

"QU'EST-CE QUE C'EST?" . . . Col. Gardner puts the question squarely to Cadet Hoppe. C. Hall, Hudnall, Nicholson, J. Canevet, and Burchette are amused at the question. Col. Gardner, who is also a mathematics teacher, produces many winners in the Modern Language Tournament.

**LT. COL. W. L. GARDNER**  
B.A., M.Ed.

The Citadel, University of Virginia; Academic Board, Guidance Chairman, Foreign Languages.

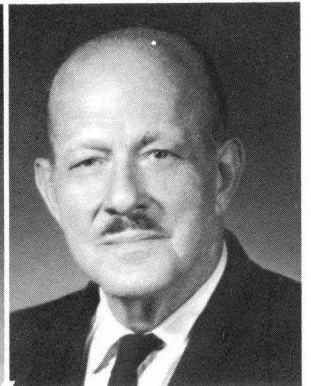

BOTA DE VINO . . . Bob White is obviously tickled as he explains the use that this famous "skin" receives in Spain. Lt. Rickman shares Bob's emotions.

**LT. GEORGE CURTIN**  
B.A.

University College of Dublin; Latin, Mathematics.

**DR. A. L. WILBER**  
B.S., M.D.

Columbia University, Tulane University; German, French, Biology.

Cultural barriers in the Jet Age must be broken down to a common level. And at AMA, every one of the language teachers does his utmost to see that the cultural aspects of the country are integrated into the course. Thence comes understanding, and with this, friendship.

German was added to the curriculum in '60, and no group was more anxious to learn a language than the boys taking German.

Laboratory equipment which aids in learning the spoken word was put into wider use. New records in German helped the apt students to speak the language fluently enough for an oral examination in December.

Also teaching languages was Lt. Allan, who had classes in Latin and French. Lt. Curtin, a European scholar of Latin, added a flavor all of his own to the teaching of his favorite subject.

**LT. GEORGE E. RICKMAN**  
B.A.  
Hampden-Sydney College;  
Athletics, Spanish.

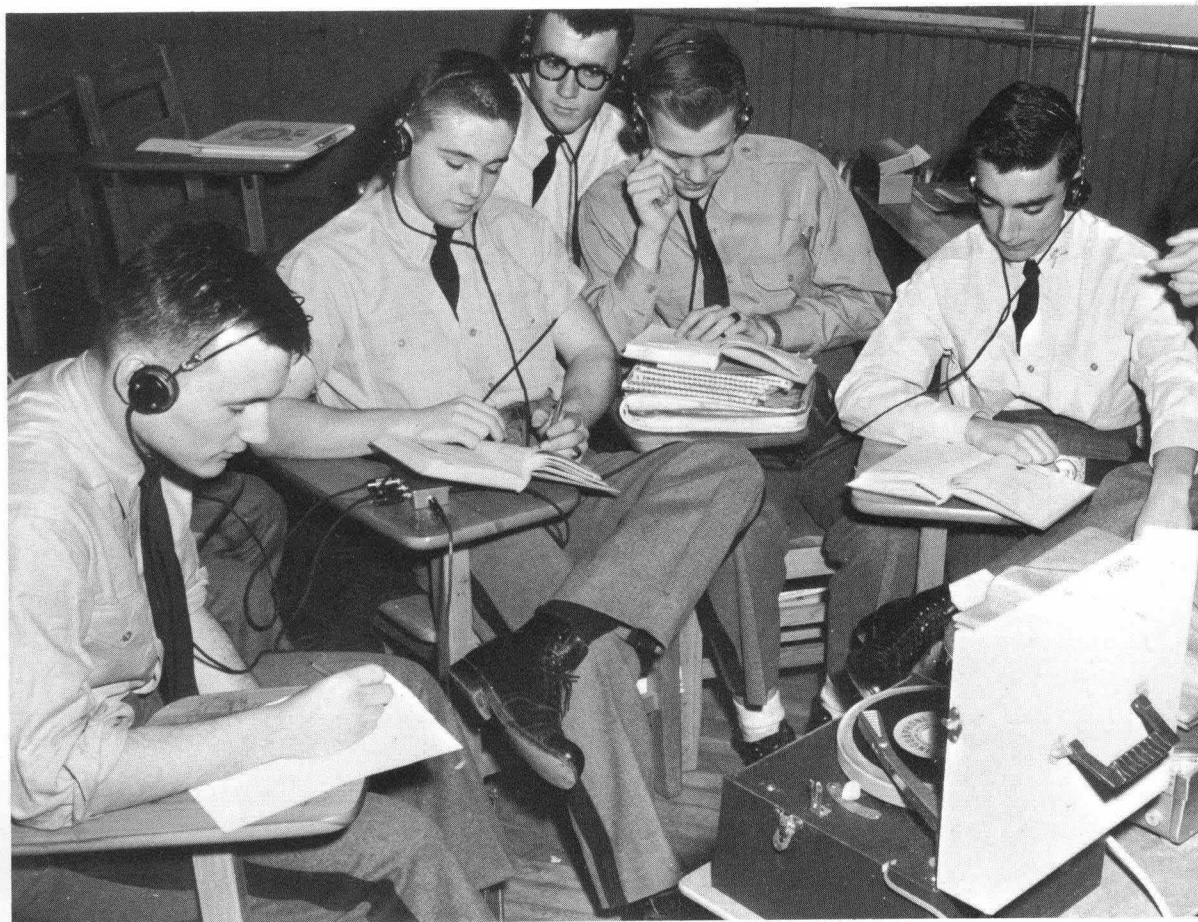

**CAPT. MANUEL KREISLER**  
B.A.  
Universidad Central Madrid;  
Coordinator, Spanish, German.

## understanding gained from foreign languages

CONCENTRATION IN DEUTSCH . . . Capt. Kreisler's German class pays rapt attention to the latest acquisition in laboratory

equipment. Besanceney, Gevrekian, James, Calvert, and Speciale follow the text.

# ... Map work plots history of the past

**CAPT. G. W. RALPH**  
B.A.

Virginia Military Institute;  
Head Coach, Football, History, Civics.

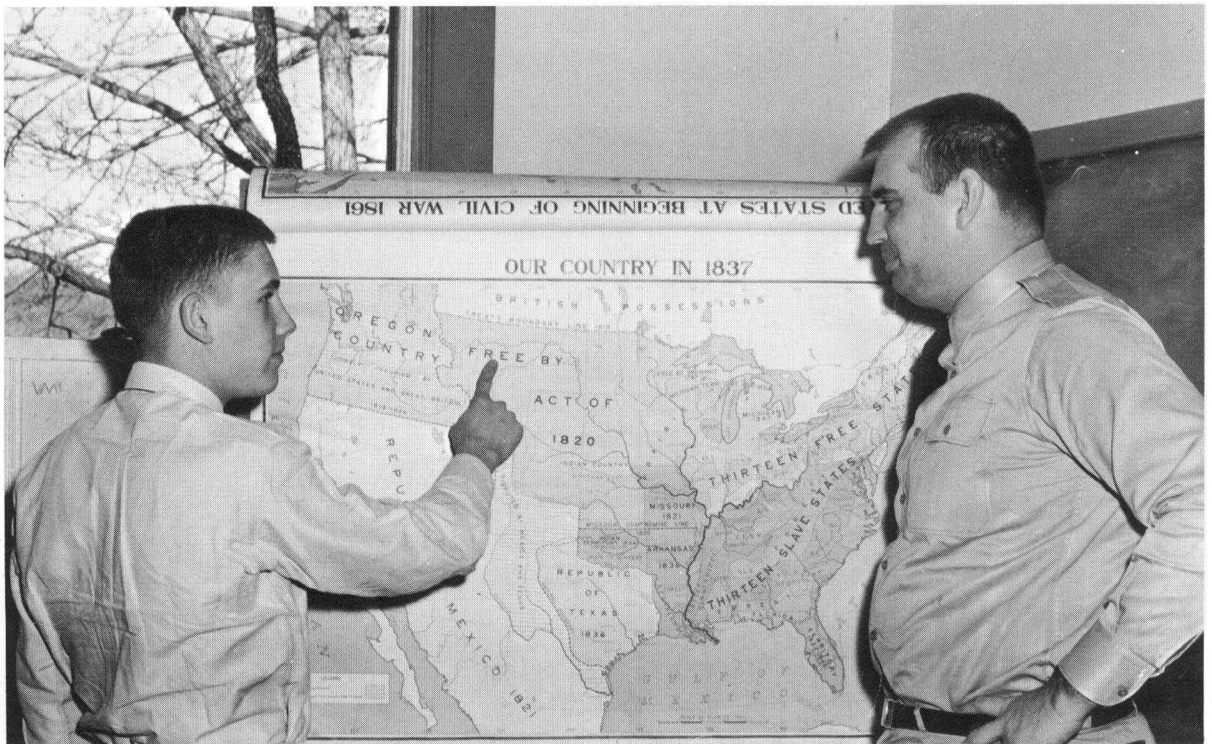

**CAPT. PAUL G. ANDREWS**  
B.A., M.Ed.

Pennsylvania State College;  
Uniforms, History.

LIKE UNTO THE PAST . . . Cadet Tackett points out to Major Davis and the ancient history class the similarity between Egypt's importance 3,000 years ago and the importance under Nasser. Current events frequently demonstrate that ancient history is closely akin to modern occurrences.

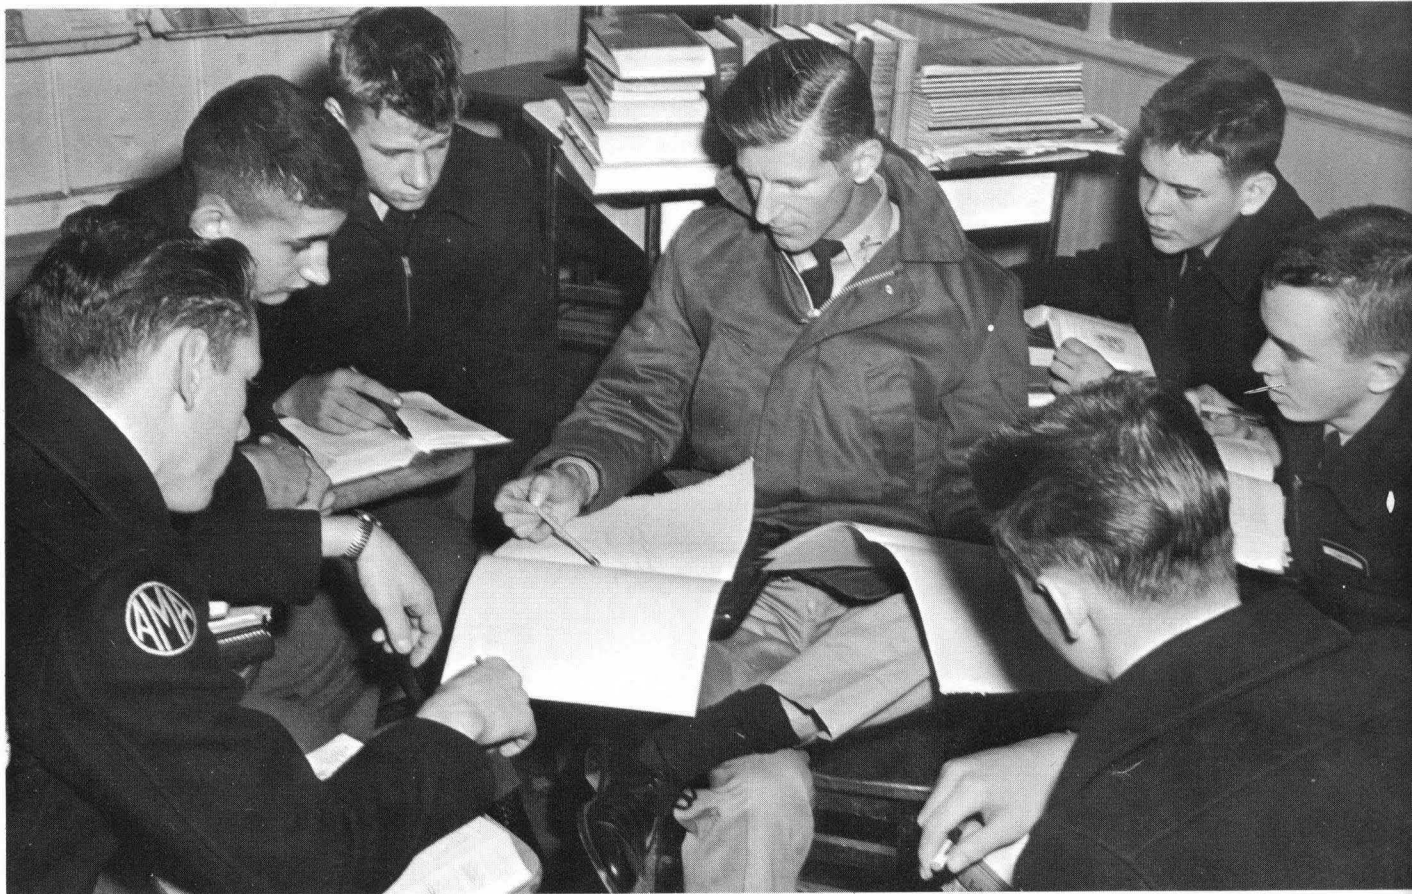

AMERICA BEGINS TO BULGE . . . Jim Crawford traces the route of Rogers and Clark and begins a discussion of its importance. Capt. Ralph checks his explanation. No part of American

history is more interesting than the development of the West. Stress is placed on this and Civil War developments in Capt. Ralph's classes.

## and points to future world events!

STIMULATING INTEREST . . . Capt. Andrews has each member of his class make a portfolio of maps of the ancient world. Success is apparent from the avid interest which Burton, Graff, Bertelson,

Sanborn, C. Carter, and Keller exhibit when Capt. Andrews checks the map-work.

To see into the future, one must first understand the past. And there must be a variety of interpretations, opinions, and conclusions. Every instructor has a different slant, and every student has the opportunity to select his own conclusion.

AMA's four history courses, ancient, English, American and civics, provide a sound background for the thinking student. Correlations between events of the past and current news headlines make the subject live for the student.

Visual aids and map work has been strengthened in 1960, since a concise knowledge of geography is necessary to interpret what may happen in the future.

Furnished kits for tax study enabled the civics students to comprehend better the tax structure of the United States. Local tax surveys were also made, particularly the sales tax picture in Virginia today.

Each student in history has indeed enlarged his scope!

RECEIVER GROUP . . . That's what Sgt. Spurlock is pointing out to the MST 1 students. Leigh, Masemer, and Wally Cooke pay

close attention to the lecture. No course uses visual aids as much as does MST 1, and certainly it's a necessity to KNOW the M-1.

equipped in basic military studies . . .

FOCUS CLEARLY . . . Sgt. Komisar instructs Mickey Johnson in fire power of the Army equipped 22. Mike Basto scrutinizes with interest Mickey's technique. Enlarged in '59, AMA's rifle range is one of the leading prep school ranges in the country. Under Sgt. Komisar's watchful eye, the experts improve!

Every cadet is required to fire on the outdoor rifle range, and

therefore, each boy has the opportunity for instruction which can lead to his obtaining a medal.

Every afternoon, the rifle team fires, and with the superior instruction they receive, AMA's teams become feared throughout the state, the Second Army area, and nationally.

Military might . . . this is one way to insure that the United States will remain free from aggression in the future. And by carefully training our youths in the proper use of military weapons, we'll have a better chance to insure a bright future for ourselves and for our offspring.

Few cadets fail to find the study of military a fascinating one. Weapons, chemical warfare, leadership, field sanitation, communications, and map reading provide AMA's Honor School cadets with the opportunity to learn from the finest instructors in the Army.

Tenting, marching, and drilling are all a part of the military. Fumbling fingers soon learn to erect a tent quickly and efficiently. A five mile hike in November sounds impossible until a ten mile hike in the spring proves that the cadets can take it. Uncoordinated cadets in September frequently win the best drilled medal in June! It's all a matter of looking to the future!

COORDINATES . . . Major Stark demonstrates for Joe Saunders the correct way to locate a position in unknown territory. Map reading is an important part of MST 4.

## . . . learn leadership fundamentals and

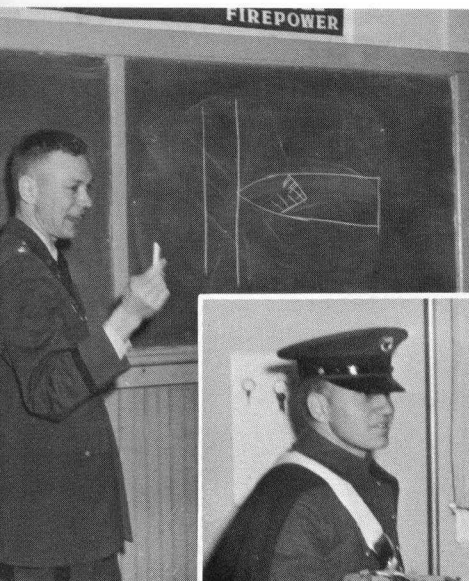

LECTURE TIME . . . Sgt. Thornton utilizes charts to emphasize the number of parts in various weapons which the MST 1 class

studies. Never will any military student forget the movie on trench foot! This was visual aid at its height!

# techniques of survival and first aid.

CAP PISTOL? . . . Capt. Mears diagrams bullet impact. Rocket launching and some space study also make MST 3 an interesting course.

FOR THE RECORD . . . Sgt. Webster checks with Mel Hooker to see that he has all of his records straight with the Second Army area. Sgt. Webster is also in charge of ordnance at AMA.

**M/SGT. PAUL WEBSTER**  
U. S. Army; Ordnance

**SFC JOSEPH KOMISAR**  
U. S. Army; Military 1, Rifle Team.

RAT-A-TAT-TAT . . . Mr. Hutton expects J. Scott to fire the names of the parts of the machine gun to him as he uses his pointer in

deadly earnest. Riedell and Hallock take mental notes, as old cadet, Luke Snyder, watches new cadet progress.

MAJOR HERBERT LUCAS  
B.A.

Davidson College; Academic Board, Principal, Junior School, Eighth Grade.

## Juniors

BUDS BLOSSOM IN JANUARY! . . . Capt. McDowell takes advantage of the extremely warm weather of January to show his seventh grade science class that warmth is a great factor in determining plant growth. Blair Coiner, Roger Canevet, Cas Reeves, and Ronnie Rieland show their reactions clearly!

Apparently, many of the patrons of Augusta agree that early school training will determine the future of the student! With an enrollment of over one hundred boys in the lower grades, AMA's Junior School has one primary aim — to develop fully the potentialities of each boy before he reaches high school age.

Studying under the supervision of two or three teachers, the junior cadets have study hall every night of the school week. And afternoon recreation periods find each small fry cadet busy with sports and drill.

With their own literary society, an intra-mural program, a junior choir, and an interested faculty, AMA's juniors start off on the right pathway.

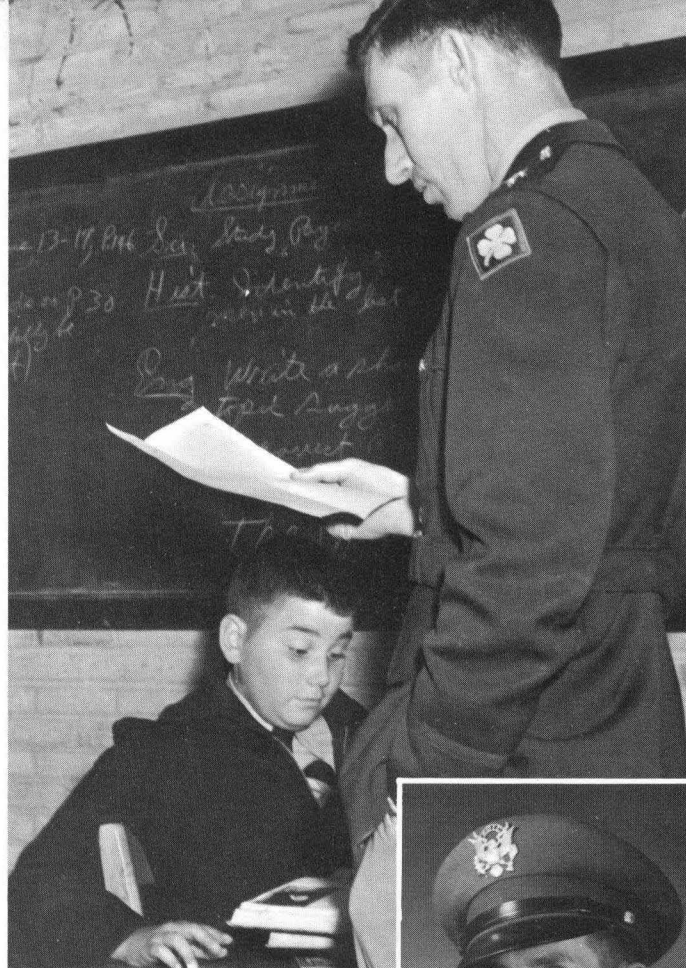

ON THE RIGHT TRACK . . . Faulkerson reads aloud from the "World Atlas," used in the fourth grade to start the boys off right in the study of geography. Lt. Reid supervises each cadet's study habits.

**CAPT. JAMES McDOWELL**  
B.S.

Virginia Military Institute; Junior  
Football, Wrestling, Seventh  
Grade.

**PAINFUL EXPERIENCE . . .** But a necessary one. Lt. Blankenship reads Hamman's theme aloud for class criticism. Theme writing in the seventh grade prepares the boys for future development.

**LT. ROY BLANKENSHIP**  
B.S.

Southern Methodist University  
Athletics, Seventh Grade.

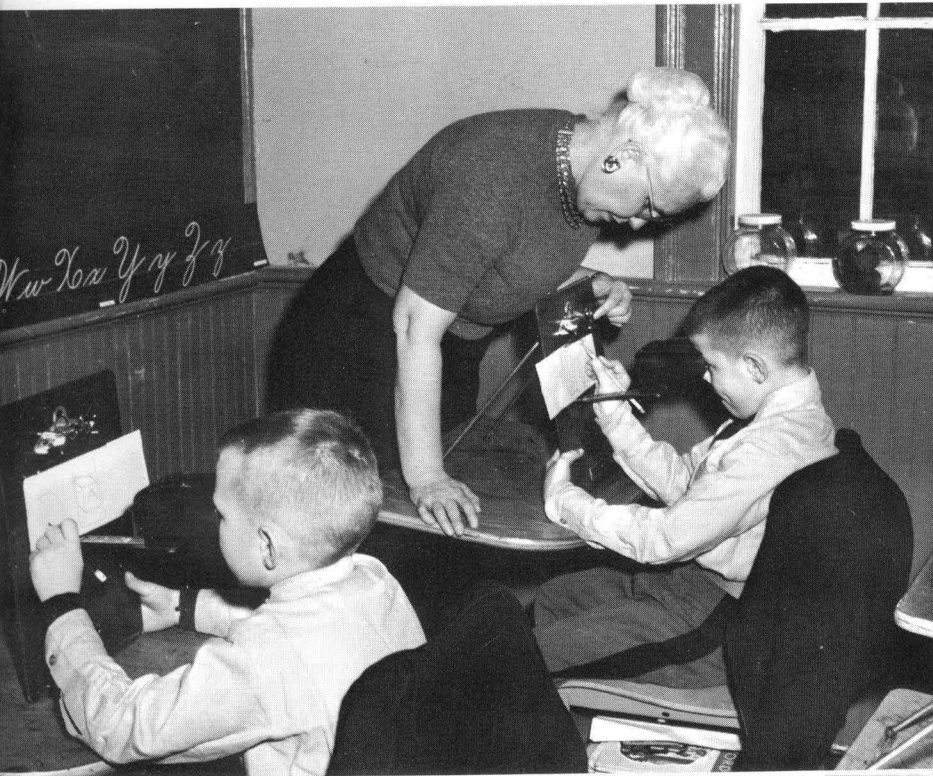

## . . . A separate school — a real part of A. M. A.

**STRICT AND FAIR . . .** Capt. Hawpe's large sixth grade group knuckles down to real group study. Maury Appleton, Wally Hutchins, Joe McCue, Barry Weeks, and Mickey Toms find that

the discipline means more work accomplished, better understood! Top man on the honor roll several times as Capt. Hawpe's student, Joe McCue.

# Enthusiastic and fun loving Juniors

**READING SKILL . . .** Mrs. Davis checks the hand and eye co-ordination of Johnny Appleton, pride of the corps, and Dave Stolitsky. Higher grades and a sense of accomplishment placed Mrs. Davis's boys at ease in class!

**SMALL PACKAGE . . .** of dynamite! Danny Ruffner, top student in Major Lucas's eighth grade section, gleams when he finds that he made a good grade in math. As head of the Junior School, Major Lucas is on the job every minute of the night and day.

**MAJOR M. HARRIS LIVICK**  
B.S.

University of Virginia; Assistant Commandant; Athletics, Head Coach, Basketball, Eighth Grade.

**MRS. O. A. H. DAVIS**  
B.S.

California State Teachers College; Housemother, Junior Barracks, Lower Grades.

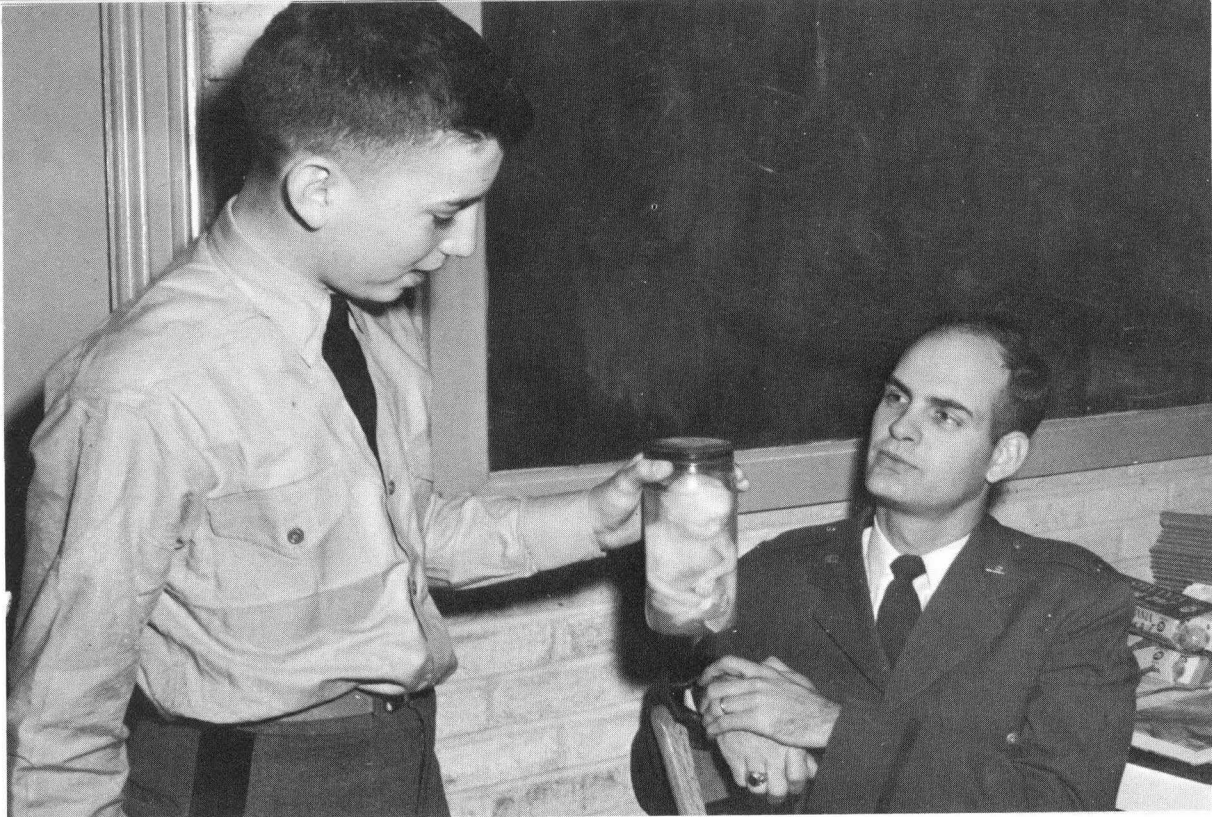

**CAPT. BURWELL HAWPE**  
B.A., M.A.

University of Virginia; Sixth Grade.

EMBRYO SCIENTIST . . . Top eighth grade scientist, Ray Ottenberg, discusses foetal development for Major Livick. Both eighth grade sections had lectures by Major Savedge during some of

their science periods. Demonstrations provided food for thought and interest.

## aim towards a goal . . . high school!

GLOBAL STUDY . . . Stephen Lee points to the continent of tremendous future growth and development — South America. Mrs. Ralph and Robert Jones discover that Stephen is the leader in the fifth grade history class.

MRS. G. WILLIAM RALPH  
B.A.

Hollins College; Drama Group, Fifth Grade.

LT. HERBERT REID  
B.S.

University of Kansas; Athletics, Fourth Grade.

... Each of them, guiding us to our goal!

GUIDE TO OUTER SPACE . . . Evoking much comment and enthusiasm, Capt. Bradford's course in astronomy gave John Ayres, John Daugherty, and Ken Rodgers a chance to study space conditions. An invigorating experiment had members of the class acting as planets — on an earthly scale they discovered how far away some of the planets are!

JAM SESSION . . . Capt. Goforth's band can't resist their song "Oh, We're the Band . . ." This session enlivened the wait before the Harrisonburg parade. Madison College enjoyed it!

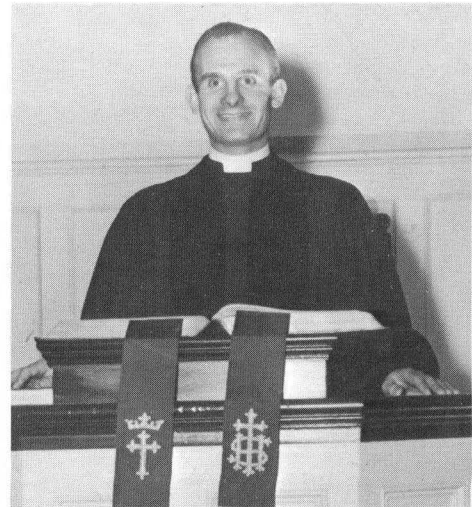

CAPT. C. J. PEDUTO  
Post Steward

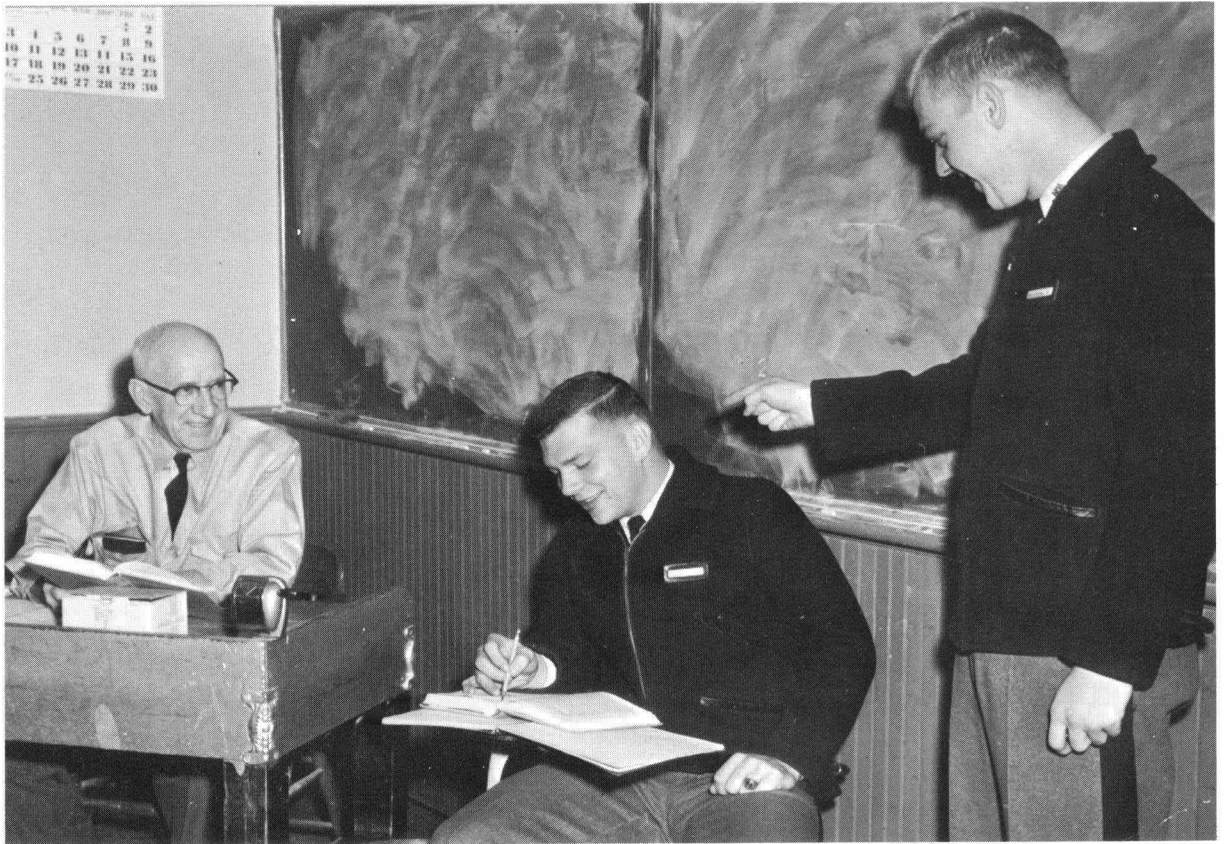

"I'M SERVING YOU NOW" . . . but later on, the Cadet Waiters will find that THEY will do the work! Capt. Peduto serves Wayne Bart his dinner on the first Sunday. Fletcher has received his, and Dawson and Gibbs wait for theirs.

## . . . They have insight into our future!

INDISPENSABLE! . . . To Col. Roller and to everyone on the faculty, Miss Mary B. Walker is invaluable. At the end of the month, the cadet's feel the same way . . . she gives them their grades!

NEVER TO BE FORGOTTEN! . . . The Rev. James A. Allison, Jr., minister of the Old Stone Church and instructor of Bible, left in January. He'll always have a place for himself at AMA!

ACCUSED! . . . Fred Anderson accuses Jim Towe of improper bracing during the Polio Day. At AMA this can be a cardinal sin, for each of the old cadets becomes a new cadet for the day,

and vice versa. Actually, Col. McCrum didn't mind taking up this case in Business Law class. As a degree man in law, he can clarify many of the cases which are discussed in class.

. . . All of them helped us enlarge our

FROM OLE IRELAND . . . Lt. Curtin's arrival from the Green Isle gave us a gentleman of rare qualities. Sonny Crockett, Shrehle, and G. Quatmann gained a vast amount of information about Latin and the Roman influence on Europe.

# Frequent meetings of the Academic Board—

## To Plot Our Development

COURSE CONTENT . . . Col. Deane, chairman of the Academic board, checks the catalog, while Major Hoover, Col. Gardner and Col. McCrum contemplate suggestions on textbook changes.

REPORT CARDS . . . Col. McCue and Major Livick draw up a diagram of a contemplated report card change.

GRADUATION ELIGIBILITY . . . Major Wales, Major Kramer, and Major Lucus (seated) check the senior lists. Major Koogler and Major Savedge watch the procedure which will determine who will receive the coveted awards on 7 June.

Advisers, counselors, and men who guide — that's the way to describe all members of the Academic Board.

Every cadet at Augusta finds the members of the Board ready to help them when they are beset with academic problems.

With Col. Deane as chairman, the board releases information on the availability of scholarships, college entrance requirements, and test information.

Results of Honor Committee trials and Student Body Officer findings are submitted to the Academic Board, which reviews the case and submits its recommendations to Gen. Roller.

The function of the Board is not restricted to academic matters alone, for the Board meets each week to review all matters which will improve academics and the academic course content.

From the first view on entering, until  
we walk through the arch at Finals  
this is where we've  
learned to focus  
on life.

# Monthly

Live life . . . every wonderful moment of it! . . . for only by participating in all of the monthly activities at AMA can a cadet truly grow, become well-rounded, and develop all of his potentialities.

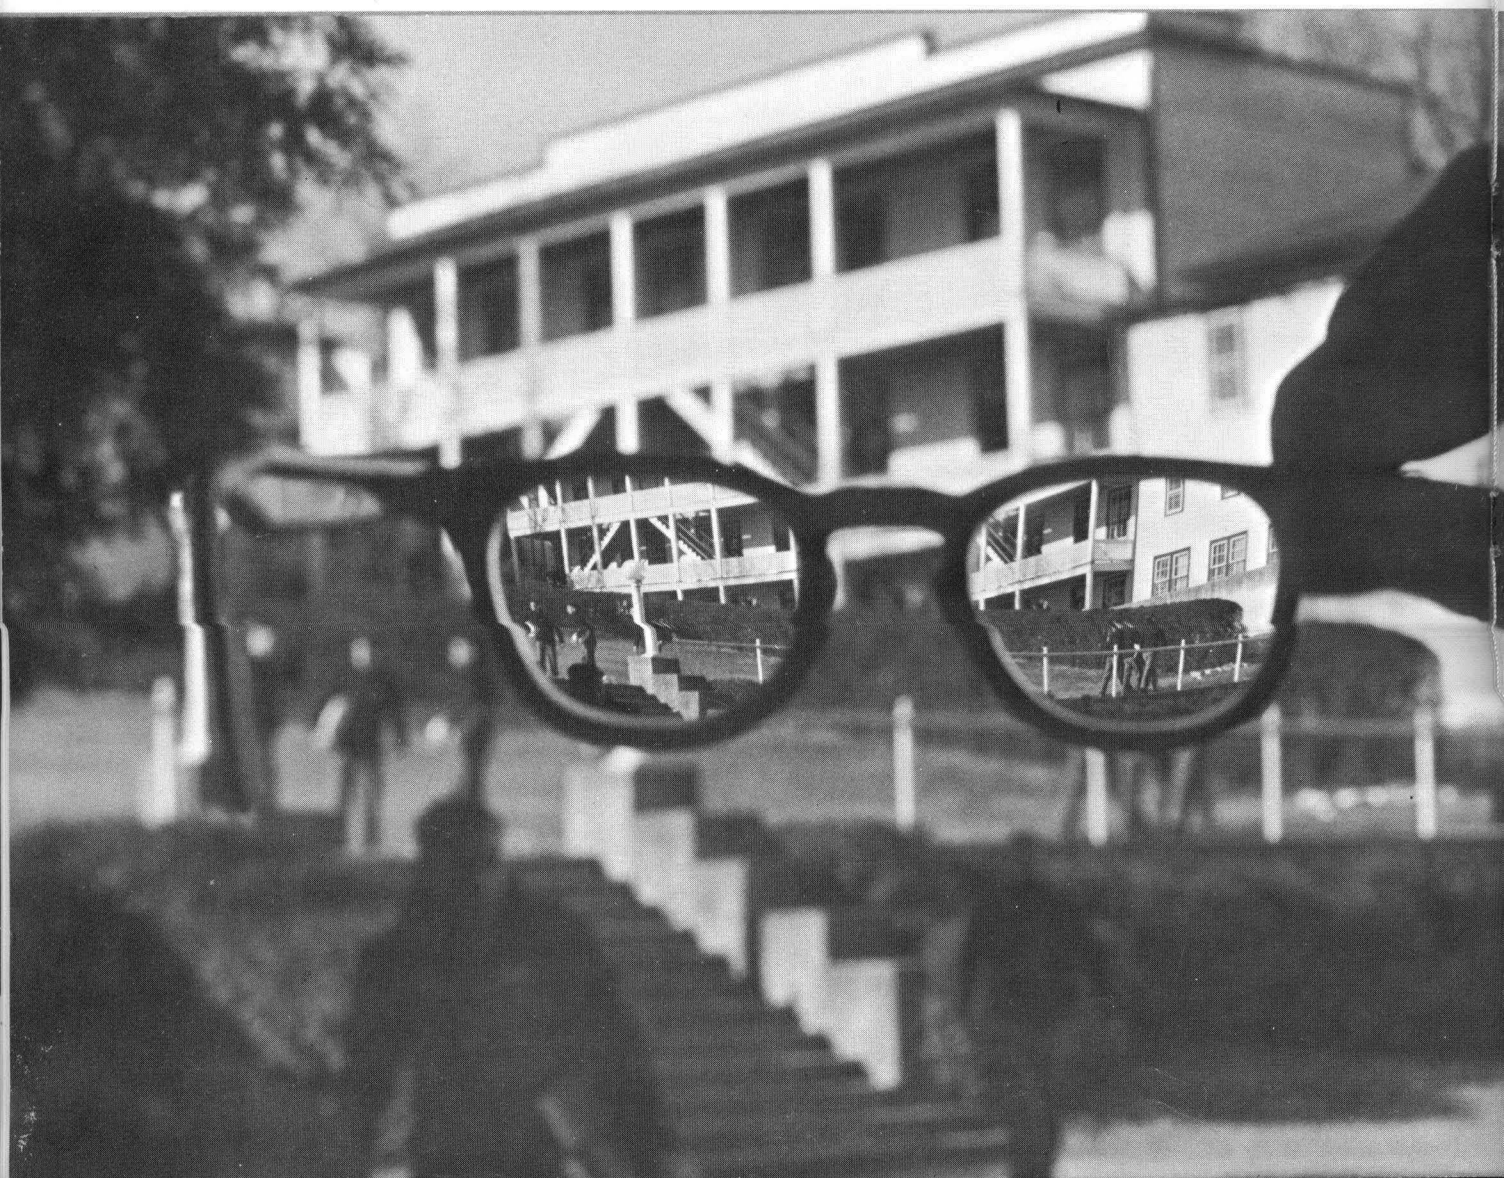

Look at the diversified features which flavor every month . . . the excitement of the opening of school in September, shading into the rousing spirit of unity exhibited at every football game in October. Notice the tribute AMA awards her fallen sons of the World Wars during November . . . then the fun of the banquet and Holiday Ball . . . followed by preparation for examinations, the drive for the Lynchburg

Orphanage and then . . . Home for Christmas!!

See the months of January and February, crowded with athletic contests of every type, the start of the chess team . . . the amazement at seeing teachers brace, and in cadet uniform for the Polio Drive!

The Ides of March foreshadow spring examinations and a short rest period. Bang! . . . the hectic days of G.I. Inspection in April and Pin-Up Queen in May, and finally, June, when each cadet finally realizes what Augusta has meant to him.

Clearly, he sees with 20/20 perception his school and all it has done for him.

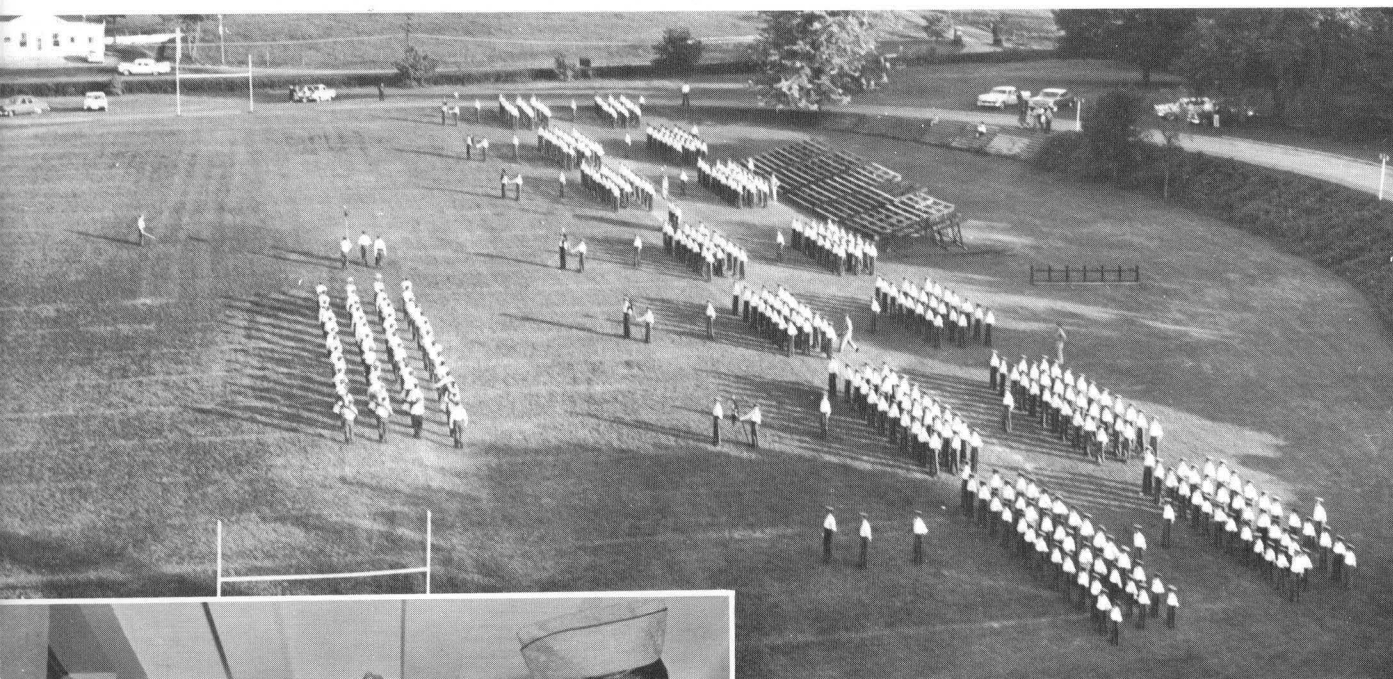

MONTH IN AND MONTH OUT . . . there's always a parade! And week in and week out, there's the famous Sunday parade. First Captain Bill Bowen, Adjutant Jim Towe, and Lts. Wortman and Porter wait for the final bugle call for "Assembly." From the first Sunday until the final parade, it's an impressive sight to watch AMA on parade!

# A look at Augusta

# ... Exciting September ... registration,

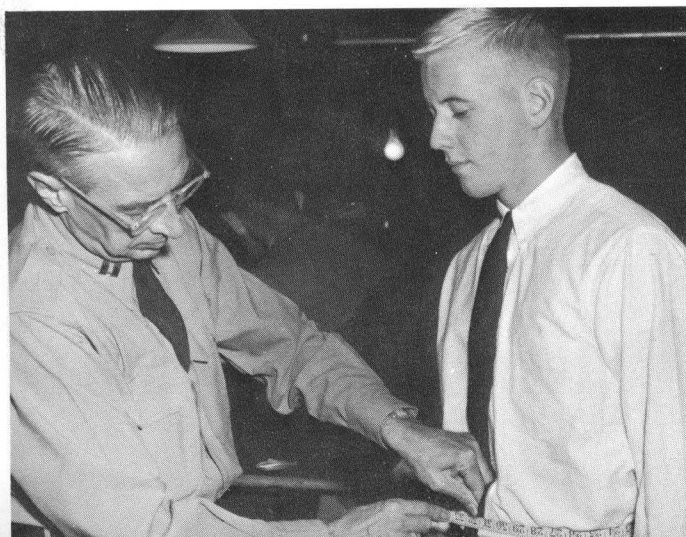

REMARKABLE . . . That's exactly what everyone says about AMA's first Sunday parade. After only three days' exposure, the lines even manage to look perfect! Why? Because we want to look good!

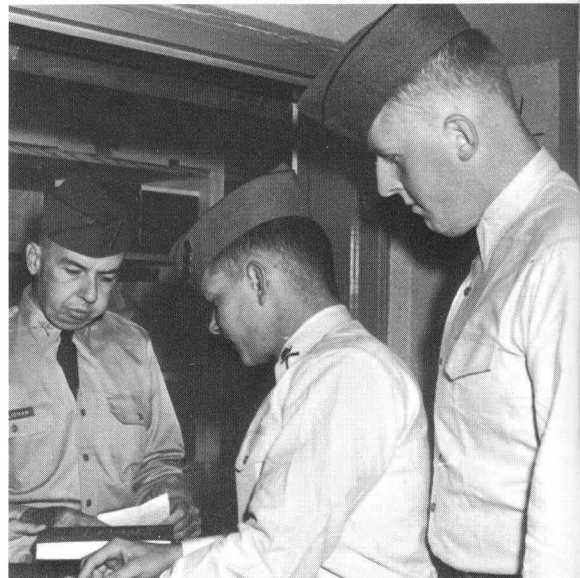

WHAT'S UP, DOC? . . . Bob Morefield discovers what "bracing" means, and that weird expression clearly indicates how he feels about it. Lt. Allan and Steve Durst start him off right.

NOT THE WORLD . . . Even though Capt. Bradford's astronomy class can use mathematics to measure the size of the earth, here he simply uses a tape measure on Bob Bernert, ready for his cadet greys.

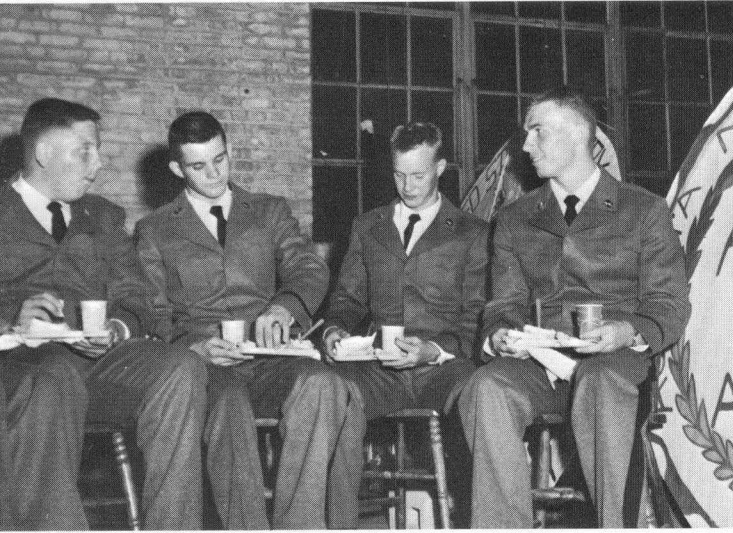

DUBIOUS . . . Capt. Kivlighan looks doubtful about Jim Towe and J. H. Morris' intentions, but he issues them the necessary books. During the summer, the book room was expanded to double its size . . . there must have been a psychological effect, for the cadets began to study more in earnest.

# fittings, and B O O K S — that's September!

**SMALL TALK . . .** Friendships spring up easily in a closely knit community. Barbour, Roberts, W. Wagner, and Deacon discover that they have common interests during the buffet supper on the first Sunday.

"Brace, Mister!" . . . Don't try . . . Black list . . . all new terms, but by the end of the first day, all of AMA's record new cadet class knew what those terms meant! Orientation assembly, pep rallies, opening of school, and then a crowded Sunday of church, parade, buffet supper and YMCA . . . and that's how it is all year.

Vision, blurred at first by the magnitude of the change from civilian life, began to clear with town permits, an informal dance, and introductions at Stuart Hall, Fairfax Hall, Madison, and Mary Baldwin, showing that AMA was a well-rounded school.

As rapidly as September had started, the excitement never died down; there were too many peak moments at the ball games; there were guest speakers . . . and there came October!

**INTO THE SPIRIT . . .** By the end of September, the Student Body officers and the captains of the corps have whipped up enthusiasm and spirit. Gen. Roller's display of proper cheering keeps the cadets on their toes and eager to yell. Jim Graff, Rob

Overly, Blair Coiner, and Herb Widener effuse zeal at the pep rally before the Woodberry game, and it helped! The Blue Streaks tied the highly rated Orange-men!

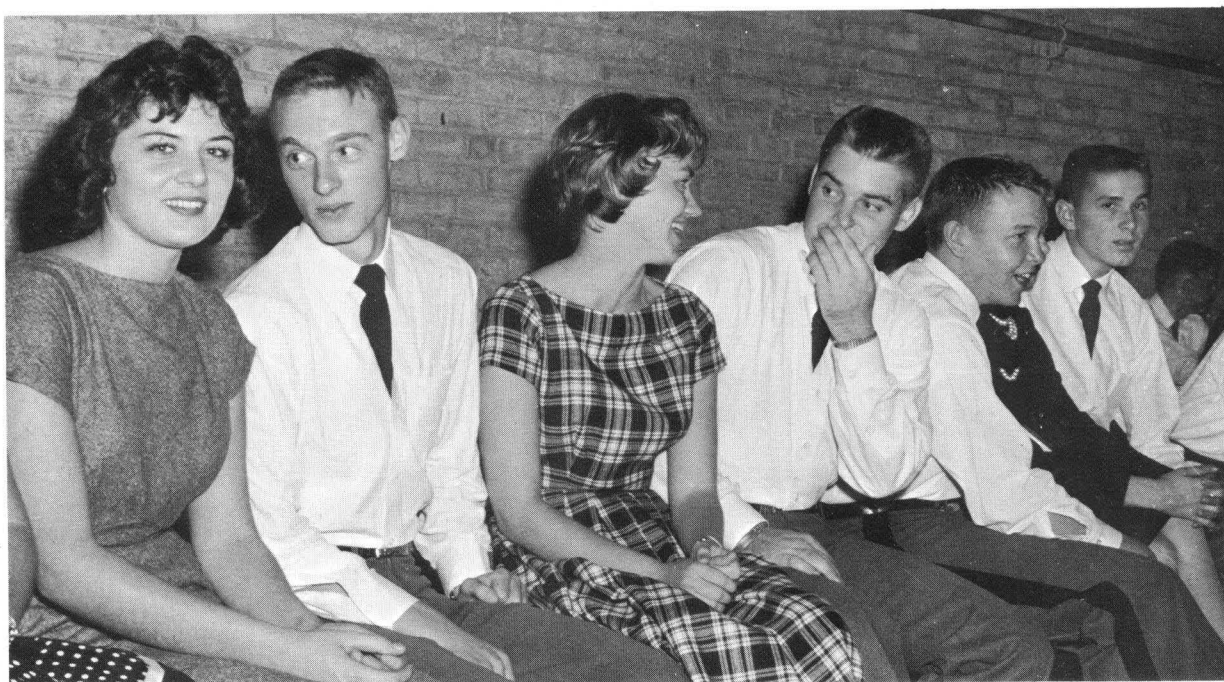

SATURDAY SIGHT . . . Girls, and especially Elaine Elder, helped make every football game at the Clay Bowl a festive occasion. Mrs. Gevrekian, Elaine, Jim Towe, Bill Bowen, Ron Reigleman,

Jim Cunningham stand out in the crowds which made every football game live with spirit . . . and the weather was cool!

## Football games, two dances, and field

DON'T THEY DANCE . . . Sidelines fill up when intermission comes at the opening informal. Truthfully, however, Waverly Rogerson and Herb Widener, Neva Hickman and Tom Mudd, and Tom Whately need no excuse to find time to do some talking

and planning for Monday afternoons and the next dance. Playing for the informal was Ray Houser, and for the Formal, the great band headed by the McCoy Bros.

# equipment issue in October — Medalist RECALL!

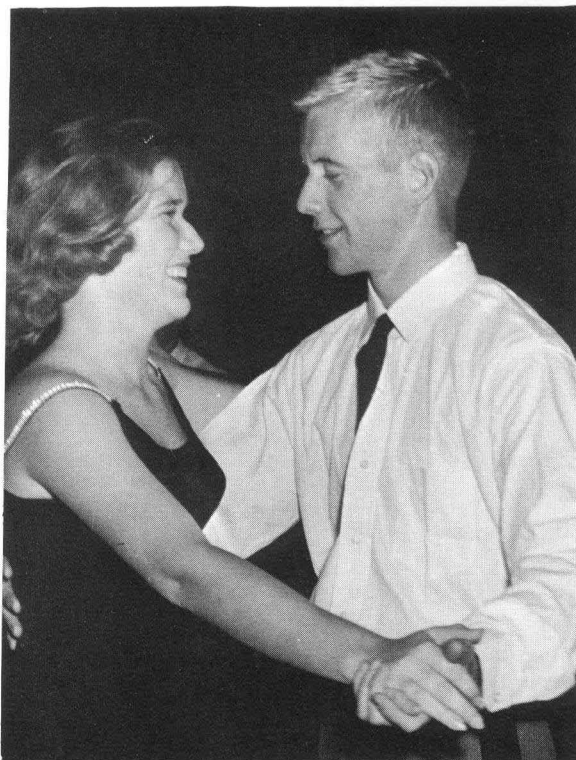

March, march, march . . . that's what October started out to be — a long march . . . field equipment issuance . . . drill! Week by week, the faculty could see the steady improvement — the beginning of coordination.

Medalist! . . . the highest award at Columbia Press for the RECALL gave a thrill to every cadet . . . then came an A+ from NSYA and a First from NSPA . . . something to work for again . . . something to live up to!

Opening informal and then the Formal gave the necessary lift to the boys. Leaves fell, and so did some of the cadets!

SHALL WE CHA-CHA? . . . Ole expert Cotillion Clubber Bob Bernert gives Delia Atkins a sample of what makes him one of the best dancers at AMA.

IT'S A PUZZLEMENT! . . . Blackburn Brewer can't figure out that the helmet's for the head! Rob Overly, John Kenny, and Jack Ambler reflect the bewilderment facing every new cadet when he has his field equipment issued. Of course, Overly is actually an old hand at military.

# Veteran's Day . . .

With reverence, AMA observes the eleventh of November with ceremonies which impress themselves on the minds of everyone at AMA . . . taps at 11 a.m., solemn ceremony in the Front Arch . . . a speech and a talk by Gen. Roller . . . parade in Harrisonburg to climax the day.

Field march — a hike of five miles for the military requirement . . . then comes the Turkey Day game with arch rival, Fishburne, the banquet on Friday night and the Holiday Ball! Music by Larry Elliott and the presence of girls from all over climax a month of festivities.

And still we studied! Widener rates commendation by the Merit Scholarship Board . . . six cadets try for N.R.O.T.C. scholarships . . . and study for coming CEEB's — all in all, a fine month.

**OBSTACLES DON'T COUNT . . .** Nothing can stop the corps from an invigorating five mile trek on a crisp fall morning. Of course, there was some grumbling — but not much!

**BIG WIGS FEAST . . .** Football and Thanksgiving Banquet mean food aplenty for the Adjutant, Capt. Jim Towe, and for the Battalion Commander Bill Bowen. Capt. Tom Mudd doesn't object

to serving Bill in the holiday decorated Mess Hall. Widener carries right on . . . everyone is fed well on turkey and the works.

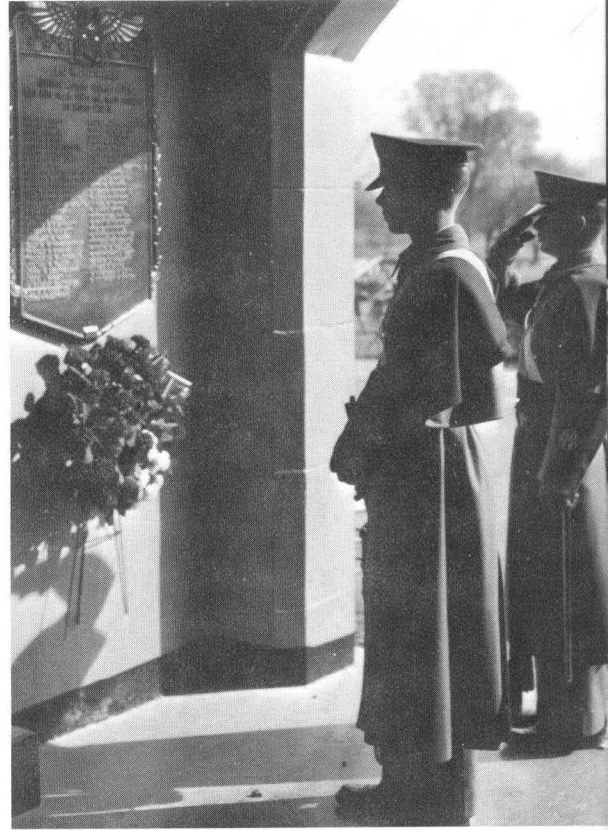

# Harrisonburg parade, Turkey Day game,

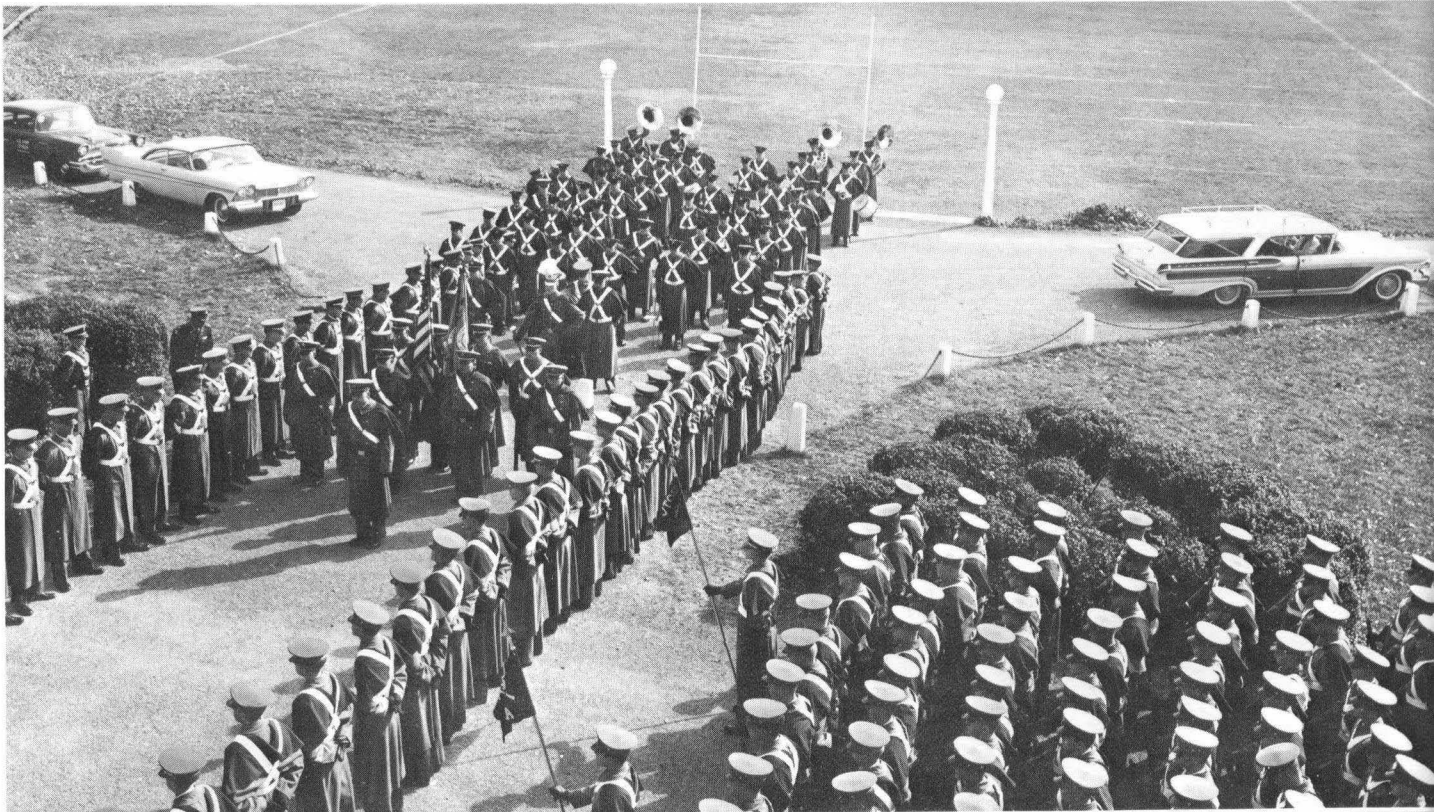

GRIM GRIMACES . . . But actually, the cadets of second platoon, B Company, will be happy when the Madison College girls begin to clap for Augusta — and then comes a movie and a free supper, courtesy of Gen. and Mrs. Roller!

IN SOLEMN TRIBUTE . . . each cadet salutes the plaques in the Front Arch on Veteran's Day . . . honor to the war dead of AMA.

"DIED ON THE FIELD OF HONOR, SIR!" . . . The long, grey line assembles in front of barracks on the 11th for the tribute few schools give to the fallen. As the name of the AMA alumnus is

called by Major Wales, a cadet steps forward to pay his small tribute of thanksgiving.

. . . real warmth shows in November!

BONFIRE PASTORAL . . . With cheers, pats on the back, yells, and horseplay, the whole corps marches to the back field on the night before Thanksgiving and the Fishburne game to honor the football team. Classes are suspended; parents begin to arrive; girls appear for the Holiday Ball, and all's well with the world . . . it's a warm satisfying AMA glow!

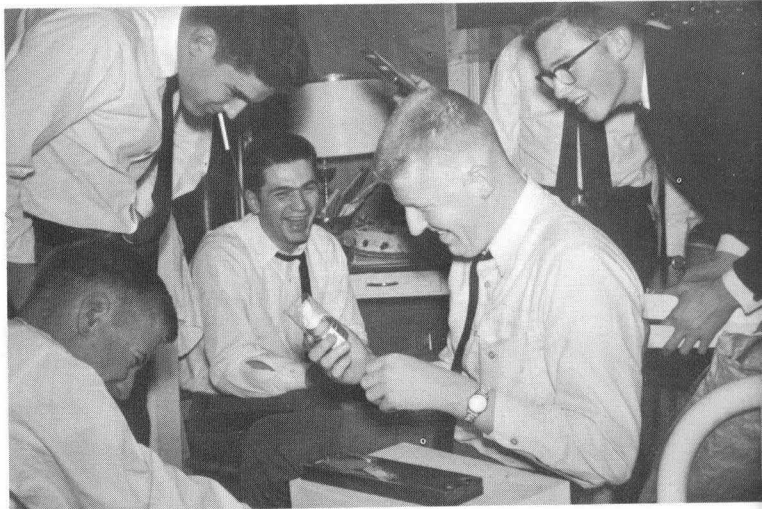

# December brings a cry — "Home, home soon!"

Prepare for examinations! . . . December begins with the exclamation to study . . . and the first days of the month are relieved only with a Ring Dance at Fairfax and a light snow to kindle the hopes of the Yankees for a home-fashioned winter.

Holiday Ball . . . Lynchburg Orphanage Drive . . . General Roller's speech about the support AMA has always tendered the unfortunate at Christmas . . . and finally, the dread moments — first period examinations will start tomorrow morning! Work, study, write, think and then, it's over.

Bowen and Fowe decorate the AMA Christmas tree, along with Durst, Linton and Holt . . . family Christmas party in the Mess Hall . . . small Christmas parties among friends, and then it's a happy, gleeful shout from all "Merry Christmas — see you next year!"

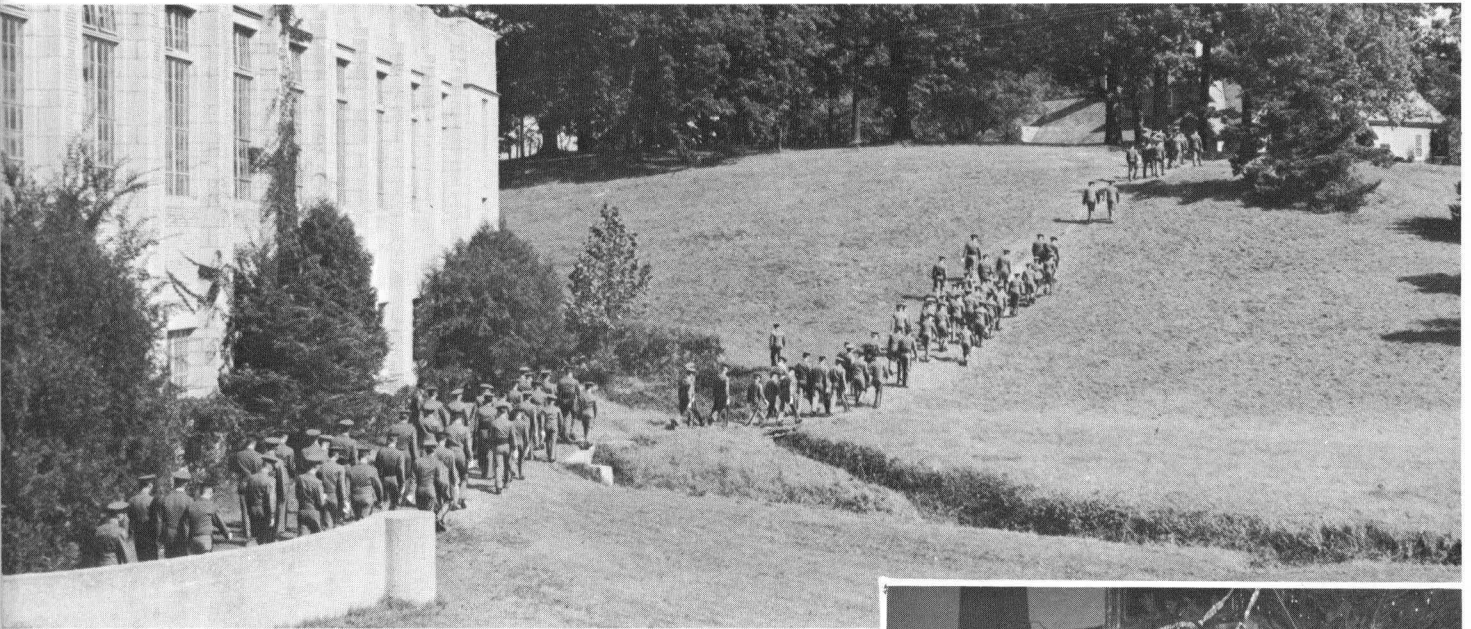

SHOOT FOR THE MOON . . . J. H. Morris isn't certain about what to do with his gift! Bob Bernert, Ed Noboa, Bill Bowen, and Sonny Crockett are really in the Christmas spirit!

DREAMING OF A GREEN CHRISTMAS . . . Just like the ones we always have! Peggy Norcum, J. H. Morris, Steve Durst and Jody Morgan enjoy the Holiday Ball.

FROM THE HEART . . . Steve Durst collects money from John Kenny, Steve Burn, Bob Ingram, and many more during the Lynchburg Drive. Over \$500 proves that the cadets, indeed, have a heart!

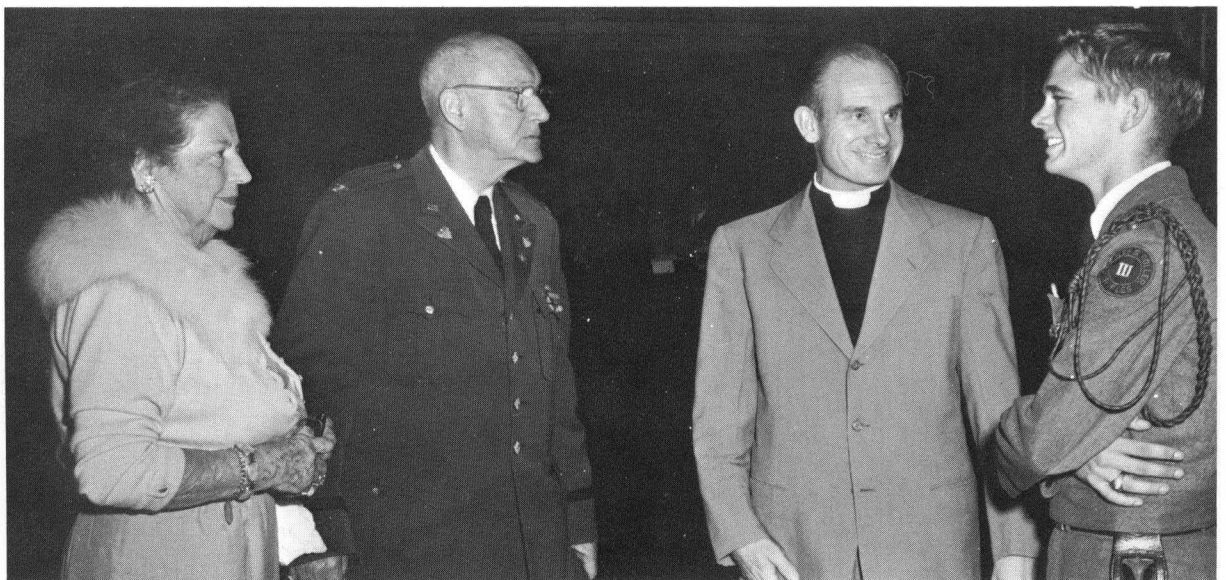

# January or any month is church month!

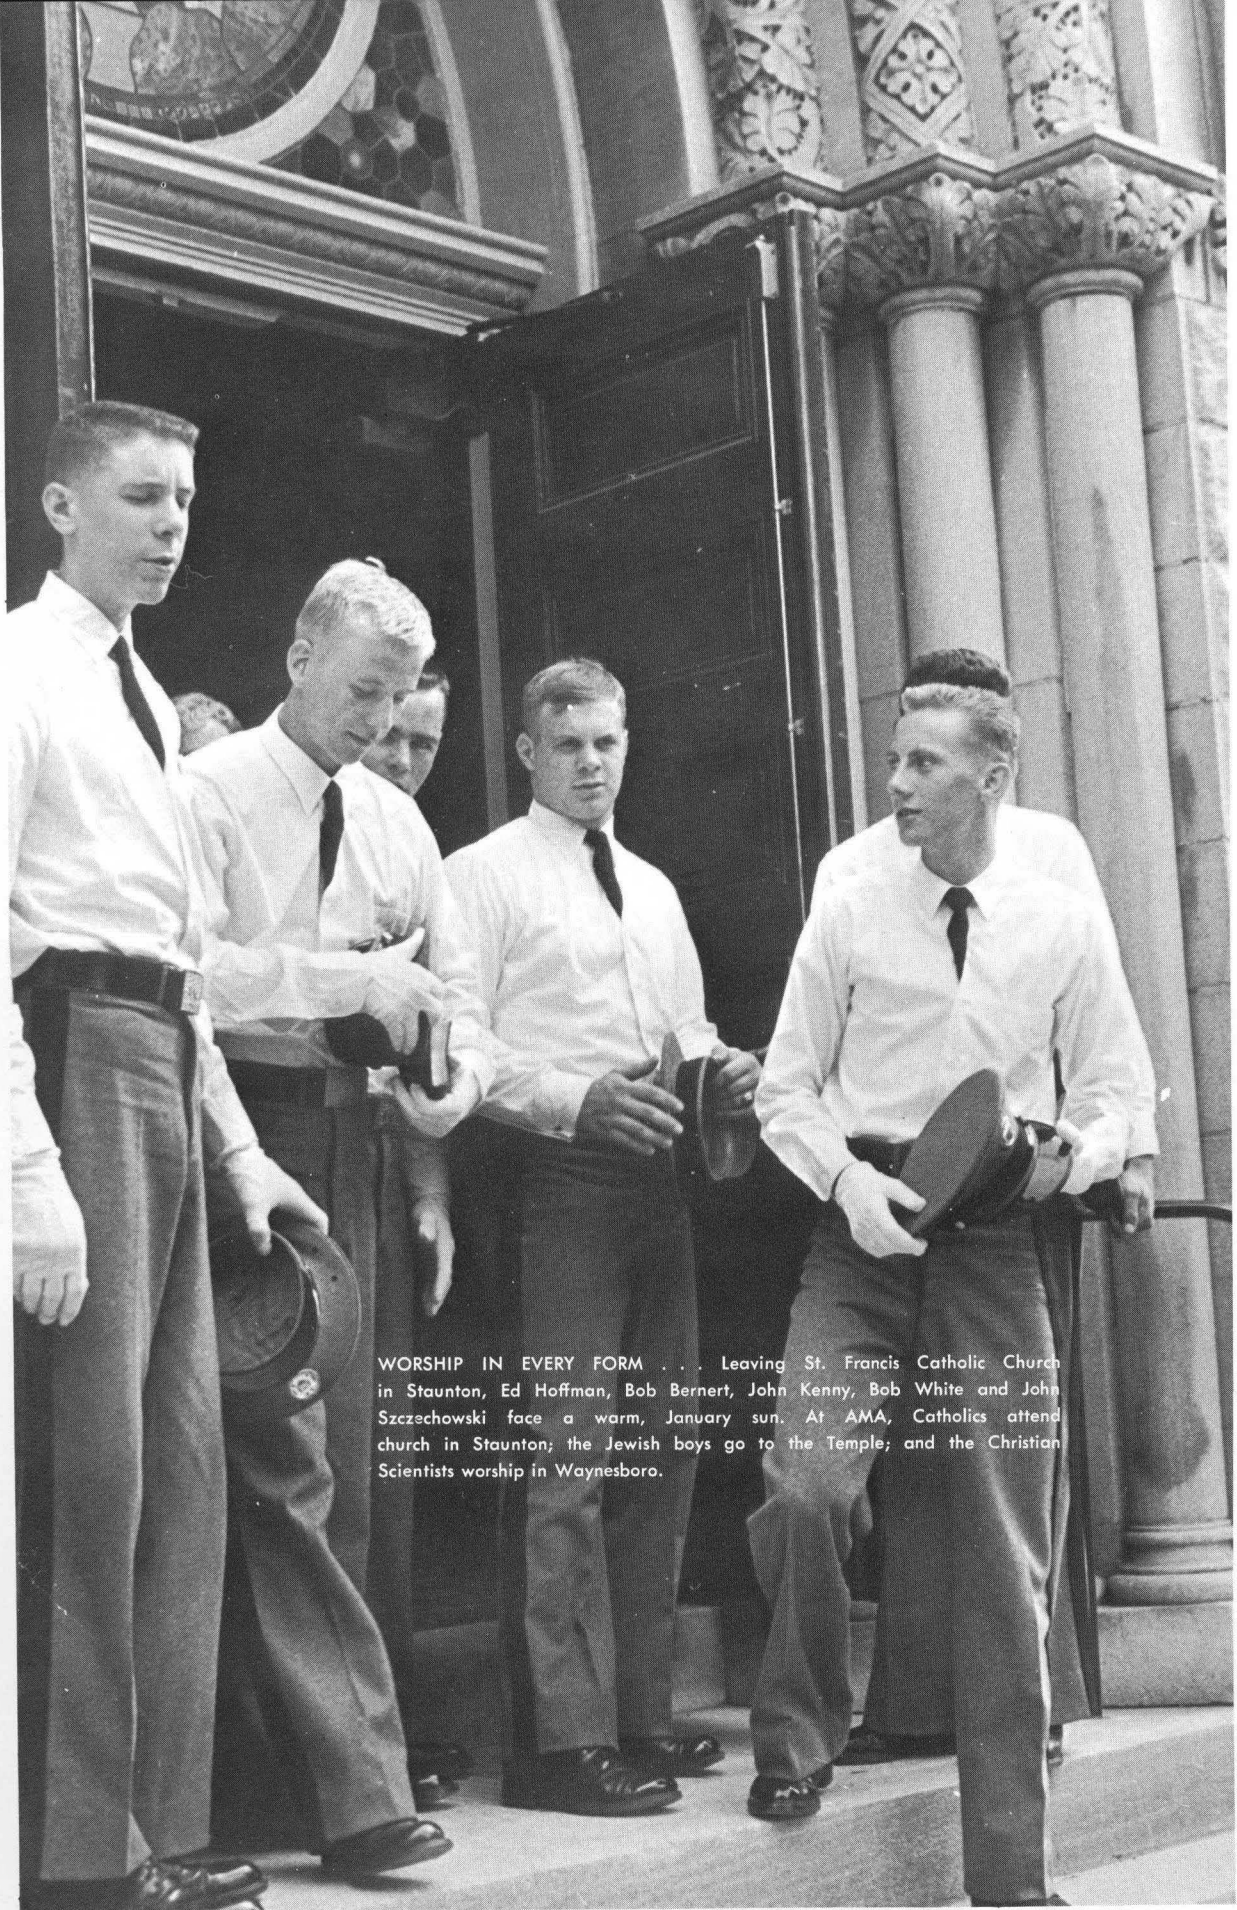

NOT BY BREAD ALONE . . . Endless lines of young men march up the hill to the Old Stone Church for sacred services on Sunday mornings. Until January, the cadets were privileged to have Mr. Allison as pastor. After Mr. Allison left, the boys had inspiring sermons given by the supply ministers.

FOND FAREWELL . . . General Roller tells Mr. Allison that he can't let him go. Treating Mr. Allison to a complete Christmas surprise, the YMCA gave him a set of reference works on the Bible. Bill Bowen joins Mr. Allison, Roller in saying that it will be hard to find anyone to take Mr. Allison's place.

HAPPY TIMES . . . Every cadet will carry with him the vision of what Mr. Allison has meant to AMA — chaplain, Bible teacher, pastor. Mrs. Roller, Gen. Roller, and George Holt register their appreciation and satisfaction.

WORSHIP IN EVERY FORM . . . Leaving St. Francis Catholic Church in Staunton, Ed Hoffman, Bob Bernert, John Kenny, Bob White and John Szczechowski face a warm, January sun. At AMA, Catholics attend church in Staunton; the Jewish boys go to the Temple; and the Christian Scientists worship in Waynesboro.

"V" FOR VICTORY . . . "A" Company pulls through and pushes the Polio Drive to a rousing success! Major Savedge auctions off the rank!

POOR CORPORAL . . . "Major" Keller, who purchased Major Savedge's rank, can't resist giving "Cadet" Hanson a hard time. But it's all for polio and money; money to help find permanent protection against the dread disease.

## There's no doubt! February is Polio

THOUSAND DOLLAR SMILE . . . Little Johnny "appleseed" Appleton glows when he is successful in buying Bill Bowen's rank as first captain. All of the cadets register their approval, and it's

obvious that this will be a day that all will long remember. Frank Williamson, Bob Hume, Dick Kurtz and cadets large and small gave for the joy of giving.

BARE PLATTER . . . "Cadet" Maverick Allan finds an empty tray on Polio day. Trujillo and Dave Sauers thoroughly enjoy the glance of alarm which "Cadet" Allan displays. Yes, even the

teachers braced, awakened at 6:30 a.m. and played the role of new cadets!

## Month . . . we buy and sell for others!

Discovery . . . that was the keyword for February, when the New Cadets realized for the first time what it meant to make one's own fun . . . and that's what did occur as over \$1,078 was collected for the polio fund. Teachers sacrificed; old cadets endured the pains of returning to ranks as privates and new cadets.

Winter sports, informal dances at AMA and the neighboring girls' schools, Dr. Evans and his soul stirring speech, and then tournaments in basketball!

Finishing February off in grand style as the Drama Group's presentation of "Submerged." Mrs. Ralph directed; Tolson starred!

NIGHTMARE ALLEY . . . Major Wales can't believe his eyes when he sees three teachers, dressed as cadets at BRC! They were three of the best, all day long, too! "Cadet" Andrews, "Cadet" Allan and "Cadet" Rickman salute properly.

WILL SPRING EVER COME? . . . That means the rest period, of course. Meanwhile, the boys of the first platoon of "D" Company prepare for Government Inspection by tighter inspections,

more drill, and neater dress. Kit Groves, Charlie Fort, Ed Amendola, Tom Whately and Bob Wells shape up for the big day.

## March means "MARCH!" . . . prepare for

CAN'T GO ON . . . There's a long, long road a winding . . . and the boys don't believe it will ever end. That five mile hike in November was a luxury compared with the ten mile one in March!

EXAM FRIGHT . . . Col. McCue helps Jim Crawford prepare for his algebra examination. Now, the big test . . . does Jim really understand?

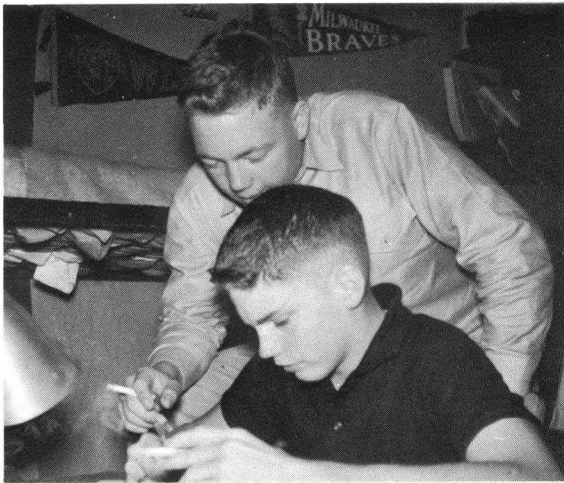

## G. I., exams, and home!

TUNE-UP FOR PIN-UP . . . Dave Popovich and Ray Kerlin practice up on a jam session. By Pin-Up Queen dance, they'll be able to furnish tops in pops during intermission.

HELP SESSION . . . T'is the night before exams . . . and all the C.W.'s are studying. Tom Cotton and Mickey Johnson brush up on their solid.

Diversified March! Sometimes the activities are all outdoors — hikes, early baseball and lacrosse practice, track sessions . . . then, bang! the weather turns near the Ides and it's back indoors.

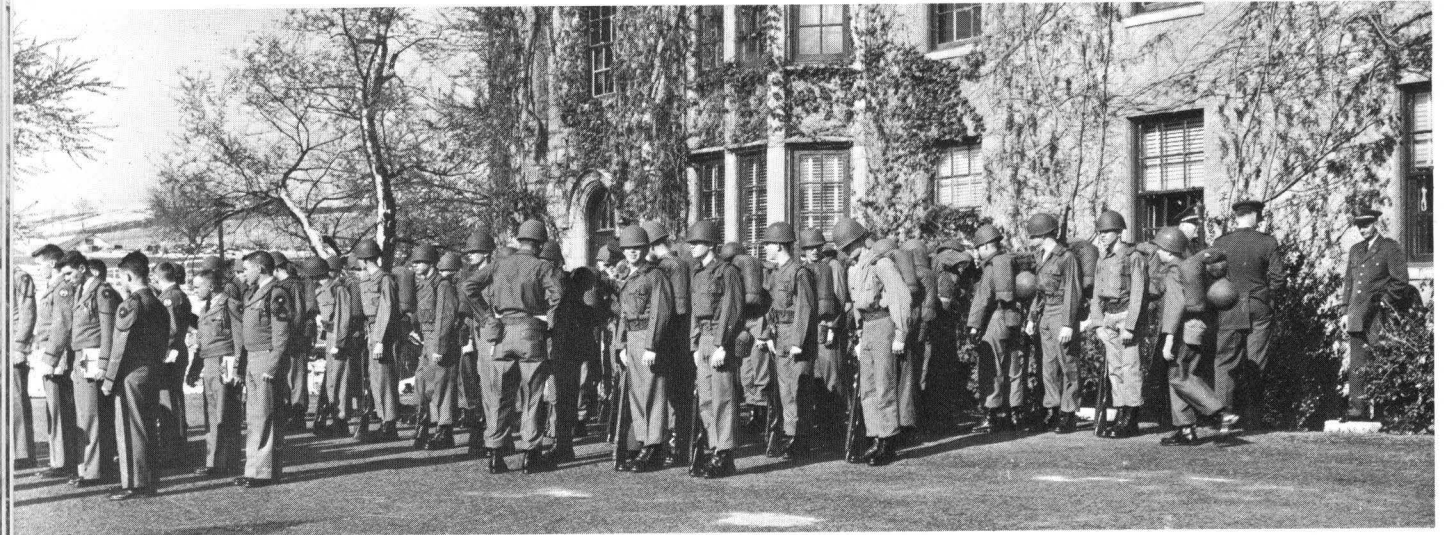

Just in time! Spring examinations loom just around the corner, signaling white ducks, parades and spring rest period.

Plans begin for Government Inspection, Pin-Up Queen and Apple Blossom Festival! It's a hectic month — but it roars in and out like a lion!

EXPERT FORM . . . Bill Klinck listens to the "Star Spangled Banner" and grasps the Colors just as the final notes float over the field, up to the tower. Everyone should have such an inspiring job! During winter, however, it's a cold one.

# SNOW! for April's Government Inspection,

WARM SPRING . . . That's snow covering the fields and outlining the trees, and it's April! North winds may blow, but nothing can stop the all-important G.I. inspection by a team of men who rate every military activity and facility at Augusta. Tenting on the

front field was impossible, but the gymnasium came in as a substitute. That afternoon, a fine parade gave the inspectors an impression of AMA's might. In one day, the inspectors have observed AMA in every type of weather!

SPOTLESS WEAPON . . . Col. Bennett inspects Hurme's rifle and is delighted to find that such care has been taken of his weapon. Compliments were given particularly to "A" Company for their weapons.

STAND-BY . . . Stand-by for inspection and the gymnasium furnishes the room for full field inspection.

# lectures, and horse show!

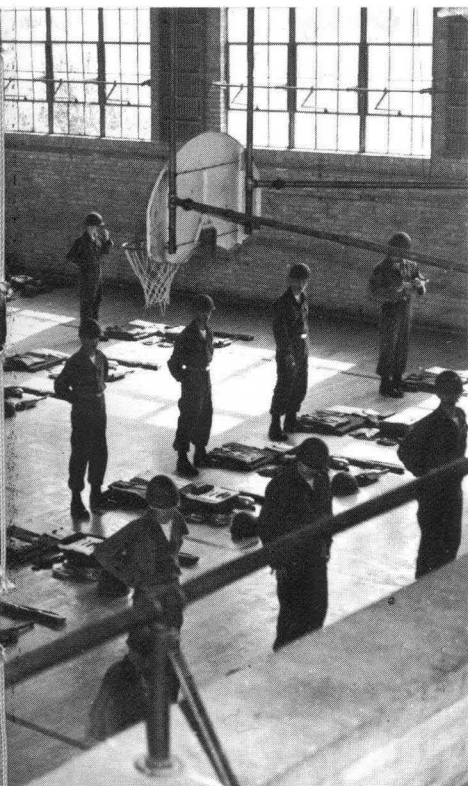

In spring, AMA's thoughts turn to Government Inspection . . . that means a rigid look into the classroom, into the facilities, and at parades. Honor School! That's the result of the Inspection, showing that the cadets and the faculty have their eyes on a goal each year.

Horsey heads the horsemen . . . and helps Mrs. Spitzer put on a top-rated horse show at the Fort Defiance riding stables, Oak Manor. Gene Knowland, Jim Bosley and Ben Zinkhan placed first, second and third in the cadet class.

Spring dance at Stuart Hall and an outstanding lecture by Mrs. Gladys Hanniford on diamonds rounded out April, along with the traditional trip of the Roller Rifles to Apple Blossom Festival in Winchester.

HORSEY'S HORSE HEADS HOME . . . Chris Horsey, one of AMA's most avid riders, brings his mount home after the cadet class at the spring horse show. Steady improvement indicates he'll soon be a winner.

DIAMONDS APPEAL TO CADETS, TOO . . . Mrs. Gladys Hanniford created interest with her story of the creation of diamonds. Don Christensen, John Jones, Walt Quatmann, and Mark Ireland crowd around to have a closer look at some of her prize specimens.

ENTER A QUEEN . . . Miss Linda Britten displays her emotion of gratitude for having been selected as Queen for a year as she enters the arch with Luke Snyder.

Activity plus! Pictures can't begin to indicate the rush to which everyone is subjected during the merry month of May.

Ushering in May is the festive Pin-Up Queen week-end . . . the time for a dance, a luncheon, and a parade. Seldom does anyone forget the drama of the occasion and the beauty of the Queen.

Queen Augusta XVI, Miss Linda Britten, of Charlotte, North Carolina, escorted by "King" Luke Snyder, was cited by Gen. Roller for the graciousness of her reign at Augusta. Miss Britten was selected by a panel of judges over thirty contestants.

The May 8th Founder's Day ceremony, featuring a march to the cemetery, a speech by Col. McCue, and a day of rest slows the pace which leads rapidly from then on to final examinations . . . then with just a wink of the eye and it's JUNE!

## Pin-up Queen Dance and Week-end, and

MOST GLAMOROUS PARADE OF THE YEAR . . . Queen Linda and her court provide the setting for the prettiest parade of the school year. Linda, Luke Snyder, First Princess Lynn Smith, Zeke Zehmer, Second Princess Betty Dell, Dave Conrad, Third

Princess Margaret Mehring, Bill Bowen, Fourth Princess Elsie Bradley and John Holder act as the reviewers for the Pin-Up Parade. Ending the day with a bang is a steak supper given for the Queen. Memories linger on for a long time.

## Founder's Day highlight May.

"TODAY WE HONOR OUR FOUNDER" . . . Col. McCue's brief, but inspiring speech about Prof. Roller and his effect on education in Virginia moves Mrs. Linda Roller Livick, Mrs. S. S. Wales, General C. S. Roller, Jr., and Mrs. Roller during the May 8th services.

TRIPLE TAPS . . . With the sound of taps, the Color Guard and the corps salutes in tribute to the Professor. Bill McGrath, Steve Linton, Mike Wiese, and Chris Horsey serve as members of the Honor Guard on Founder's Day.

June is bustin' out all over! From the moment the RECALL appears as the final examinations are over until 12 noon of G-Day, there is never a spare moment.

Senior Ciceronian Literary Society, combined with the Junior section, presents a program on Saturday night, and then there is the small informal Ad Astra Dance.

Baccalaureate sermon on Sunday morning, Sponsor's Parade, Buffet Dinner at White Hall, and final Y.M.C.A. at night creates the distinct impression that there aren't enough hours in the day . . . that Finals pass away too soon.

HAPPY HOURS . . . Mrs. R. T. Saunders, Jr., and Mrs. Forrest Towe and Mr. Towe are truly proud of their adjutant son, Jim. Mrs. Roller's garden makes a perfect setting for the Buffet Supper.

## It's June! Goals are reached! Final

SUBSTITUTE MOTHER . . . Mrs. H. D. Deane is just about the loveliest "Mother" possible for Carlos Giammaria, who asked her to be his sponsor for the Sunday Parade, since his mother couldn't come. Proudly, Carlos introduces Mrs. Deane to

the acting commander of "C" Company, Cadet B. Mayne. It's hard to figure who's happier on the Sponsors' Day — the cadets or the mothers!

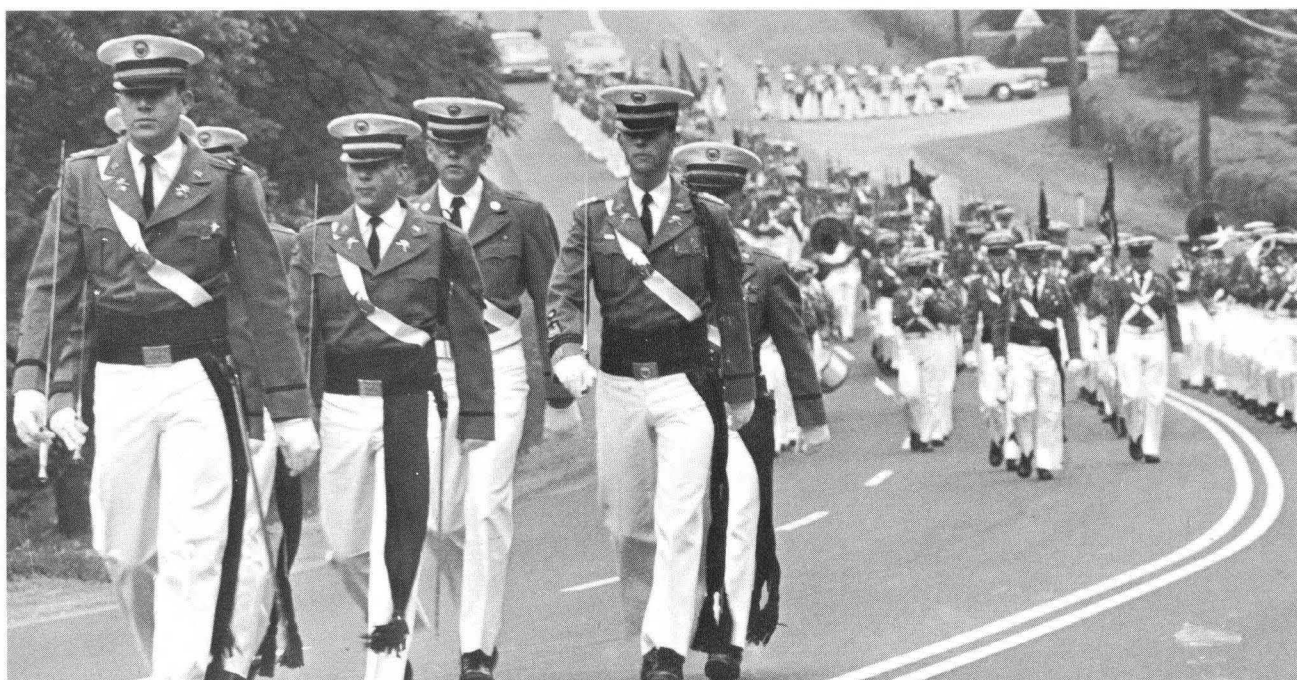

days glow with friendliness.

HAPPY TALK . . . Major and Mrs. Livick, Mrs. Roller and Pete Kelley greet the hundreds of guests who arrive at White Hall for the dinner. Mrs. Burrell thanks Major Livick for all the school has done for Bill. Chip Smith and his family converse with Mrs. Roller about the fine Sponsors' Parade.

RECALL THIS SIGHT . . . This could be a command or a question. Travellers on U.S. 11 are treated to parade from AMA up to the Old Stone Presbyterian Church for Baccalaureate Sermon.

Pete Kelley, Jim Towe, Bill Burrell and Leigh Schlusemeyer lead the corps to the church for the final worship together of cadets and faculty, parents and friends.

# Magic moments

Filling the minutes of every cadet's life at Augusta, activities pile on and on during the two final days.

Monday has platoon, company and individual competition, and at last, the Final Ball.

Tuesday is G-Day — ceremonies in the gymnasium and on the black top. With the strains of "Auld Lang Syne" floating into eternity, memories and thoughts of what AMA has been to each cadet is uppermost on everyone's mind . . . indeed, it's over.

DANCE A JIG . . . Jim Towe doesn't display the feeling that he is sorry that the party's over as Col. Deane awards him his AMA Diploma, but it won't be long before he'll have a lump in his throat.

ROSES, AND WHITE DRESSES, AND CADETS IN LONG LINES . . . With the bang of the cannon, the Final Ball figure begins. Pete Kelley and Kay Runnels lead the officers and their dates into the intricate patterns for which AMA's figures are famous.

## color a senior's final days at A. M. A.!

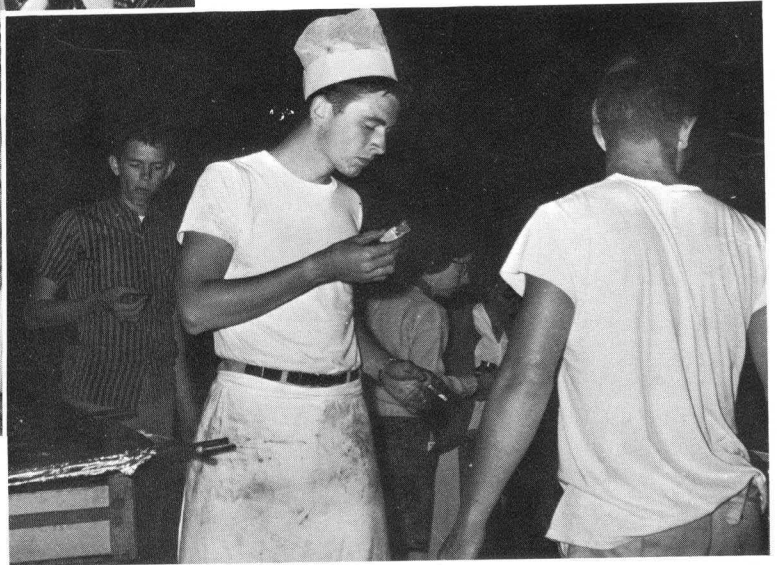

"SON, I COULDN'T HAVE DONE WITHOUT YOU!" . . . Gen. Roller congratulates First Captain Bill Bowen on a job well done as a senior and as the Battalion Commander. During the final

ceremonies, Bill shared with Jim Towe the coveted award which goes to the senior who exhibits loyalty, devotion, and excellence. Previously, Bill had been voted into Ad Astra Per Aspera.

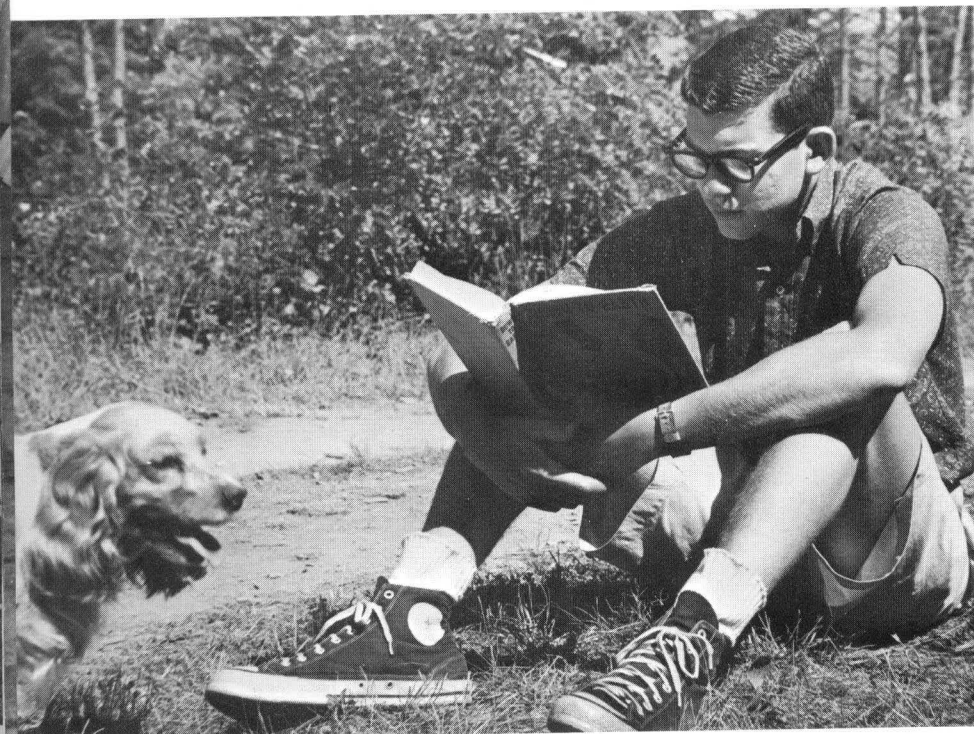

RECORD CATCH . . . Walt and Gary Quatmann display the catch they shared with Bill Neill, Tom Mudd and Jon Davis. Just average — just average!

CHEF STEVE-AR-DEE . . . Steve Linton eats his own food! Jerry Tolson, Bill Pugh and all of Camp enjoyed Steve's famous Saturday night feasts.

## It's summer and for some, it means

WHO'S THE STUDENT? . . . Luke Snyder (reading the text in geology) discovered Jeep trails, hidden roads, and lost dogs during the six weeks' camp period.

Summertime . . . and the living IS easy . . . Capt. Kreisler went to Europe . . . Col. Hoover had further classes in mathematics at Virginia . . . the Military Staff went to camps all over the East . . . Gen. and Mrs. Roller went to Texas and Atlantic City.

And sixty boys spent six weeks in study at Camp Kannata, where they had fierce softball games, extraordinary fishing, birthday parties, and boating fun!

Summer's short! . . . Soon, it's back to AMA!

DOUBLE, DOUBLE, TOIL AND TROUBLE! . . . Steve Durst puts solid CO<sub>2</sub> into some H<sub>2</sub>O and Little Riatta looks like a scene from "Macbeth." Actually, it's a birthday party for J. H. Morris. Tom Mudd, Ed Amendola, Bill Pugh, Stewart Garrett, Dom

Morrello, Capt. Hanson, Ben Zinkhan, Bill Mayne and Jim Hyde wait for J. H. and his cake and ice cream. It's a break from routine, and everyone enjoys it.

## fun in the sun at Camp Kannata!

ESPANOLI! . . . Even in the summer, Lt. Rickman teaches his favorite subject. And at Camp Kannata, as at AMA, Bob Boyle, Tom Mudd and Jon David enjoy his remarks and his class. "Maverick's" car is certainly incongruous in this picture!

# Personally

Without red-blooded, eager students, no school could exist . . . but AMA's 500 cadets exhibit all of the qualities of teen-agers today . . . inquisitive . . . searching for truth . . . conviction . . . faith . . . eager to please others . . . anxious to make friends.

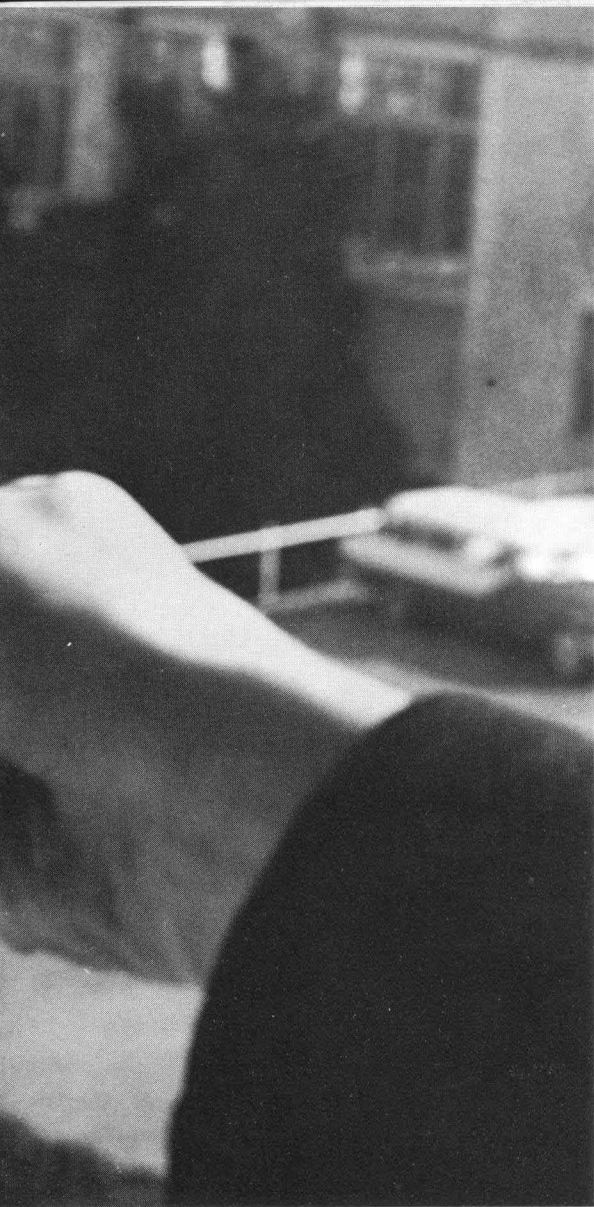

Each cadet changes month by month as his own glances learn to take in more; as he tries to understand his fellow cadets; as he tries to develop every facet of his personality, sometimes consciously, usually without the realization that he is maturing.

Here are the personalities of Augusta, the boys

who have learned to live with boys from all parts of the country, with boys of diverse personalities and different faiths. Here are the boys who lived as closely as brothers for nine short months, but who discovered that friendships are not measured in length of time, but in depth of experiences shared together.

Here one can easily see the development of the young men . . . characters are strengthened . . . Here is education in its broadest sense, and here are the cadets who are changing their focus.

# A glance at Augusta

PERSONALLY SPEAKING . . . Each boy at AMA is a distinct personality! Registering boisterous approval, individual differences are apparent as Vassallo, Szczechowski, Harrell, Felt, Lowe, Madley, Butts, Dillard, DeVault, Juby, Graff, Ayers, Conway, and Steele whoop it up at the torch light parade.

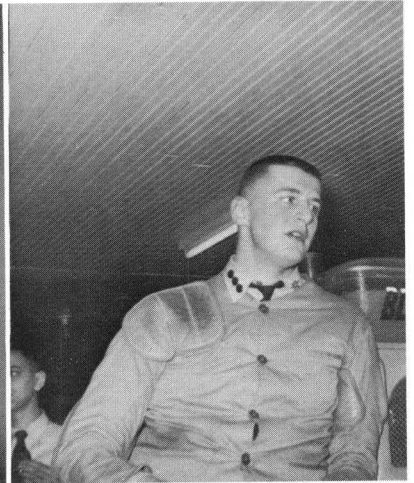

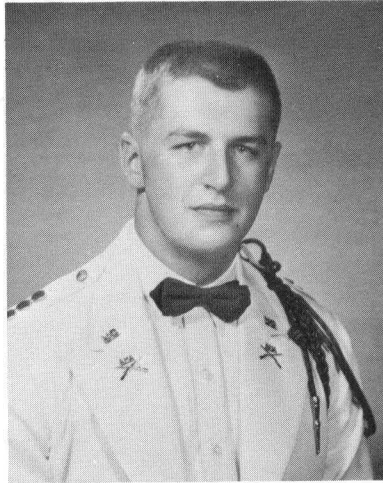

# Seniors '60 discover early the need for

## JOHN CLARKSON ADAMS

Staunton, Virginia

Pvt., 1; First Sgt., 2; Capt., 3; Roller Rifles, 2,3; Cotillion Club, 1,2,3; Decorating Committee, 1,2; Fencing, 1; Rifle Team, 2,3, capt., 3; Student Body Officer, 3; Honor Committee, 3.

John's just about the quietest and most easy going cadet at AMA, but on the rifle range, he's a whiz! Setting a record at VMI this year, he's been high man on the team consistently. No officer has been any more concerned about his men than has John. This facet of his personality — concern for others — stamps him as a leader. Shy in many ways, John takes to the woods when any one mentions GIRLS!

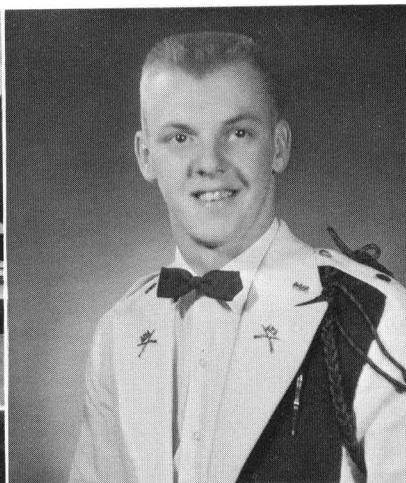

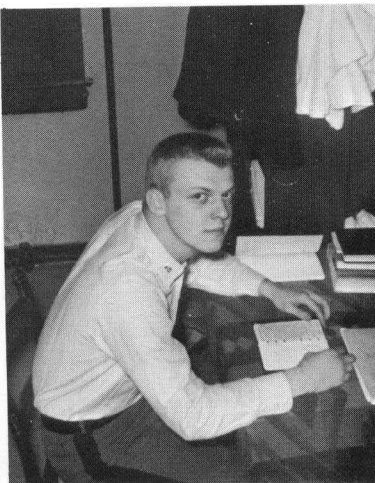

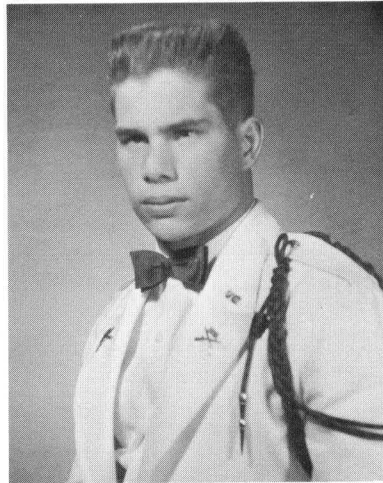

## EDWARD LESTER AMENDOLA

Pittsburgh, Pennsylvania

Pvt., 1; Sgt., 2; Roller Rifles, 2; Football, 1,2; Baseball, 1,2; Fencing, 1,2; Cotillion Club, 1,2.

Moody! That's the one word description Ed's room-mates give of the Pittsburgh flash. Serious and deep, Eddie discovered how much he wanted an education, and he's been fighting hard ever since to reach the top in each of his subjects — yet, he still has time to play three sports! In one way, Ed's a non-conformist . . . he retains his long hair despite edicts, threats, and barber's shears!

## FRED ARTHUR ANDERSON

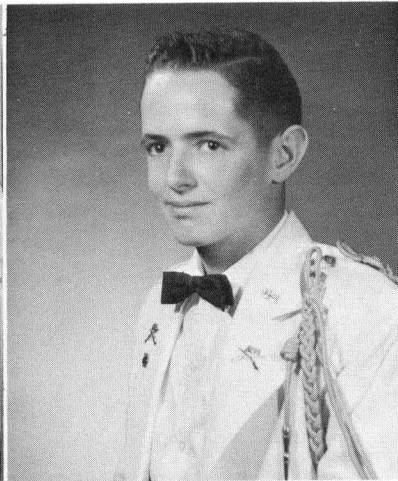

Covington, Virginia

Cpl., 1; 2nd Lt., 2; Football, 1,2; Baseball, 1,2; Cotillion Club, 1,2; Honor Committee, 2; Roller Rifles, 2.

Impulsive in some rare cases, Fred's generally one of the clearest thinkers in barracks. No cadet has more of a sense of duty, a devotion to his platoon, or the desire to do his best in everything. Well-liked by cadets and faculty, Fred's the boy who has insight into the feelings of others. He is a success now, as he isn't conscious of himself. He is vitally concerned, however, about others!

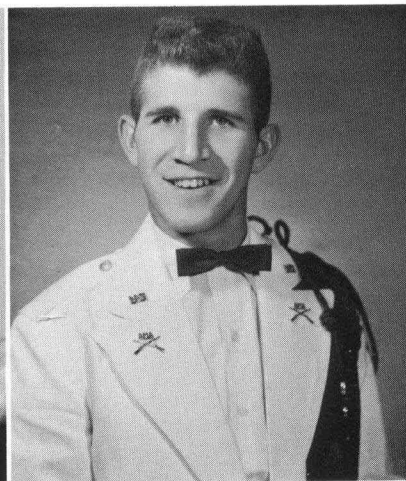

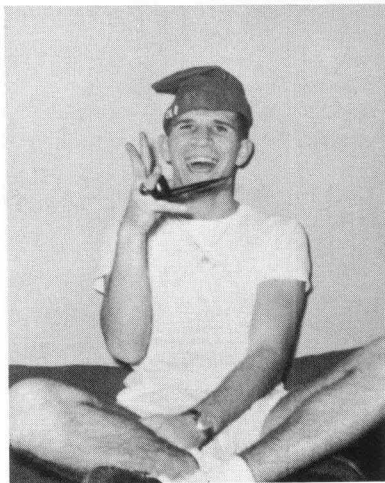

# constant surveillance . . . good study habits!

**PAUL RAYMOND BLEY, JR.**  
Fredericksburg, Virginia

Pvt., 1; Cpl., 2; Baseball, 1,2; Cotillion Club, 1,2. Consideration for others . . . he'll do anything to help his friends! Paul's not only thoughtful, he's also one of those quiet boys who is honest, sincere, and has a high sense of honor. Gifted musically, Paul's anxious to join the Marine Corps and follow in his father's footsteps. That's another reason why Paul shines in military. Introspective and perceptive, his friendship is valued!

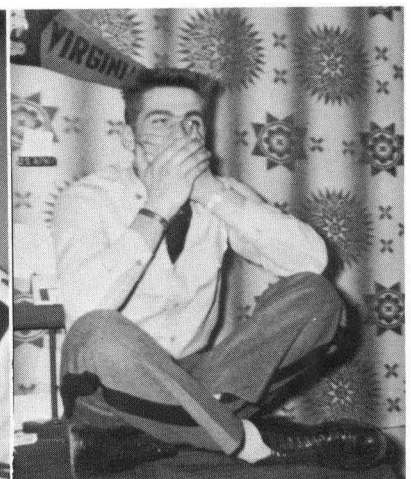

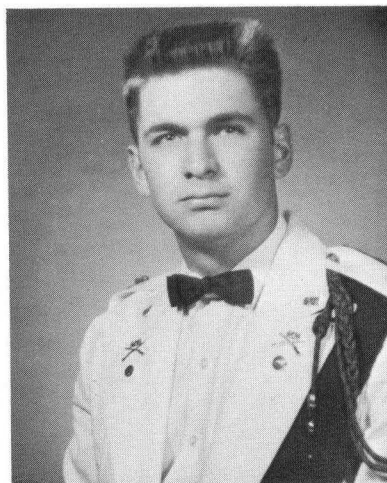

**CAESAR BARTHOLOMEW BOSELLI**  
Copiague, New York

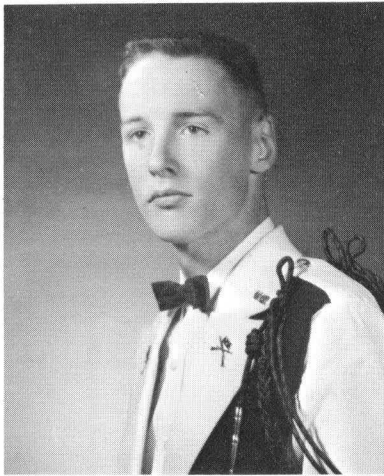

Cpl., 1; SFC, 2; 1st Sgt., 3; Roller Rifles, 2,3; Wrestling, 1; Lacrosse, 1; Cotillion Club, 1,2,3. (withdrew before graduation)

Clown of the corps! Memorable Caesar never allows a dull moment to creep into the existence of those around him. Who but Caesar could have been Gen. Roller on Polio day? Prankster, jokester, and mischief maker, it'll be years before those he leaves behind reveal all of his entanglements! Few cadets command the loyalty which he has!

**WILLIAM CROCKETT BOWEN**  
Bland, Virginia

Cpl. 1; Sgt. 2; Battalion Commander, 3; Honor Committee, 2, President 3; President, Student Body Officers, 3; Cotillion Club, 1,2, Vice-president, 3; Final Ball Vice-Pres., 3; Lacrosse, 3; Roller Rifles, 2, executive officer, 3; Ad Astra, 2,3. When the final records are in, Bill will go down as one of the greatest of AMA's first captains. Seldom has there been a battalion commander as considerate of everyone as is Bill. Captains' meetings every Sunday produced suggestions on how to improve every facet of cadet life . . . this was the idea Bill put into practice in October. Tops as an officer, as a gentleman, and as a man — that is Bill!

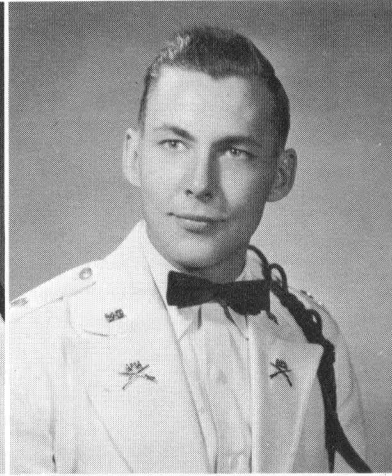

**EDWARD LEWIS BRAZENOR**  
Norfolk, Virginia

Pvt., 1; Sgt., 2; 1st Sgt., 3; BAYO-NET, 2; Cotillion Club, 2,3; Lacrosse, 3.

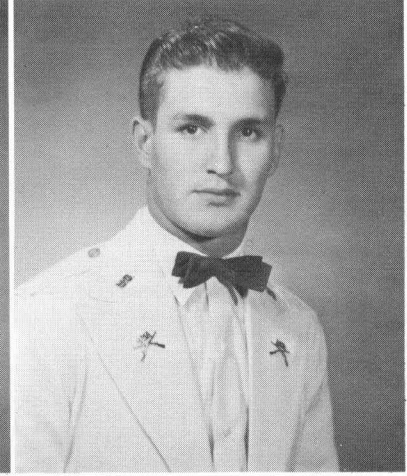

It's taken Ed a long time to find himself, and even now, he has his rough moments. Intelligent and diligent, Ed's worked hard with his company as first sergeant, and he's another senior who wishes to continue with the military. Thoughtful of his friends, Ed demands loyalty and sincerity in return. When the Honor Committee needed help, Ed's the man they sought. Yes, most of the time Ed keeps that nose to the grindstone!

**JOHN WILSON BRIDGES**  
Herndon, Virginia

Pvt., 1; Sgt., 2; 1st Lt., 3; Roller Rifles, 2,3; Honor Committee, 3; Cotillion Club, 1,2,3.

Votes for most likely to succeed could certainly go to Jack . . . already he has one of the prettiest girls who has ever graced the social occasions at AMA . . . and he already has a home and car waiting for him when he takes the fatal step. No one has ever seen Jack without a grin! And during Polio day, Jack was the best new "old" cadet on the stoops!

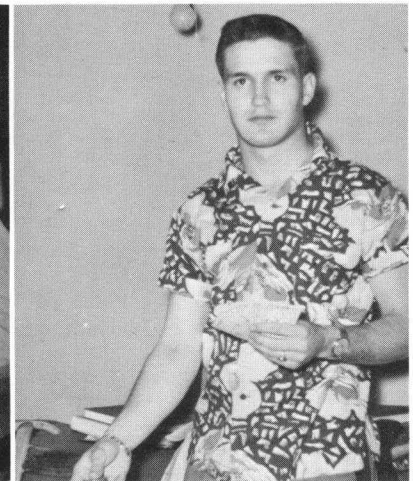

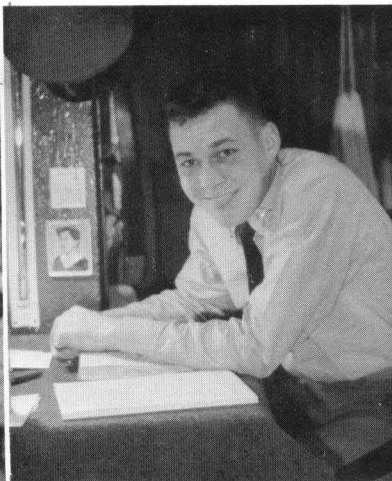

**MAXIMO FRANCISCO CASAL**  
Santiago de Cuba

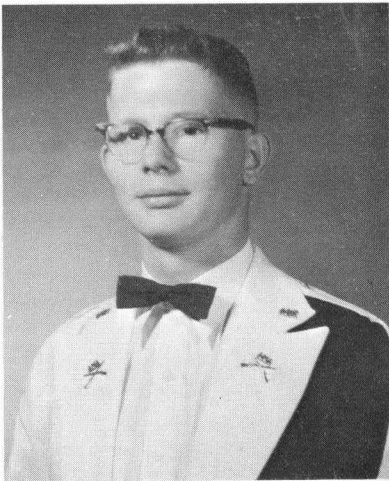

Pvt., 1; Sgt., 2; Cpl., 3; Fencing, 2; J.V. Football, 3; Swimming, 3; Baseball, 3; Cotillion Club, 2; Roller Rifles, 3.

When Casal can't find the proper English word, he resorts to rapid-fire use of his hands . . . and he is, indeed, a loyal Cuban! Well-rounded in academics, athletics and social activities, Max also has a disposition which is the envy of all the cadets. In one field, however, he hasn't been able to equal his rival, Noboa — he just can't get a girl like Joan Halifax!

## Vision into the future pays off for six Senior

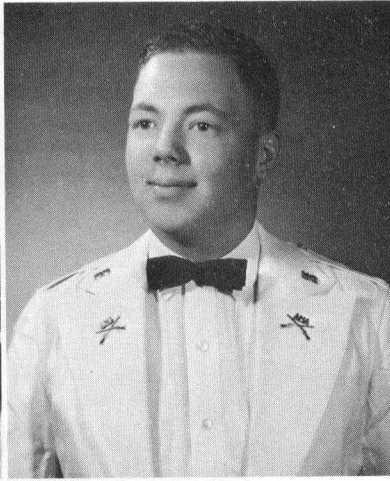

**DONOVAN BERRY COOPER**

Ashland, Kentucky

Pvt., 1; M. Sgt., 2; Basketball, 1,2; Cotillion Club, 2; Honor Roll, 2.

NROTC winner! Don's ample supply of brain power is apparent from this exclamation! Voted "great!" by the C.W.'s, Don's genial personality is one of his biggest assets. His politeness is noticeable even to the new cadets. And his staying power as a member of the color guard is remarkable — he's the only one of the September starters who is left! Quiet, withdrawn, and sincere, Don's really alive when it counts! . . . and his gripe sessions were as outstanding as his basketball playing!

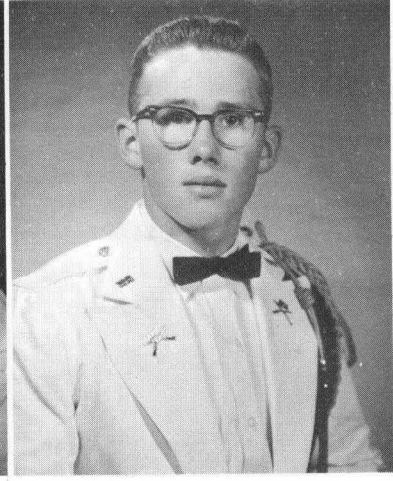

**GEORGE THOMAS COTTON**

Portsmouth, Virginia

Pvt., 1; SFC, 2; Tiger Football, 2; Baseball, 2; Cotillion Club, 2.

Show-off in some classes, Tom gives the impression that he's not serious about his work, but he actually is anxious to learn. That fireball full of laughs can be triggered into action if someone changes his TV viewing schedule. Tom still hasn't recovered from the shock of being able to master the study of chemistry! His rock-solid exterior covers an interior of honesty and kindness.

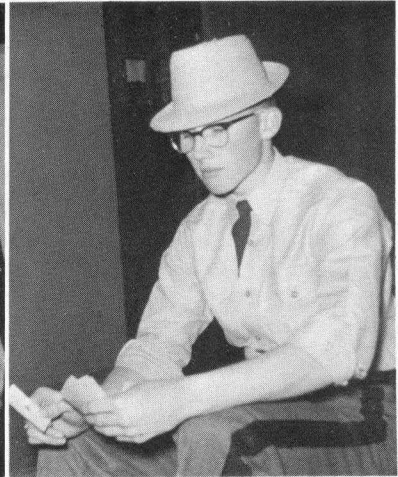

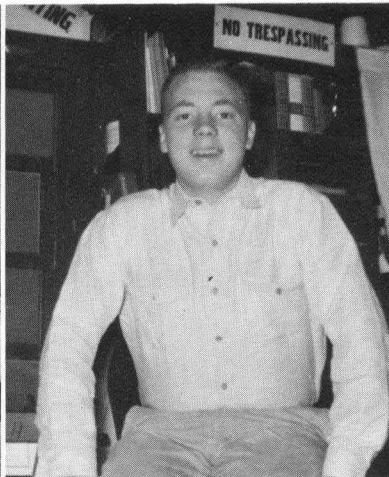

**JAMES EDGAR CROCKETT, JR.**

Wytheville, Virginia

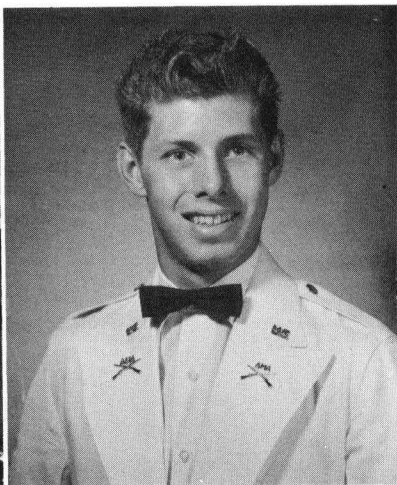

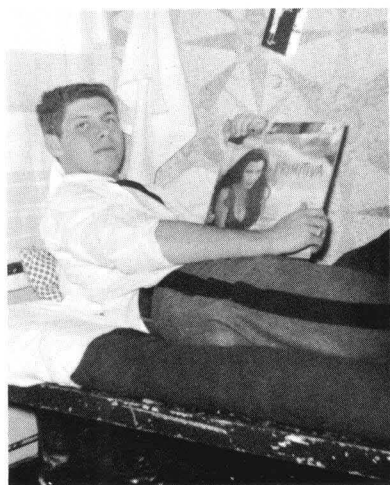

Pvt., 1; M. Sgt., 2; Color Guard, 2; Student Body Officer, 2; Honor Committee, 2; Cotillion Club, 1,2.

Once "Sonny" has made up his mind about **anything**, there's no changing it . . . and that shows why he's been such a success at AMA. He was determined to reach a goal, and he isn't the type to deviate from the path upwards! Dogmatic, out-spoken, efficient, and loyal, "Sonny" is always around when help is needed. His quality of thoughtfulness has made 209 a happy room — and a clean one!

## N. R. O. T. C. winners — an A. M. A. record!

# Seniors spend more time in studying . . .

**FRANK WILLIAM DECKER**  
Buffalo, New York

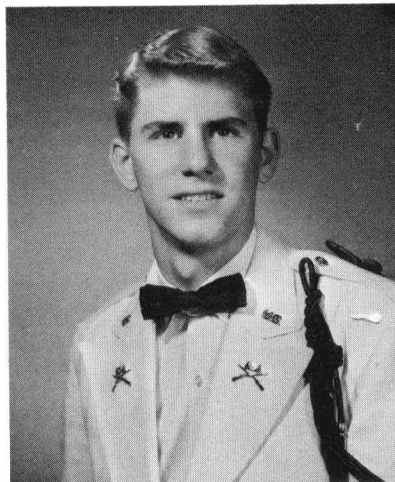

Pvt., 1; Sgt., 2; Cotillion Club, 1,2; BAYONET, 1; Roller Rifles, 2; Cheerleader, 2.

Serious minded Frank takes life as it comes, as long as there's no joking from the side-lines. Everything Frank does must have a specific purpose — he wants to know the reason why before he takes the plunge. Militarily inclined, Frank wants to set his sights on a naval career, preferably in the maritime service. Frank's learned how to live since he's been at AMA — now he shares with others!

**DAVID HUGH DILLARD, II**  
Lynchburg, Virginia

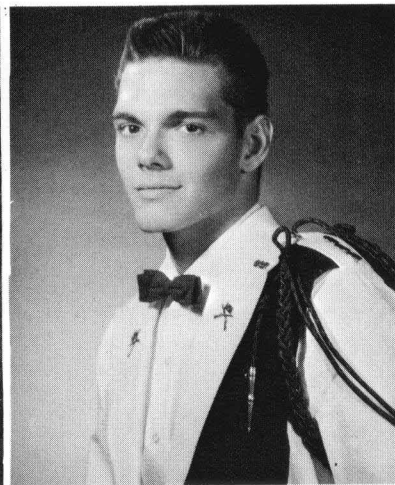

Pvt., 1; Sgt., 2; Cheerleader, 2; Cotillion Club, 1,2; BAYONET, 1,2; YMCA Officer; Tennis, 2; Roller Rifles, 2.

Happy-go lucky Virginian with a bit of the tar still on his heels . . . that's Dave, a quick witted, humorous student, who studies more than he allows others to know. Second generation of Augustamen, Dave's love of the school shows in his editorial work on the BAYONET. Dave's conservative streak doesn't show in his clothes, but in every other way, it does.

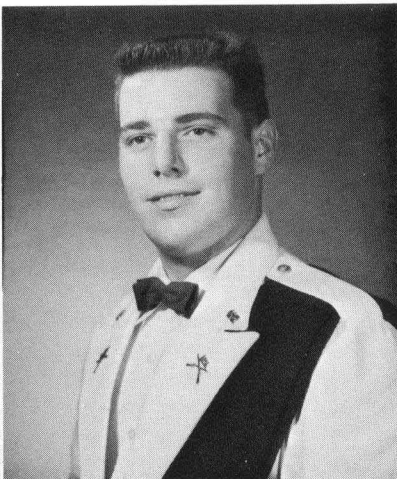

**STEVEN FREDERICK DURST**  
Southampton, Pennsylvania

Pvt., 1; Sgt., 2; 2nd Lt., 3; 1st Lt., 4; Capt., 5; Cotillion Club, 1-5, co-treasurer, 3; Junior Football, 1; Varsity Football, 2,3; Honor Committee, 4,5; Student Body Officers, 5; Roller Rifles, 3,4,5, commander, 5; Baseball, 5; Final Ball Pres., 5. Give Steve a job to do and if he wants to do it, you may depend on a job well done. Fortunately, Steve wants to do his best all of the time, especially when it concerns "A" company. Never masking his feelings with trite phrases, some say he lacks tact, but the day he calls you "friend," you will have someone who will always be loyal, considerate and dependable!

# averaging high scores on C. E. E. B.'s

**JOHN MONTFORD ELLIS**

Bethesda, Maryland

Pvt., 1,3; Sgt., 2; 1st Sgt., 4; Rifle Team, 3; Cotillion Club, 1-4; Tiger Football, 1,2; Decorators, 1-4; Lacrosse, 4.

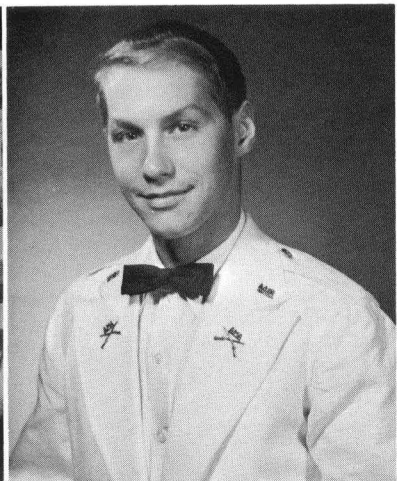

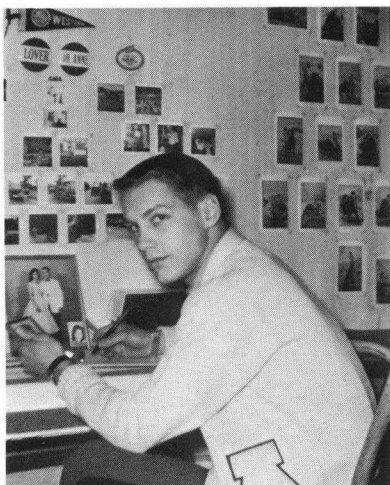

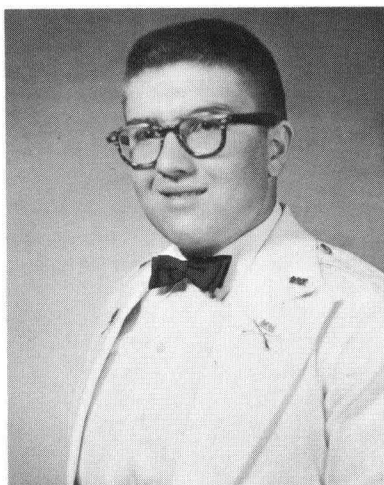

Capable of being a top rate officer, Monty works hard. Emotionally stable, Monty's another one of the lads who could do with a few sessions in learning how to be tactful. Honest and trustworthy, Monty's quality of loyalty is what appeals most to his roommates. And this boy is artistic! His work on the dances has helped produce some outstanding effects! Old five by five is a credit to his company!

**FRED WALKER EVANS**

Wilmington, Delaware

Pvt., 1; Sgt., 2; SFC, 3; RECALL, 2; Cotillion Club, 1,2,3; Honor Roll, 1,2,3; Chess Team, 3; Decorators, 2.

That rotund personality which makes Fred a marked man in the corps enables him to be the easiest roommate in the world to get along with for nine months. Another of AMA's record number of NROTC winners, Fred's intelligent, tactful, generous, and a sports fan. His statement in '59 ("I'd rather kiss a cat . . . than a girl.") still ranks as one of the most memorable statements in AMA annals.

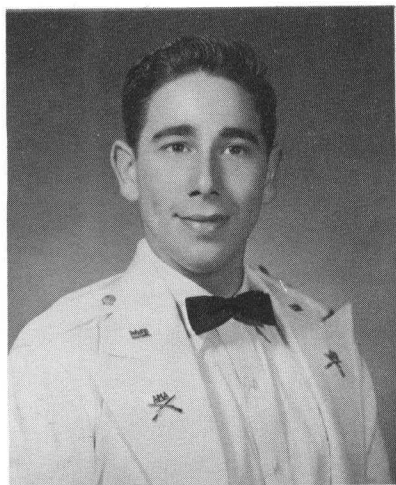

**MITCHELL GASTON**

Washington, D.C.

Pvt., 1; SFC, 2; Tennis, 1; Swimming, 1,2; Honor Roll, 1,2; Lacrosse, 2.

Enigmatic! Mitch, who looks as if he'd be easy to get to know, presents a problem in understanding. Independent, desiring charity from no one, Mitch has been a star of the swimming team for two years. Sincere in his desire to have a service career, Mitch has been proud of his military record. Consistently, he's also been on the Honor Roll . . . a good athlete and a fine student!

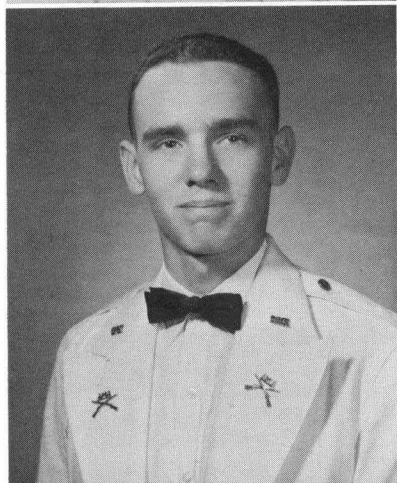

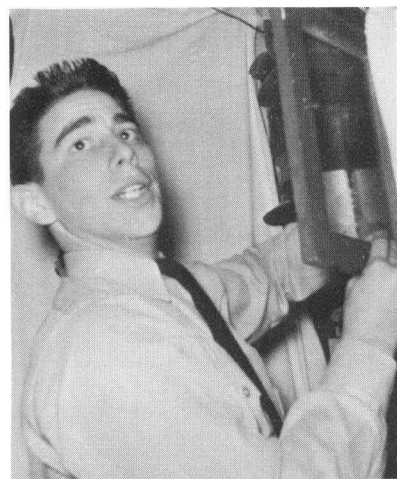

# A. M. A. graduates record number of cadets

**ALAN EISEN GOULD**

Hagerstown, Maryland

Pvt., 1,2; Lacrosse, 2, mgr.; Cotillion Club, 2.  
If it can be done the wrong way, depend on Alan to do it, and generally, it's for the laughs which he knows he'll get. Beneath that Pagliacci exterior, he hides a brain which has many grey convolutions! Yes, he wants to be a veterinarian . . . from the marching he does each night, he IS on his way! Clever and mischievous, Alan's depth seldom shows, except to his close friends.

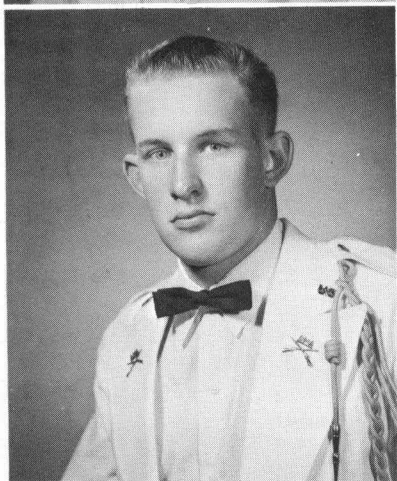

**BURTON ARCHIE GREEN**

Newport News, Virginia

Pvt., 1; Sgt., 2; Track, 2.

Off to the woods treks our lone wolf! Fascinated by wild life study, Burt's a perfectionist. An avid reader of outdoor lore, Burt prefers hunting with a bow and arrow, walking alone, and fishing over dating and social contacts. Bashful and shy, Burt's sensitive to the feelings of others. Easy to get along with, he goes out of his way to avoid trouble. The Forestry Service will have a good man in Burt.

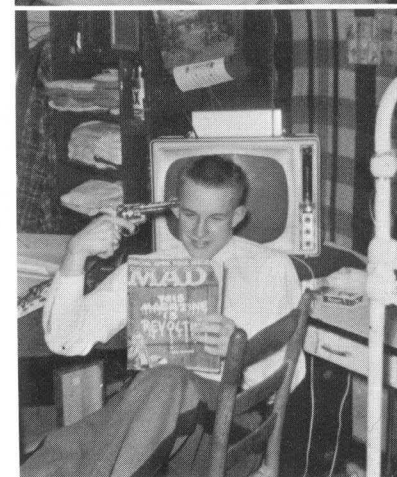

**STACY RAY HARRIS**

Lexington, Virginia

Pvt., 1; Sgt., 2; Rifle Team, 2; Cotillion Club, 1,2.

Watch out for your head! Stacy's out with his rockets, which somehow never quite reach outer space. His interest in every phase of science includes his acquisition of "Brainiac," rocket information and books on atomic energy. Strong, determined, and another perfectionist, Stacy's most interested in psychology. Honest and sincere, he has succeeded in every way except at Stuart Hall! A stand-out new cadet, he'll enjoy the military at V.M.I.

# . . . who will pursue diverse courses!

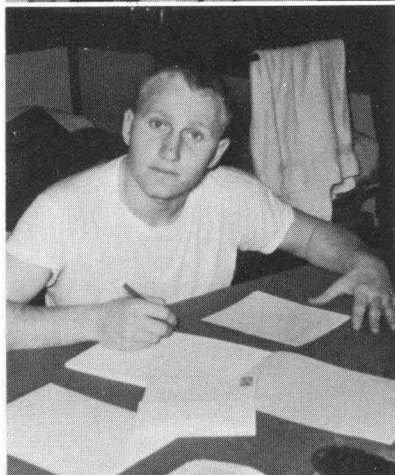

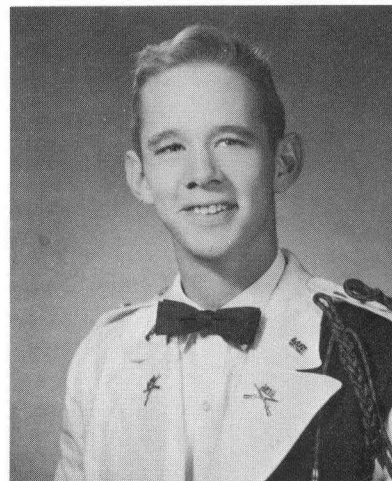

**GEORGE HENRY HOLT**

Burlington, North Carolina

Pvt., 1,2; Sgt., 3; Capt., 4; Swimming, 1-4; Cotillion Club, 1-4, treasurer, 4; Final Ball Officer, 4; Decorator, 1-3; RECALL, Bus. Mgr., 2,3,4; Quill and Scroll, 4; Student Body Officer, 4; Honor Committee, 4; Roller Rifles, 2,3,4; Cheerleader, 4; Ciceronian Literary Society, president, 4.

Enthusiastic, optimistic, bubbling with joie de vivre, George's nickname of "Dumbo Holt" passed away with the acquisition of pie plates. "Daddy" George was besieged by problems of every type. And he took all in his stride. Easy to know, wonderful to be with, efficient in every extra-curricular activity, George is a demon with the young ladies of Stuart Hall and neighboring schools.

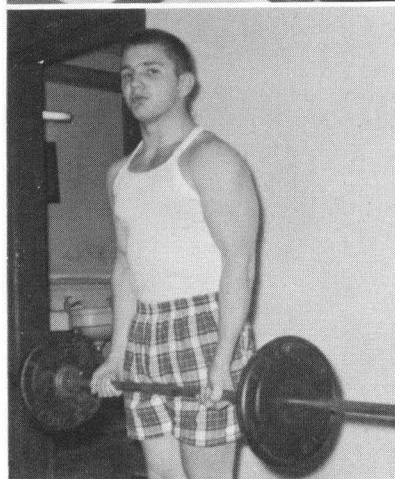

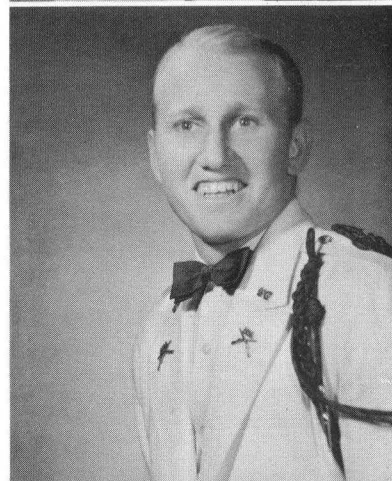

**MELVIN MAYO HOOKER, JR.**

Virginia Beach, Virginia

Pvt., 1; Sgt., 2; Honor Committee, 2; Lacrosse, 1,2; Football, 1,2; Cotillion Club, 1,2.

Bright red suspenders and any old odd hat . . . that's the physical characteristics we'll remember about the lad who has to see "Maverick" every Sunday or his week won't be complete. Amiable, easy going, and comfortable . . . Mel's facility for making and keeping friends, his love of athletics, and his consistent class work give him a top reputation among faculty and cadets. Here's a lot of power in a mighty small package!

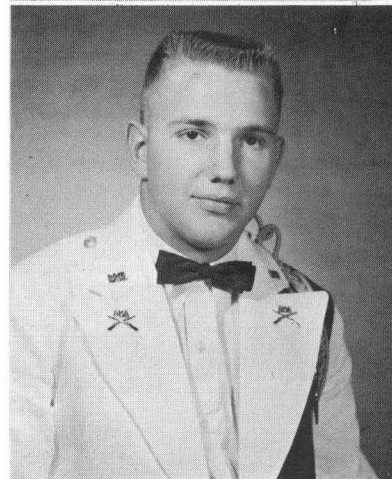

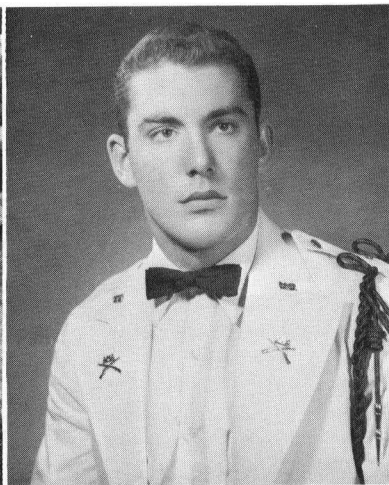

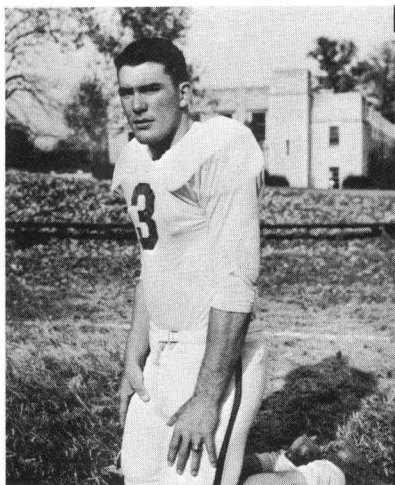

**HORACE FERRON JACKSON**

Charlottesville, Virginia

Pvt., 1; SFC, 2; 1st Sgt., 3; Cotillion Club, 1,2,3; Wrestling, 1. (withdrew before graduation)

"Body beautiful" has a strong advocate in Jackie . . . every day he adds more muscles to his physique with a strenuous round of weight lifting. Extremely quiet, Jackie allows few people to get to know him, but he has the ability to have everyone like and respect him. It's "plane," by the way, that geometry is his favorite subject. That even disposition keeps him on an even keel.

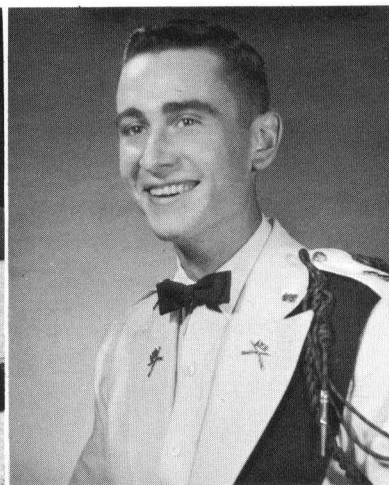

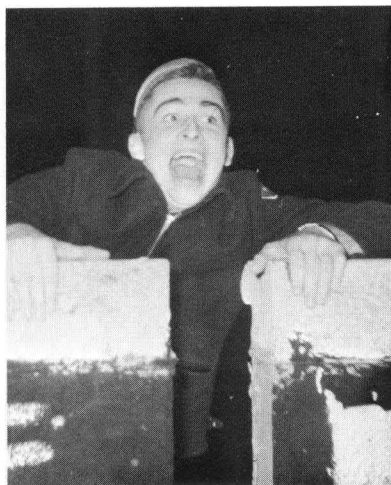

#### RALPH N. LEONARD, JR.

Crystal Lake, Illinois

Pvt., 1; M. Sgt., 2; Color Guard, 2; Football, 1,2; captain, 2; Swimming, 1; Wrestling, 1,2; Cotillion Club, 1; Honor Committee, 1,2.

Illinois' gift to Augusta! Of course, Ralph uses a more succinct phrase. Self-assured and prepossession, Ralph stands out in any crowd. Sharp witted, he dissects the situation immediately. Perceptive, Ralph can immediately spot any one who pretends to be more than he is. An innate leader, Ralph was a superb captain of the football team. When given any specific job, he saw it through — correctly!

## Widener, Smoyer, McVey, Stratton, Cooper,

#### STEPHEN JOHN LINTON

Philadelphia, Pennsylvania

Cpl., 1; Sgt., 2; 1st Lt., 3; Cotillion Club, 1-3; Honor Committee, 3; Lacrosse, 3.

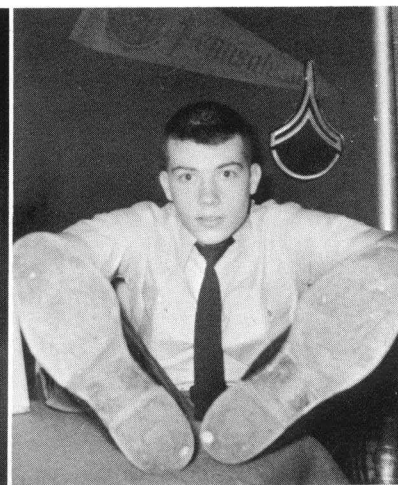

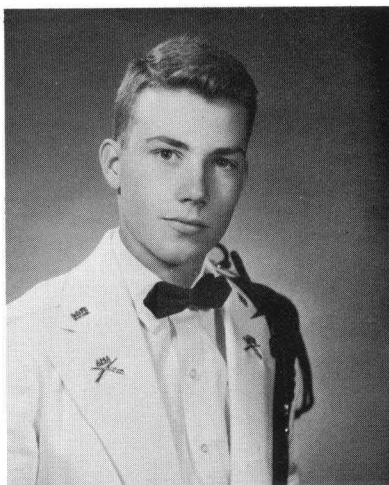

Ichabod Crane Linton! In only one respect does he resemble his "namesake!" Master of the double-talk, Steve's wit finds an outlet at the typewriter . . . he's composed quite a few Tom Lehar-type pieces. One of the most efficient officers in the corps, he, Durst, and Lowe formed a top team . . . "A" Company showed the results! Steve's potential is practically unlimited, and he's begun to awaken to his own possibilities!

#### JULIAN ROBBINS LOWE

Winston-Salem, North Carolina

Cpl., 1; Sgt., 2; 2nd Lt., 3; Roller Rifles, 2,3; Cotillion Club, 1,2,3; Tennis, 3; Honor Committee, 3.

Bob's informal shows clearly his most outstanding feature . . . a pair of the largest, well-spread feet in the corps! That's just a firm basis for one of the best cadets in every way. Kind and considerate, hard working and immaculate, studious and fun loving, Bob's been a leader, because of these qualities. His slight shyness, his devotion to duty, and his ability to work over sustained periods marks this boy as a success, if he continues in this way!

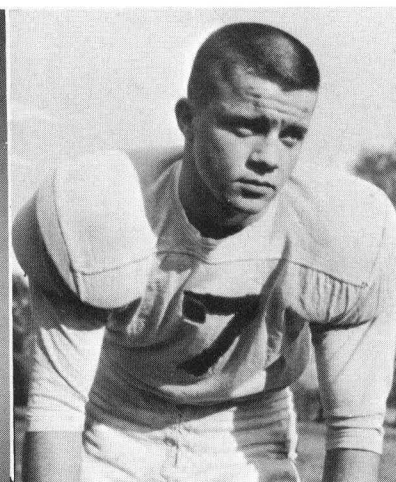

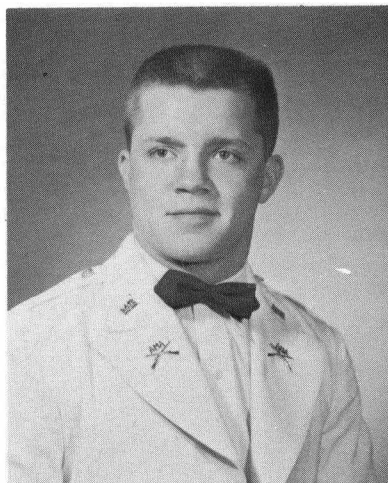

### JOHN ROBERT LOWMAN

Staunton, Virginia

Pvt., 1,2; Day Student; Football, 1,2.

Unless you know John, he never seems to be serious or to take anything sedately. However, John can be as good a student as he is a football player. Sportively inclined, one has watch out for the next prank when John's around. Slow and easy going, John has to put forth no effort to make friends. When John decides what he wants to do, he'll stay on the right path until he does reach that goal!

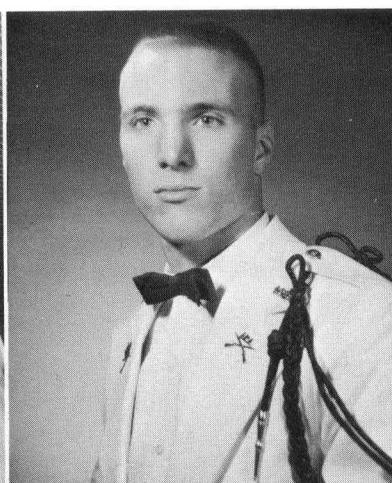

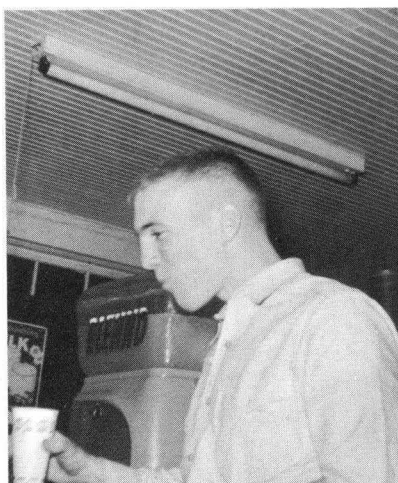

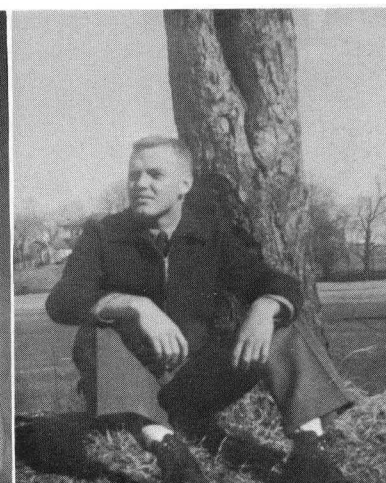

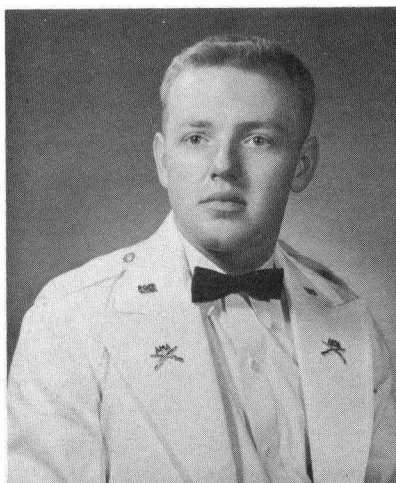

## and Evans win Senior academic honors!

### RONALD HAMILTON MACKEY

Staunton, Virginia

Pvt., 1,2; Day Student; Football, 1,2.

Swift water always runs deepest! This casual day student gives the impression of calm and quiet, but he's ready to engage in any kind of horseplay. Absent-minded Ron always has something up his sleeve! As unselfish as they come, Ron goes out of his way to help everyone, and no one will ever see him without a smile on his face. He's one fine boy!

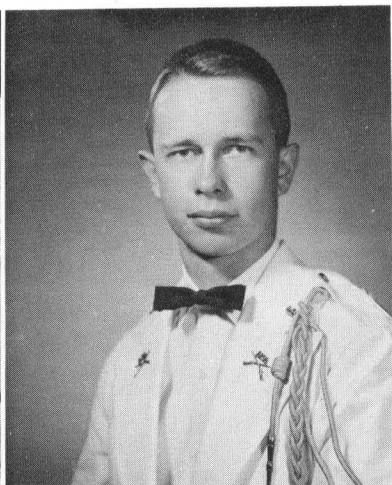

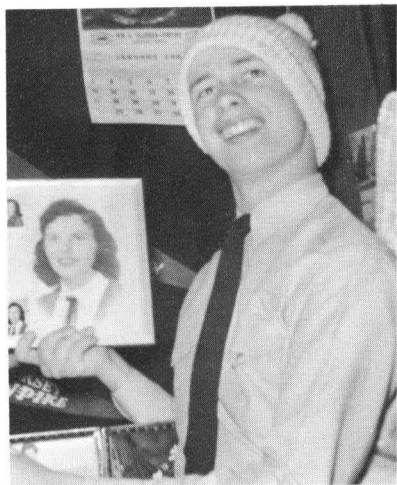

### FLAVIUS F. MARCHANT

Staunton, Virginia

Pvt., 1; SFC, 2; Cotillion Club, 1,2; Fencing, 2; Lacrosse, 2; Roller Rifles, 2.

Fla's fantastic foibles! Master of the tall tales, nobody in school tries any harder or studies any longer. In one field, Fla doesn't have to try — he excels: that's in singing. Best new cadet during his first year, Fla's still on his toes in the military. Politeness comes naturally to this lad who is torn between a career in the military and one in the music field. Keep those feet on the ground, man!

# Student Government runs smoothly under

**WILLIAM CAMDEN MARINER**  
Berlin, Maryland

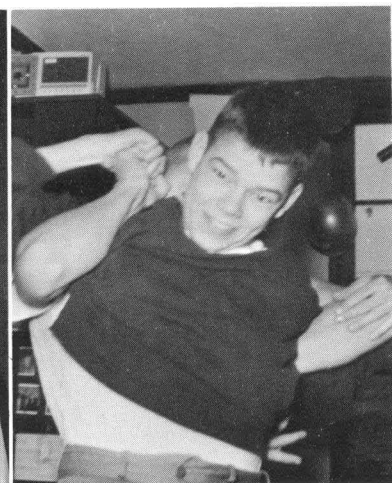

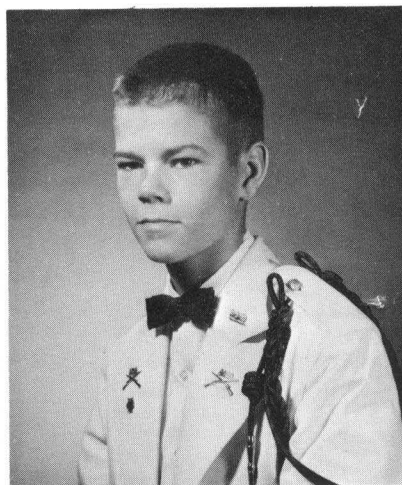

Pvt., 1; Sgt., 2; Fencing, 1,2; Cotillion Club, 1,2; Lacrosse, 2; Track, 2.

Hats off to a cadet who's never said one thing bad about anyone; who's never cursed even in the slightest; who's never had anything stronger than a ginger ale; and who's never smoked a cigarette! "He's about the purest boy I've ever seen" — that's the sentiment of everyone who knows him. Bill tends toward teaching for a profession; he'd be an asset anywhere or to any school.

**JOHN HENDERSON MAUPIN**  
Covington, Virginia

Pvt., 1; SFC, 2; Roller Rifles, 2; Wrestling, 1,2.

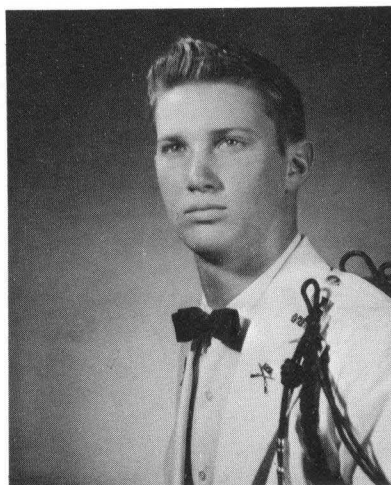

Independence comes in small packages . . . particularly when they are made in Covington! Dynamite on a wrestling mat, John's a real rugged type, loving the out of doors, hunting and fishing, and just tramping through the woods. Neat, meticulous, and sharp, John's won many of the inspections as best private in '59 and best NCO in '60. He has set veterinary medicine as his goal, and generally, he gets what he aims for.

**JOHN ROSS DOWNING MAYNE**  
Bailey's Bay, Bermuda

Pvt., 1; Sgt., 2; 2nd Lt., 3; 1st Lt., 4; Roller Rifles, 3,4; Lacrosse, 4; Wrestling, 3, Tennis, 3; Cotillion Club, 3,4.

Just don't dare this intrepid cadet to do anything! He'll take you up at once! Calmed down from his early escapades this year, John defies description. Quiet, at times, he'll then decide to let his presence be known! For two years, John had the room which was voted "best in barracks." Neat and clean-cut, he's begun to realize the fact that he can do well, if he sticks to the job.

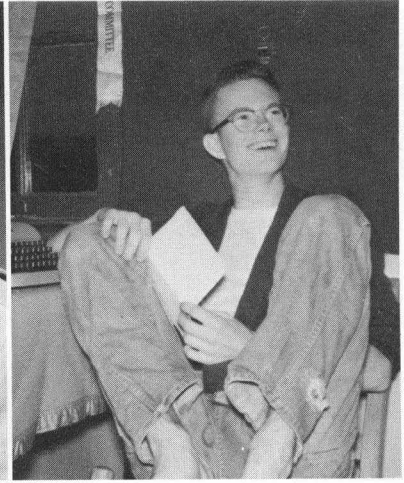

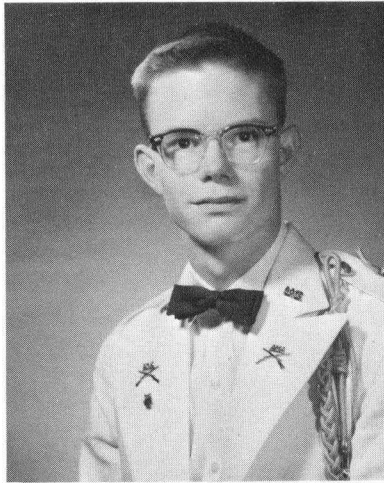

### FLETCHER BRYSON MORGAN III

Charlotte, North Carolina

Pvt., 1; Sgt., 2; 2nd Lt., 3; BAYONET, 2; Decorator, 2,3; Track, 3; Wrestling, 2; Cotillion Club, 2,3.

Ole "Howdy Doody" of AMA, Fletcher's a top band-man. He has made every effort to see that it equal's last year's. An amateur electrician, Fletcher hasn't been shocked yet! He can be called on any time to fix lights or to run movies, and he does it willingly. Rather witty, he's actually a junior grade Lyle Wagner. He can really give an indirect answer to any direct question! . . . and he is quite a success at the girls' schools!

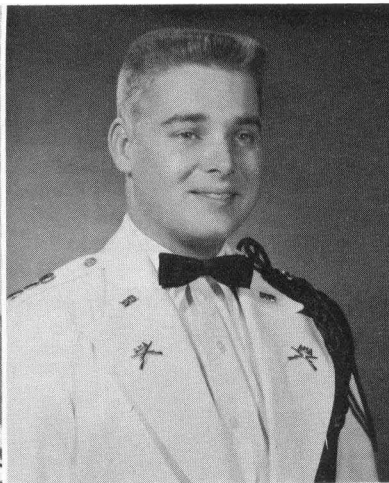

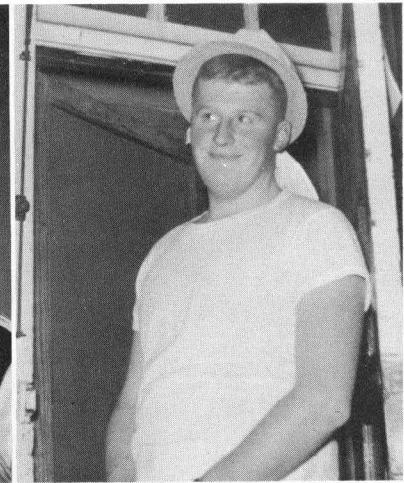

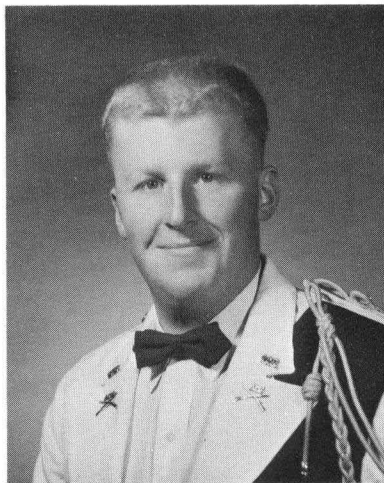

## Seniors: Bowen, Towe, Durst, Holt, and Crockett.

### JAMES HENRY MORRIS, JR.

Charlottesville, Virginia

Pvt., 1,2; Sgt., 3; 2nd Lt., 4; Lacrosse, 3; Cotillion Club, 1-4; Basketball, 2, manager; Football, 4; manager; BAYONET, 4; Lacrosse, 3,4.

Laughter which comes from the heart . . . love of AMA, which is apparent . . . understanding which shows deep compassion . . . friendship which will last as long as J. H. does, when he knows that you are his friend . . . filled with little boy ideas and pranks in the body of a man . . . gruff, rough and tough until you puncture that egg-shell exterior and discover a heart of gold! That's our boy, J. H.

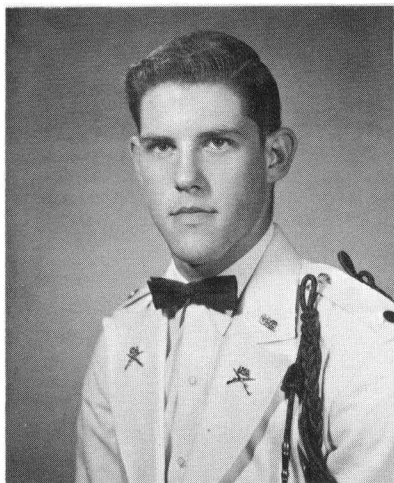

### THOMAS LEE MUDD

Waynesboro, Virginia

Pvt., 1; Sgt., 2,3; 1st Lt., 4; Capt., 5; Football, 2,3; Roller Rifles, 4,5, guidon, 5; Drama Group, 5; Student Body Officer, 5; Honor Committee, 5; Cotillion Club, 5.

If any boy has had his horizon broadened, it's Tom. Few people could see the potentialities which he has so adequately shown in the past two years. Indeed, there is no officer in the corps who can touch him, when he wants to be the best. Occasionally, his path is obstructed with fog, but with a real friend in Gen. Roller, he has been able to come through.

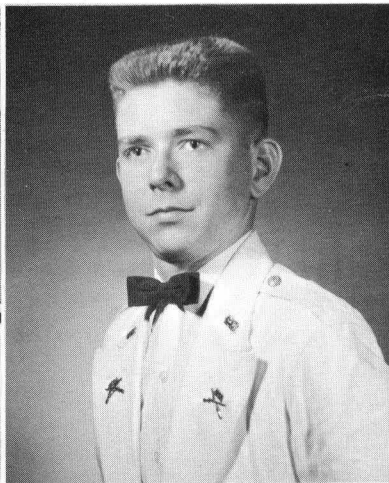

**MICHAEL GILMOUR MURRAY**

Fort Monroe, Virginia

Pvt., 1; Sgt., 2; 2nd Lt., 3; Rifle Team 2,3; Cotillion Club, 1-3; Swimming, 1; Lacrosse, 3; Honor Committee, 3; Roller Rifles, 3.

Right or wrong, if Mike believes in something, he'll fight 'til the end for his point of view. Respected by the men in his platoon, Mike's more concerned with graduation than the military! Tops on the rifle team, Mike's been invaluable for two years! Serious-minded most of the time, his sense of humor shows through every now and then. He will do anything to help a friend!

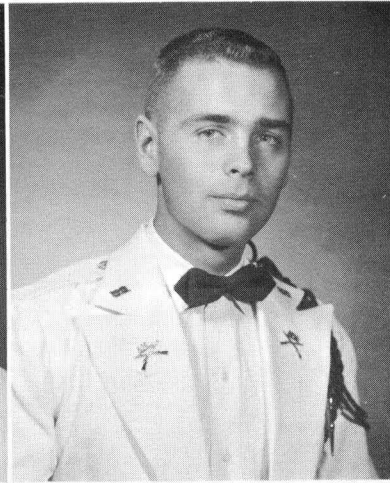

**JAMES RANDOLF MacREYNOLDS**

Pompano Beach, Florida

Pvt., 1; SFC, 2; Glee Club, 1; Cotillion Club, 1,2; Roller Rifles, 2; Track, 2.

Randy's laugh is memorable! He's just as well-known for having a perpetual smile on his face and this is partially the reason why he has such success with Madison College, Stuart Hall, and all girls' schools! Randy's inhibitions sometimes holds him back, but when he realizes that they can be surmounted, he'll be able to rush on to the top of the ladder. Purposely, Randy just wouldn't smile for the photographers!

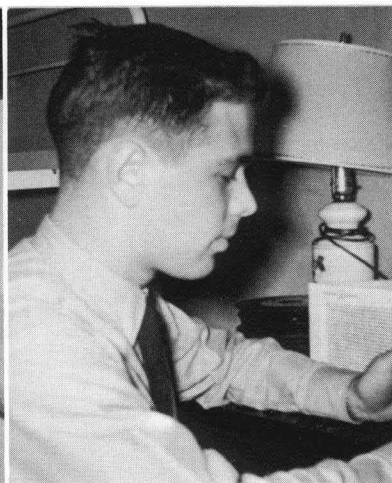

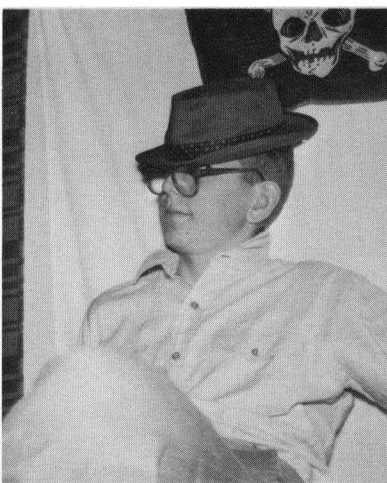

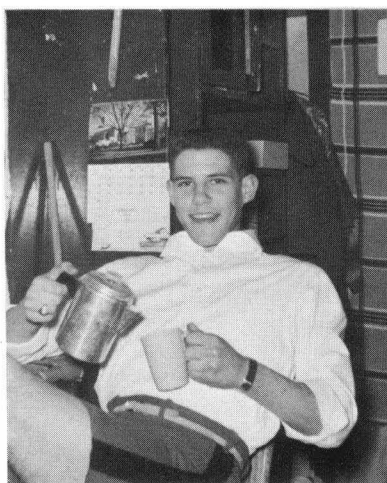

**RALPH RODERICK MacPHERSON, III**

Sweet Briar, Virginia

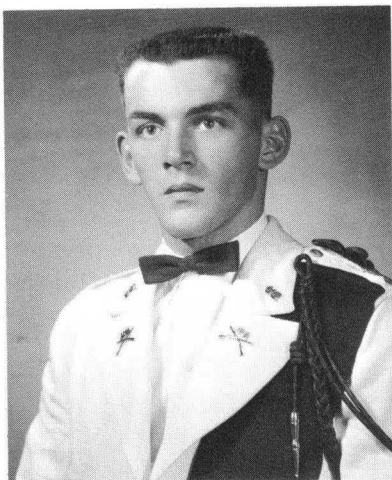

Pvt., 1; Cpl., 2; Track, 2; Cotillion Club, 1,2; Glee Club, 1.

Mr. "Cool" never does anything wrong! You can also be certain that he'll never try to get out of work! Rod's tall Texas tales are designed to amuse the boys of HQ. company, and he is always good for a laugh. Capable, Rod has begun to set his vision on a goal, and has started to really produce. Nobody, but nobody, likes rank as well as Rod does!

## Leonard, Cooper, McVey, Siman, and

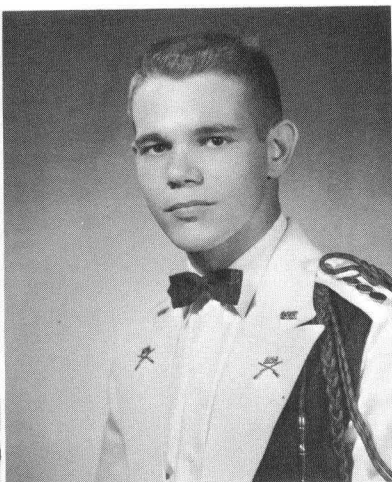

**BERNARD ROSS McALEESE**

North Cape May, New Jersey

Pvt., 1,3; Sgt., 2; Sgt. Major, 4; 1st Lt., 5; Tiger Football, 1-3; Varsity Football, 4,5; Swimming, 1; Cotillion Club, 1-3,5; Decorator, 1; Track, 5; Baseball, 5; Wrestling, 5; Roller Rifles, 4,5.

"Life at Augusta" features a picture of Bernie shining shoes . . . no one can do it any better . . . best officer at inspections many times, Bernie had his difficulties with the military! One of the best all-around athletes in the school, he seems to be either susceptible to every disease — or else he's a hypochondriac! Effusive, loquacious, and garrulous, Bernie's popular with cadets and faculty.

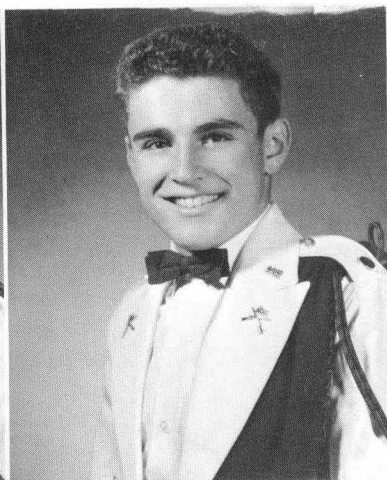

**WILLIAM ARTHUR McVEY**

Harpers Ferry, West Virginia

Pvt., 1; Sgt., 2; Cpl., 3; 2nd Lt., 4; Capt., 5,6; Cotillion Club, 1-6; Lacrosse, 4,5; Roller Rifles, 3-6; Wrestling, 4-6; captain, 6; Student Body Officer, 6; Honor Committee, 5,6.

"Ace wrestler and NROTC scholarship winner! Old "Bull Dog" is an institution at AMA. Bill is ambitious and determined. Each year, he has been a star member of the Honor Roll, and with a group of boys, he's admired, respected, and followed. Capable of doing many things well, his loud "bangs" were heard at odd hours! As serious as Bill is in his studies, he can't resist a few pranks!

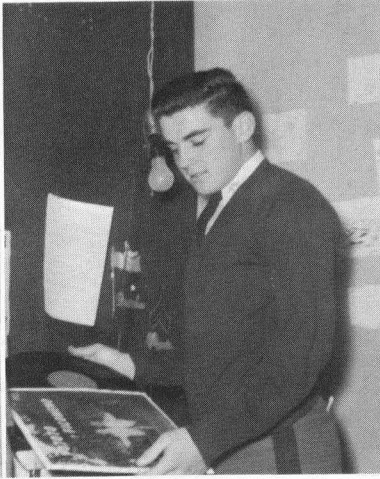

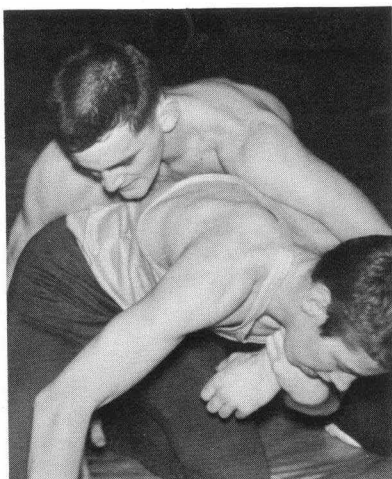

**EDUARDO DIEGO NOBOA**

Quito, Ecuador

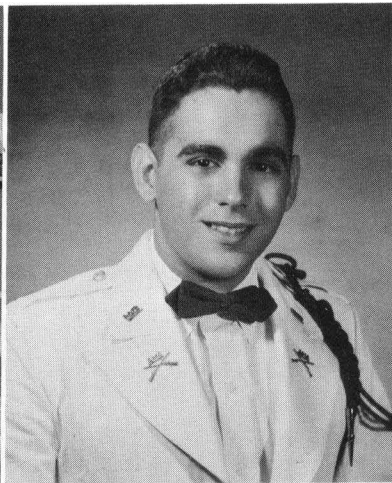

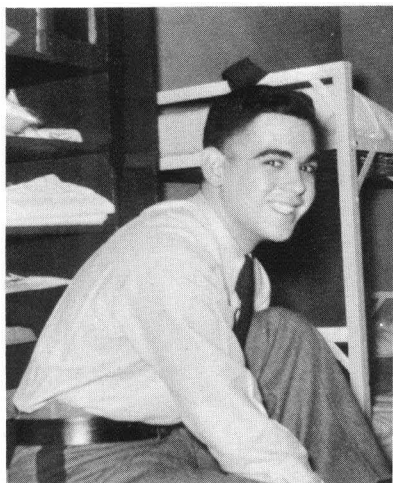

Pvt., 1; Sgt., 2; 2nd Lt., 3; Roller Rifles, 2,3; Cotillion Club, 1,2,3; Fencing, 1,2,3; YMCA Officer, 3; Track, 3; Honor Committee, 3.

Emotional and volatile! Ed's one of the top Spanish boys at Augusta. Of course, he's another Keene Byrd — just watch that walk . . . he is determined to be best in everything. Headed for college in Europe, Ed's decided that he wants to be a doctor. Well-liked by his roommates, respected by his platoon, Ed's full of capability, if he sticks to the job. That accent does impress Joan!

## Tabor head Senior stars in athletics.

# Senior permits in February give old

**JOSE LUIS PINTADO**

Guantanamo, Cuba

Pvt., 1; Sgt., 2; Swimming, 1; Roller Rifles, 2; Cotillion Club, 2.

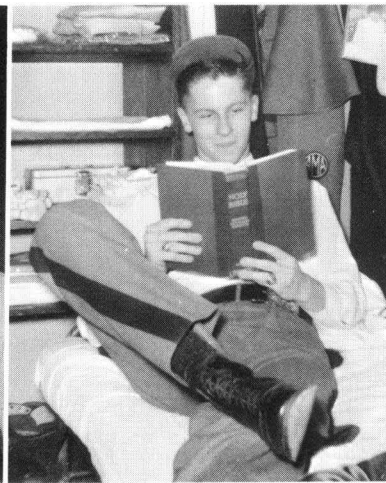

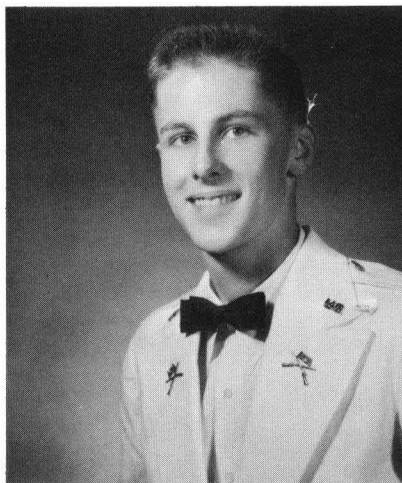

When the Spanish boys vote him the "best liked Spanish boy" and the Americans do also, it's pretty certain that we're dealing with an outstanding cadet. If his command of English after only two years is an indication, then we can be sure he will succeed in his desire to be an architect. His room resembles the infirmary — there are always boys there who want help, and he gladly gives it.

**ROBERT HAMILTON PRENTICE, II**

Aurora, New York

Pvt., 1; Sgt., 2; Quill and Scroll, 2; RECALL, assistant editor, 2; Cotillion Club, 1, 2.

"Bean pole" has more energy (restless) than any senior. Loaded with capability, he suddenly decided to do some work. Indeed, the RECALL could not have been published without him. "Preach" can master any language, and this makes him want to go into the diplomatic service. Perceptive and understanding, he's been a real friend to Chris . . . they complement each other. He's another Yankee, and we're happy to integrate him!

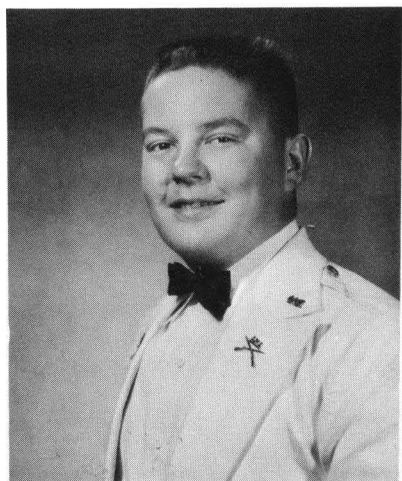

**DAVID REED PRICE**

Mathews, Virginia

Pvt., 1; Cpl., 2; Tiger Football, 2; Golf, 2; Cotillion Club, 1.

Dave has every characteristic of our Christmas symbol, Santa Claus! Big, jolly, and friendly, he IS gullible! Listed as a Virginian, big Dave was born in Texas, and that's his true love. His senior informal shows his love of the South and the Civil War! Dave believes in the fact that cleanliness is next to Godliness, and he really practices it! Kid him; joke with him; pull his leg . . . it's just a lot of fun, and he can take it!

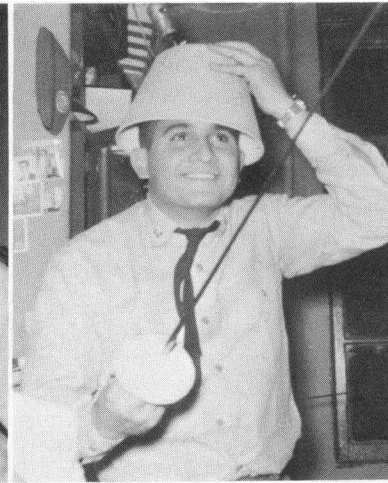

# cadets added incentive for higher grades!

## CESAR EMILIANO RODRIGUEZ

Marianao, Cuba

Pvt., 1; Sgt., 2,3; 1st Sgt., 4; Football, 1-4; Roller Rifles, 3,4; Cotillion Club, 1,2,3; Fencing, 2,3,4; Track, 3,4; Baseball, 1-4.

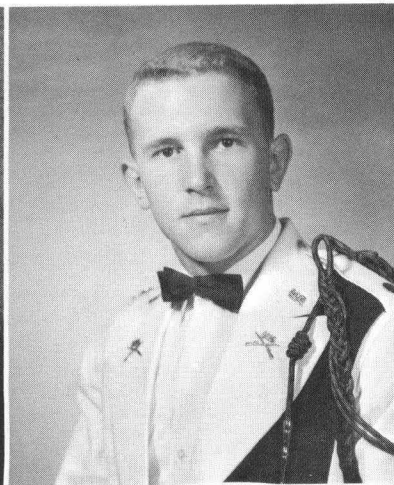

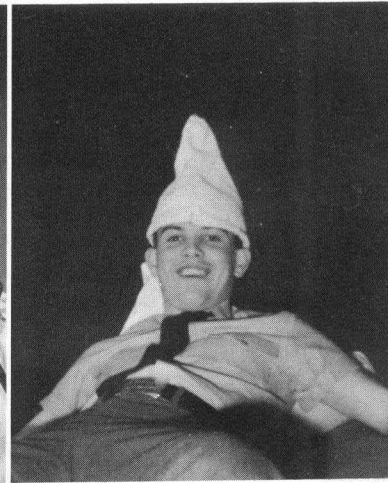

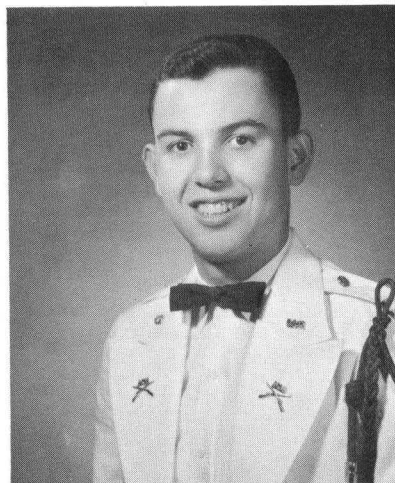

"Chita" doesn't know the meaning of the word "angry." He's the only boy on the football team who couldn't look mean when he posed for a formal picture! Even during the most strategic moment of the game, Cesar was smiling, telling quick jokes, and keeping everyone in high spirits. Dependable, likeable, good-natured Cesar is liked by everyone, everywhere he goes. His heart is as big as his appetite!

## WILLIAM HARRY ROELLE, JR.

Falls Church, Virginia

Pvt., 1; Sgt., 2; Roller Rifles, 2; Lacrosse, 2; Fencing, 1,2; Football, 2, manager; Cotillion Club, 1,2. There can be nothing but admiration for a boy who keeps a steady pace, working always toward a better understanding. Bill is just that . . . a regular worker and a conscientious one. Enthusiastic generally, Bill does have his ups and downs. And AMA really doesn't need a newspaper when "Bill's around . . . he disseminates the news as soon as it happens! A born reformer, Bill's willing to help out at anytime.

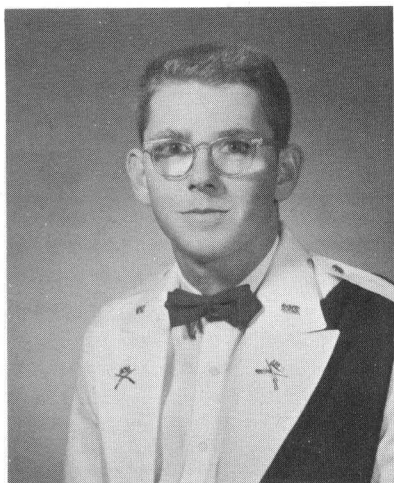

## GORDON LEE SAUNDERS

Suffolk, Virginia

Pvt., 1; Sgt., 2,3,4; 1st Lt., 5; Lacrosse, 3,4; Football, 2; Basketball, 2; Roller Rifles, 4,5; Honor Committee, 5; Cotillion Club, 4,5.

It seemed for a while that Joe would be a perpetual sergeant at AMA! Bashful and easily teased, Joe has a wonderful sense of humor. He's as easy to get along with as an old shoe. Friendly, and responsive, Joe is also a cadet who never stops working. As ordnance lieutenant, he's been a real asset to the military department. Honest and trustworthy, cadets look up to Joe for what he believes.

# Contributing to a successful year was the

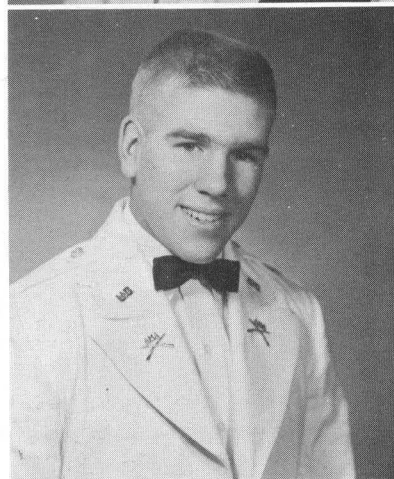

**LEIGH BARTON SCHLUSEMEYER**

Warrenton, Virginia

Pvt., 1; Sgt., 2,3; Capt., 4; Cotillion Club, 1-4; officer, 4; Lacrosse, 1-4; Football, 3; Student Body Officer, 4; Honor Committee, 3,4.

Leigh is filled with more potential academically, extra-curricularly, and even athletically than almost any other boy in the school. Sharp witted and incisive, Leigh can perform any duty well, as long as he wants to. Few cadets could accomplish as much as Leigh could; he shows what he can do, however, frequently. Firm in his convictions, loyal to his friends, terrific conversationalist, there will be no stopping him when he focuses clearly on a goal!

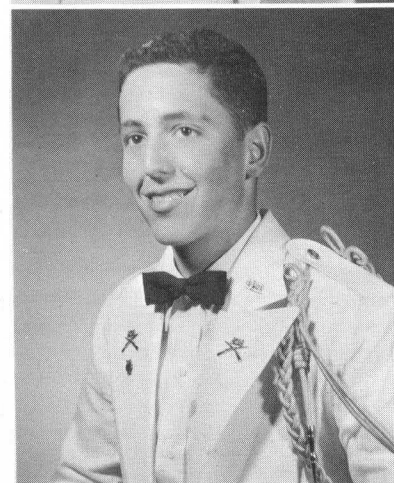

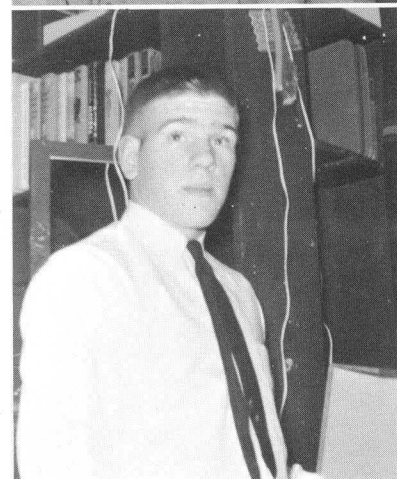

**JAMES ROBERT SHANK**

Erie, Pennsylvania

Pvt., 1; Sgt., 2; Football, 1,2; Cotillion Club, 1,2; JV Basketball, 2; Tennis, 2.

"Where's my hat?" . . . or where's my anything? That's the cry frequently heard from poor Jim, who just can't seem to keep from misplacing everything he owns! Generous, gullible, and gracious, he's the only cadet who shaved four times a day as a new cadet . . . thus, the nickname, "Sideburns!" Nice to everyone, he wants to succeed in everything he attempts, but he is bashful with girls!

**JAMES STANLEY SHARLET**

Roanoke, Virginia

Pvt., 1; Sgt., 2; Tennis, 1,2; RECALL, 1,2; Cotillion Club, 1,2; Decorator, 1.

This boy always aims for the moon, even if he doesn't always make it there. Consistently a worker in his studies, he is famous for always wanting late lights! At the drop of a hat, Jim's willing to argue about anything . . . and when you need someone to help out, he'll pull through! For two years there could have been no directory in the RECALL without him! Jim is an asset to any school.

# Senior attitude — "Let's broaden our horizons"!

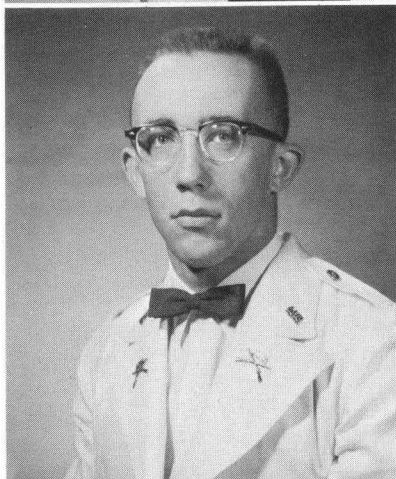

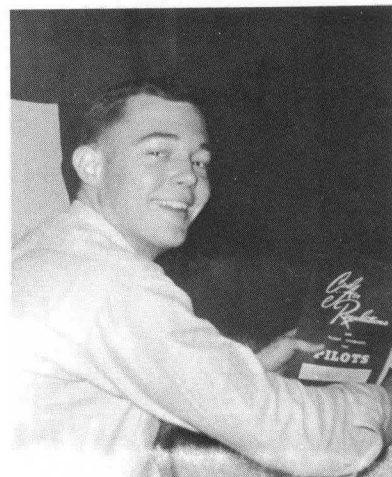

**ROBERT EDWARD SIMAN**

Miami, Florida

Pvt., 1; Sgt., 2; 1st Lt., 3; Capt., 4; Roller Rifles, 3,4; Cotillion Club, 1-4; Lacrosse, 1-4, captain, 4.

Living and sleeping and eating lacrosse has had no adverse effect on Bob. He takes it all in stride, practicing every day of the year for the season when he'll star on the field. Quick tempered, Bob's calmed down as he has worked more and more with "D" company. Never concealing his feelings, Bob's outspoken comments often get him into and out of trouble. His unselfishness appeals to his roommate . . . so do his bull sessions!

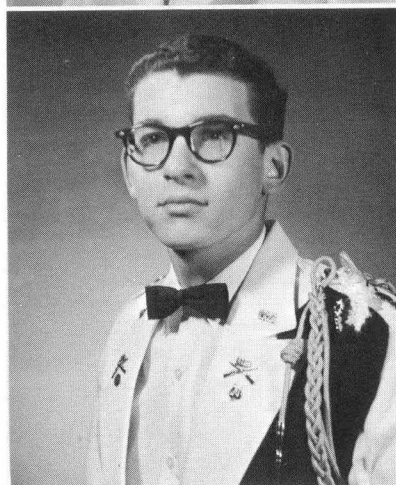

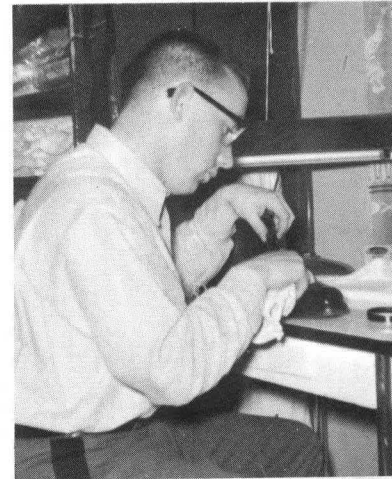

**ROBERT BRUCE SMOYER**

Wilmington, Delaware

Pvt., 1; Sgt., 2; 1st Sgt., 3; RECALL, 1,3; Cotillion Club, 1-3; Decorator, 2,3.

Winner of the Biology medal in '58, the Chemistry medal in '59 and an NROTC scholarship winner in '60 should give some slight indication of the academic ability of this fireball student from Delaware. When love walked in during the fall of '59, he didn't desert the books! He'd found someone at Stuart Hall who had as many honors as he! Bob's truly a consistent worker . . . he's bound to succeed as a scientist!

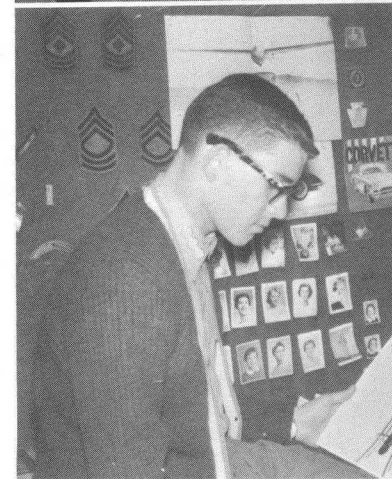

**JAMES LUTHER SNYDER, II**

Charlotte, North Carolina

Pvt., 1; Sgt., 2,3,4; Sgt. Maj., 5; 1st Lt., 6; Capt., 7; Cotillion Club, 1-7; officer, 7; Decorating Committee, 1-7; chairman, 6; Swimming, 5; Student Body Officer, 7; Honor Committee, 7; Honorary, Roller Rifles, 7.

An institution passes on, indeed, when Luke graduates. No OD ever (except Luke) has tried to light the bowl lights by going to each one! No OD ever (except Luke) visited Mrs. Topping's during his tour! Kind, and good, but hardly generous, Luke doesn't have a mean bone in that body! As good-natured as Luke is, he'll never have a rough time in life.

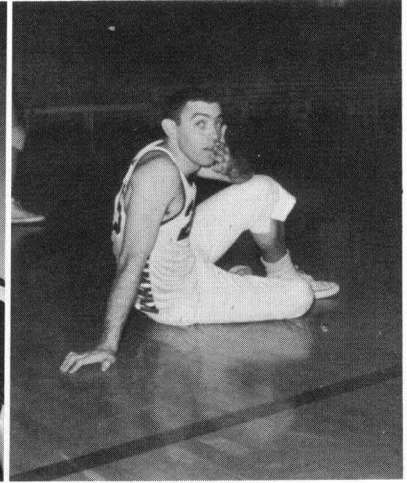

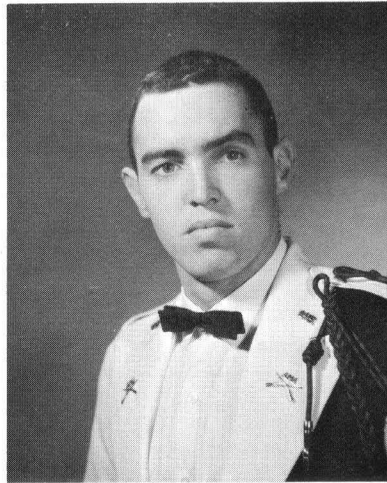

### DONNIE RAY TABOR

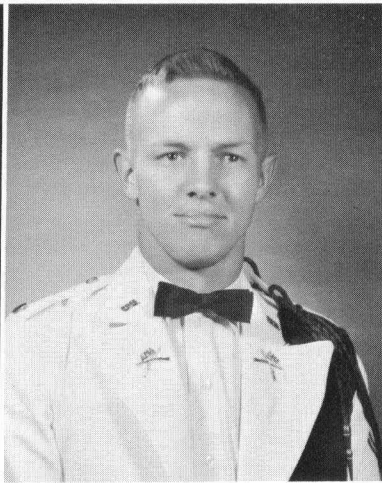

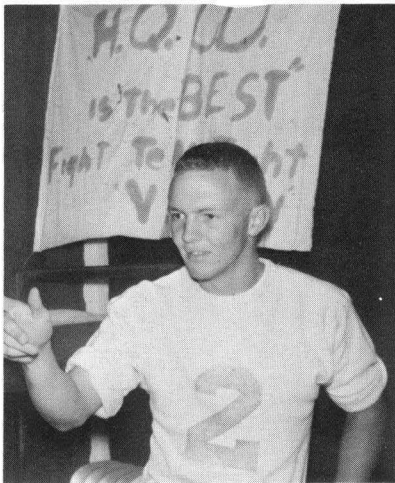

Staunton, Virginia

Pvt., 1; 1st Sgt., 2; 1st Lt., 3; Football, 1,2; Basketball, 1,2,3; Roller Rifles, 2,3; Cotillion Club, 3.

When "Dr. Tabor" made his re-appearance on the scene, no one was happier than Major Livick, until the good doctor took over in the Infirmary! Then everyone was happy to see a job well done, by a boy who has energy, ability, and drive. Loquacious Don keeps the news channels open all over school. Don's a really fine boy, a great athlete, and a definite asset, but he still can't fish!

## As the Senior year draws to an end,

### JERRY TRUEHEART TOLSON

Meridian, Mississippi

Pvt., 1; Sgt., 2; 2nd Lt., 3; Cotillion Club, 1-3; Roller Rifles, 3; Basketball, 1; Drama Club, 2,3; Track, 2; RECALL, 3.

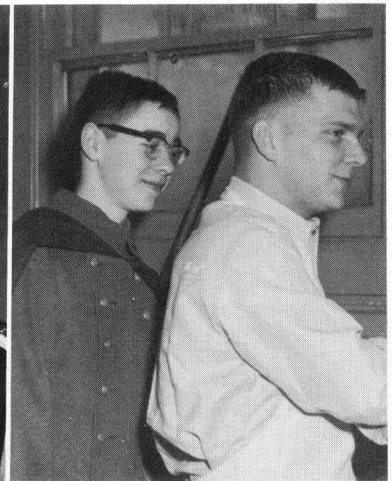

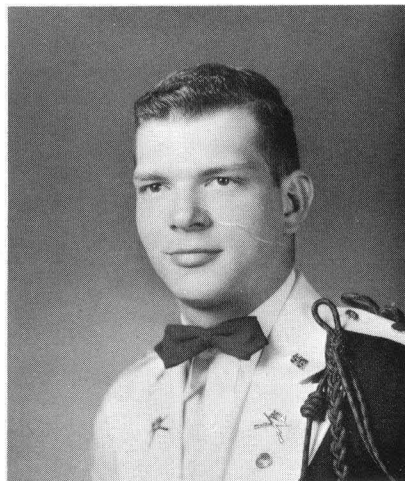

Jerry never tries to do anything wrong . . . it's just that it turns out that way! Sometimes, Jerry thinks the whole world is against him, but he'll talk himself right back on top. Ole "Bluepants" works hard at being a good officer, a regular student, and a top star of the drama. Sentimental Jerry has tried for a long time to be tough, but he's begun to realize he's a nice person at heart!

### JAMES PENROD TOWE

Jim needs no senior write-up to tell what he's accomplished at AMA. Just let's put it down that no one has any more love for his school . . . big-hearted, generous, sentimental, intelligent, sharp . . . liked by every person at AMA. 1960 wouldn't have been right without him. He and Bowen made an unbeatable team! For the record, he's the best adjutant in history, one of the best Cotillion Club presidents, and one of the top ten cadets of all time.

## DAVID DELMEGE TRIMBLE

Aldie, Virginia

Pvt., 1; Sgt., 2; 2nd Lt., 3; Capt., 4; Football, 2,3,4; Fencing, 1-4; Honor Committee, 2,3,4; Co-tillion Club, 1-4; Tennis, 1-4; Captain, 4; Roller Rifles, 2,3,4.

"Dr. Tabor" gives Dave a strong recommendation as the hardest worker he's ever seen. "Shoulders" has a multitude of friends who admire his good natured approach to life. Studying often, Dave's always prepared for a good laugh. No one can imitate the neat way that he walks! One of AMA's top fencers, Dave's agility is helped by his massive shoulders, built up by years of weight lifting, and everyone will recall his limitless vocabulary!

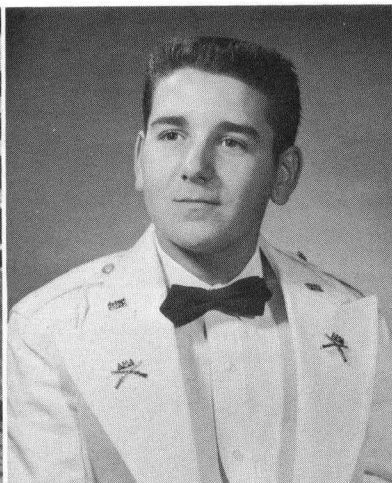

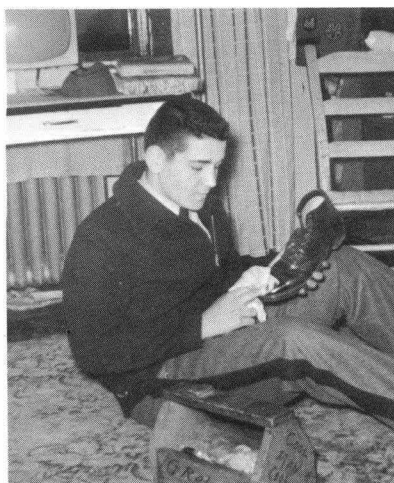

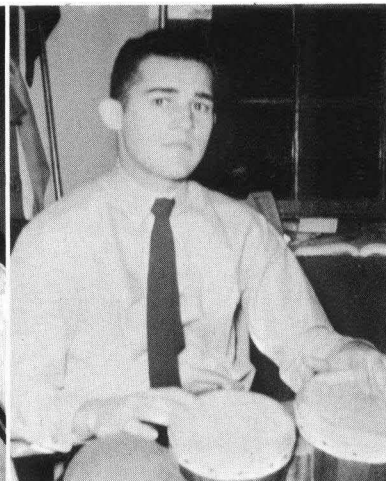

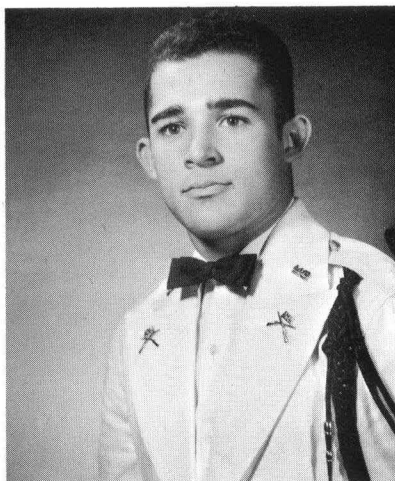

## JOHN PADILLA URBINA

Guaira, Venezuela

Pvt., 1; Sgt., 2,3; Cpl., 4; Track, 3,4; JV Football, 3; Baseball, 3; BAYONET, 3; Roller Rifles, 4; Co-tillion Club, 1-4.

Johnny's first English words have expanded into quite an extensive vocabulary, but he still clings to the use of the few expletives he first learned! Johnny wants to understand everything he attempts; this leads to some trigger-temper action on his part when he doesn't. Loyal to his friends, Johnny goes out of his way to be polite and helpful to those around him. Neat and meticulous, John always makes a tremendous impression.

## PETER JOSEPH VALLONE

Verona, Virginia

Pvt., 1-5; Day Student.

Pete's one of the lads who leaves school far too early . . . liked by those who do know him and respected by the other day students for his ability to get along with everyone, Pete is good-natured, and he is definitely interested in doing his best day by day. No one's ever heard Pete say anything mean or harsh against anyone; as a member of CYC, Pete lives up to his creed.

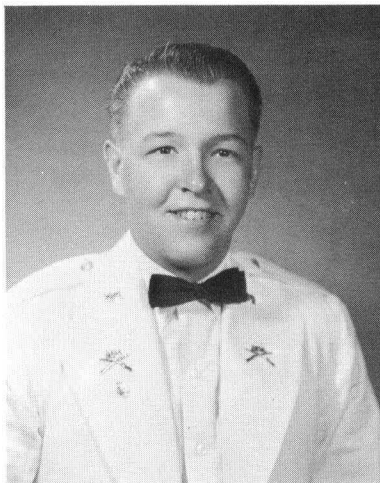

# the necessity for perception and insight!

## THOMAS LEE WHATELY, JR.

Roanoke, Virginia

Pvt., 1; Sgt., 2; SFC, 3; Cotillion Club, 1-3; Basketball, 1-3; Tennis, 3.

"If at first you don't succeed, forget it." Tom's motto certainly doesn't show in basketball. Of course, he does practice with the trash can every night and that accounts for some of his great play on the court. Liked by his roommates, Tom can't stop talking when the bell rings . . . he is prodigiously energetic . . . full of personality and vigor, when aimed in the right direction, he'll settle down. VMI and engineering are his goals.

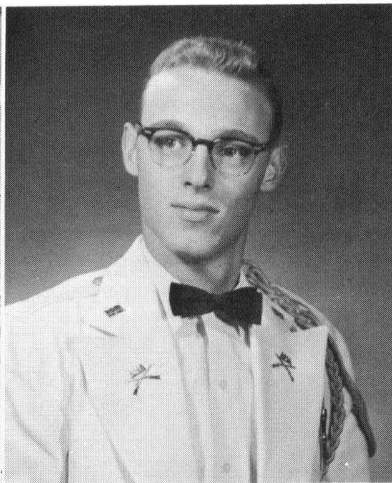

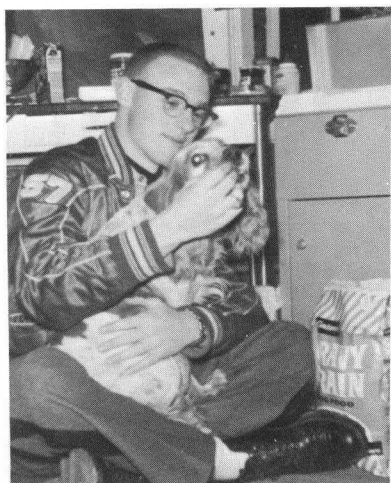

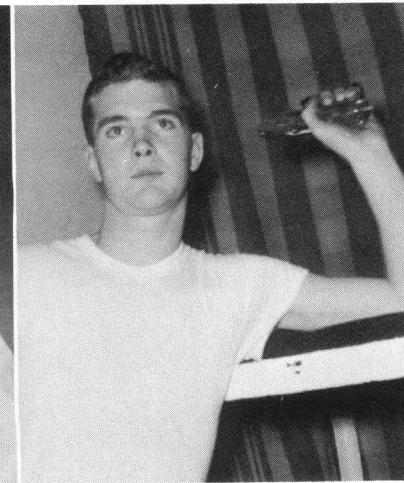

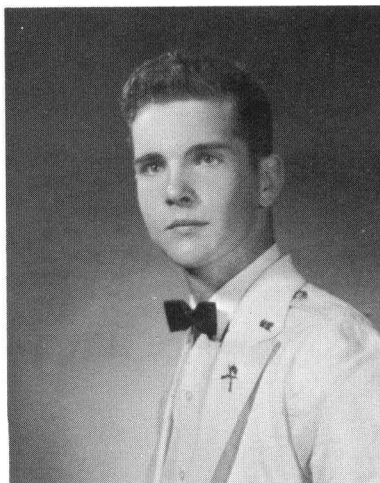

## CHESTER LaVAUN WHITESIDE

Blackfoot, Idaho

Pvt., 1; Cpl. 2; JV Football, 1,2; BAYONET, 2; Decorating Chairman, 2; Cotillion Club, 1,2.

Take that clipper stapler away from Whitey, and you'd have a fight on your hands! Whitey can perform miracles with that stapler. Evidence was plain at the dances, particularly at the Final Ball. If there's any fault that Whitey has, it's in trying to do too much. An excellent business manager of the BAYONET, a fine JV football player, and a top decorator, Whitey spread himself thin at times! Whitey has untapped ability!

## HERBERT LLOYD WIDENER

Marion, Virginia

Pvt., 1; SFC., 2; Cotillion Club, 1,2; Track, 1,2; RECALL, co-editor, 1; editor, 2.

If there's any boy in the school who has sacrificed himself for the whole school, it's Herb! At work eight hours a day, it was for one purpose — to try to put out a RECALL which everyone could be proud of! NROTC scholarship winner, Honor Roll every month, Merit Scholarship commendation . . . and he shares every bit of his knowledge with anyone who asks . . . kind, considerate, and a real gentleman, Herb will be hard to replace. Here is a cadet who has a 20/20 vision of life.

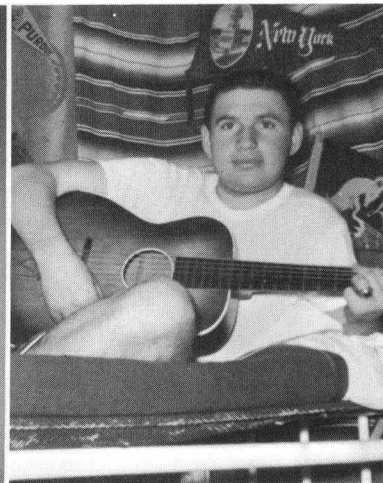

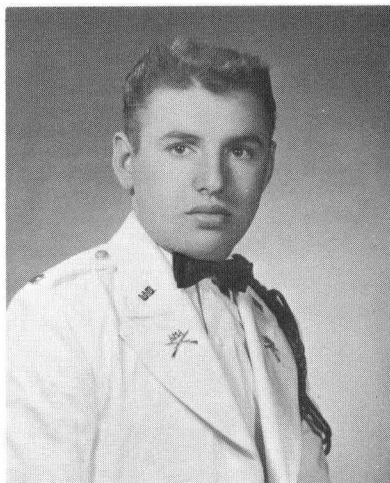

### BENJAMIN CHRISTIAN ZINKHAM, III

Blue Grass, Virginia

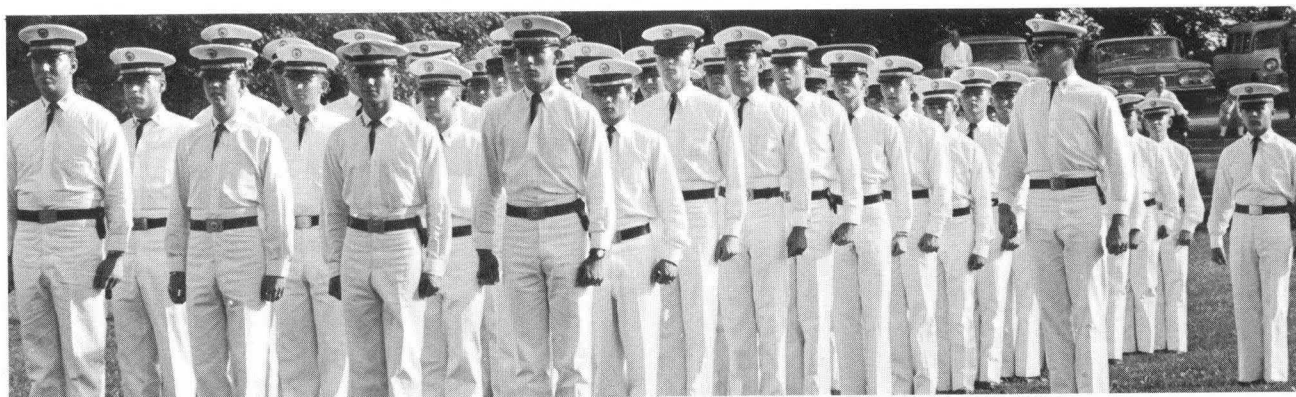

Pvt., 1,3; Sgt., 2; 2nd Lt., 4; Roller Rifles, 2-4; Cotillion Club, 1,3,4; Wrestling, mgr., 4; Football, 3,4; Lacrosse, 3.

Few lieutenants have treated their platoons in quite the manner which Ben has. A strong supporter of Bill's and Jim's, Ben could always be counted on to come through at odd hours. Our real hillbilly liked square dances and horses as much as he did a winning platoon! As strong as a horse, Ben was an asset on the football team and as a wrestling manager. Strongly partisan, no one has any more loyalty to his friends than Ben.

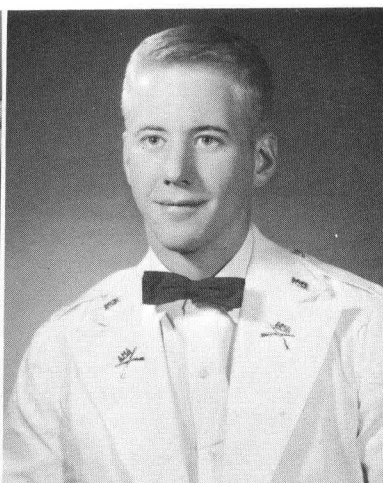

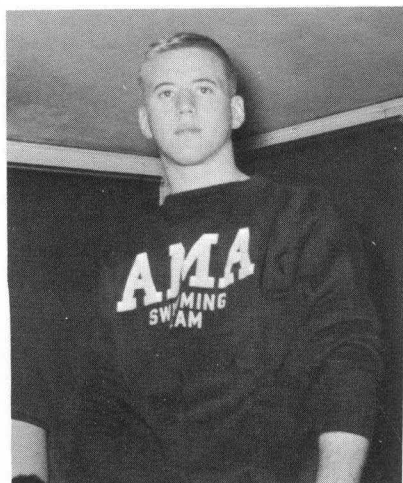

PROUD SENIORS . . . New cadets and old cadets are joined as one for the parade they have waited for all year long . . . one in their honor . . . one in which the rest of the corps pays honor

to them, as they pass in review. Anderson forms the seniors into a reviewing formation . . . soon it will be hats off and cries of jubilation!

## Outstanding new cadet Seniors . . .

### ROBERT JOSEPH BERNERT

Richmond, Virginia

Pvt., 1; Cotillion Club, 1; Fencing, 1; Swimming Team, 1; RECALL, 1; Track, 1; Honor Committee, 1.

Bob was determined to do well in his senior year, and if being appointed to the Honor Committee is any indication, he is well on his way to 20/20 perception! Sincerity and seriousness combine in Bob's personality and attract to him a multitude of friends. Honest, loyal, sentimental, and good, Bob's greatest asset is his ability to sell himself! In a short year, Bob's had his eyes opened . . . he knows what AMA has meant to him.

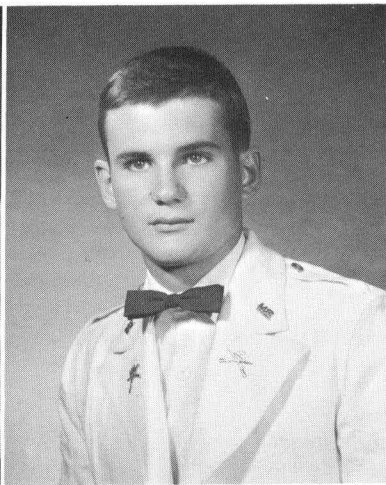

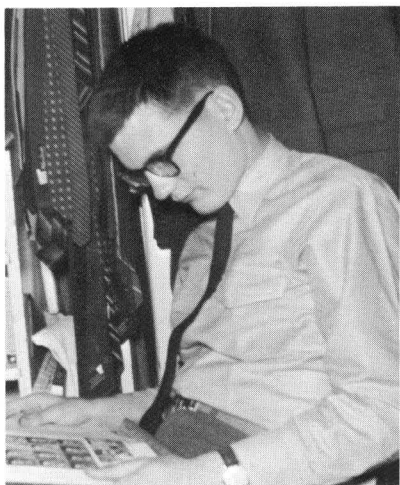

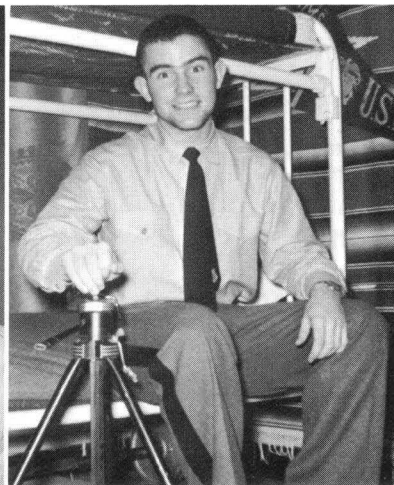

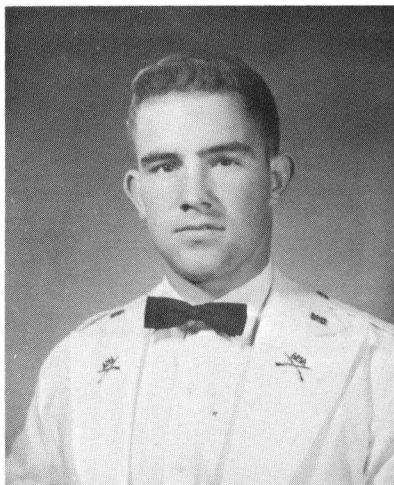

# add to a year of growth and progress.

## THOMAS SKINNER BROTHERS

Suffolk, Virginia

Pvt., 1; Football, 1; Baseball, 1; Cotillion Club, 1; Honor Committee, 1.

Skinner's quite the boy at home and at AMA. "Jeep boy" of Suffolk, he's a real farmer, loving every phase of farm life. Good student, woman killer, and fine athlete . . . Tom's also as full of mischief as anyone. A help on the Honor Committee, he was known for his bracing — not in the same way as was Mike Stratton! That friendly smile and Southern drawl helped thrust Tom to the forefront . . . he's on his way!

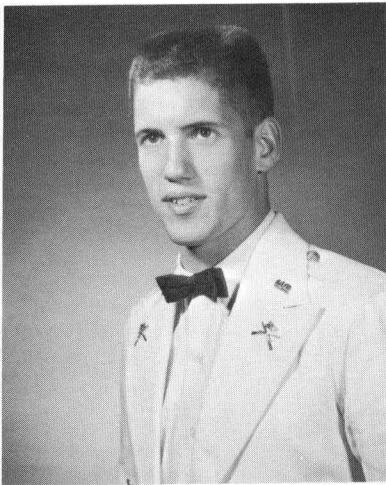

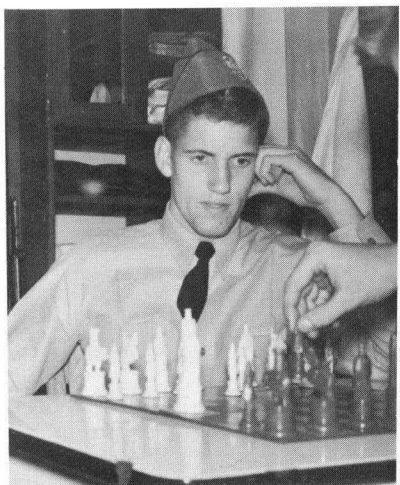

## ROBERT EDWARD LEE MOREFIELD

Winston-Salem, North Carolina

Pvt., 1; RECALL, co-editor, 1; Quill and Scroll, 1.

Good natured old Bob has as many nicknames as Duke Fancher did when he was here! His ability to rapidly catch on to any assignment, and to carry it through to completion made him invaluable to the RECALL, allowed him to be on the Honor Roll each month, and gave him some real friends. He can take any joke; he appreciates what anyone does for him . . . loyal, friendly, perceptive, and intelligent, he has unlimited capabilities.

## MICHAEL WEIMER STRATTON

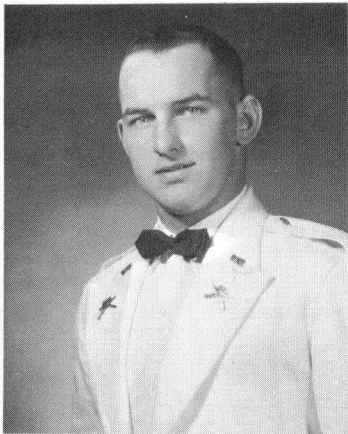

Falls Church, Virginia

Pvt., 1; Honor Committee, 1.

Honors have come fast and furiously to Mike since he's been at AMA. A stand-out from the first day when he showed everyone how to brace, he first won an NROTC scholarship, had an appointment offered to any of the service academies, and received two scholarships from different colleges! Honor Roll student Mike was the object of respect from every teacher and all of the cadets. His intelligence, courtesy, politeness and kindness are apparent! 20/20 in every way is Mike!

Men of Augusta for years! Whether it's for seven years as in Omar Abdallah's case, or a short six years for Tom Petty, Larry Spillan and Sammy Wales, or a mere five brief ones for Jesse Porter and Bob Ridgeway, there have been lots of changes!

During the seven years, Omar has seen the corps grow from 200 to 500 boys. In Tom, Larry and Sam's first year, there was no winning football team. Jesse and Bob saw only one NROTC winner! Now there's a record corps, winning teams, and six NROTC winners! AMA has broadened, while the vision of these boys has changed from year to year!

# A Sight of Augusta

# Militarily

"Set your sights on the target!" . . . Sometimes those agonizing words can convey more meaning than is apparent on the surface! . . . "Shine that brass, . . . brace! . . . we gotta win first at parade!" . . . every sentence a challenge, every command aims toward a goal.

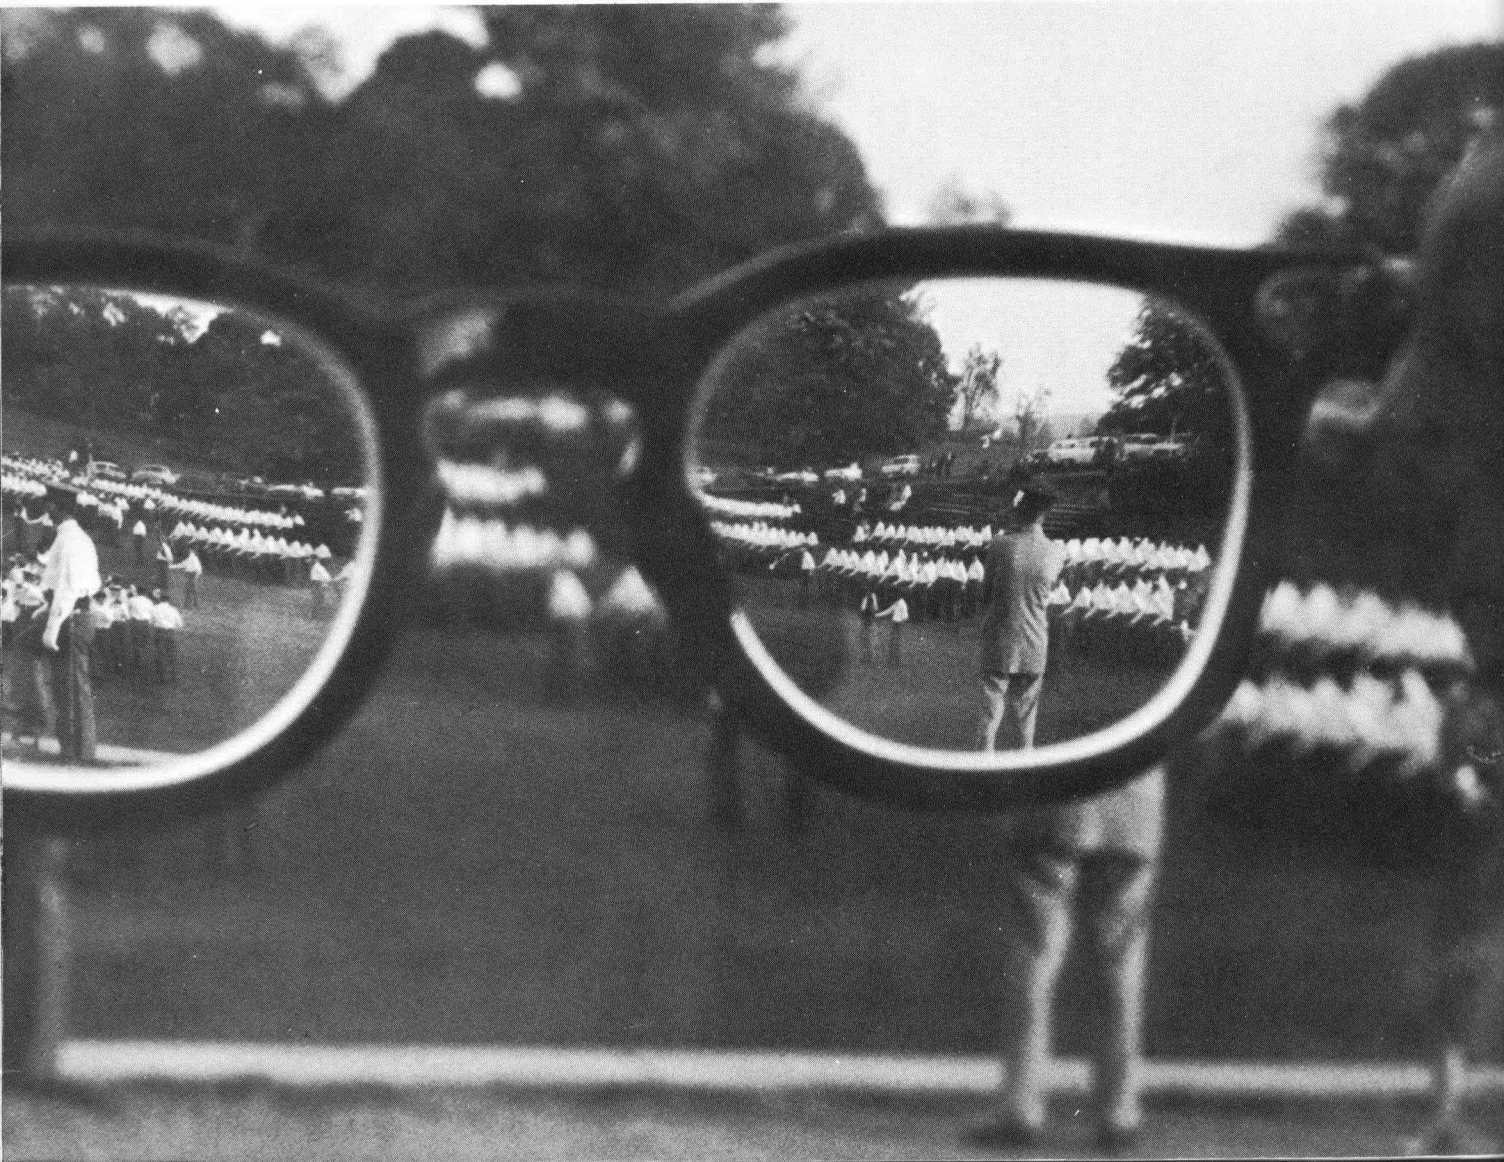

In no phase of life at Augusta is the advancement each cadet makes more obvious than in the military . . . awkward, undisciplined boys rapidly develop into sharp, well disciplined cadets, proud of their glass shines, their uniforms, their personal appearance, their squad, their platoon, and their company.

Competition among the companies begins as soon

as ranks are announced, and companies are formed in September. Even at that early date, the vision of winning the trophy as the best drilled platoon or the cup for the best company paves the way for the development of leaders.

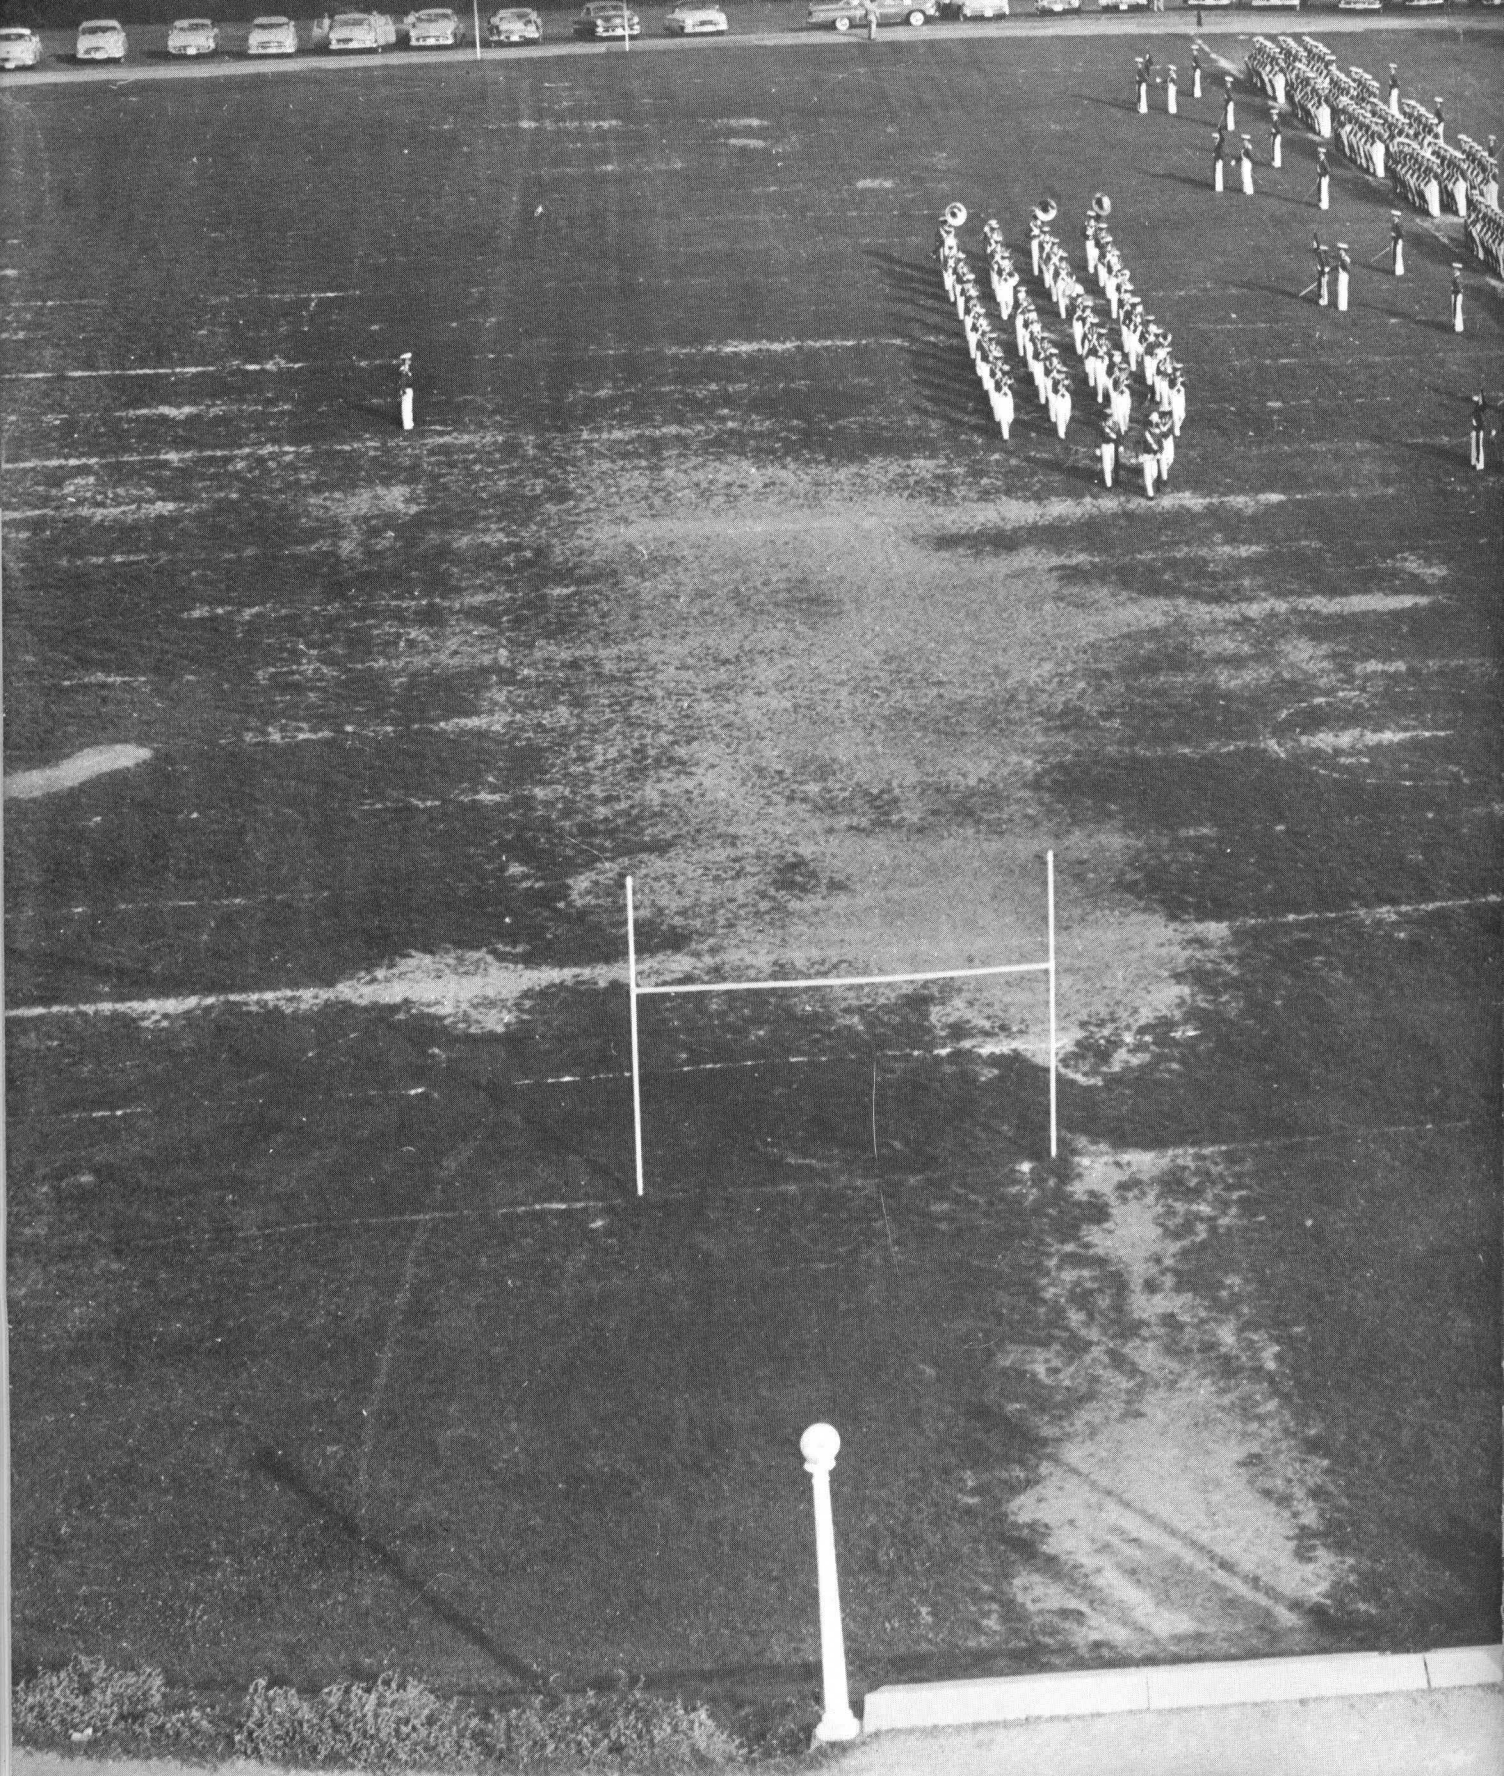

Pep talks by the officers to their men frequently demonstrates the intelligence, perception, forethought, and insight which it takes to mold a motley crew into a united force, anxious to be best for the common good.

In three semesters each cadet has developed 20/20 vision on one score . . . they'll always realize it takes teamwork to succeed!

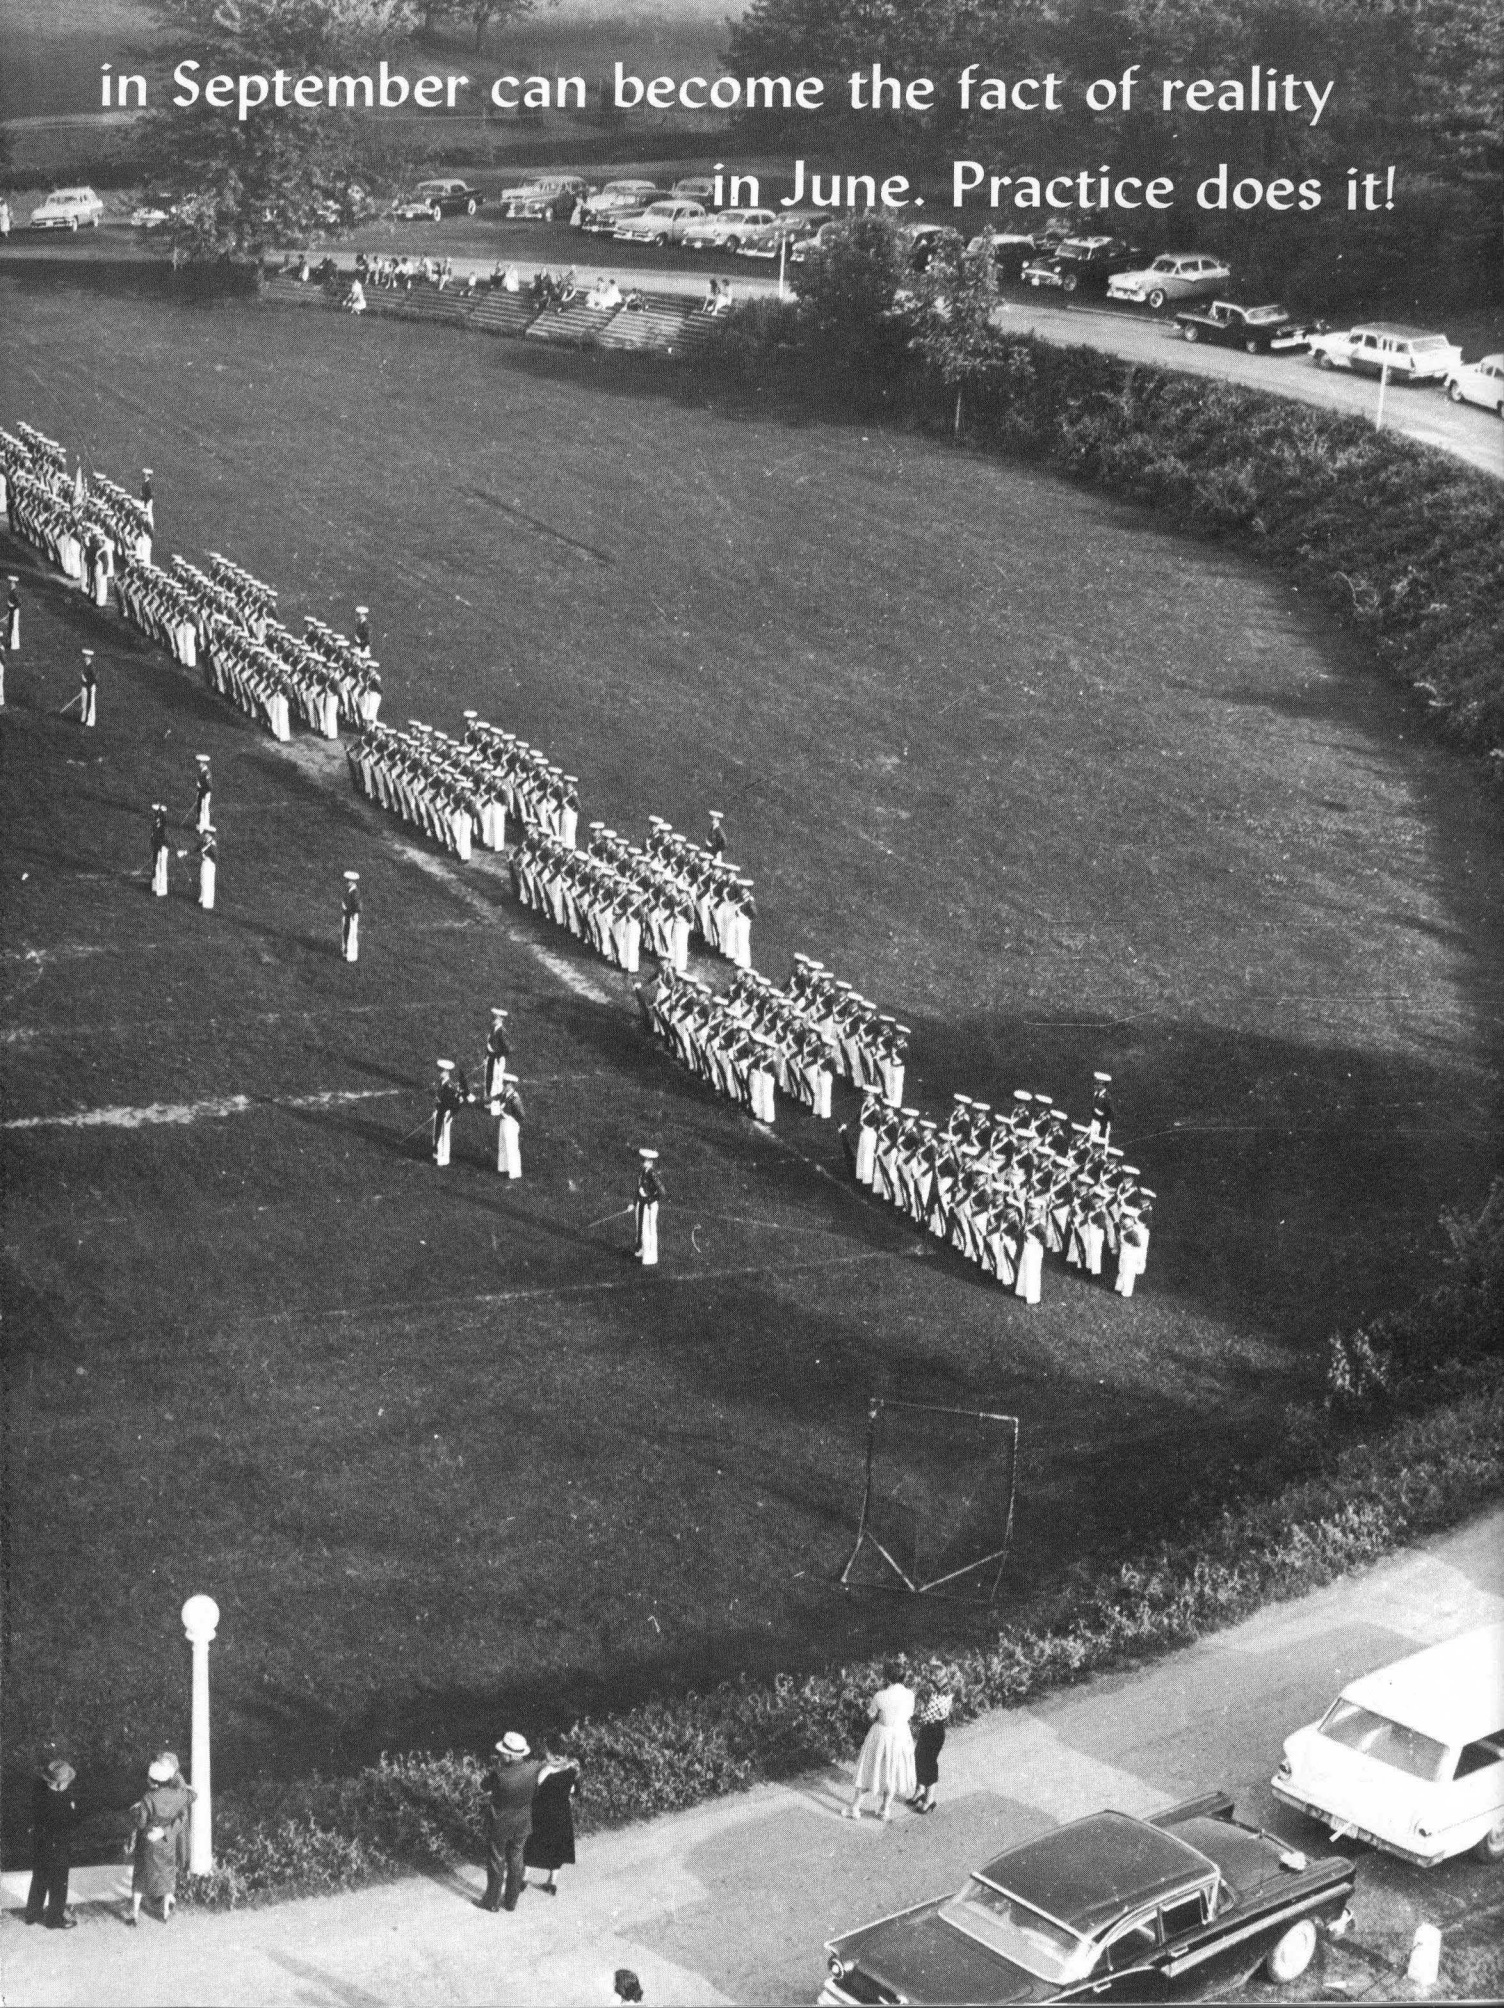

Military might on display Sunday by

Sunday proves the vision

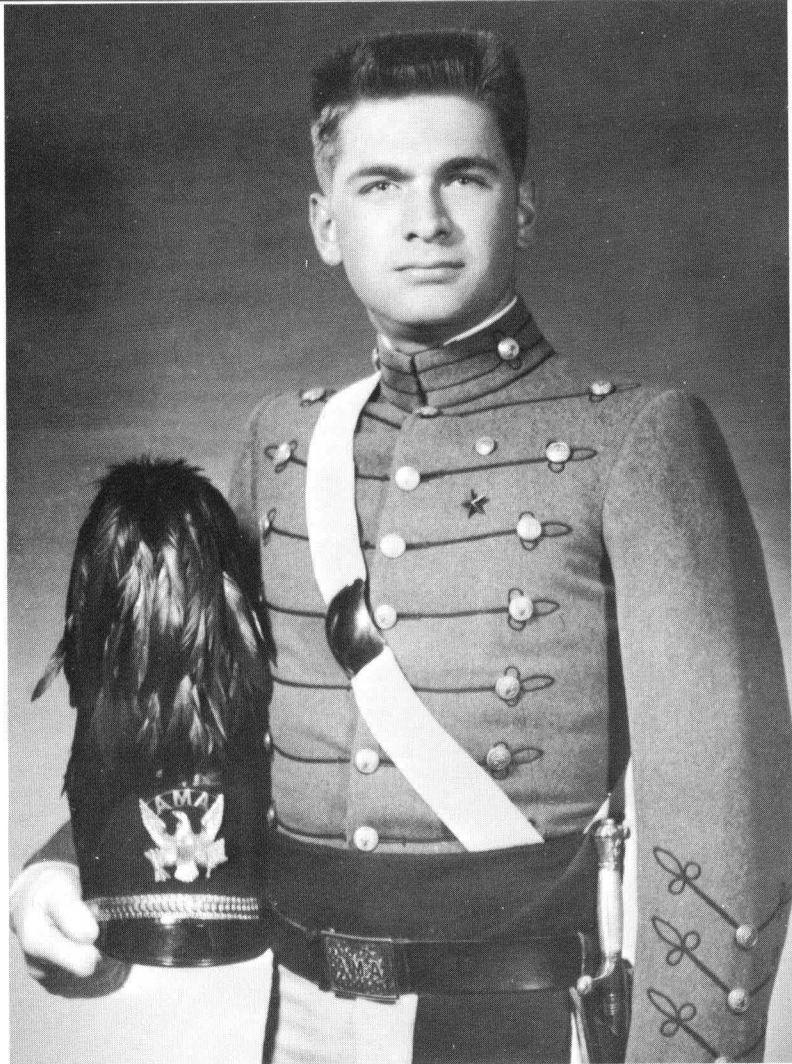

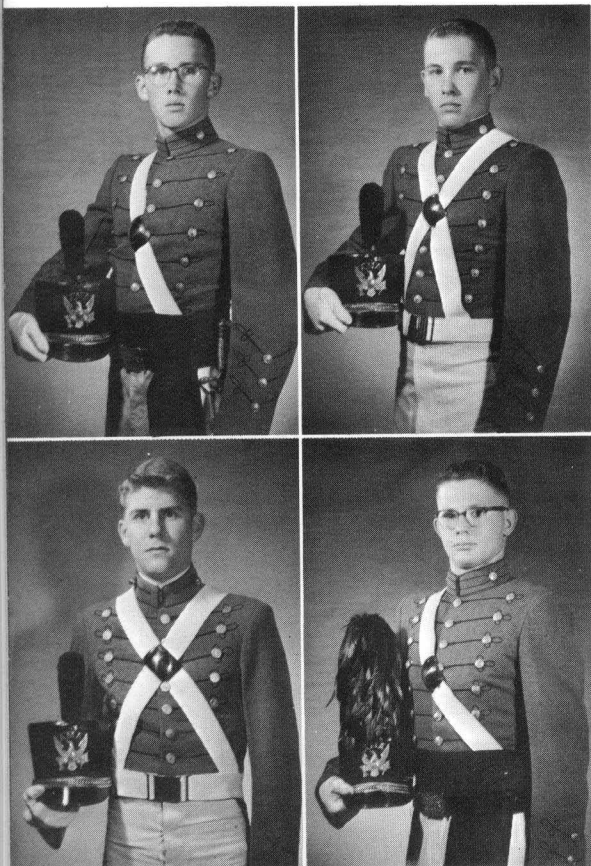

in September can become the fact of reality  
in June. Practice does it!

## Tribute to the Staff

Within memory there have never been two boys who have worked as well together and who have formed a team such as have Cadets Bowen and Towe. No compliments are necessary . . . just a glance at the corps in its day by day activity is a testament to their achievement.

Cadet 1st Lt. Tabor saved the day for the Infirmary! During the epidemic, he worked night and day to help the sick . . . And Cadets Wortman and Pugh, although engulfed with a tidal wave of mail twice a day, did an efficient and effective job.

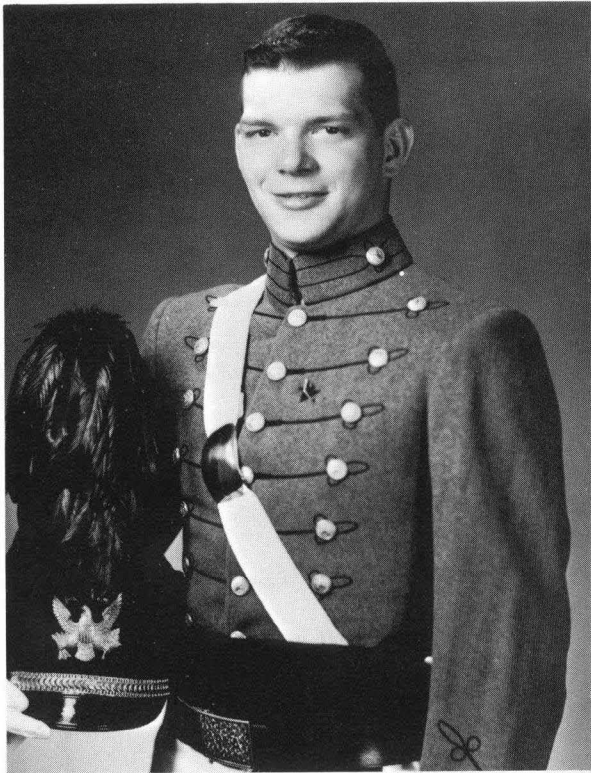

Inspectors praised the Armory . . . certainly a lot of credit is due Cadet Saunders! To Sgt. Major Horsey, who went out of his way to be helpful, credit is due for keeping the demerit book "booming" every night!

Without every member of the staff, the corps could not have achieved the standing which it has!

# Color Guard, Marches Bracing, and

AS THE FLAGS GO BY . . . It's a thrill for everyone. Jim Crawford, Ralph Leonard, Don Cooper, and Jon Davis form the color guard team, center of every parade.

TRAMP, TRAMP, TRAMP . . . Road marches are a part of military training! This fact becomes truth in November . . . and a longer hike in March really puts some meat into this statement!

Life in a military school is surrounded with every phase of training . . . bracing to give the cadets a start towards correct posture . . . road hikes to develop stamina . . . parades to demonstrate precision . . . and military observances to honor specific occasions.

From the first parade in September, through Veterans' Day ceremonies in November, Founder's Day in May, Baccalaureate Service and parades in June, the cadets give and receive . . . they have gained an insight into the importance of military training . . . they will be a credit in the future!

NOTHING CAN STOP THE AMA CORPS . . . Deep snows in February didn't daunt the '60 corps. Through seven inches of snow, the corps makes quite a picture as it begins the Sunday parade, on the 13th of February.

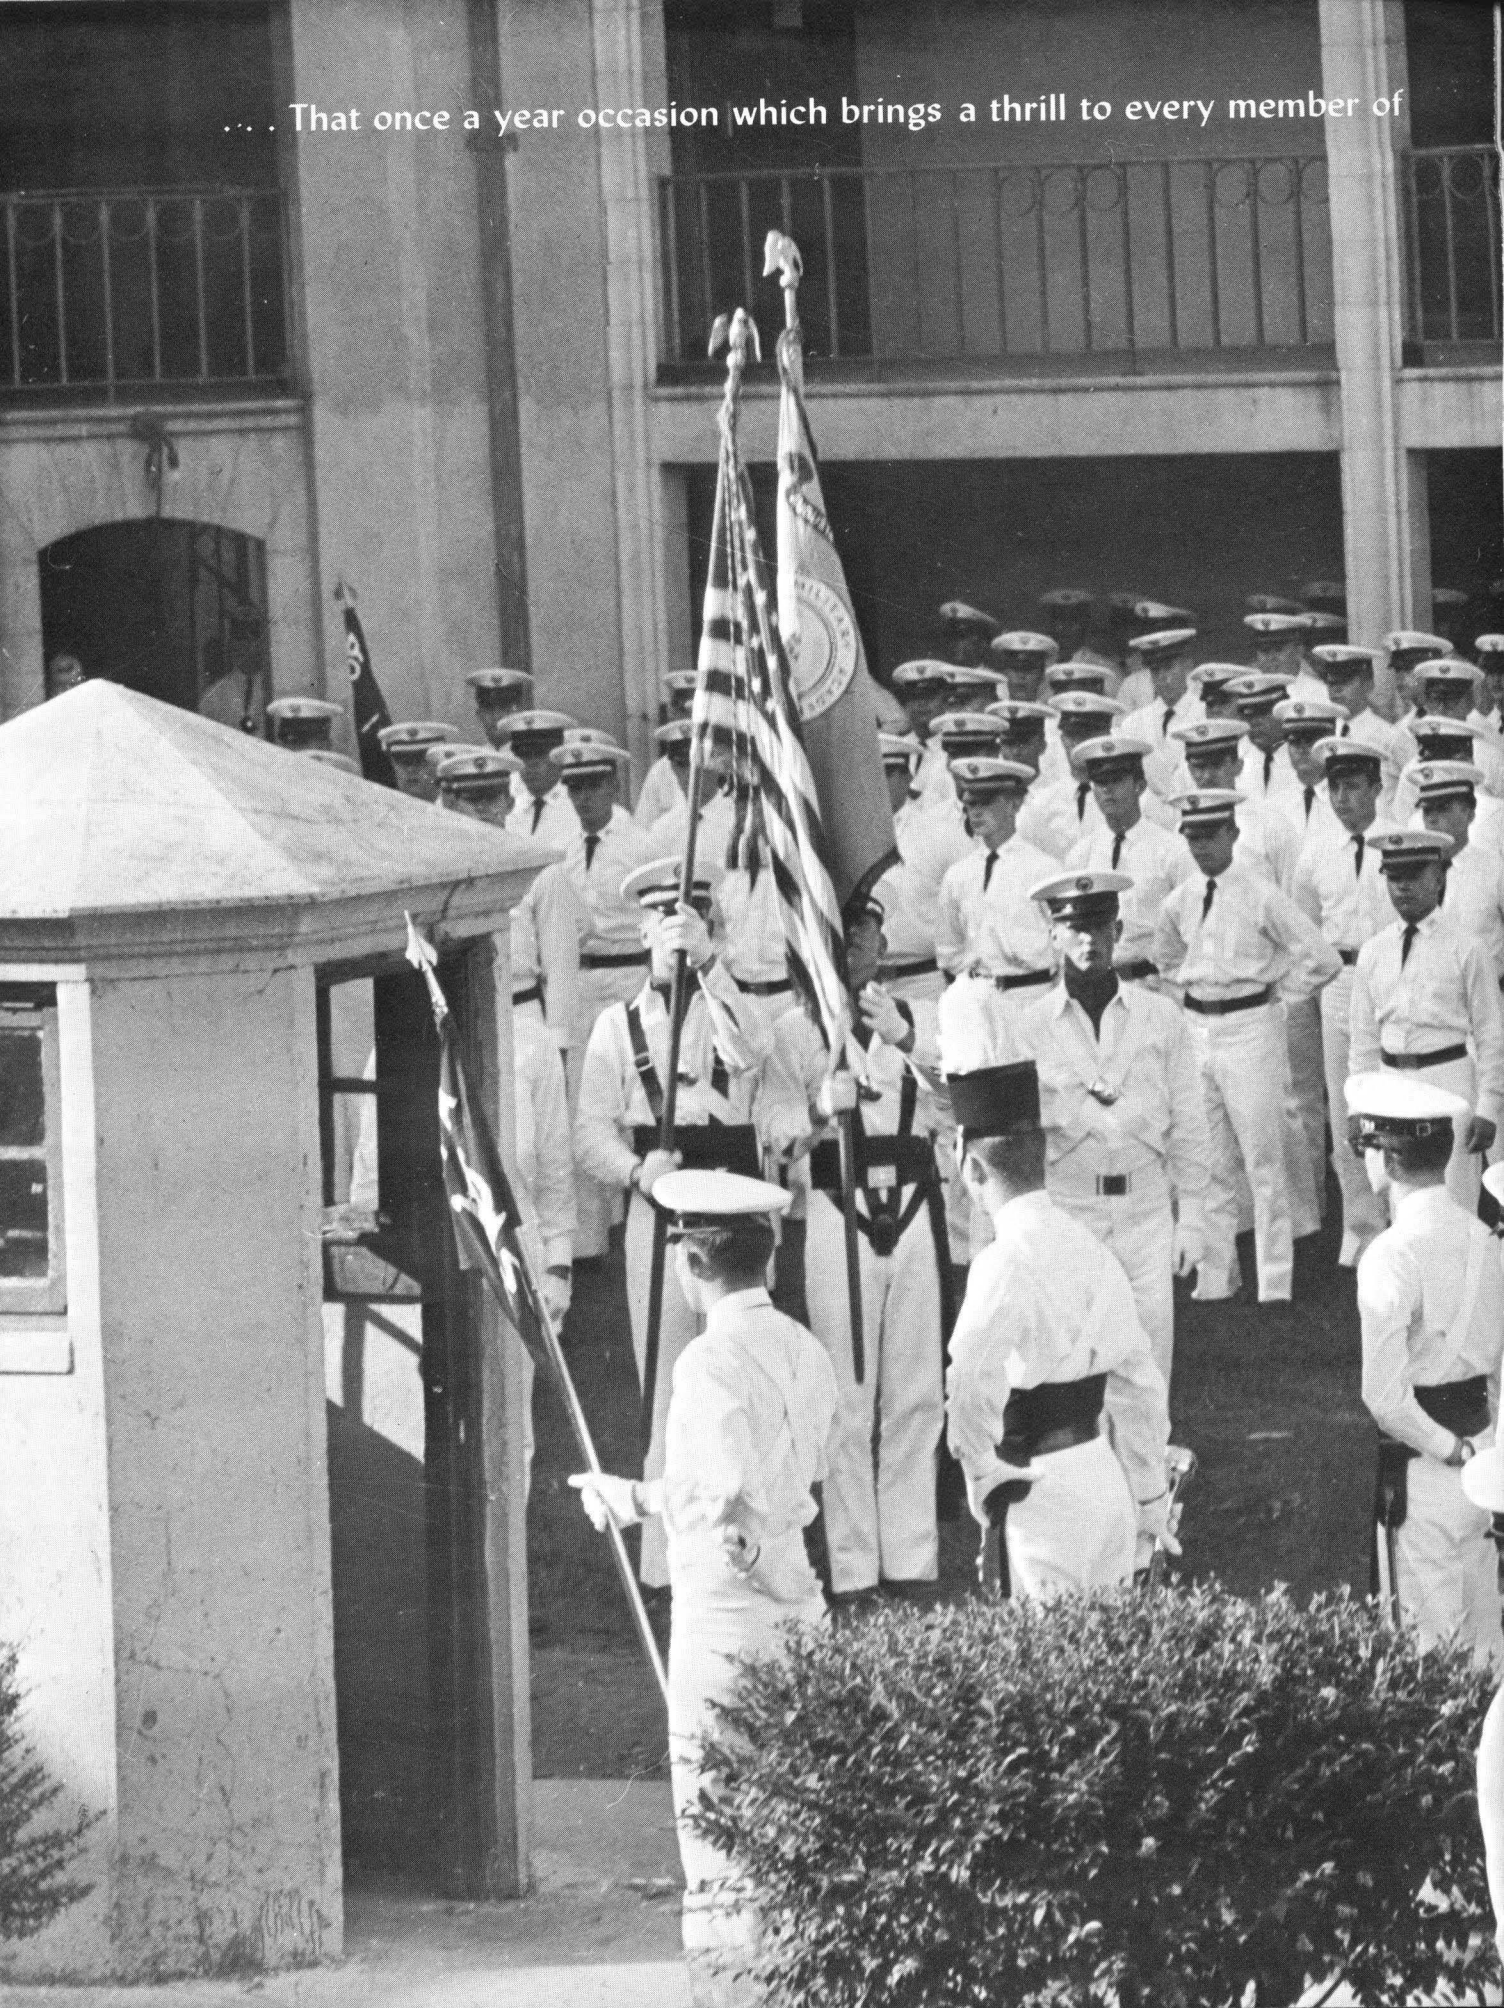

# Veterans' Day tribute — military insight!

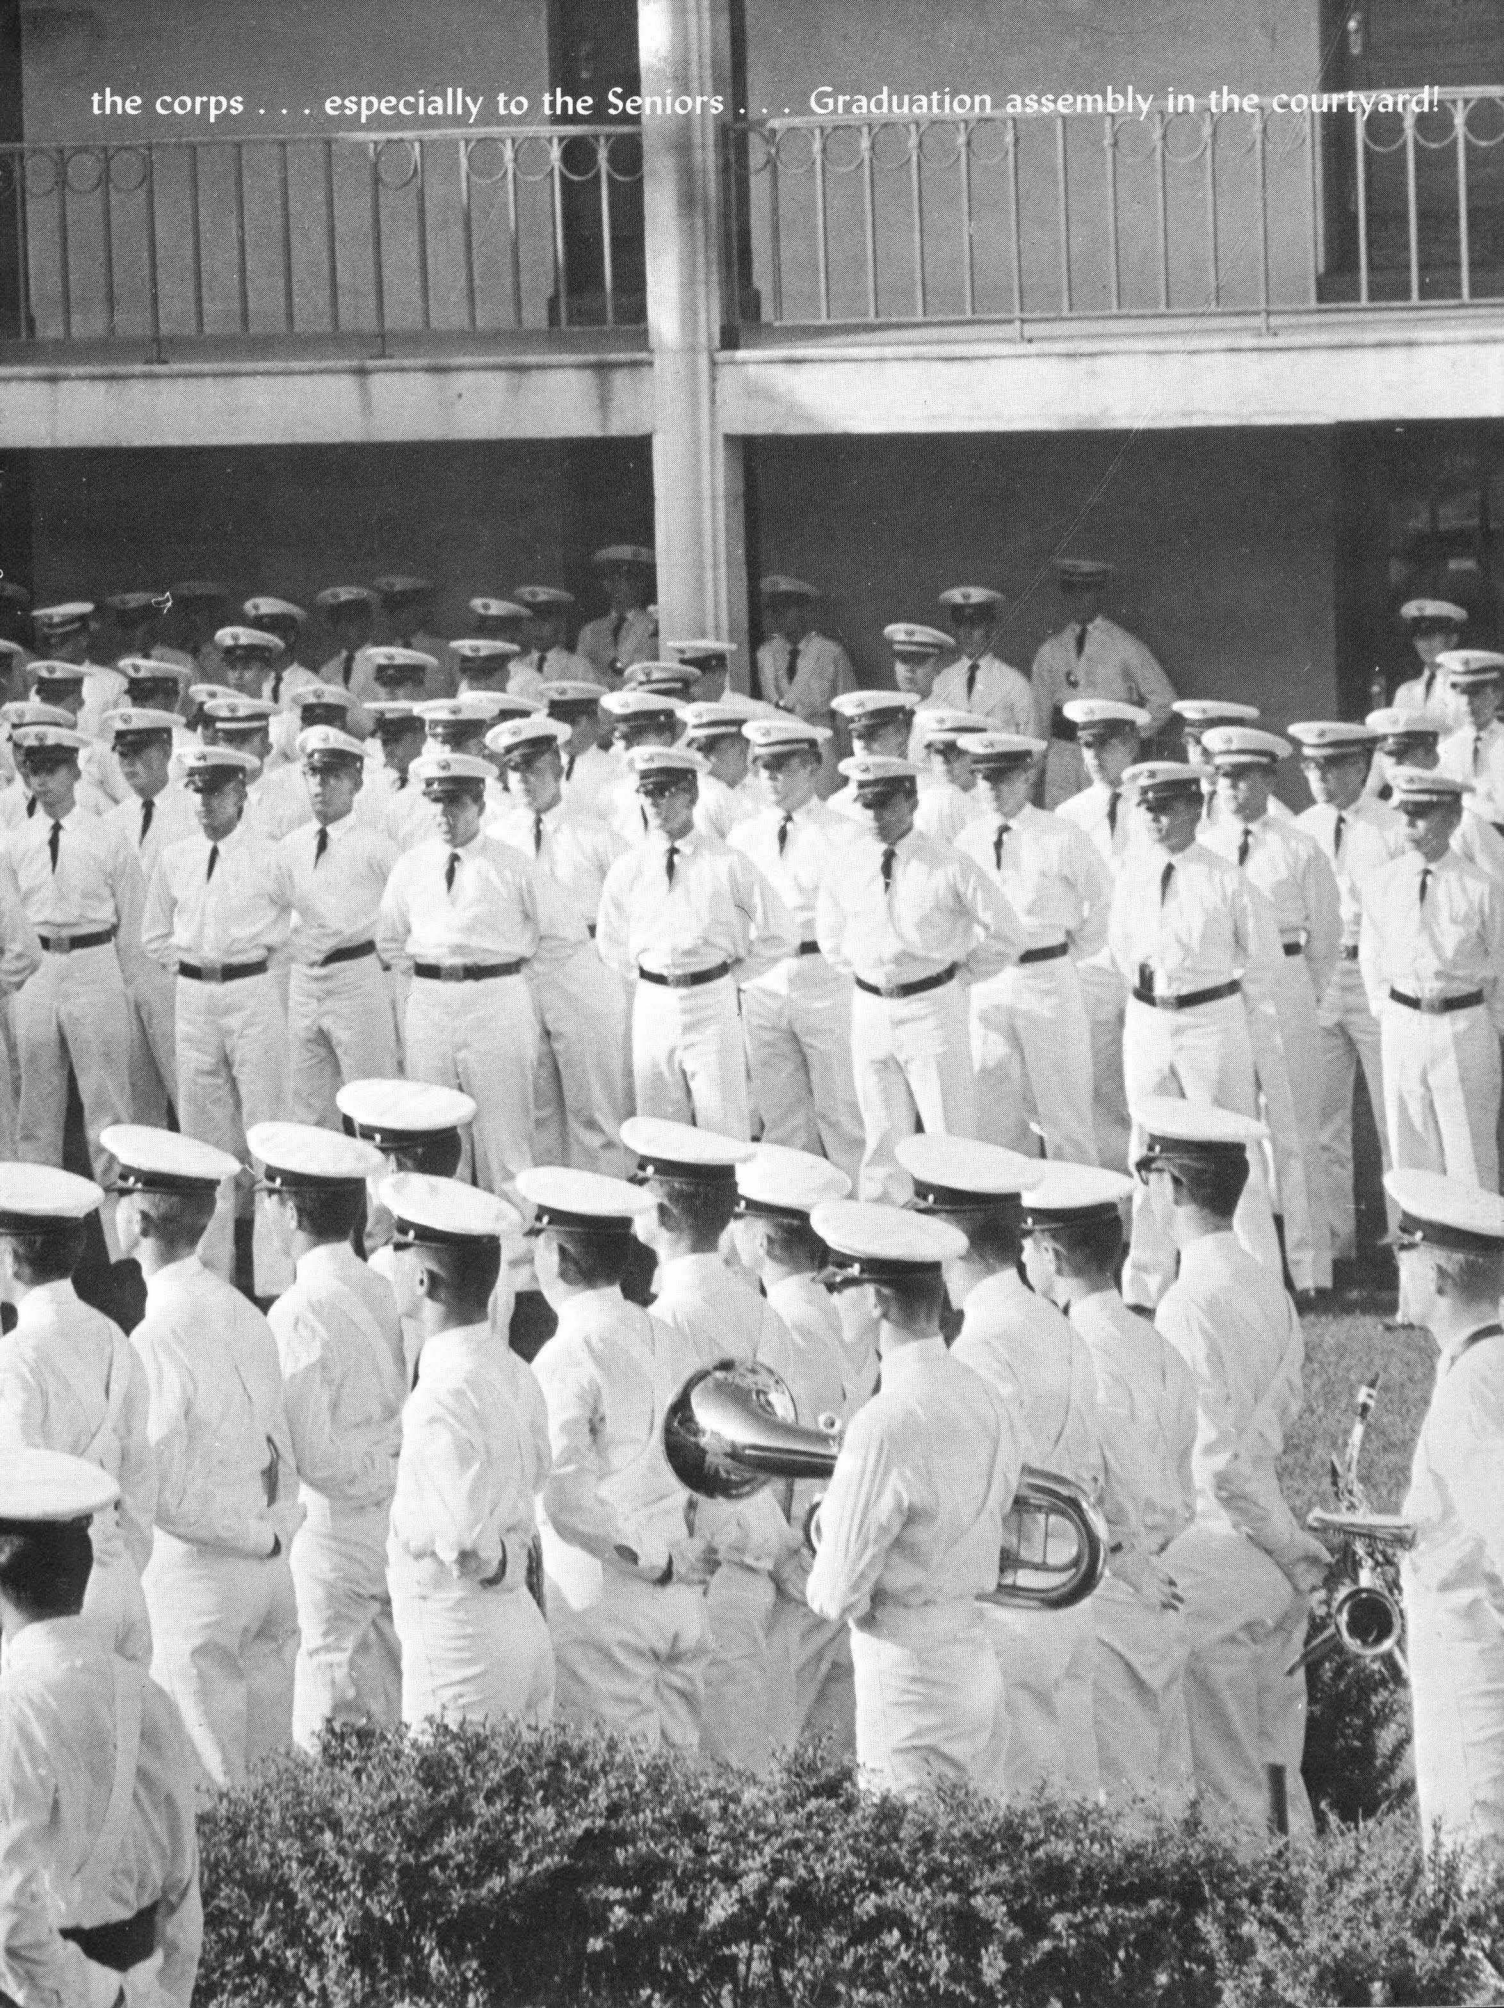

... That once a year occasion which brings a thrill to every member of

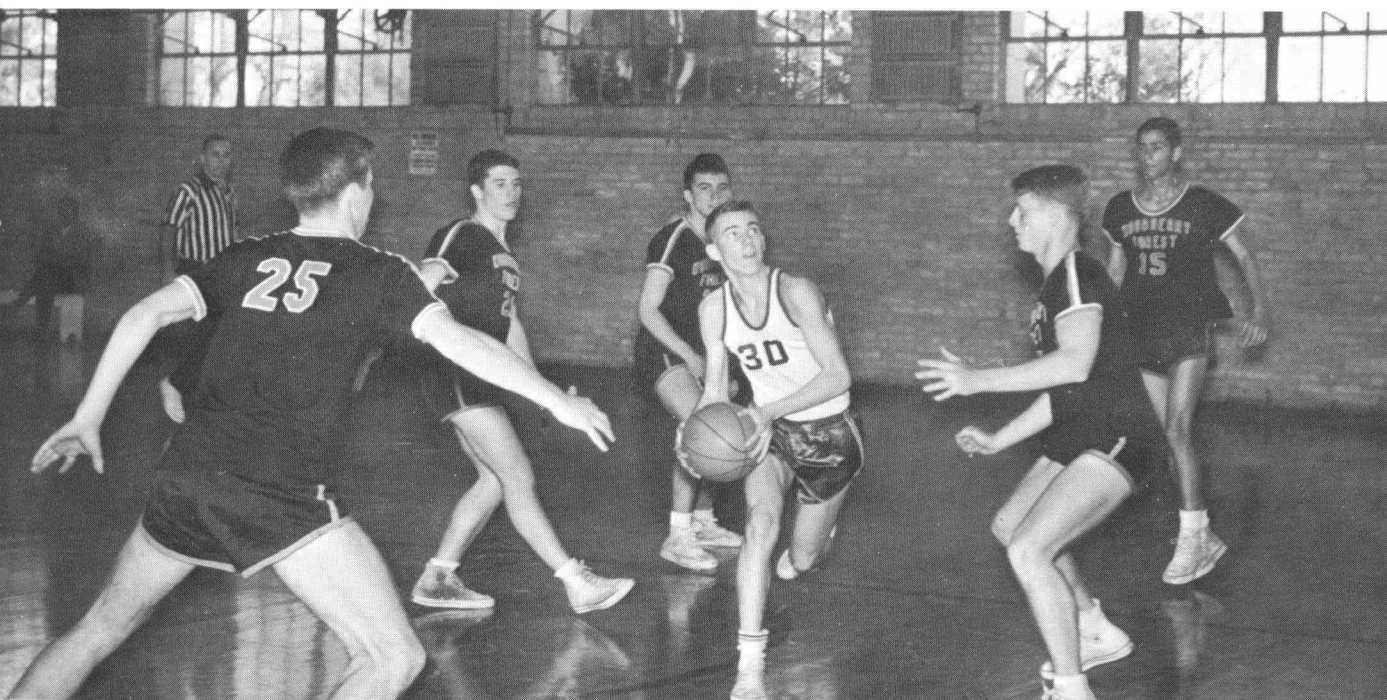

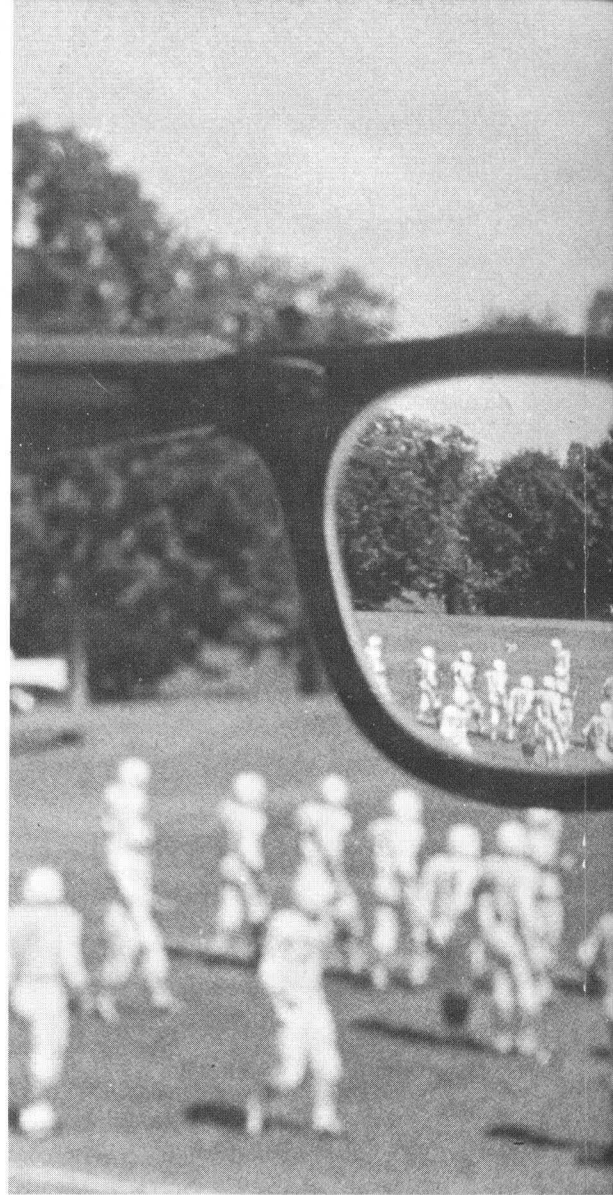

the corps . . . especially to the Seniors . . . Graduation assembly in the courtyard!

# A View of Augusta

SANDWICHED! . . . Dave Savers finds himself sandwiched at the first Woodberry game, but his eye was on the target (as it was all year), and he accounted for two more of AMA's J.V. total of 25 to Woodberry's 54 points.

# *Athletically*

Brains and brawn . . . that's the ideal combination . . . AMA's faculty of perception decreed almost a decade ago that only could AMA fulfill its job of total education by not awarding athletic scholarships. A few bleak years followed, while the coaches began to develop players.

Suddenly, the drought was over! . . . boys were applying their brains on the athletic field . . . AMA's teams began to appear on the "win" side of the score sheets. Coaches Ralph, Livick, and Thornton were using men on the varsity who had been on the J.V. teams the year before. Up to the J.V. teams arrived former Tiger stars!

And no one could stop the Rifle Team . . . many honors accrued to the team which never ceased to practice . . . five years on the wrestling team for McVey, Reichard, and Hedden! Displaying the expert wrestling education they had received from Capt. McDowell, they went on to victory in every meet.

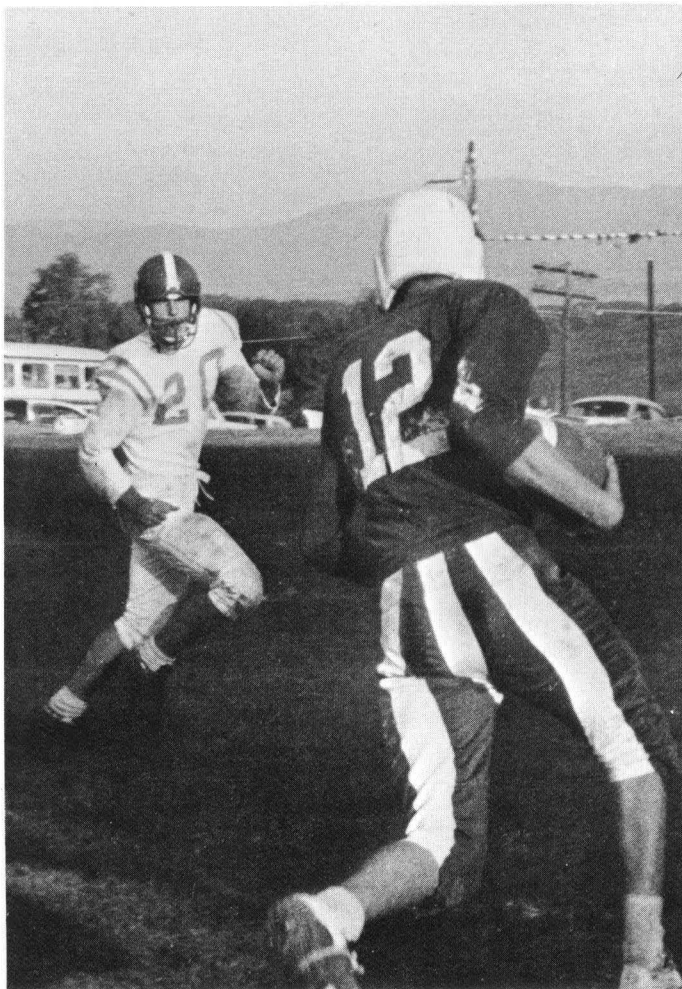

Fencing, swimming, lacrosse, golf, basketball, tennis, and track . . . all outlets for youthful vitality . . . each furnishing proof that the body must be developed along with the brain . . . teams coached by men who pointed out to each boy the necessity for clean sportsmanship . . . in sports and in every phase of life!

## Rugged season . . .

When the gun went off for the start of another football season, it wasn't apparent for three periods that AMA had a team which was just about equal to '58's star-studded grid-iron men! Pulling from behind to tie Woodberry, the Blue Streaks bit the dust in a 2-12 loss to E.C. Glass High School the following week-end.

With two resounding wins, the Blue Streaks came to a 7-7 deadlock against the Baby Generals of Washington and Lee University. Wrapping up a 33-0 victory over Hargrave, another 7 to 7 tie, this time with Episcopal High, the Blue Streaks went on to smother the opposition in the last two games.

**ROMPING YELLOWSTONE . . .** "Yellowstone" Wilson snares the pigskin and races for fifteen against Rock Hill. Wilson's plays helped AMA score a 34-7 swamp over newly formed Rock Hill Academy.

## Blue Streaks Spring to Life - - - Tie Woodberry 13-13

Blue Streaks Spring to Life . . . Tie Woodberry 13-13!

Growing out of the doldrums in the fourth period, AMA's fighting Blue Streaks surprised a seemingly victorious Woodberry Forest team with two quick touchdowns and a conversion to tie the Orangemen 13-13.

Leading at half-time by six points, the Foresters grabbed an AMA punt, which rolled ten yards behind the line of scrimmage, and augmented their lead with a TD and a conversion.

Target-sharp Trott's 24 yard pass to Gardill on the ten yard marker set the stage for Trott to gallop over on the next play. Charlie Cash's pass later in the game to Wilson gave AMA another six points and the conversion wrapped up the tie game.

## as Blue Streaks tie three, lose one, win five!

DUST BOWLERS . . . Charlie Cash bowls through the Woodberry line for a short gain during the second quarter. Shocking the

Orange-men with rebound determination, the Blue Streaks turned the tide in the fourth period to end the game 13 all.

## Streaks crush

**STONE WALL . . .** Woodberry finds yard gaining a tough proposition in the third period. Charlie Cash drops Woodberry's punt receiver on his own 33 yard line. Later AMA took over and valiantly staged a comeback to tie W-F.

**NULLIFIED PLAY . . .** Bob Gevrekian power dives over the pay dirt marker to score for AMA, only to have the play called back — AMA was off-sides. Ferrum's TD couldn't stem the tide — it was a 16 to 7 victory for Augusta!

**SNAP BACK . . .** Blaylock effectively blocks for Trott's successful pass to Bob White in the W-F game. Turning point of the game, this play gave the Streaks resurgent qualities, stopping W-F with their 13 points.

## Hilltoppers Top AMA 12-2

Potent E. C. Glass was the only team to put a black mark on AMA's '59 season. Bruised, battered and bewildered E. C. Glass just couldn't penetrate the Blue Streak line for two full periods.

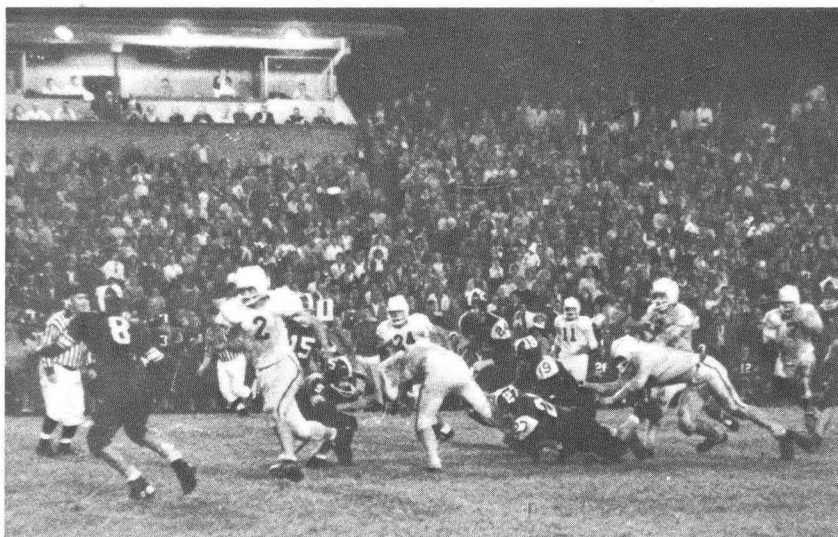

Holding against an Augusta onslaught, the Hilltoppers took over on their six-inch line, only to be caught behind their own goal on the first play for a two point tally for AMA in the first period.

Late in the third quarter, foxy fullback Cox of the Hilltoppers, beating off four sets of tacklers, galloped to the end zone. In the fourth period, the Glass-men again began to move. Brown broke loose from scrimmage and scampered 75 yards for the final score of the game.

## Rock Hill 34—7!

NIGHT LIGHTS . . . Playing under the lights against Glass, the Streaks displayed powerful defensive tactics. On the offensive here, Gardill (no. 2) takes a screen pass and races for a seven yard gain. Exploding later, the Hilltoppers shaded the Streaks by 12 to 2.

### AMA Rocks Ferrum

Rocking Ferrum Junior College from end zone to end zone, the Blue Streaks plunged back to the victory set with a 16—7 score. A called-back TD in the first quarter, a blocked field goal in the second, and a Ferrum TD shortly thereafter couldn't prevent the victory determined Blue Streaks from taut play. Hooker intercepted a Ferrum pass just before the half and raced all the way to pay dirt. A field goal and a Gevrekian TD gave AMA the two figure side of a 16—7 score!

### Streaks Rout R. H. A.

AMA's gridmen continued to roll against Rock Hill, smothering the newly formed Academy's varsity by a one-sided 34—7 rout. A quick touchdown by Rock Hill within four plays frightened the Rollermen into pay dirt for Augusta — Bob White received a long one from Ed Trott and made it to the goal line for a six pointer. Bud Allison's conversion tied the score.

Bursting forth in the second, the Blue Streaks accounted for 20 more points. By the half, most of Coach Ralph's boys had seen action, and with another 7 pointer in the third quarter, it was a 34 to 7 triumph for Augusta.

SHOESTRING TACKLE . . . Cash finds himself in an unusual position against Rock Hill — on the ground! Fleet-footed Charlie's

35 yard dash against the Charlottesville school was repeated frequently for shorter gains. Final score: AMA — 34 RHA — 7!

FLIGHT PATTERN . . . Bud Allison (no. 10) comes in for a landing to help John Gray (under the pile, who has just recovered a

Woodberry fumble. Bud's educated toe worked once against W-F to give AMA a 13-13 tie.

## Rollermen tie two 7 all! . . . Smother

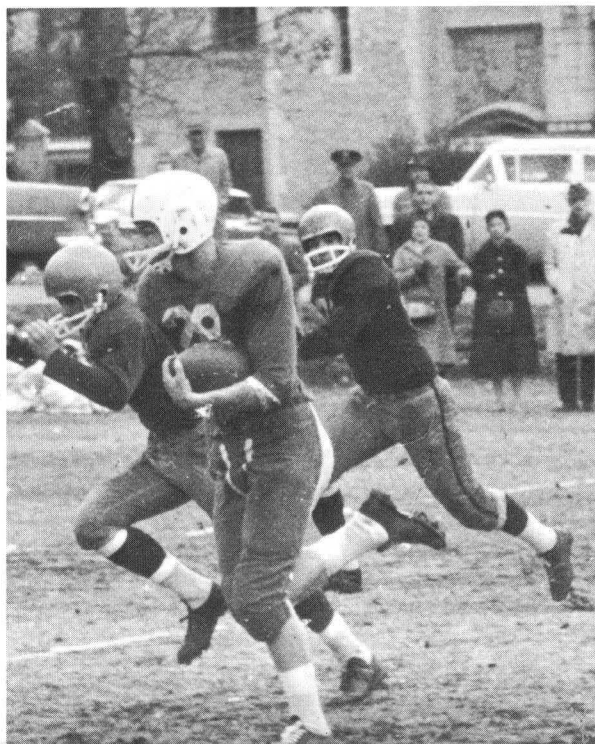

### AMA Ties W & L Frosh

A rippling Blue Streak passing attack, launched in the fourth period despite a wet turf, enabled AMA to avenge a W&L touchdown scored early in the game.

Leaning on the passing arms of Charlie Cash and Ed Trott, the Rollermen completed ten passes in fourteen attempts for a grand total of 117 yards!

Setting the stage for the most sensational AMA play of the game, Cash pitched out to Wilson, who stamped for 40 yards. Cash then carried twice, with a followup plunge by Wayne Blaylock to score for AMA. Allison's soccer type kick save the day, as he tied to score 7 all!

UPRIGHT CASH . . . Cash, in his usual fashion, speeds towards paydirt in the fourth canto, only to be stopped by an alert Fishburne man on the fourth yard. Cash's brilliant play helped AMA crush arch-rival Fishburne on Turkey Day.

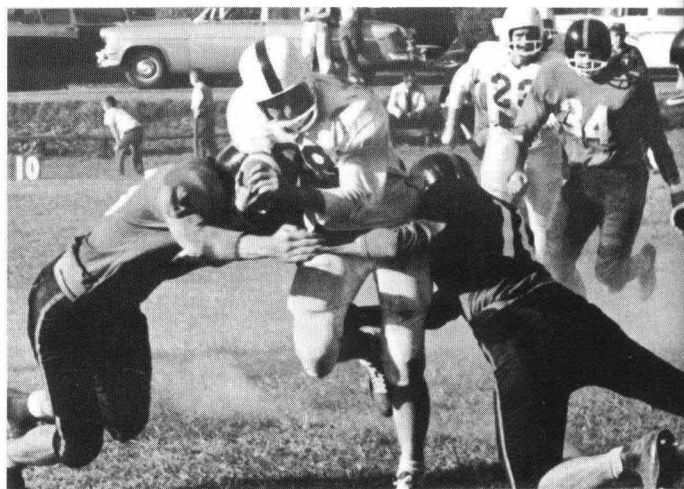

## AMA Renews Old Rivalry with HMA

Demolishing Hargrave's defensive might almost single handed, Charlie Cash scored three touchdowns on short runs in the first game of a renewed rivalry with Hargrave.

Dead-eye Trott helped complete the collapse of the HMS team with a pass to Yellowstone Wilson. This 82 yard play was the highlight of the day. Scoring AMA's last TD was soccer kicker Bud Allison, who also accounted for three of AMA's extra points, putting Augusta into the win column with a 33-0 victory over HMA!

POINT OF NO RETURN . . . Charlie Cash finds two Orangemen are too many but his short gain did help the Blue Streaks set up a TD play against Woodberry.

## Hargrave 33-0!

### Streaks Tie EHS 7-7

Sweet revenge! Still smarting from an Episcopal High victory in '58 which marred an otherwise perfect season, the Blue Streaks held the mighty gridmen from Alexandria to a 7-7 tie. Ending in a scoreless deadlock, the first half was sparked by fine punting and great defensive play from both teams.

A determined EHS team marched 70 yards for a touchdown in the third quarter. Not to be outdone, the AMA team came alive. Late in the fourth period, with only three minutes of play left, Ed Trott hit Alex Bergman with a 22 yard pass that took the pigskin to the eight yard line. Campbell then bulled over for the six, and Allison added the additional point to tie the game.

YELLOWSTONE FLOWS . . . Right over the line of scrimmage, Wilson carries the ball for a short gain in the frantic EHS game.

AMA tied the Alexandria lads 7-7 . . . sweet music after '58's defeat!

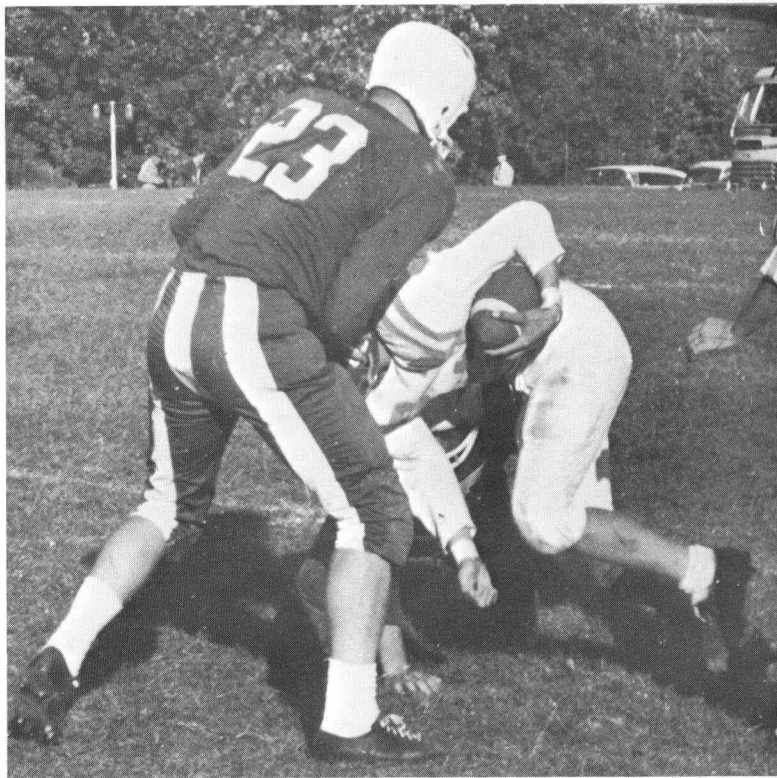

# Cash, Leonard, Trott, Wilson, Allison,

## Blue Streaks Sting Yellow Jacks 19—6!

Tearing loose on the opening play against RMA, Ed Trott passed to fullback Wayne Blaylock, who carried the ball deep into Macon territory. After a double fumble, Blaylock bulldozed his way into the end zone, and the score stood at 6—0, as the quarter ended.

Troubled by the Blue Streaks' astounding defense, the Yellow Jackets couldn't move the ball. Gaining possession at midfield, Wilson swept to the 20 in two plays. Pancho Campbell, dragging would-be tacklers with him, went the rest of the way for another six pointer.

During the third period, Hooker, Wilson, and Gevrekian sprinted on separate plays to put the ball on the 10. A fumble, recovered by tackle Ralph Leonard, was turned into another TD. Bud Allison's kick added another point to make the lead 19—0. The stung Yellow Jackets broke the see-saw fourth quarter with a 20 yard touchdown run!

FIGHT FIERCELY, ROCK HILL! . . . Wayne Blaylock (no. 23) effortlessly throws a Rock Hill player for a loss during the massacre which saw a powerful AMA team roll over RHA 34—7.

STING AHEAD! . . . Three Yellow Jacket players aim for rapid Ed Trott during the RMA game. Although stopped on this play, there usually was no stopping the team, and AMA romped to a 19—6 victory.

# and Gevrekian lead A. M. A. to a win season!

## Turkey Day Classic Closes

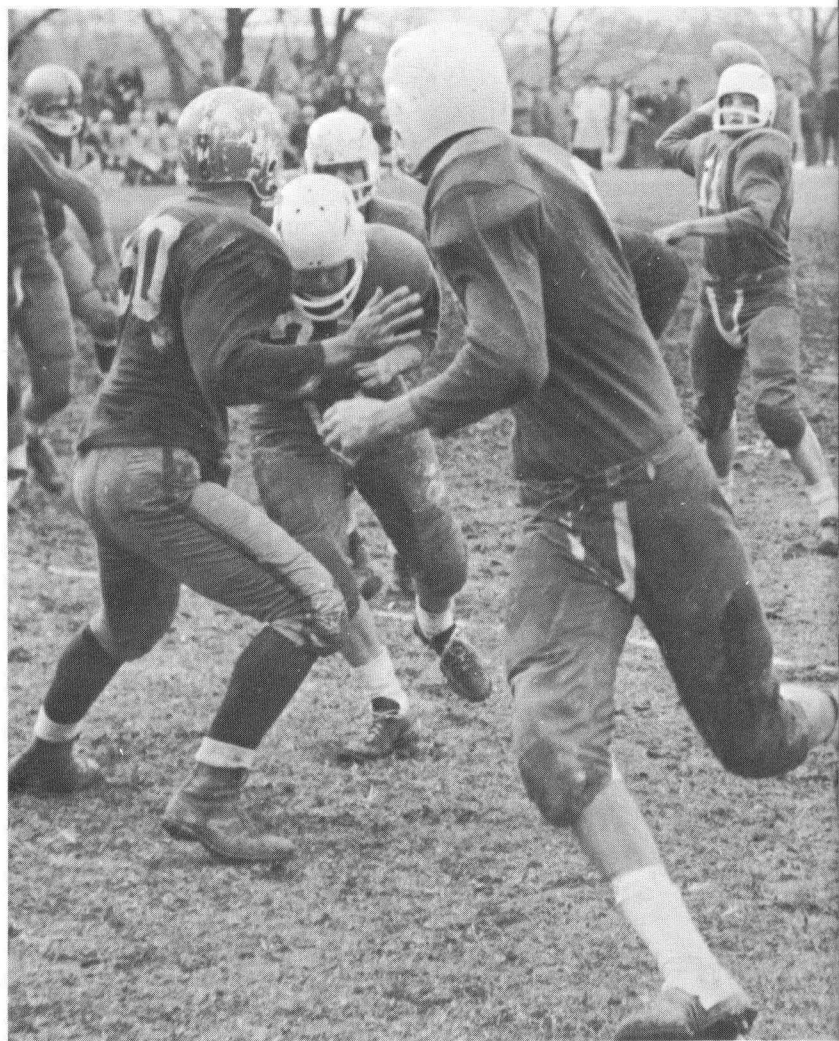

### Season . . . AMA Blankets FMS

Surprising Fishburne's team, the Blue Streaks captured an easy 20-0 victory over the Caissons in the annual Turkey Day classic, which is one of the oldest rivalries in the country.

Turning loose a dual running and aerial attack in the first half, AMA cut through the FMS line for 13 points before intermission.

A belated score in the fourth quarter came as Cash scored from the eight yard line. Allison's PAT was good, and the game had its final score, 20-0.

Stand-outs during the Thanksgiving Day game were Blaylock, Cash, Wilson, and Leonard.

END ZONE HOUND . . . Heading for pay dirt again, Charlie Cash evades three Caissons and tallies for Augusta. 20-0 was a fine way to end the season!

CRANBERRY BLUES . . . didn't stop Ed Trott from rifling a pass to Yellowstone Wilson in the FMS rout. Wilson reeled off 111 yards in the game which saw AMA smother the Caissons 20-0.

## Varsity Cagers '60

Manager Jim Towe. Co-Captains Jim McLelland, Barnes Townsend. Charlie Cash, Red Newman, Chuck Markline, Bob Gardill,

Don Tabor, Major Livick, coach, Don Cooper, Buck Lyons, Wayne Blaylock, Alex Bergman, Ron Reigelman and Charlie Hall.

SHARP BALL HANDLING . . . Charlie Cash handles a basketball as well as he does a pigskin, but against Hargrave's dead eye hoopsters, the Blue Streaks came out on the wrong end of a 60 to 86 score. HMA's Jim Ahern (no. 11) displayed some of the finest ball handling seen in a long time.

Surpassing the '59 cagers' record, Major Livick's quick stepping, fast handling '60 edition finished the season with a 50—50 ledger! And records were established! . . . Wayne Blaylock's phenomenal ball handling gave him a total point score of over 200 points — far, far ahead of anyone else's mark at AMA.

Most tense game of the year was played with Woodberry on AMA's home court. In a double overtime, with the score see-sawing by the second, Barnes Townsend's two point tip in gave AMA the ballgame with a 42—40 score. Tabor, Cash, Charlie Hall, and Cooper were the additional spark plugs on the team which had rough sledding at times. Hall, plagued with a sore knee, practically always scored in the double figures. Too many stars frequently interrupted teamwork!

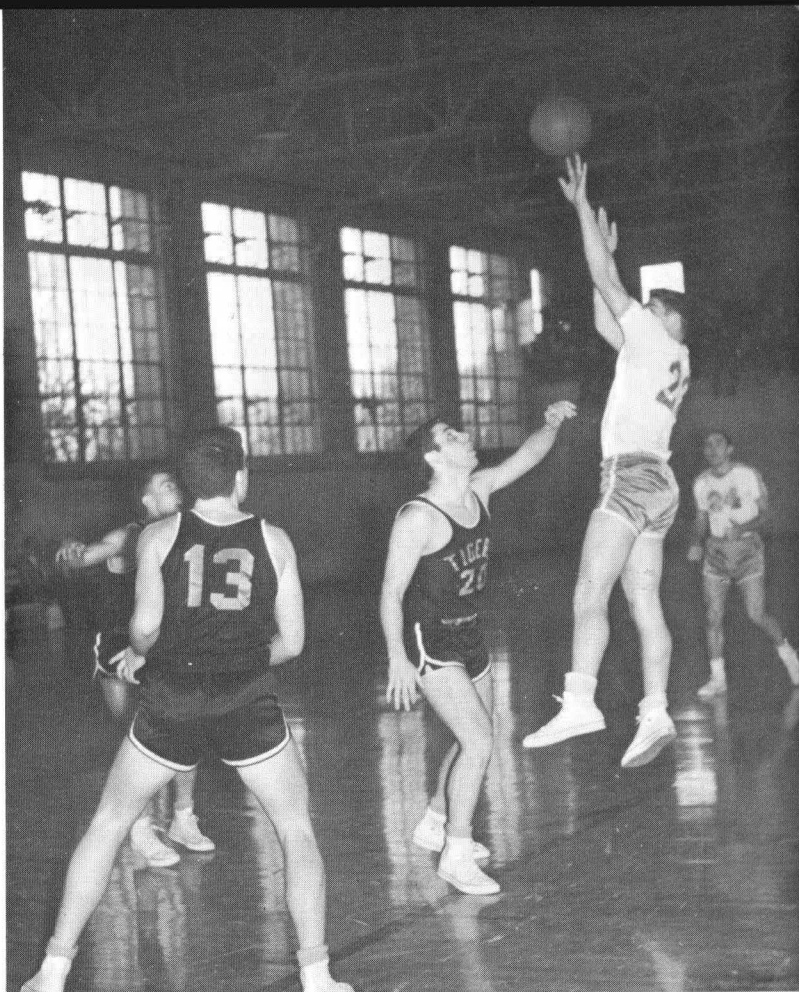

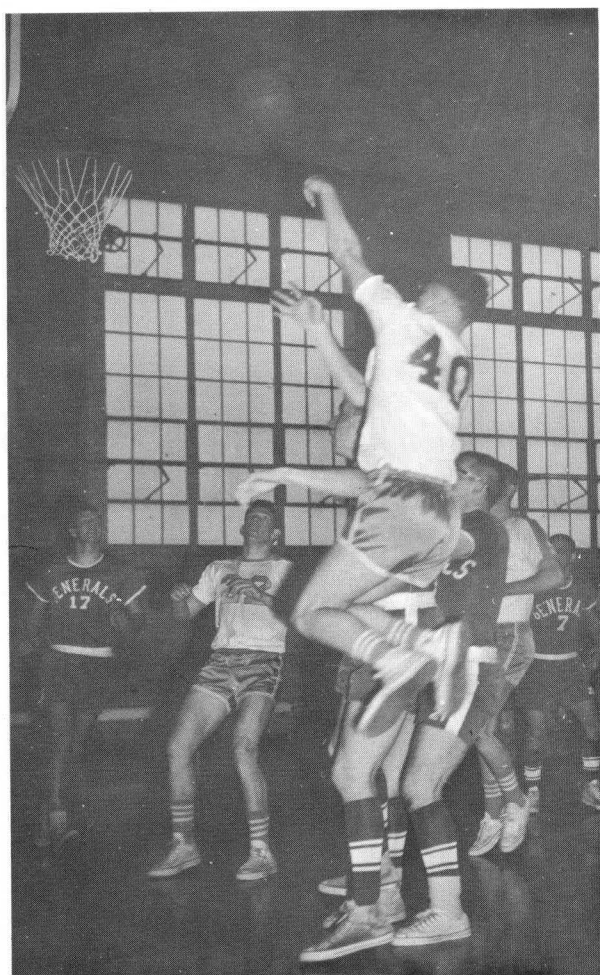

# points!

## Individual Scoring Chart

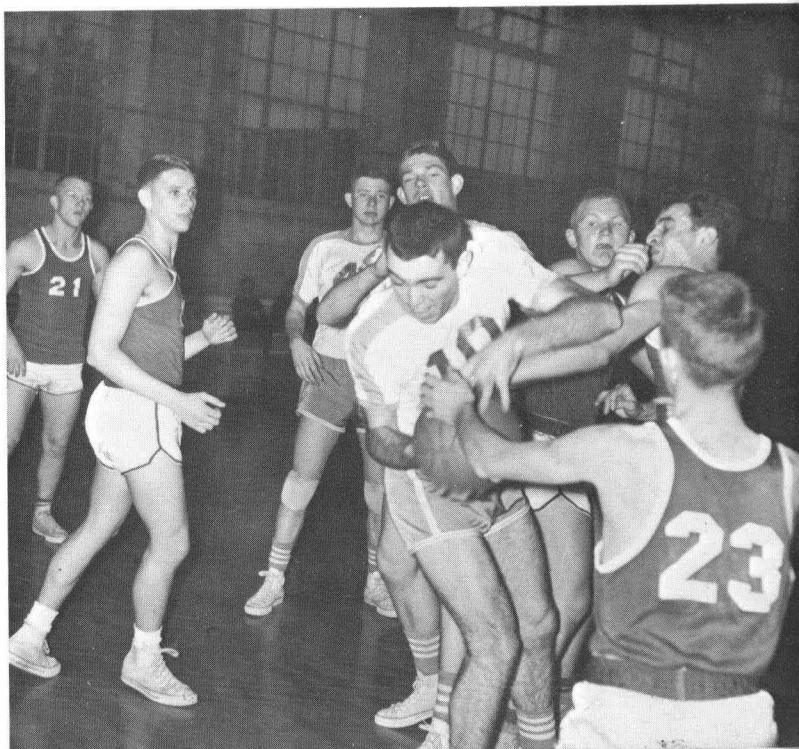

Player	Goals	Fouls	Tries	Total
Blaylock	86	45	90	217
Cash	63	14	42	140
Cooper	63	9	22	135
Hall, C.	56	12	22	124
Tabor	22	17	26	61
Lyons	22	4	8	48
Townsend	13	9	19	35

McLelland	2	6	8	10
Bergman	0	6	7	6
Newman	1	2	6	4
Gardill	2	0	0	4

SQUAT JUMP . . . Don Cooper adds two more points to humiliate W&L's Baby Generals by a total of 81-46. Stunned were the visitors, for earlier they had defeated the Blue Streaks 87-58!

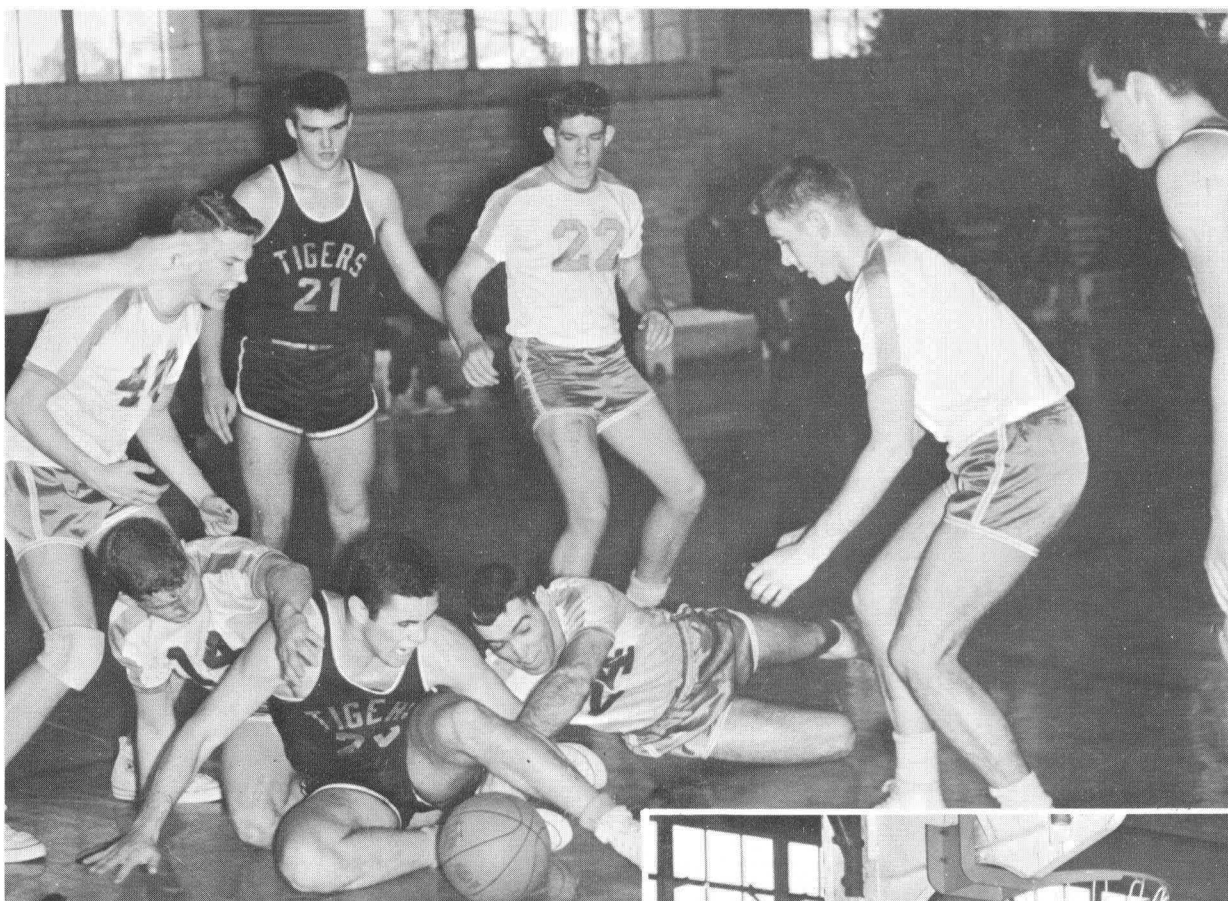

FINGER TIP CONTROL . . . Left-handed Wayne Blaylock snares the ball by his finger tips and then adds two more points towards the 42-40 victory over Woodberry-Forest.

FOUL PLAY . . . "Dr." Don Tabor, deft with the ball, strains as he snatches the ball away from a Rock Hill player. 68-48 for AMA, after two successive losses, kept them on the win path for three more games.

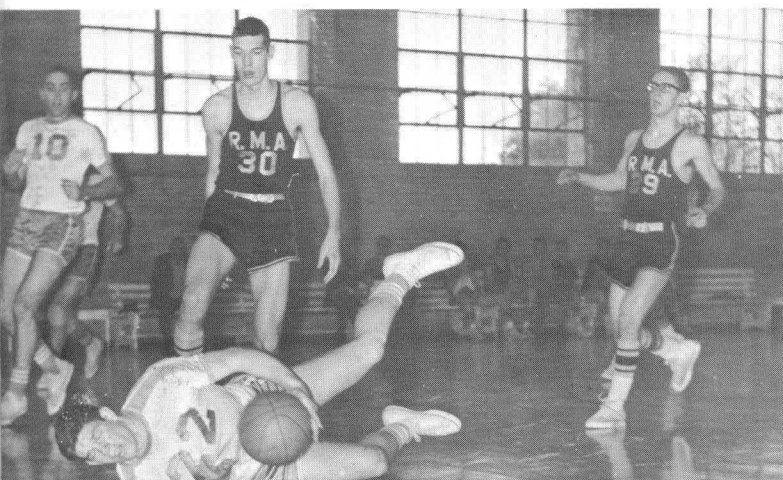

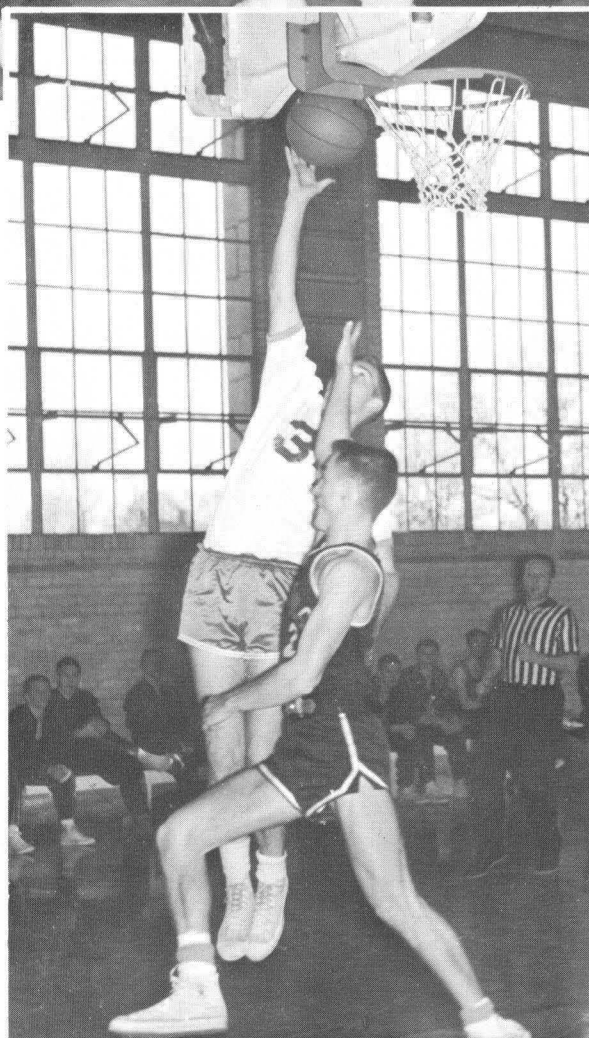

# Blue Streaks wind up basketball season

**TIGER TUMBLE . . .** Don Tabor grabs the opportunity to get his hand on the ball as a Woodberry man loses it in a tumble. Cash, Cooper, Blaylock and Hall were right on the spot to help Don. AMA won the first game with W-F, 42-40.

**HALL SPRINGS TO LIFE!** . . . Competent player Charlie Hall arrived during the Woodberry game. Scoring 19 of AMA's 42 points, Charlie just couldn't miss that basket!

**OH, NO, THEY CAN'T TAKE IT AWAY FROM ME . . .** Wayne Blaylock retains possession of the ball in the RMA game, even though he takes a bruising spill. RMA stung the Blue Streaks, however, with a 70-41 victory!

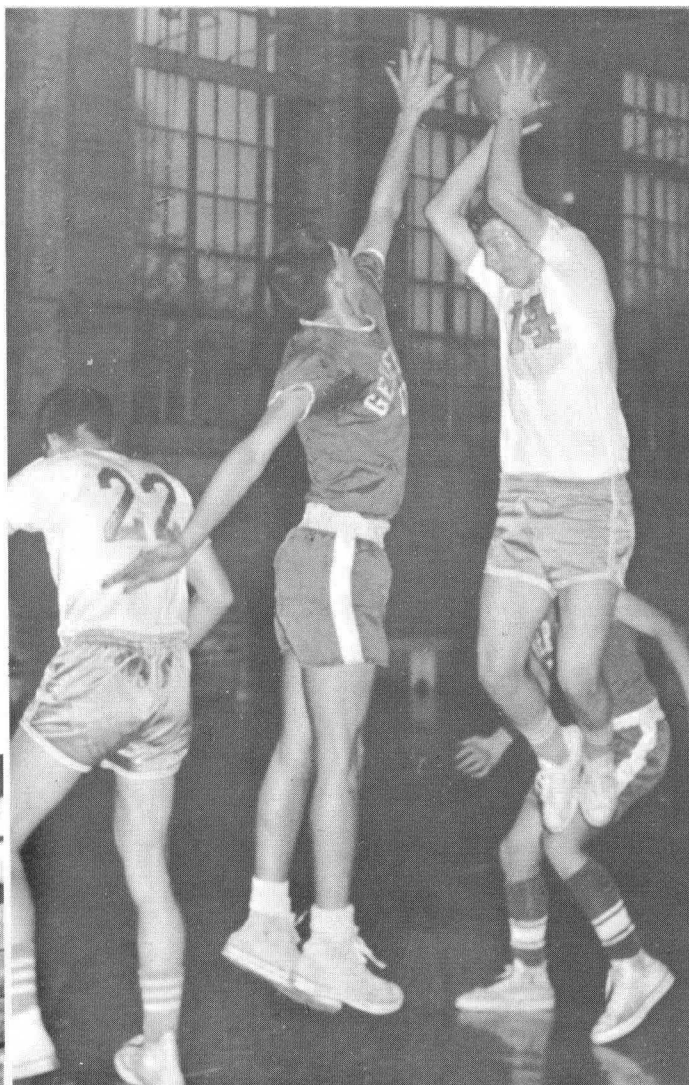

with six wins, eight losses in '60.

**JUMP PASS . . .** Charlie Cash STILL believes he's on the football field! His jump pass to Blaylock helps give AMA two more points in its massacre of the Baby Generals of W&L by 81-46 in a return game!

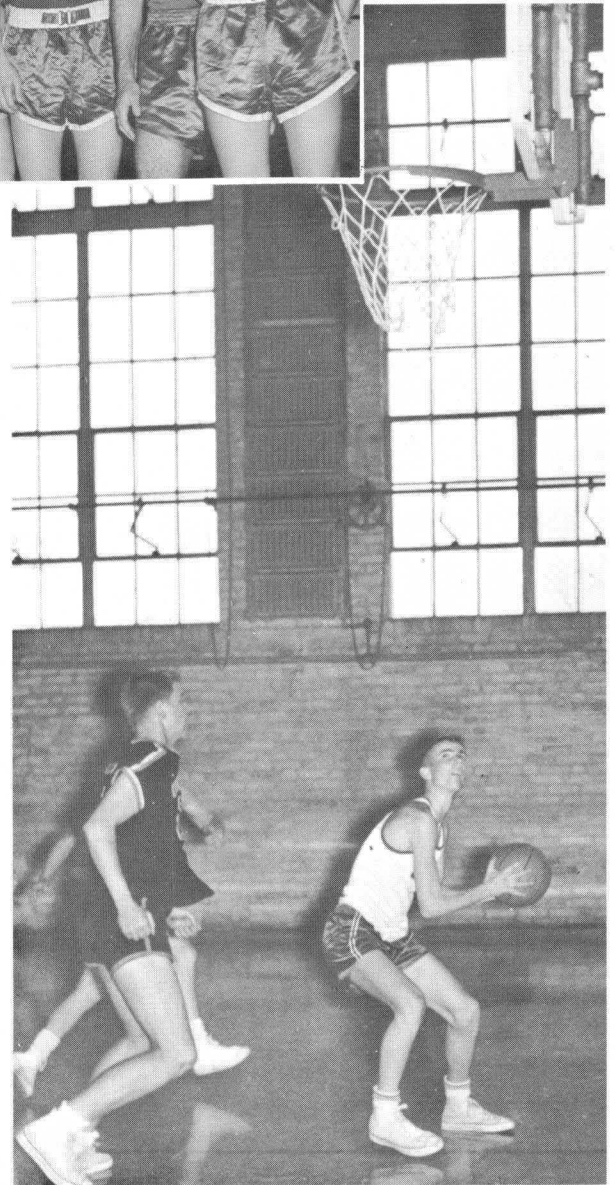

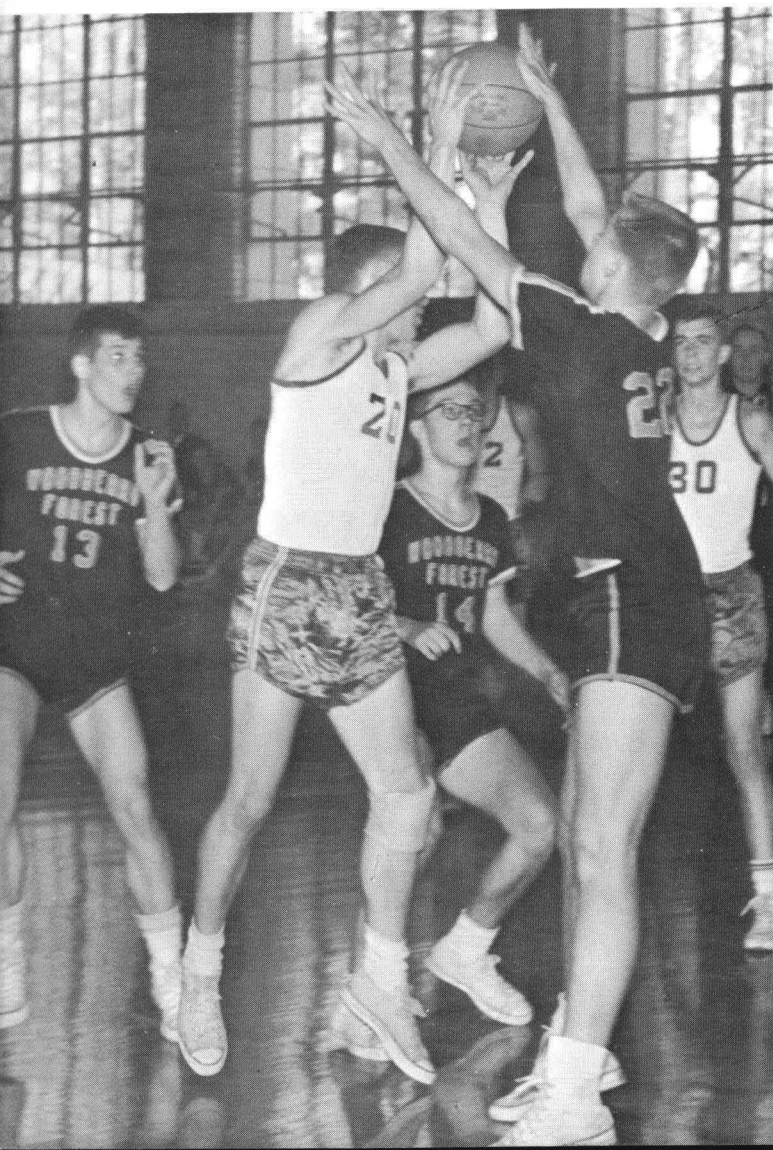

**TALL STORY . . .** Hargrave's 6'9" tall McCloud (no. 13) effortlessly grabs the rebound, but Cooper and Lyons make a good try for the evasive ball. HMA controlled the game and the score, 60-86!

# Sauers stars for the J. V. Basket-streaks

## J. V. Basketball Team

Shank, captain. Barber, Whately, Lewis, J., Crawford, Daugherty, Coach Reid, Karaisz, Sauers, Cochran, Jennings.

**TOP MAN . . .** Dave Sauers eyes the basket and hits for two more in the Woodberry game which saw the Tigers romp to a 54 to 25 victory over the Blue Streaks.

**BOTTLED UP . . .** Jim Crawford finds himself bottled up against the Tigers, but spots Dave Sauers in time to pass it to him for another Blue Streak score.

as Whately, Lewis, and Crawford — spark plugs.

LULL IN THE GAME? . . . It must be a time out! No spirit shows from Terry Liner, Dave Cully, Phil Ambrose, Gary Shepard, Cas Reeves, Jim Towe, or Steve Durst. Yells came forth later as the action increased!

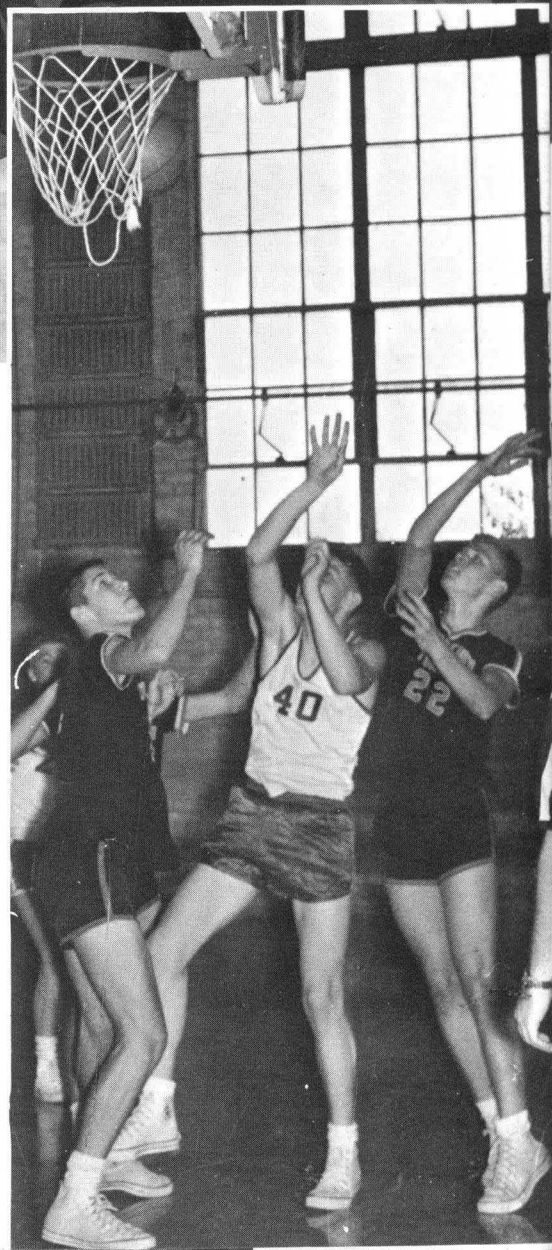

A rugged season for the J.V.'s was saved by the expert ball handling of Dave Savers, who averaged about 10 points a game. Close behind Dave were Whately with an eight point average and Julian Lewis with seven.

If spirit and determination are any criteria, however, the JayVees were successful even though the scoreboard shows heavily against them.

UP, UP UP! . . . Steve Karaisz watches as his lay-up shot seems to stand still. His two points did help in the W-F game, but the final score found AMA on the wrong side! (25—54)

# Basto, Madley, Gaston, Willcox, and

Enthusiastic rooter and swimming booster Clay Willcox had a cry of "Wait until '60"! It will have to be delayed until '61! Facing a rough schedule, the Aqua-Streaks succeeded in holding up well against prep school competition. Games with U.Va., W&L, and V.M.I., however, tipped the scales in favor of the powerful Frosh teams.

Adding points for AMA in each meet were Gaston and Garrett in the diving division. Basto continued to improve his backstroke, winning in every meet!

PERFECT FORM . . . Mitch Gaston exhibits perfect form as he executes a back jack-knife, helping add to AMA's 40 points against the U.Va.'s 46.

AND THE RAFTERS RANG . . . With cheers from the sidelines, Madley had to come home first in the medley! Spectators and swimmers helped cheer AMA to a smashing 73-13 defeat against arch rival, Fishburne!

## Aqua Streaks '60

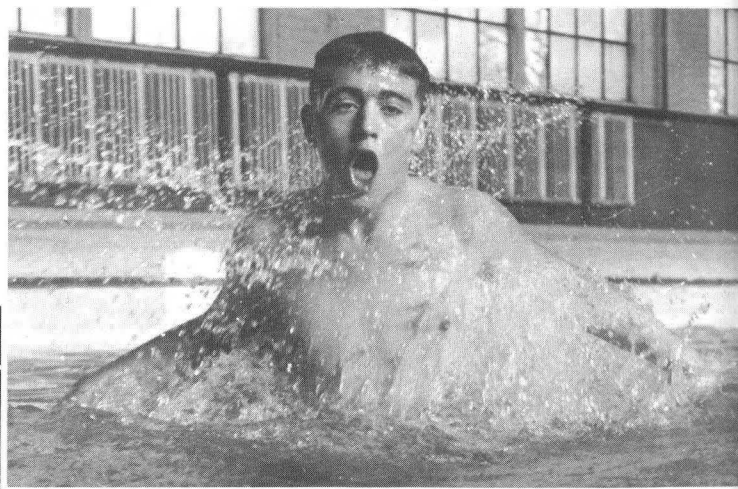

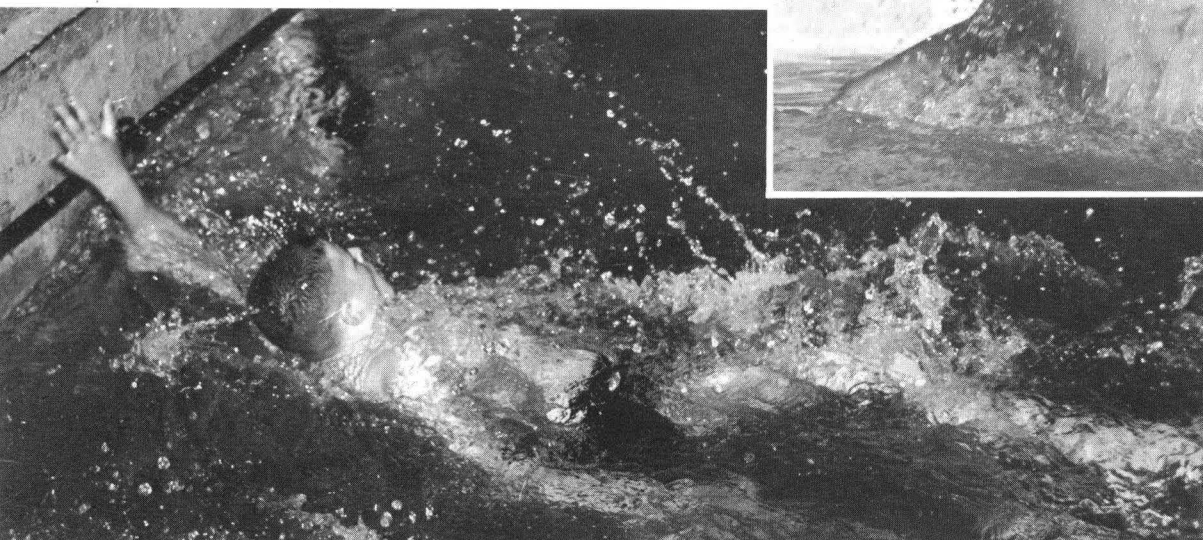

Vassallo, Mickey Johnson, Clay Willcox, captain, Mitch Gaston, Wayne Hansborough, John Allen. Coach Allan, Garrett, Ed Mazzei, Burgess, Dick Atwell, Bill Brooks, H. Walters, Coach

Blankenship. Pete Madley, John Poast, Dick Kirby, Pete Schwind, Dick Keller, Mike Basto, John Tiller.

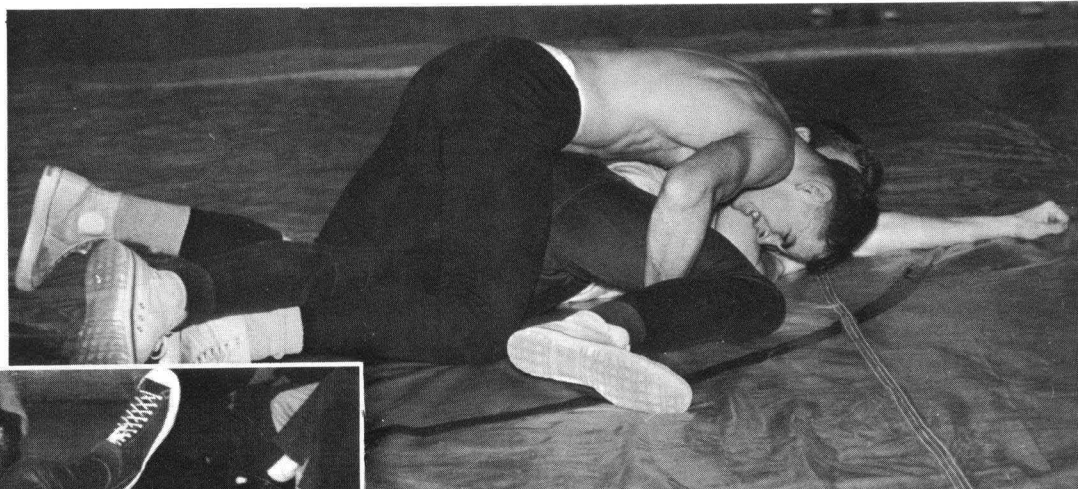

## Garrett pace the Aqua — Streaks!

UP FOR OXYGEN! . . . Mike Basto may swim like a fish, but he has to have air! Three year varsity backstroke star Mike overwhelmed all his opposition!

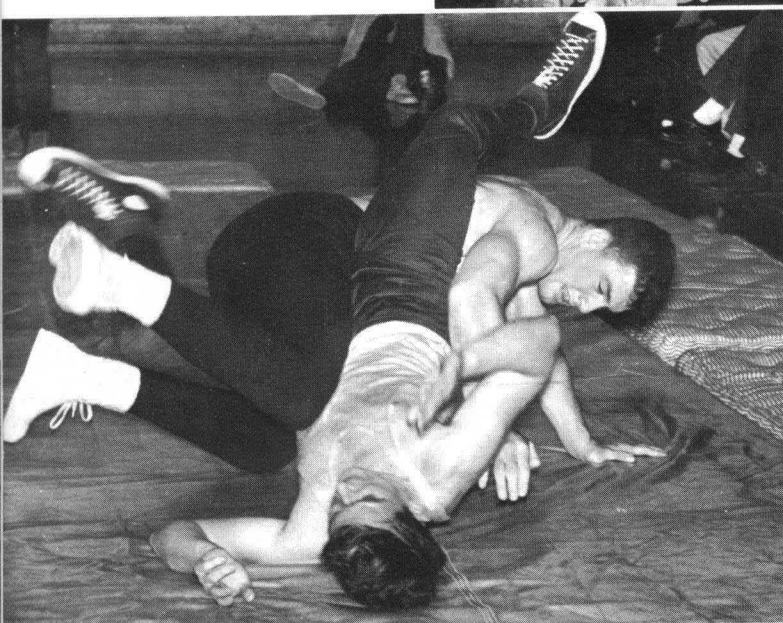

JUST IN TIME . . . Pete Madley makes the difference again! Urged on by the cheering spectators, Pete helps the medley win against M.M.A., which means a win of 53—33 for the Streaks.

# Leonard, Liles, Maupin go undefeated . . .

GRUNT AND GROAN . . . Bernie McAleese sounds like a TV wrestler as he gives George Hazlett of Covington a rough time. Bernie pinned his man and AMA won 38—10!

CUT HIM UP! . . . Ralph Leonard, AMA's undefeated heavy weight, finds Phil Huffman of Covington more sinewy than he had expected, but he succeeded in getting the decision. Covington, usually a formidable foe, bowed 10—38 to Augusta.

Optimism by the coach and the team members began to show at the first wrestling practice. Maupin, two years on the varsity, Leonard, undefeated in two seasons, McAleese, generally a winner, and McVey, a five year wrestler, were the backbone of the team.

Mid-way through the season, Liles appeared on the scene, and went undefeated. Biggest upset of the year was the 29—21 victory which the Blue Streaks scored over VSDB, making it the first success for AMA over them in 13 years!

## Blue Streak Mat-men '60

McVey, captain. Bob Moore, Charlie Price, Phil Robinson, George Hudnall, L. Hewitt, John Maupin, Don Russell, Jim Reichard, John Wagner, George Wintringer, Jeff Hedden, Gary Long,

Norman Strehle, Bob White, Ralph Leonard. Coach James McDowell.

# . . . grapplers have best season in years!

An early season tie with Culpeper High School gave the boys the needed incentive to defeat them in a return meet by 29—15! With a win one-lose one record against arch rival Fishburne, and a near victory over the Tigers of Woodberry-Forest, the Augusta mat-men finished the '60 season with the best record in over five years!

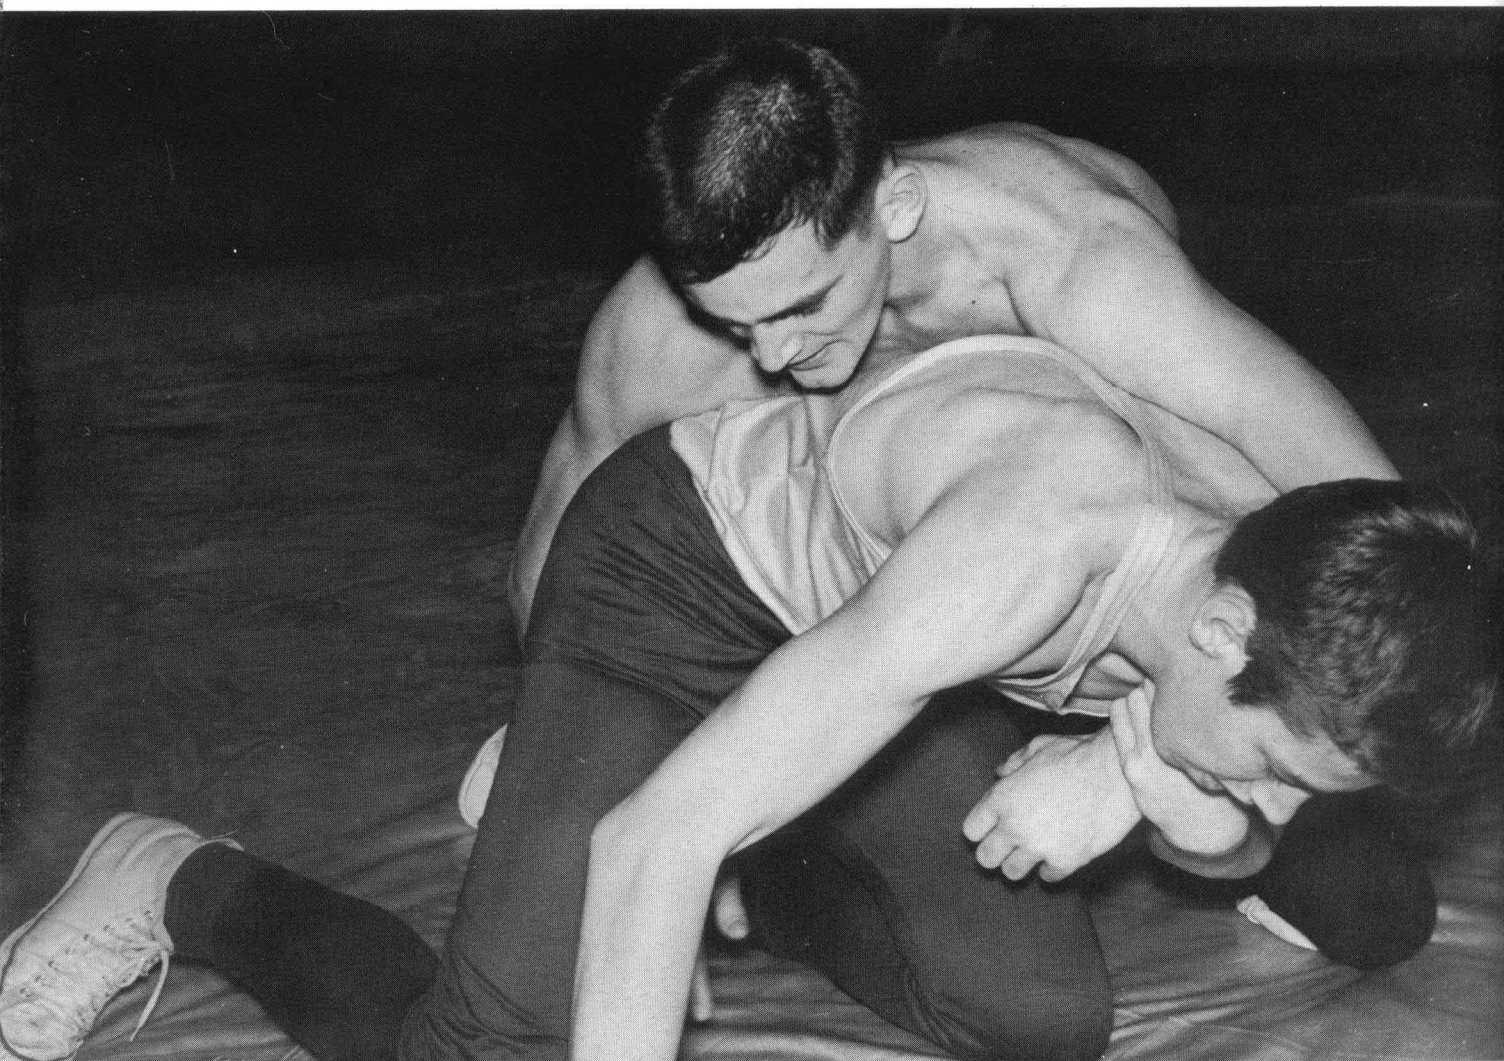

High hopes for '61! That's the spirit as the season ends, for over eleven men on the varsity team will be back next year . . . and the cry is still "Let's beat Woodberry!"

IT LOOKS EASY . . . From the picture, it just doesn't seem as if it would be too difficult for Bernie McAleese to flip Covington's George Hazlett right over for a quick pin. It took time, but Ber-

nie did pull the trick, and AMA slaughtered Covington 38—10 on home ground. Bernie came close to having an undefeated season!

## Blue Streak Fencers

Pritchard, Amendola, Lea, Coiner, M., Myer, Sexton, Rodgers.  
Mariner, Baker, Page, Yrastorza, MacIver, Lobalzo, O'Conner, Schreiber, Marchant. Ayers, Steele, James, L., Roelle, Davis, Jon,

Hoppe, Trimble, captain, Rodriquez, C., Noboa, Urbina, Popovich, Fillmore, Gracia, Bernert.

# Fencers face college foes successfully.

OUCH! . . . Dave Trimble (at right) finds his mark against his V.M.I. opponent. Even against college foes, Dave managed to win 85% of his matches.\*

It's impossible to schedule games for the fencers in the prep school league — because AMA is the only Southern prep school to have fencing! Facing such competition as V.M.I., U.N.C., Navy, Johns Hopkins, and Duke, Augusta's sober, epee, and foil men, produce stand-outs in each category; Trimble, Amendola, and Mariner conquered foil techniques; top men in epee were Marchant and Gracia; saber men Roelle and Popovich led in their field.

With limited competition, AMA's fencers gave exhibitions at Stuart Hall and Madison, and fenced the Washington Fencing Club for practice. Victory over Johns Hopkins was the bright spot of the year for the fencers!

'60 season for the diamond men looms without the stars of '59. With Anderson, Coyner, Rodger Morris, Plazaola, and Blaylock, a winning season seemed a certainty, but this wasn't the case. Emerging from the Massanutten game with an 8-1 win, the Blue Streaks dropped three straight contests, before defeating Fishburne 3-2.

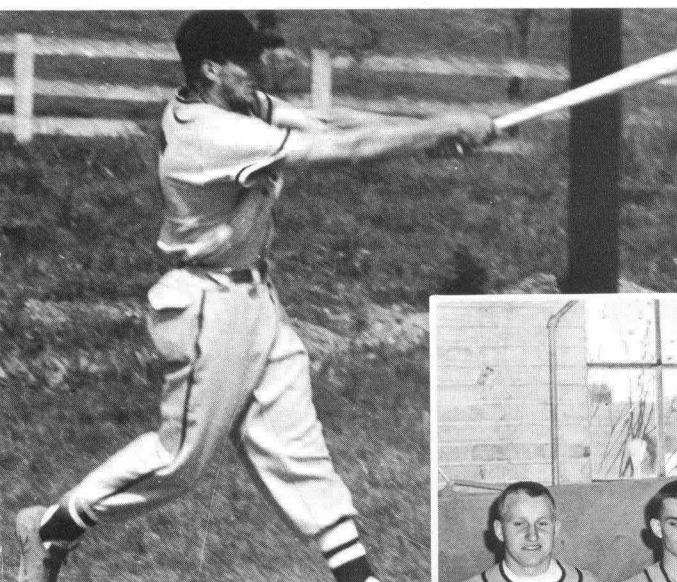

Scheduled for the '60 outing are two games each with Randolph-Macon Academy, Massanutten, Fishburne, Ferrum Junior College, and Hargrave Military Academy.

Blaylock, Hooker, and Cesar Rodriguez, the three returning lettermen, will join forces with Charlie Cash, Franklin Williamson, Harry Wilson, and Bob Gevrekian to push AMA back into the win column.

SNEAK THIEF . . . Cagey Walt. Anderson tries to sneak home against M.M.A., but the slide didn't even help! Even with Andy's OUT, the score was 8-1 for Augusta!

## Diamond men strive for a "glittering" season!

LONG SWING . . . Kenny Coyner misses a mean one in the F.M.S. game, but AMA pulls through with an upset over the Caissons, 3-2.

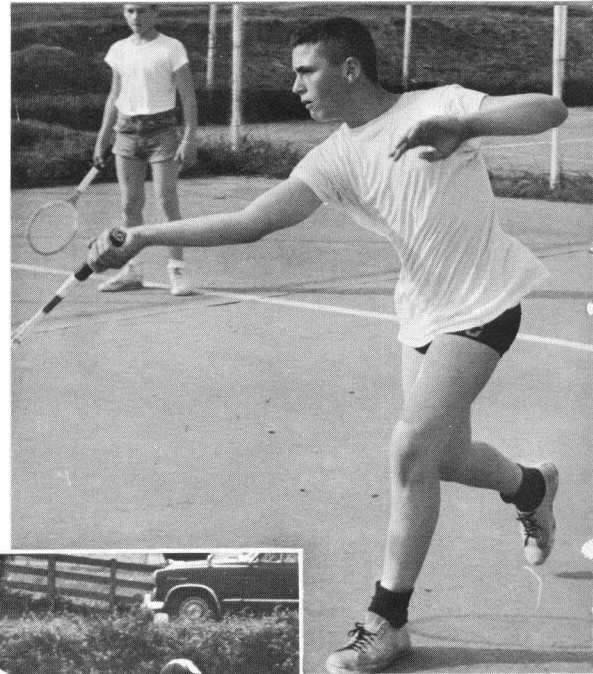

EIGHT MAN TEAM . . . Coach Ralph looks perplexed to see only eight men out for baseball, but early practice kept away all except for Hooker, Brown, Calhoun, Morris, Blaylock, Tomasek, Rodriguez, and Plazaola.

# Tennis, lacrosse, and track furnish

Practice . . . that's the keyword for spring sports at Augusta! A tight schedule of activities in a brief two months' period negates a huge program. Five or six tennis matches, five lacrosse meets, and four track meets, with the possibility of three or four golf matches combine with the ten-game baseball schedule for the complete picture.

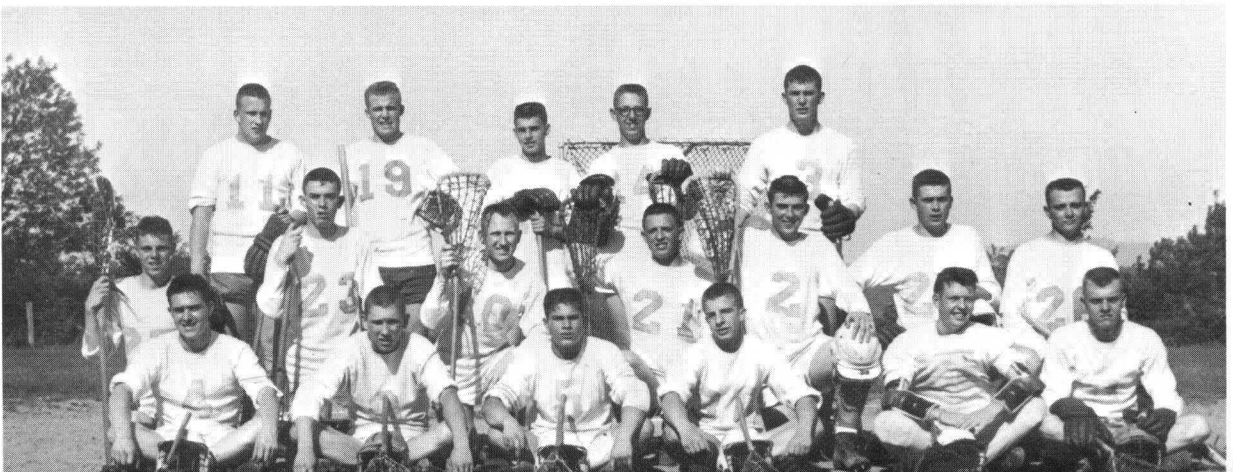

ONE LOVE . . . Mike Basto continues to improve his tennis game. Bleak, though, was '59 on the tennis scene, but Basto managed to win against V.E.S. and R.M.A.

WHERE'S THAT LITTLE BALL? . . . Clay Bowl becomes a dust bowl, as Siman, Leonard, Smith, Hooker, and Crawford to find the ball while playing U.Va. Losing by 9-4, the Augusta stickmen later surprised Charlotte Hall 4-3.

## Augusta Stickmen '59

Davis, Jon, Crawford, Amendola, Fechheimer, Burrell, Anderson, F. White, W., Roelle, Hooker, Sherman, Lampie, Hurst, Smith, Calhoun, Wainwright, Groves, Miller, Leonard.

# outdoor sports participation in spring!

SPANISH FLASH . . . Johnny Urbina crosses the finish line in 10:07 in the 100 yard dash. A completely new track with every facility for participation in the sport brought over 60

participants for Col. Duff to coach. More meets in '60 promises better results for AMA!

Enthusiastically supported, lacrosse finds a dearth of schools which offers the sport. Once more Augusta teams turn to college competition and contests with Charlotte Hall in Maryland. Bob Siman, captain of the team, confidently predicts a bright picture for '60!

Recently revived track has seen the largest number of team members for any sport at Augusta. Finished in '59, the new cinder track, pole vault pit, broad jump pit, and hurdles gave over 60 boys the chance to learn something about the sport.

Clay Johnson and Coyner in the running events, and Zeke Zehmer in the field events gave AMA firsts against Woodberry and Fishburne.

JUST A TIP . . . but it's enough tumble the cross bar and give Clay Johnson a jolt as he lands in the pit! Morgan, Kruppenbacher, and Whiteside enjoy Clay's slip!

# Second Army Champions for the third

PHENOMENAL SCORE! . . . John Adams, top man on the Rifle Team, fires a perfect 100 at VMI, breaking the range record, kneeling position! Mike Murray watches the famous one closely.

Consecutive winners in the Second Army area for three years, the Rifle Team '60 acquires' permanent position of the large trophy gracing Gen. Roller's desk. Placing third in the nation, the team also captured a William Randolph Hearst trophy for second place with its first team's score, and a third place as a result of the AMA second team's firing record.

Event of the year was the 100 points racked up by John Adams at VMI. With his perfect score in the kneeling position, John's name goes on a plaque at VMI.

Twice during the year AMA's range record was broken by a score of 1410 and then by 1416! Match average for the year was a high 1397 points.

Roger Northrup, new cadet on the team, fired high man twice, and Gary Quatmann began to show the improvement needed to produce a champion.

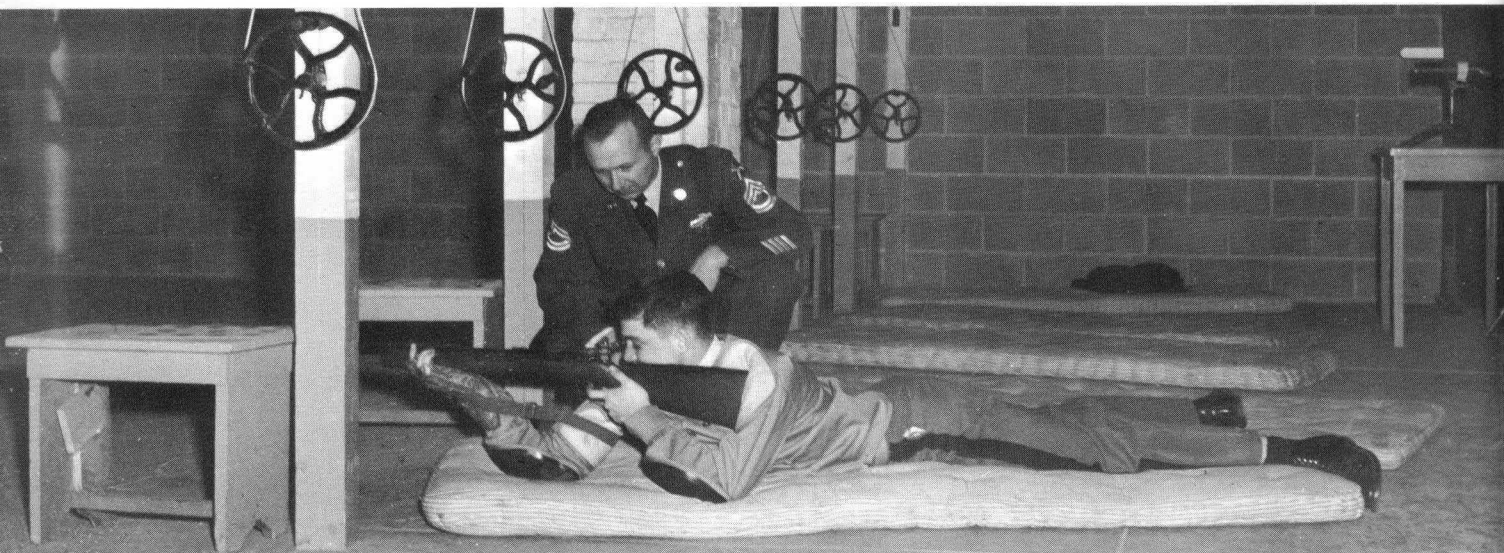

## Championship Rifle Streaks

Mechem, Frees, Walt Quatmann, Northrup, Gary Quatman, Holtman. Klinch, Murray, Adams, captain, Burton, Trott, Russell, W., Coach Komisar.

# year insures trophy for the Riflemen!

ODD BALL SHOT . . . Left handed Gary Quatmann presents some real problems to a right handed coach and a team of right handers. Most improved man on the range, according to Sgt.

Komisar and Capt. Mears, Gary receives some advice from Sgt. Komisar on how to improve his score. He wants AMA to have a championship team again in '61!

AL JOLSON, PERHAPS? . . . Bill Klinck rolls those eyes and can't believe that Ronnie Frees could have fired a score above his! Practice day by day from September 'til June makes the Rifle Team an all weather, all season sport.

# Organizationally

Investment in the future . . . that's what each cadet begins to perceive as he gives first of himself . . . one only receives from life in proportion to what he puts into living!

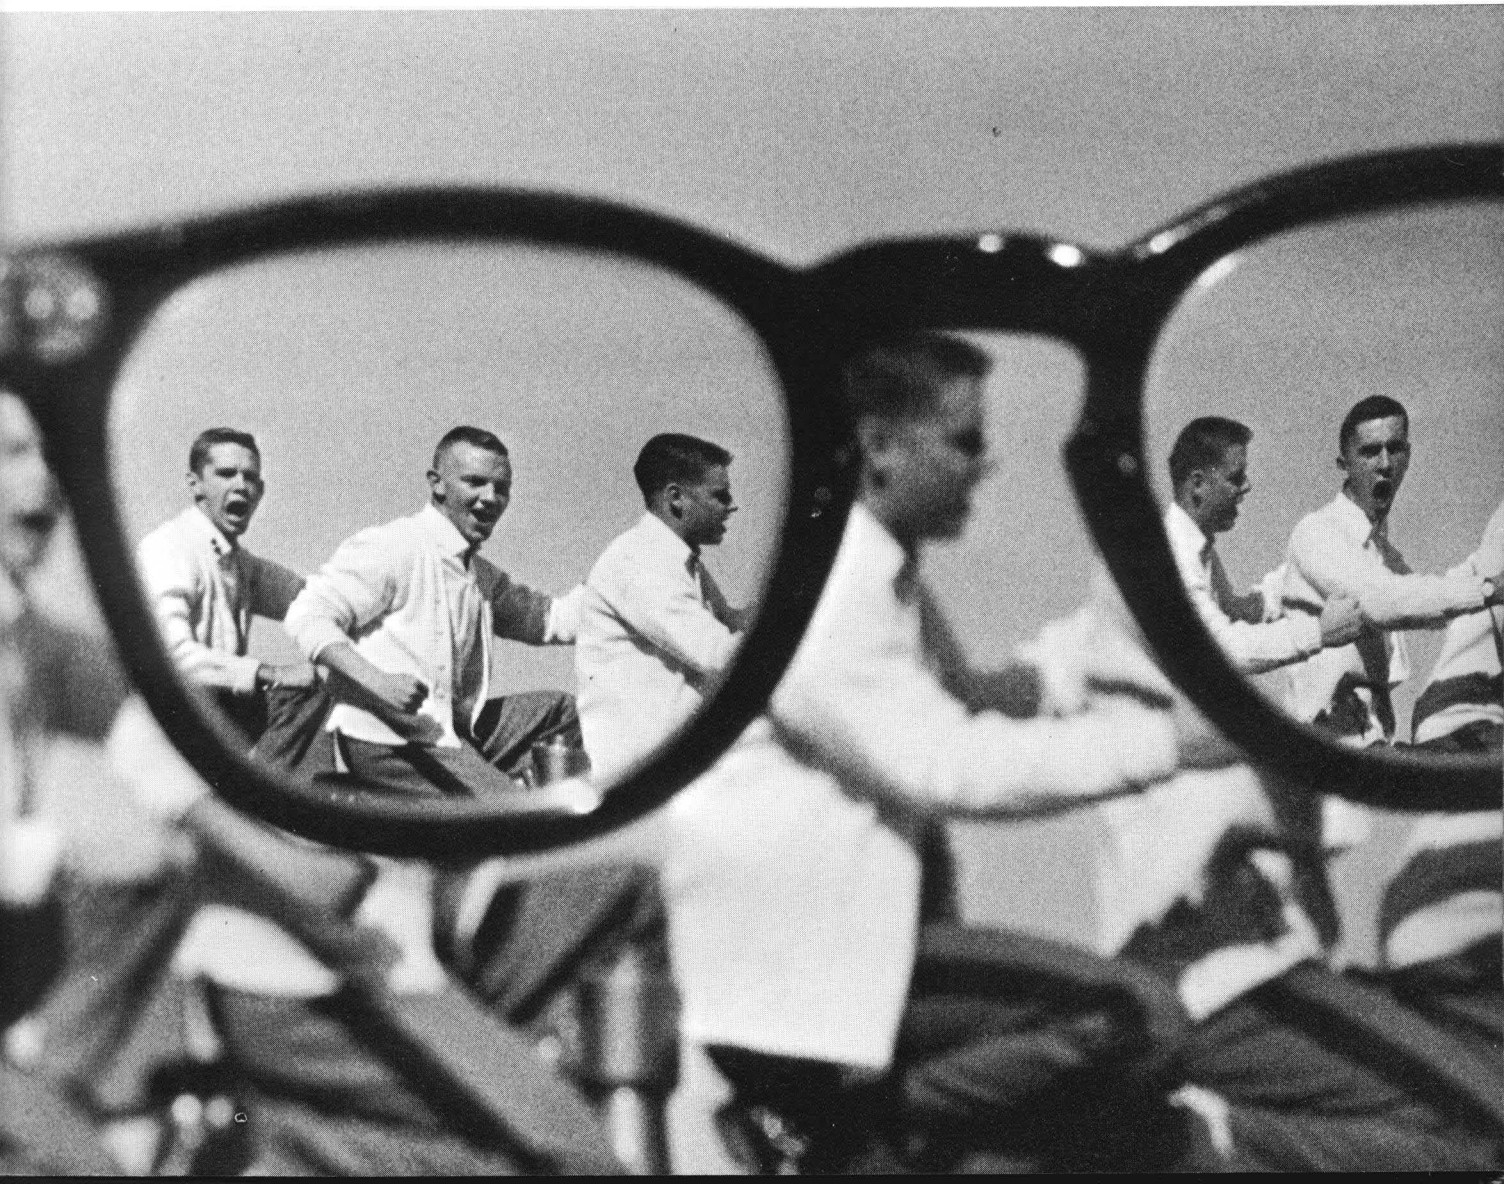

For many boys, service on the Student Body Officers and the Honor Committee is the high point of life at Augusta . . . in serving, they gain the realization of how they can help instill in their fellow cadets the necessity to have honor as the keystone to their lives.

Religious training at the Y.M.C.A. has provided a place of revelation for a few boys . . . the place where they decided to become ministers . . . AMA proudly boasts the fact that she has produced

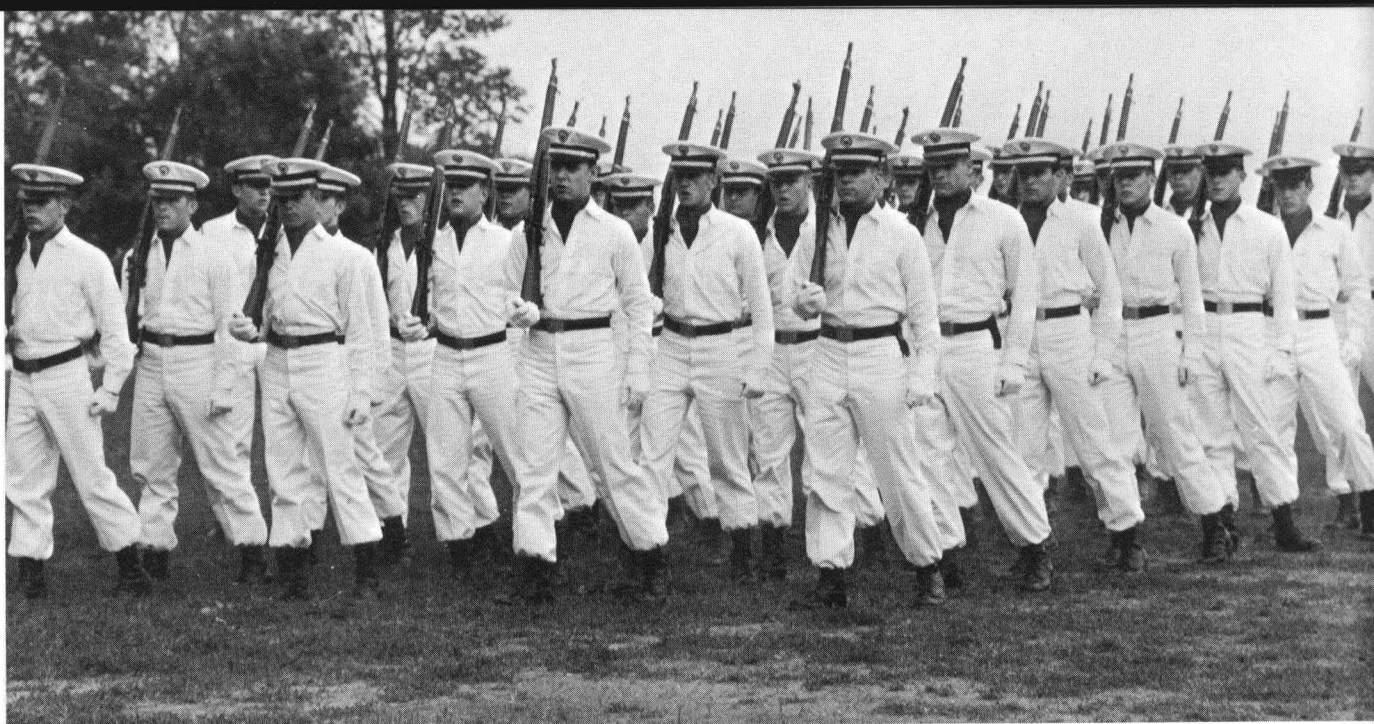

a score of ministers, a priest, and a number of lay leaders in the churches.

Sacrificing all spare time, the cadets who make the RECALL and the BAYONET possible fast realize that they are receiving a training which will be invaluable to them.

Debators, decorators, dance committee officers and cheerleaders . . . what a vast enrichment they receive and how much their vision is enriched, expanded, and improved . . . they are building their character . . . as they leave AMA, they realize they owe so much to the school which gave them an insight into the rewards obtained by serving others!

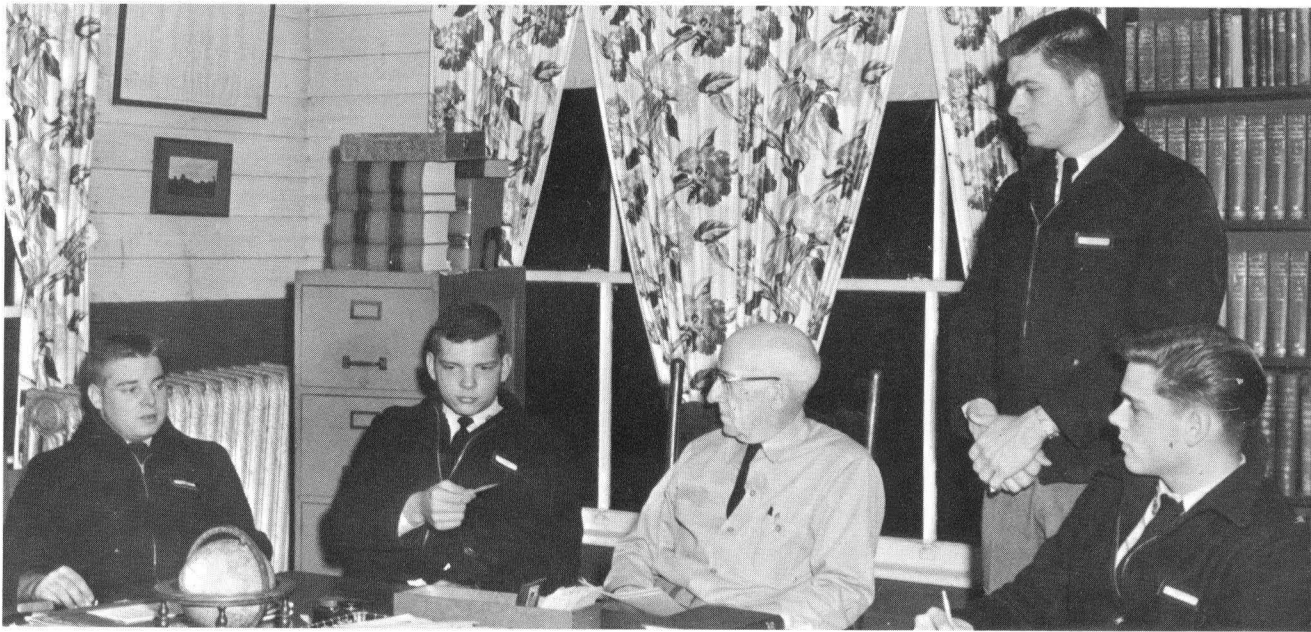

TOPNOTCH DRILLERS . . . members of the Roller Rifles perform during Finals. Crack drillers, they gain that appellation by sacrificing their free time after study hour during the winter months . . . and how it does add to Finals to see the Roller Rifles execute commands with perfection!

# A Gaze at Augusta

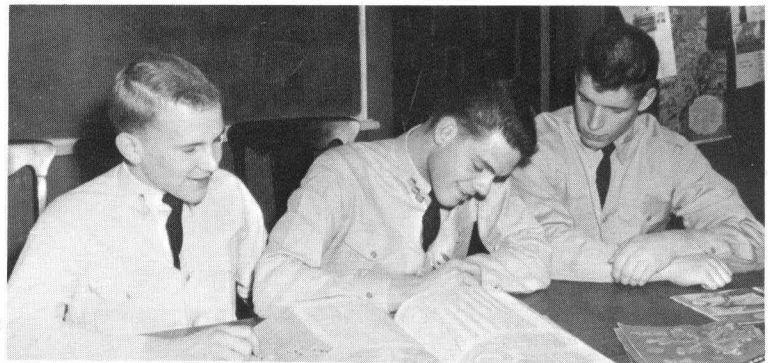

# Day in court! — with the Student Body

COURT BEGINS . . . Bill Bowen, president of the Student Body Officers and Honor Committee, presents the facts to the secre-

tary, Tom Mudd, the vice-president, Jim Towe, the Judge Advocate, Col. McCrum, and the treasurer, Steve Durst.

CONTEMPLATION . . . Bob Lowe thinks about the case, while his vice president, Jack Bridges, and his secretary, Steve Linton, check decisions in previous cases. The third year men had a close election for their officers.

BRIGHT OUTCOME . . . Apparently, the officers of the fourth year men are pleased with their vote. Vice-president Joe Saunders checks on spelling as president Steve Durst writes out the verdict. Dave Trimble, secretary, watches.

Two types of trials may be held at Augusta — one, those dealing with serious infractions of school rules, and two, those dealing with violations of the Honor System.

First an investigating committee is appointed. If a true bill is brought in, a trial before the appropriate group is ordered, with Col. McCrum, representing the Academic Board, in charge. Each defendant may have a lawyer, and in '60 this task often fell to Capt. Kivlighan. Fairness in every situation . . . that's the desire of these boys who serve for others!

# officers and the A. M. A. Honor Committee.

NO LAUGHING MATTER . . . Smiles before the trial disappear when the facts are presented before the remaining officers of the Student Body. George Holt, John Adams, Mike Villarroel, Bill McVey, and Sonny Crockett are the men designated by Gen. Roller to help the four top officers.

BUT HE'S INNOCENT . . . Hooker, vice president of the second year men, tries to sway president Fred Anderson, but that's an impossible task! Ralph Leonard, secretary of the group, entered college at mid-semester.

ONE SIDE OF THE STORY . . . New cadet representatives Bob Bernert, Julio Diaz, Mike Stratton, and Tom Brothers listen to the defendant's story during an actual trial. It's a real honor to be picked out of 250 new cadets to serve on the Honor Committee!

# Towards the highest goal — “Ad Astra”!

There can be no greater thrill at Augusta than selection by the faculty and cadet members to a place in Ad Astra Per Aspera. Each June, ten men achieve this honor . . . something which every cadet will always remember as the ten most outstanding cadets have their pins awarded them by their mothers!

Founded in 1925 by Gen. Chas. S. Roller, Jr. Ad Astra means “To the stars through difficulty” — a motto which has become the motto of the school.

Faculty members of Ad Astra are Col. J. C. McCue, Jr., Col. H. D. Deane, Col. H. D. McCrum, Col. P. V. Hoover, Major E. Will Parkins, Major C. E. Savedge, and Major S. S. Wales. Cadet members in '59-60 are Bill Bowen and Jim Towe.

“WE’LL TOP THAT YEAR!” . . . Ad Astra has become synonymous with Polio Drive . . . and in 1960, under Bill Bowen and Jim Towe, the drive again reached a record — over \$1100! Bill and Jim became members of Ad Astra in June '59.

POUR IN, PILE UP FOR POLIO . . . Noboa, Taylor, Pintado, Overly, Trujillo, Elder, and Ireland help AMA and Ad Astra pass 1959's record collection. It was fun for all, and for a good cause!

A REAL STAR! . . . Chas. S. Roller, Jr., principal of AMA, and founder of Ad Astra, receives his star as Brigadier General from his granddaughter, Mrs. M. Harris Livick. He rates a 21 gun salute, as far as AMA is concerned!

# Cheerleaders yell, but not in unison!

ON FIRE . . . and that's what they were at pep rallies! George Holt, chief cheerleader, gets the group together on a locomotive. Jerry Tolson, Tom Mudd, Steve Linton, Frank Decker, and Ozzie

Osborne had the corps at its peak during the pep rallies, especially the one before the FMS game.

If enthusiasm is the criteria, then each of the cheerleaders had the requisite amount to make the boys yell their lungs off for AMA in every game! Somehow, however, the cheerleaders couldn't stay together and ignite the spark which indicates runaway spirit in a corps.

Mess Hall rafters frequently rang out with "fifteen for coach — or team — or Gen. Roller" . . . for the cheerleaders are responsible for the spirit of the corps throughout the year — at home games and at contests on opponents' home grounds.

AMA's most enthusiastic "cheerleader," Gen. Roller, is not pictured in one of his yells before the corps. Eighty years young, he can still lead the "pep" cheer to show his spirit and his love for AMA! . . . and that's the spirit needed to push teams into the win column!

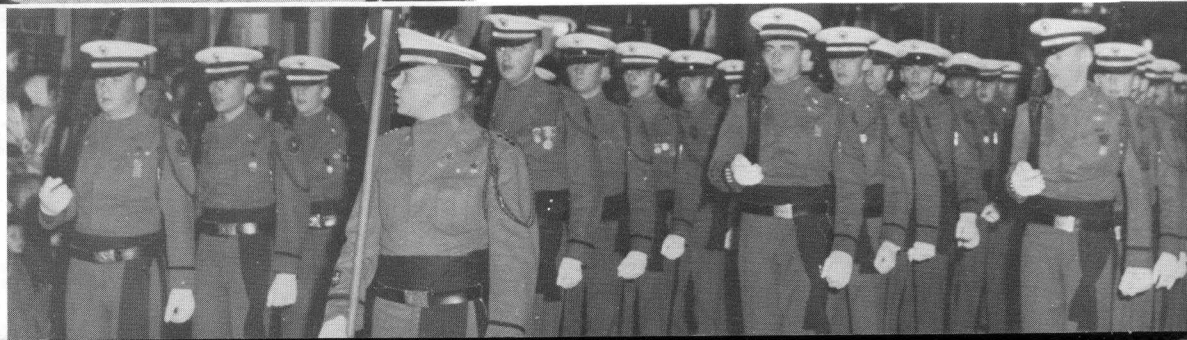

FIGHT FIERCELY! . . . George Holt and Jerry Tolson teach the new cadets the "Fight fiercely" yell. This cheer was really used when we were ahead!

FINAL EXHIBITION . . . Sharply dressed in white ducks, white shirts, red scarves, paratrooper boots, and black belts, the Roller Rifles prepare for the last drill of the school year.

## Crack drillers — Roller Rifles!

WINTER UNIFORM . . . Checking winter uniform for parades in Alexandria and Lexington, Roller Rifle Officers are optimistic about winning trophies. Guidon Towe, Commander Durst, Plt. Sgt. Mudd, and Executive Officer Bowen look prepared!

Villarroel

For fourteen years, the Roller Rifles have been known for expert teamwork on the drill field. That's why they've won trophies at the George Washington Birthday Celebration in Alexandria, in Lexington at the Mock Convention, in Charlottesville for the Dogwood Festival, and in Winchester at Apple Blossom time!

Honorary Commander of the unit is Gen. Chas. S. Roller, Jr., and Mrs. M. Harris Livick, daughter of the late Chas. S. Roller III, is the honorary vice-commander.

During Finals the cadets of the unit appear in peak condition . . . for they are performing before their parents! It's a real treat to see crack drilling in Fort Defiance!

STAUNTON SANTA CLAUS PARADE . . . Guidon Jim Towe leads the Roller Rifles before a record crowd in the Big City for the Christmas Parade . . . even here they have on a different uniform!

OPENING SESSION IS A SUCCESS! . . . The Y.M.C.A. Officers smile, knowing that the first meeting has met with approval. **Treasurer** Bill Pugh, **Secretary** Vic Herwick, **President** Mike Villorreal, **Major** Lucus, adviser, **Spanish Representative** Ed Noboa,

**Vice-President** Jon Davis, **Capt.** H. Hanson, adviser, and **Cabinet** Officers Ralph Leonard, Ed Amendola, and Fred Anderson promise the new cadets that they will do their best to see that each cadet gains from his Y.M.C.A. attendance.

## Y. M. C. A. changes new cadets' focus on life!

**SHENANDOAH STORY** . . . in song and verse is presented by the Music Club of Staunton before the opening Y.M.C.A. program. Tracing the settlement, religions, and life in the Valley, the Music Club was a highlight of the year.

**DIG DEEPER!** . . . Jon Davis, vice-president of the "Y," readily accepts bank checks for the Lynchburg Orphanage Drive. Long and Hansborough shell out for the good of others! And once more AMA gives a \$500 meal to the Orphanage for Christmas.

Boys of every religion learn to broaden their horizon just a little bit more by the associations, programs, and sermons which the "Y.M.C.A." of Augusta features during its Sunday night sessions.

Christmas meant giving for others; Col. Appleton's speech on the Marine Corps was inspiring; sermons by ministers of many faiths strengthened the faith of all. By June, the "Y" has deeply affected the life of every new cadet!

# Literary Society prepares for Finals . . .

Saturday night of Finals finds cadets in dress coats and white ducks, knocking knees, and shaking hands, but when they begin to declaim, read, or debate, the practice they've received becomes obvious.

Meeting during the year to have short debates and brief declamations, the Ciceronian Literary Society is the oldest such group in prep school circles. Under Gen. Roller's sponsorship, the boys learn Parliamentary procedure, rules of order, and effective ways to speak before large groups.

Subject for '60 Finals concerns tax laws, particularly sales tax structures. This requires research, practice, and help from many faculty members . . . everything is aimed toward that Final meeting before relatives and friends . . . and the best receive medals.

"WHAT WILL THE SUBJECT BE?" . . . Lefty Steve Linton, secretary of the Ciceronian Literary Society, listens to suggestions from his fellow officers. **President** George Holt, **Treasurer** Dave Trimble, **Vice-President** Wayne Blaylock, Spanish Representative Ed Noba, and **Sgt. at Arms** Bill Bowen debate the issue.

## Junior ciceronians elect officers, too!

ON THE BALL! . . . Officers of the Junior Society form their plans as soon as they are elected. Danny Ruffner, **president**, Wally Hutchins, **vice president**, Lester Davis, **secretary**, Ron Reiland, **treasurer**, and Brian Bell choose the small cadets who will represent them during Finals.

Sponsored by Major Lucas, Mrs. Davis, Mrs. Ralph, and Capt. Hanson, the Junior Ciceronian Literary Society holds separate meetings during the year. Debating on less complicated topics, the juniors find fun in "Resolved, that there has been an insufficient supply of snow this year." With that, the skies let loose, and snows fell for three weeks!

On the program at Finals, the Juniors are awarded recognition for their services. Truthfully, they are always the hit of the program!

NO LOAFERS AT DANCES? . . . George Holt laughs, but he knows he'll wear regulation shoes WITHOUT TAPS to the Pin-Up Queen Dance. Holt as **treasurer**, Luke Snyder as **vice-president**, Jim Towe as **president**, Leigh Schlusemeyer as **secretary**, and Bill Bowen as **sgt. at arms** gave the corps a fine group of dances during the year.

HIGH HOPES . . . Loyal Betsy Cover has high hopes for the Holiday Season. Ole "Climb Every Mountain" Bowen knows that the Holiday Ball is just the beginning of the fun to come.

For two successive years, AMA's Cotillion Club has been captained by boys who became efficient leaders. Jim Towe, as president, could not have done more to insure good dances for the cadets. Specializing in obtaining top bands, Jim had the McCoy Brothers for Openings. Popular with the cadets, they were signed for Pin-Up. With Larry Elliott for the Holiday Ball, and Ray Houser for two more dances, Jim proved he was thinking of the cadets. Everyone did a job, but Jim was outstanding! Over 250 members insured a year of success financially. The officers insured it socially by their hard work.

## Cotillion Club bulges with 250 members!

SMOOTH ON THE DANCE FLOOR, TOO! . . . Wayne Blaylock proves that he's just as smooth in dancing as he is in athletics. He's convincing Delores Wrenn at the Holiday Ball!

INFORMAL FUN . . . Chris Horsey and Burnell Pike take it easy during the February informal. Saturday night dances prove to be a tremendous success.

IT'S OUT . . . and it's on time! Capt. Hanson, editorial adviser, and Dave Dillard, associate editor, relax as the BAYONET comes from the press. Jon Davis, Editor, is pleased with the outcome.

ARTIST AT LARGE . . . Randy Preston puts that left hand to work to create a cartoon for the BAYONET. His cartoons were quite professional!

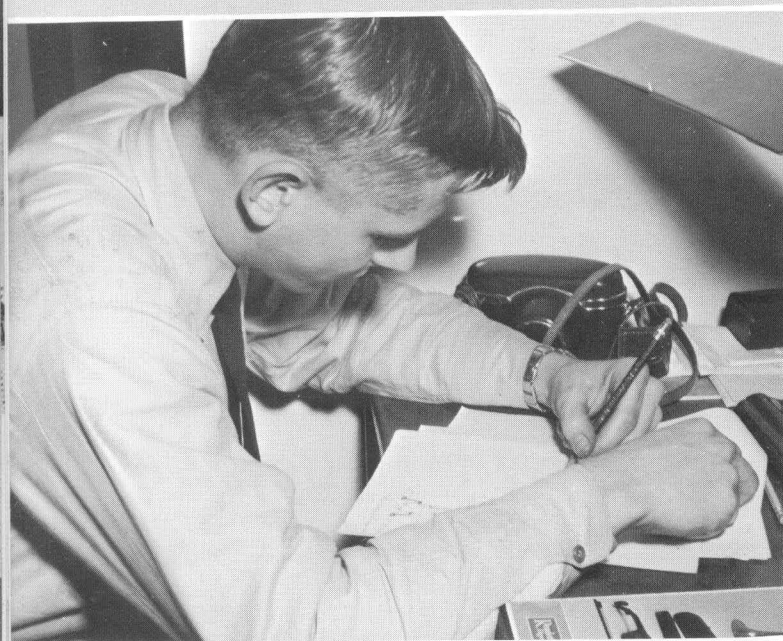

STAFF MEETING . . . Herwick, Cuadrado, Higgins, Adams, Jennings, and Preston check assignments for the next issue.

## Bayonet streamlines, utilizes informality!

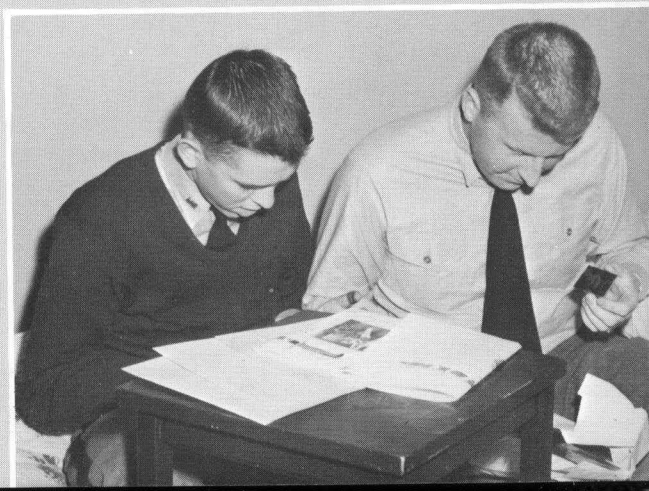

Surging with vigor left over from '59, the BAYONET continued its streamlining techniques . . . informal layouts, crisp reporting, and informative editorials gave the BAYONET the stature it deserved.

An achievement award at SIPA in '59 presages higher awards in '60, and again in '61, since a large number of the staff will be returning.

Humor in the form of cartoons by Preston . . . sports columns of merit by J. H. Morris . . . editorials by Dillard and Davis . . . news items by Herwick . . . all combined to create favorable reader reaction AND greater subscriptions.

CHECK THOSE CUTS! . . . Bill Pugh and J. H. Morris check the cuts (literal — not the figurative type) for the six page Christmas edition. Pugh's work on the mail order department meant less work for the adviser.

# Decorators transform gymnasium into ballroom!

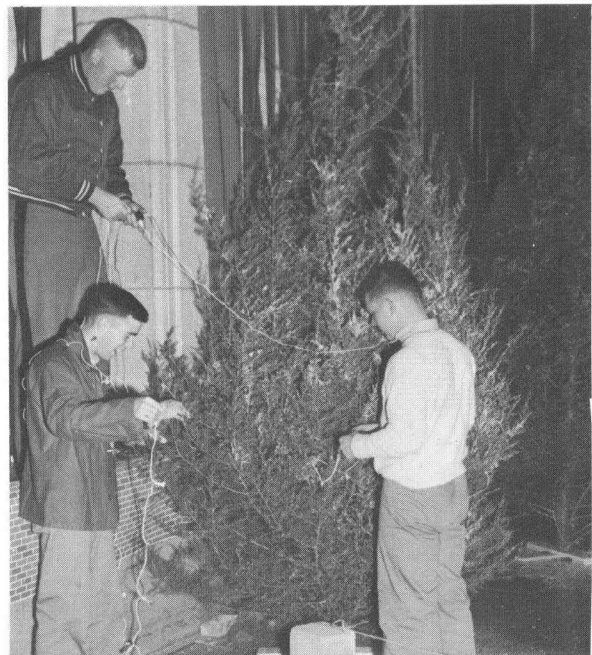

**HARD WORKING CREW . . .** A bare gymnasium doesn't daunt the daring rafter rats and floor crew of the Decorating Committee! Whitey Whiteside, chairman of the committee, could make any place look like a wonderland . . . all he needed was crepe paper and a stapler! Happy to help out are Clay Page, Hans-

borough, John Scott, Rick Morgan, Hannah, Morey, Lacey, Parmegiani, and Aylestock. Basto, Walt Quatmann, Ed Burton, Luke Snyder, Bob Ridgeway, Nick Nicholson, Bob Smoyer, and Jack Newton were also willing workers!

**LIGHTING CREW . . .** J. H. Morris, Mike Livingston, and Jim Towe enjoy decorating the trees for the Holiday Ball. President of the Cotillion Club, Jim's versatility enabled him to do a bit whenever and wherever it was needed.

Take a bare gymnasium . . . largest in the South, and transform it into a ballroom! That's the task which faces the boys who decorate. Yet, this just makes it more exciting to them. Whiteside's rapid stapler, Luke Snyder and his arches, Rick Morgan and his stages, and all of the committee work like fiends . . . which resulted in something that pleases the dates, and makes the cadets feel that they have done something worthwhile.

Looking ahead to Finals '60, the Decorators have a real task ahead — turning the gymnasium into a gigantic salute to our two new states!

# Final Ball salutes our two new states!

AWAITED MOMENT . . . Pete Kelley gets his just reward from Peggy Runnels, as the Figure ends and the dancing starts. The arch has become a welcome tradition at AMA!

STEAM HEAT . . . Officers of the Final Ball sometimes disagree! President Steve Durst sits back and listens to suggestions from Jim Towe, Leigh Schlusemeyer, George Holt, Bill Bowen, and Luke Snyder.

Supper for over 1200 people; good dance music; unusual decorations; suitable favors; girls in white dresses with bouquets of red roses . . . this is AMA's Final Ball.

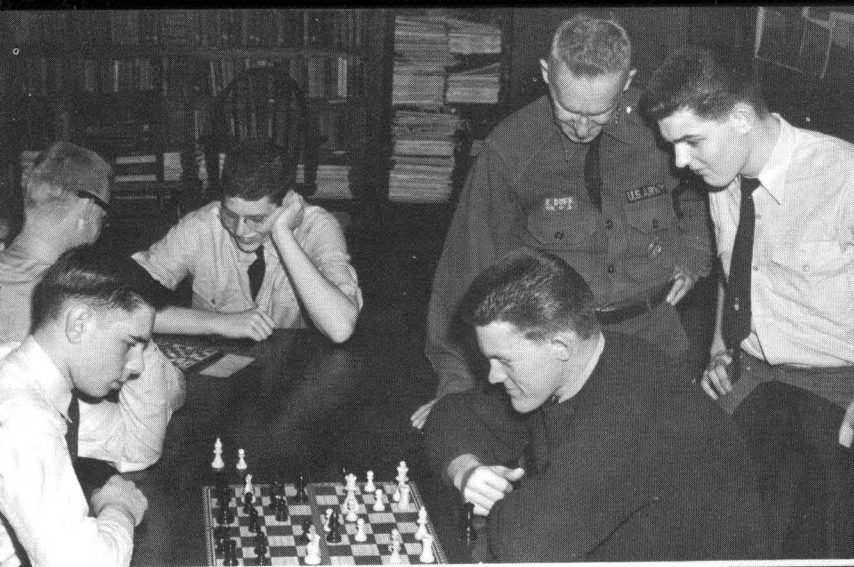

1960's theme of saluting Alaska and Hawaii finds a stage with a backdrop of Alaska on the right and palm trees and Diamond Head on the left! Headed by Steve Durst as president, the Final Ball Committee selected Billy Butterfield as the orchestra, and a color scheme of blue and white with some red backdrops for the decorations.

Co-Vice Presidents Jim Towe and Bill Bowen together with Whitey Whiteside formed the group responsible for the decorations. Leigh Schlusemeyer handled the correspondence and the mailing of the etched bids. Money-man George Holt watched the finances, and the stage was all in Luke's hands! Maj. Savedge sponsors the Final Ball.

CHECK THOSE LINES . . . Cadets and their dates watch to see if they are in step and "dressed" right during the final stages of the AMA Figure.

# BABY ORGANIZATIONS Appear in 1960!

## Chess Club

IN DEADLY EARNEST . . . Popovich and Calvert become engrossed in their chess game, while Col. Duff and Fullen check their moves. Hugh Glantzberg and Jim Cunningham wage their own battle in the background.

Seldom has so much interest been generated when Col. Duff and Lt. Rickman announced the formation of a Chess Club. Over 40 boys began to compete in earnest, and fifteen were deemed up to a meet with Greenbrier Military School. Top players Bradbury, Evans, Cunningham, Calvert, R., and Popovich gave GMS a scare, but the boys with experience won 17½—12½.

With enthusiasm at such a peak, the Chess Club will become a permanent club at Augusta.

ROOMMATES FIGHT! . . . Bradbury and Evans war with one another on a chess board. Wolfson and Cazenave practice for Greenbrier. George Price and Lt. Rickman are more intent on the game than the players.

## Pep Band takes over from the Cheerleaders!

MUSIC FOR BASKETBALL . . . Pep Band keeps the spirits high during the home games. Baker, Morris, Sharlet, Wolfson, Lawrence, Gregory, Bley, Perkins, Tiller, Lincoln, and Wooden perk with some jive during the timeouts!

There's no stopping J. H. Morris and his school spirit . . . and so not only does the Band have a song, but the school also has a Pep Band to play for school events.

Drummer Bill Baker, Trumpet man Sharlet, clarinet player Bley, and baritone horn Wolfson formed the core of the group.

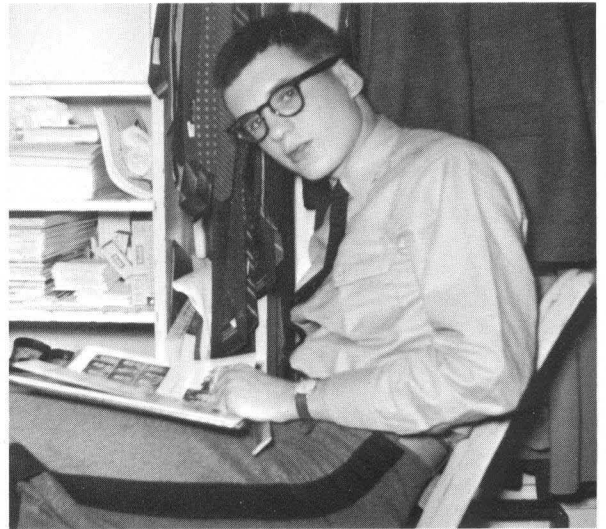

Regardless of the score, music blared forth! In fact, even the coaches were enthusiastic about the youngest organization!

# RECALL staff works to equal 1959's

"GET OFF MY BACK!" . . . Bob Morefield, co-editor of the RECALL, struggles to check layout. Recipient of many nicknames. Bob was responsible for new cadets, proofs, and some write-ups.

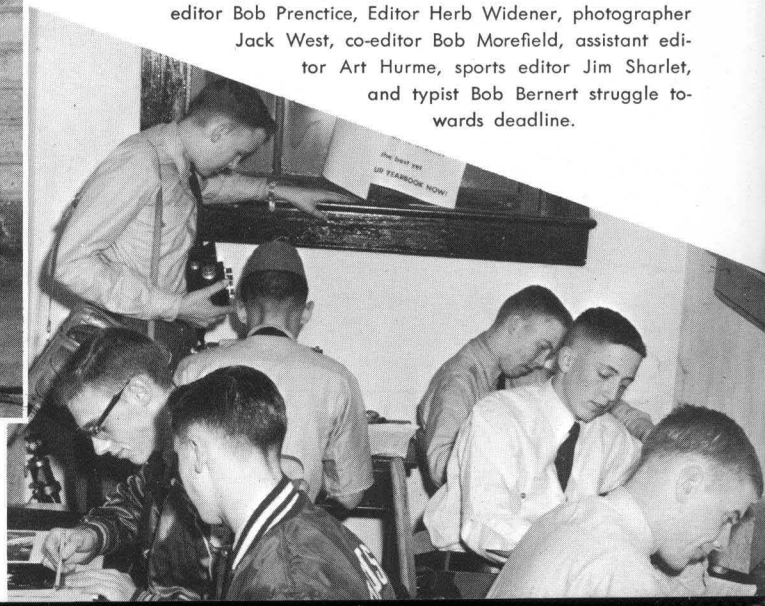

GETTING THE TREATMENT . . . Every cadet is checked before he has his picture snapped. Adviser and editor, Major Savedge and Herb Widener, fix up Quentin Jones for his formal. Herb did every layout in the '60 RECALL and also the senior write-ups.

Every organization has a goal, but the RECALL '60 has a real one — an attempt to equal the '59 edition, which won "Medalist" rating at Columbia Scholastic Press Association, A+ from National School Yearbook Association, and first place at National Scholastic Press Association.

Editor-in-chief Herb Widener, tutored under Mike Wiese in '59, designed the yearbook with an eye towards INSIGHT — a close surveillance of what '60 has been to every cadet at AMA . . . everyone on the staff welcomed the acquisition of a RECALL room . . . and so plans have already begun for '61!

CONSTANT WORK . . . Scene of activity from after school until the wee small hours, the RECALL room gave the boys a chance to produce prodigious amounts of work. Associate editor Bob Prentice, Editor Herb Widener, photographer Jack West, co-editor Bob Morefield, assistant editor Art Hurme, sports editor Jim Sharlet, and typist Bob Bernert struggle towards deadline.

# honors!

Training! That's what it takes to have a staff in condition. Training for '61, Nick Carter and Art Hurme learned layout procedures, headline writing, and photography requirements. Jack West snapped, clicked, and began to see more and more of his pictures appear in print. Prentice, in hopes of returning, did every type of job on the RECALL, including work as co-business manager! And Morefield, invaluable as co-editor, began to consider a post graduate year . . . plans, indeed, for 1961!

INTO THE FUTURE . . . Nick Carter gets a glimpse into the amount of work which must be done in order to put out a RECALL. Herb Widener gives him pointers . . . Nick's determined to put out a RECALL to top Herb's!

## And money comes in from the RECALL and BAYONET!

MORE ADS NOW! . . . that's the firm command from Capt. Kivlighan who wants the BAYONET to have a solvent fiscal year. Business Manager Lloyd Owens helps blanket Staunton and vicinity for complete ad coverage.

THREE YEARS IN A ROW! . . . George Holt, Business Manager for three years for the RECALL, checks money, pictorial advertising, patron listings, and subscriptions. It was a one-man operation, with an assist of great import from Bob Prentice.

MADLY, MADLEY BUTTERFLIES! . . . Pete Madley displays excellent form against Fishburne. A rousing victory for AMA (73-13) results, proof that Pete has mastered the difficult stroke!

# Cadets vote for Hall of Fame members - - -

"WHO DO YOU TRUST?" . . . Herb Widener, voted most likely to succeed, plants seeds of distrust in second place winner Jim Towe's mind. Fred Evans, third place man, doesn't believe he'd like to have Herb operating on him, if he wields a scalpel with the same movement as he does a carving knife! New cadet Mike Stratton placed fourth on the list.

SHARP MEN! . . . Most military men in the school! That's what Don Cooper, Bill Bowen, and Jim Towe were voted, in that order. Seldom could you find them in this mood, or in such stages of undress!

# 27 cadets win, place, or show: Who's Who!

Secret ballots and deep thought combine to make AMA's Who's Who an insight into the opinions of the 500 cadets of the corps.

For the first time in over a decade, there was a spread of votes: few boys were elected to more than one category; many boys received votes and displayed enough strength to be listed as fourth place winners. Ties, which seldom occurred in former years, were frequent.

Disappearing from the Who's Who scene were such dated categories as wittiest, biggest ladies' man, and best dancer . . . the idea began to emerge that "Most likely to succeed," "Done Most for AMA," and "Best student" were categories which commanded respect in this Atomic Age and they were the ones which deserved emphasis.

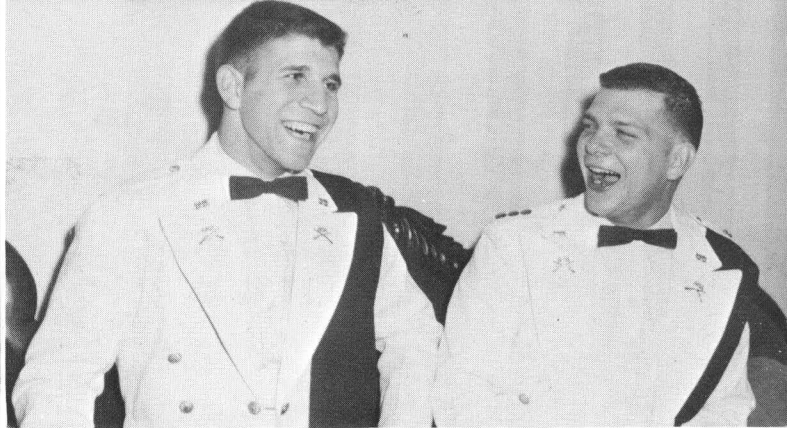

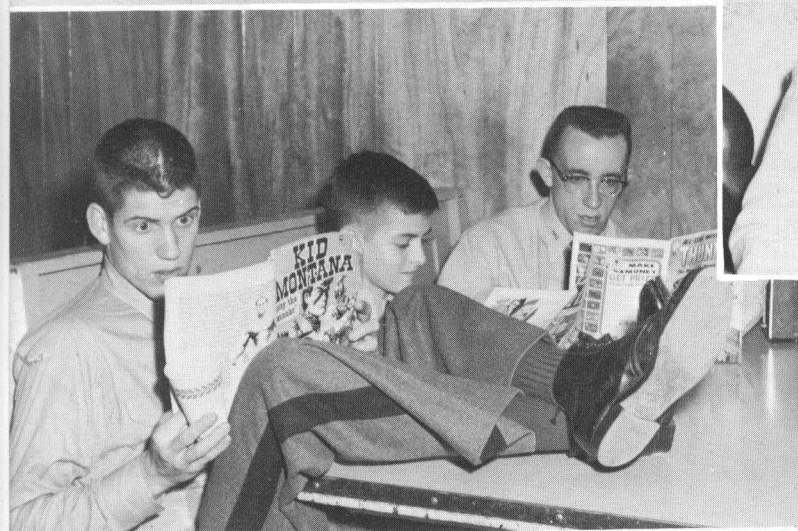

Mirroring the large number of Junior School cadets was the emerging of an eighth grade cadet, Dan Ruffner, as one of the best students! Times are changing, and the cadets show this by their votes!

BE ALERT ON GUARD! . . . First rule for all O.D.'s seems to be broken by top man Don Cooper and third place cadets Bob Lowe and Sonny Crockett! What was needed, apparently, was sharp, second place winner Steve Durst! Jack Bridges was the runner-up for fourth place.

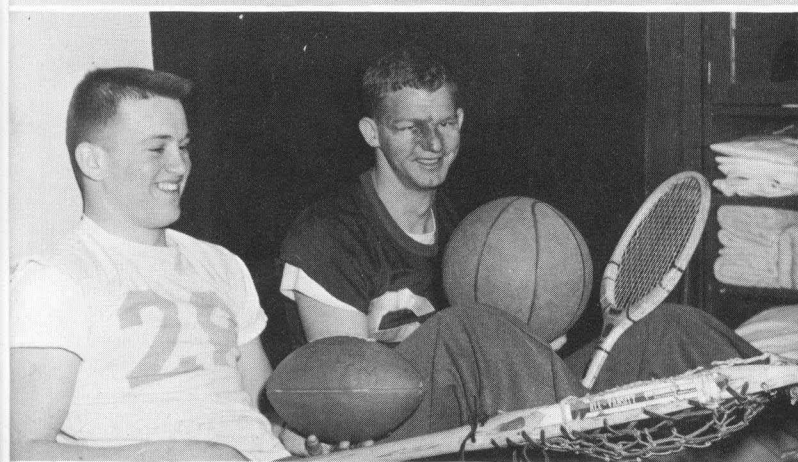

# Who's

# Who

FAVORITES EVERYWHERE . . . Caesar Boselli and Jim Towe display some of their enthusiasm which gave them a two, three place win in "Most Popular" category. Steve Durst, popular with every cadet for five years at AMA, ran away with top vote. A fourth place tie by Jackson H., and Speciale placed them in the limelight.

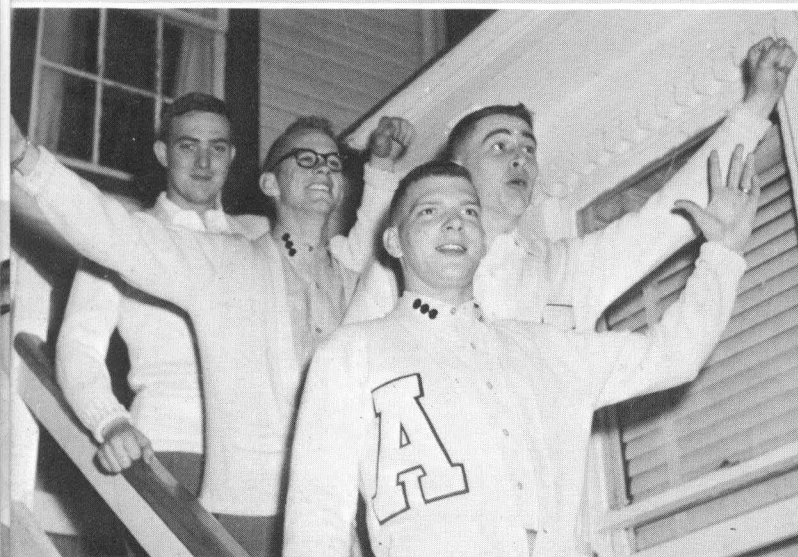

HEADING FOR THE HONOR ROLL! . . . or maybe the Study Hall list if this keeps up! Mike Stratton, best student at AMA, proves that he can concentrate! Third place man Dan Ruffner and second top student Bob Smoyer take lessons from the "master"! Tie for fourth place went to Widener and McCue.

"WE NEED LEONARD!" . . . Ralph Leonard, voted top athlete at AMA, fulfilled the confidence the corps had in him — he went on to the University of New Mexico in February! Third place winner, Barnes Townsend, and second top athlete Charlie Cash, display the symbols of their victory! Fourth man, Wayne Blaylock, will be heard from again next year!

"OH, WHEN OUR LINE STARTS TO WEAKEN" . . . Jim Towe's sparkle in his eye proves that he never gives up! You've got to have spirit — and second man Steve Linton and tie-for-third men George Holt and Jon Davis get into shape to help Jim 'rouse the enthusiasm of the corps, Runners-up were Bill Bowen and Ben Zinkan in another tie!

"LET ME SEE WRINKLES!" . . . Mike Stratton, best new cadet at AMA by a resounding vote, approves of second place winner Bob White's bracing, but feels he has to help Bart Felt and Frank Williamson, who tied for third place. Honorary members of this august group were Bernert and Upton.

## at Augusta '60

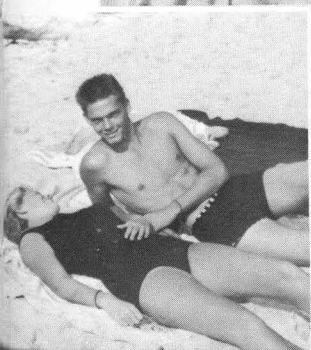

NO EGOTISM HERE! . . . Missing from the picture of "Most Handsome" winners was top man Steve Durst, but third place winner Bernie McAleese, and second place man, Fred Anderson, try to find out just HOW they won! Fourth man in "Most handsome" was Jackie Jackson.

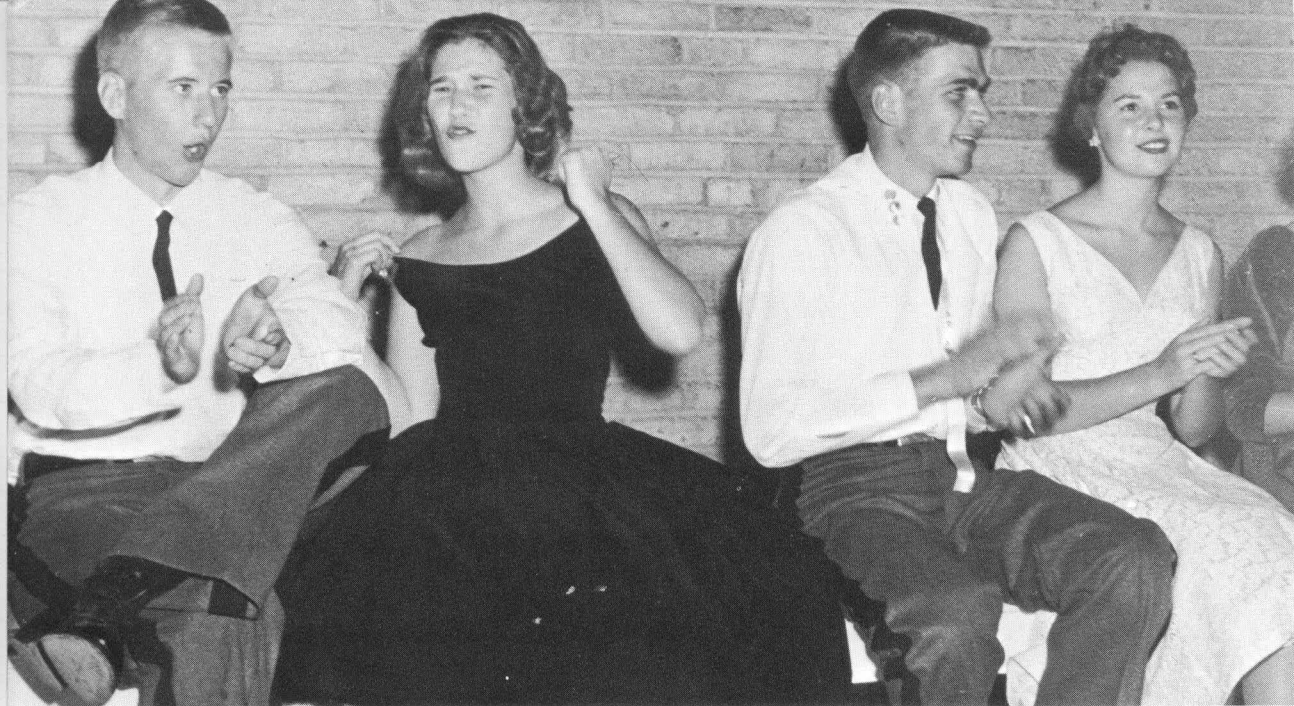

BY THEIR MUSCLES WE KNOW THEM! . . . Dave Trimble, Jackie Jackson and Sam Wales, 1,2,3 winners of "Best Built" lift weights to enable them to enlarge muscles and keep healthy. Winner by an overwhelming majority was muscle-man Dave!

THIS IS AMA? . . . Steve Durst, top man in "Most Popular and "Most Handsome" categories, and second in "Best O.D.," shows what his Final Ball date will look like — it's Judy from Philadelphia, and she obviously agrees with the ballots!

"WELL, WE WOULD IF IT COULD HELP!" . . . "Done Most For AMA" . . . The numerous snows didn't need to be swept clean, but Bill Bowen, Jim Towe, and Tom Mudd would do it, if it meant improving the corps! The one, two, and three men were followed closely by Widener, Holt, and Whiteside!

ROCK, ROCK, ROCK, EVERYBODY! . . . In clean white shirts, laundered by Staunton White Way Laundry, and neatly creased pants, pressed by Shipplett's Dry Cleaners, ole Bob Bernert, and Bill Bowen, rock to the music of Ray Hauser at the Opening Informal. Delia Adkins and Margaret Mehring join in the fun.

# A Peek at Augusta

# Commercially

Carefully peruse these pages . . . herein are the firms and patrons without whose support there could have been no RECALL with insight . . . here are pictures of life as lived at Augusta from a commercial standpoint . . . the players in various sports who were sponsored by our patrons are starred here.

AMA, located eight miles from the closest city, presents a problem in advertising technique . . . so, with vision, George Holt and Bob Prentice selected pictures which depict the use of our advertisers' products at AMA . . . each cutline attempts to tie in a slogan of the company with a phase of school life.

No request is necessary for AMA cadets to patronize

our advertisers, for when the cadets do go to Staunton, they are seen in the places that cooperate so much with Augusta.

In turn, AMA has become well known for its participation in community affairs — the Red Cross Drive, the Community Chest, the Orphanage Drive, the Polio Fund, and the basketball tournament of intramural stars for the Crippled Children's fund . . . the cadets, indeed, realize that they are a part of a growing community.

Here, then, are our advertisers and patrons who have helped you see more clearly what AMA has been like in '59-'60!

## A.M.A. POST EXCHANGE

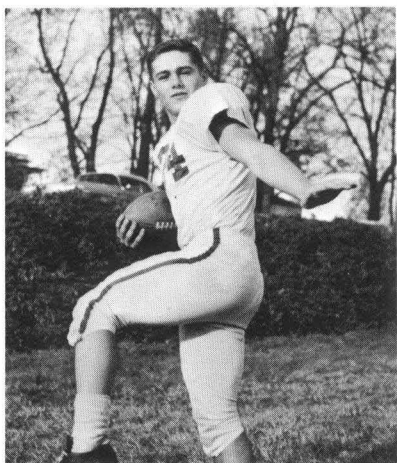

Fort Defiance, Virginia

JOSTEN'S CAN BE PROUD . . . Charlie Mott, Josten's area representative, displays the 1960 senior ring for Tommy Owens, Bob Morefield, Mac Liles, Tony Parinella, Don Christensen, Ralph Butts, Tom Whately, Mike Vecellio, and Dave Curl. Charlie likes AMA's P.X., which has senior rings, food, jewelry, school supplies, personal needs, and TV! The new look really helped the P.X.!

RAVING ABOUT THE FOOD . . . Gen. and Mrs. Roller listen to the Ruritans exclaim about their AMA supper. Jim McLelland stands ready to serve them food which KROGER'S sold to AMA.

GOOD KROGER FOOD . . . helps make stars of football players. Bob Gevrekian became a real asset to AMA's team.

Abell, Nick Syropolous, Bill Talley, Dave Stolitsky, George Bass, Fred Cazenave, Terry Liner, Mike Keeney, Joe McCue, C. Smith, Lester Davis, Ed Ferguson, Charles Burroughs, Dean Burns, Mac Clegg, and Bob Faulkerson.

THAT OTHERS MAY WALK . . . Highlight of the year for many was the intramural contest which saw seven teams playing for Camp Easter Seal, site of a summer camp for crippled children, over \$88 was collected! Determined Dave Savers tries to relieve Ralph Butts of the ball, but the "Sour 7" edged the "Country Clubbers" 38-37.

AND THEN TO WHITE WAY! . . . Parade in white ducks for Luke Snyder and his queen. When spring finally arrives, White Way really has a job to do, but they keep AMA's white ducks and shirts sanitarly clean.

Jack West discovers that Charlie Jordon, the camera salesman, is a friend in any situation. HOGSHEAD's, which features quality drugs at lowest prices, is headquarters for AMA personnel when in Staunton.

COME ON AND DANCE WITH ME! . . . Don Tabor and George Holt try to get Mr. Morgan's great sales-lady, Judy, to dance with them, but she's more interested in showing off the huge stock which MORGAN MUSIC CENTER features. Hi-Fi or Stereo, MORGAN's is ready to serve AMA cadets!

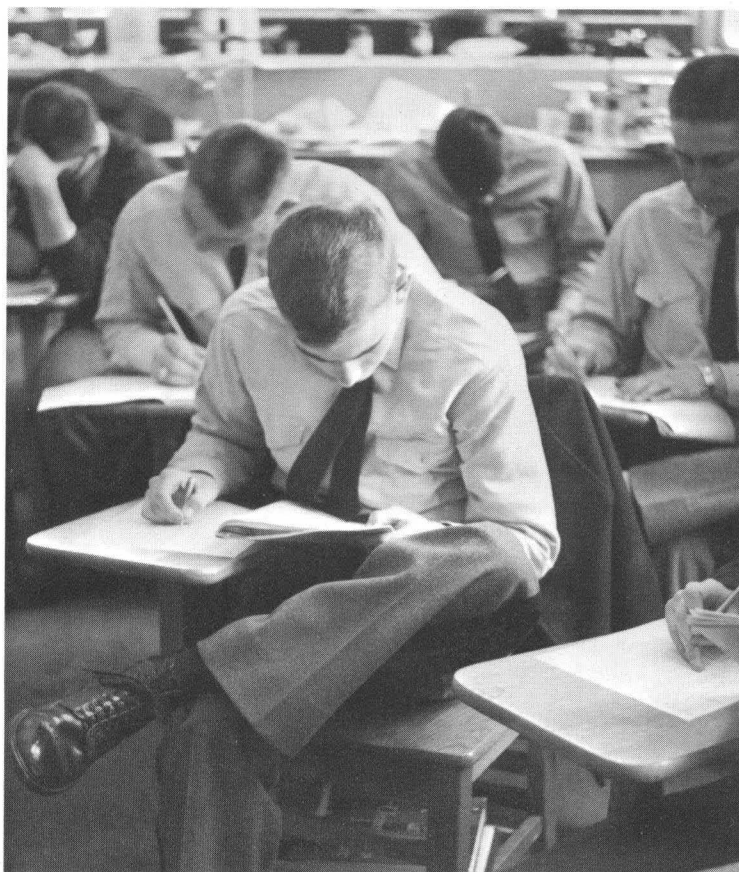

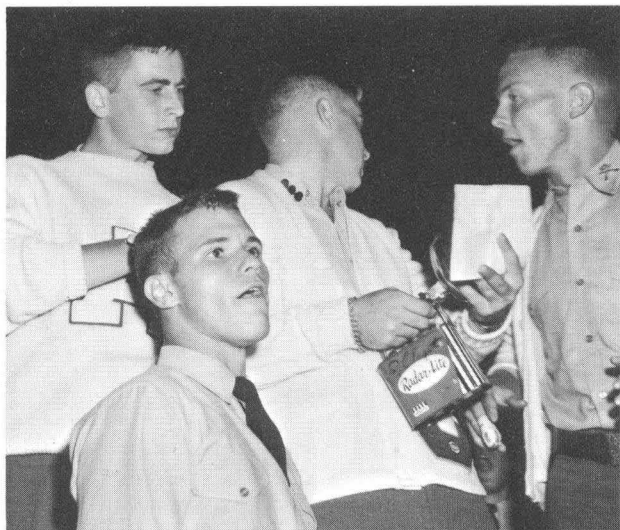

LOOKING INTO THE FUTURE! . . . No Merit Scholarship applicant yet, Blair Coiner is still making plans, not only for scholastic attainment, but also to head COINER PARTS one of these days. Blair's father and grandfather attended AMA, and Blair tries on his father's chair for size. COINER PARTS features parts of cars, trucks, and every type of vehicle. Owned by Mr. Coiner, COINER PARTS is managed by Mr. Chas. E. Kennard. With three generations of AMA students to back them, the people at COINER are always ready to help AMA!

## Hooray for Merit Scholarship cadets!

AMERICAN GENTLEMAN Shoes are on sale at the FORT all year round, but only the best students can participate in Merit Scholarship Examinations! Visible in the background are B. T. Allen and Ron Frees who hope they're dressed right and have studied what they will need to obtain scholarships.

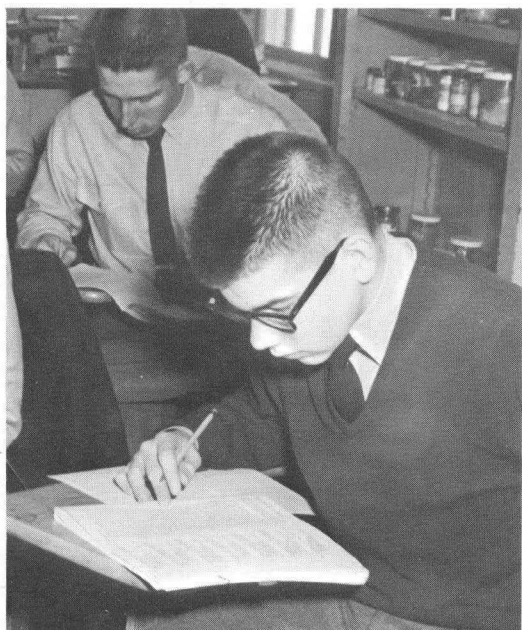

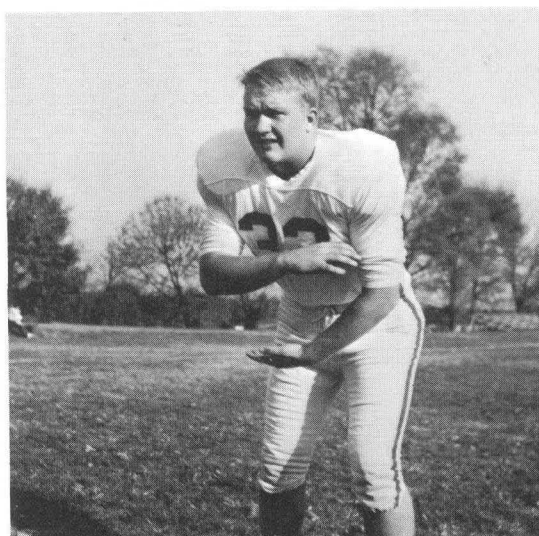

THINK OR THWIM! . . . Minds are like parachutes; they only function when they are open! Steve Linton, Tom Mudd, Jerry Tolson, and Al Escoda realize that they have to use their minds when leading cheers also! . . . and certainly, FIESTA SALES CORPORATION, sellers of "Institutional Foods," has helped provide the protein, carbohydrate, and fats needed to keep the whole body functioning. FIESTA, Box 956, has offices in Staunton!

ALWAYS SAVE! . . . Augusta County's Progressive bank, the AUGUSTA NATIONAL BANK, agrees with football star Bill Campbell — always save a little for the long haul ahead. Augusta County is fortunate to have a bank which has evening banking hours for its customers, and AMA has been fortunate to have such a fine cadet and football player as Bill.

THERE'S A STORY HERE! . . . Dan Chichester takes the Merit Scholarship examination, oblivious to the camera. But Dan's preparing right now to store up enough to buy a FORT WARD HOME in Alexandria, Virginia. Mr. L. P. Sutton will gladly wait for Dan to complete his years at AMA and succeed as has his father, an AMA alumnus. His two brothers, recent AMA alumni, are keeping their eyes on Dan and a chance to purchase a real home . . . those built by FORT WARD!

. . . And insight sharpens on 7 June!

HEAVENS WEEP . . . BUT NOTHING CAN PREVENT GEN. ROLLER FROM STANDING IN THE COURTYARD TO TELL HIS BOYS GOOD-BYE . . . AS "AULD LANG SYNE" SOUNDS, A WET FINALS, FOR THE FIRST TIME IN HISTORY, SERVES TO SHARPEN OUR PERCEPTION OF WHAT AMA HAS MEANT TO EACH OF US.
